S/o.late C.M.Reddy, Raju Nursing Home, L.R.Puram, Bangalore and

(5) Shri.LAKSHMEESH aged about 40 years, s/o.K.V.Ramaswamy Iyengar, residing at No.10, J Block, 'B' type, Sarvagna Road, Kuvempu Nagar, Mysore-570 032 hereinafter called the **TRUSTEES** of the OTHER PART.

WHEREAS Shri.Chikkamuniappa Reddy, the father of Trustees 1 & 4 and the father-in-law of the Authoress above had authored a draft Trust Deed and on the basis the said draft (unexecuted) trust Deed, had created a Trust under the name 'CMR JNANADHARA TRUST'. And in pursuance of the objects of the charitable trust, the author had made a donation to the corpus of the Trust and had also got donated immovable property comprised in a portion of Sy.No.19/1, Kacharakanahalli, Bangalore North taluk.

AND WHEREAS, Mrs.Sabitha Ramamurthy, the above said authoress, also registered Deed of Trust dated 29-5-1991 and the said Trust was also named 'CMR JANANDHARA TRUST'.

ON ACCOUNT of the existence of two similar Trusts by similar names and with similar objectives, there arose confusion and chaos. Simultaneously, there was also dispute as regards the ownership of the former Trust's immovable property between Trustee No.1 above (who is the Secretary of the former Trust) and Shri.K.C.Ramamurthy who claimed to be the owner in

K.C. Sabitha Ramamurthy.

possession of the immovable property. As a result of the rival claims, the matter went to Court and the Secretary of the former Trust obtained an order of Injunction against the abovenamed K.C.Ramamurthy.

And by the intervention of friends and well-wishers of both the Parties, the parties had reached an amicable settlement and sought to compromise the matter in terms of a Memorandum of Understanding filed before the Court. And the Hon'ble Court (CCH NO.15) in O.S.No.394/1993 had passed a Decree directing registration of a Trust Deed with objects similar to those found in the unexecuted draft Trust Deed dated 13-6-1980 and in supersession of the Trust Deed dated 29th May 1991 registered as Document No.57 of 1991-92 Book IV vol.84 pages 78-90 at the Office of the Sub-registrar, Bangalore North Taluk.

And in pursuance of the Decree of the Hon'ble Court, the Authoress abovenamed and the Trustees had registered a Trust under a Deed dated 28-4-1993 registered as No.107/93-94 in Book IV, Vol.279 pages 63-69 at the office of the Sub Registrar, Shivajinagar, Bangalore and had applied for registration of the said Trust under the Income Tax Act 1961. And the Income Tax authorities have suggested inclusion of certain clauses to the said Trust Deed. Therefore, it is deemed fit and proper to replace the abovesaid Trust Deed by a more compact Trust Deed containing the clauses suggested by the Income Tax Authorities.

Now, therefore, the Authoress and the Trustees have

resolved to execute this Trust Deed in supersession of the Deed of Trust dated 28th April 1993.

AND accordingly, the corpus available under the Trust Deed dated 29th May 1991 and 28-4-1993 shall be deemed to have been transferred to this undermentioned Trust. Similarly, the immovable property comprised in Sy.No.19/1, Kacharakanahalli, Bangalore, measuring 150 x 190 ft., is also deemed to have been transferred and made over to 'CMR JNANADHARA TRUST' for the fulfilment of the objects of the Trust.

(f) School of Management
(g) School of Social Science & Humanities
(h) School of Science Studies

The Dean / Director presented the major resolutions of the Board of Studies of their respective School.

Dr. T R Subramanya, Dean of School of Legal Studies mentioned that the Research Elements subject has been introduced to Law students from I year onwards and Mandatory Internship as a non - credit course as per BCI norms. Mr. Ganesh Margabandhu enquired about the need for mandatory internship for law students. Dr. T R Subramanya elucidated how internships are essential to have exposure to practical applications of Legal Studies. Dr. Despande suggested that internships can have an evaluation component associated with it and therefore can have credits assigned. Dr. T R Subramanya agreed to look into the suggestion.

Dr Sugant presented School of Economics & Commerce and School of Management.

Dr Rubini presented School of Engineering & Technology.

Dr Suja Bennet presented School of Social Science & Humanities, School of Science Studies, School of Architecture and School of Design.

Dr. Ashoka Rao advised the University to facilitate internships to make it a genuine, outcome based exercise. And also suggested to collect Intern feedback from Internship providers. Dr. Ravindra M P suggested having a broad vision and track the goal annually to benchmark other universities. Mr. Ganesh Margabandhu suggested making learning interesting by bringing in industry experts to handle a 2 credit course or a module of a 4 credit course. Dr Sanjay Jain, Pro Vice Chancellor suggested establishing Centres of Excellence with a 20 year vision. Dr. Deshpande suggested that the University can come up with a Vision document.

Dr. Tristha Rmamurthy briefed about University's OKRs (Objective Key Results) for next 5 years.

- NAAC Accreditation
- NIRF Ranking
- Enhancing Admission
- Enhancing Placements
- Decreasing Dropouts

Dr. Tristha Ramamurthy requested Dr. Suja Bennet, Dean Academics to present the University Curriculum Structure.

Dr. Suja Bennet presented the re-imagined Curriculum that was envisaged from the Academic Year 2022-23. She also briefed the Curriculum Design and Development (CDD) process in the University. She said that the CDD hinged on the Vision and Mission of the University; the Graduate Attributes and the three aspects namely Preparing for Success, Knowing Self & Community and Contributing to Society. She also mentioned that the Curriculum Design & Development Team was formally put in place to ensure the effective implementation of the curriculum with respect to NEP. Also, the introduction of Curriculum Advisory Panel (CAP) consisting of industry experts as the initial layer in the CDD process. She also briefed the structure of the Curriculum:

The 3 pillars of CMR Curriculum being Program Core ; Common Core and Leap Programs. These three pillars in turn reflect the 3 key aspects – Preparing for Success / Knowing Self and Community / Contribution to Society. Inclusion of Interdisciplinary courses, mandatory internships in the Program Core are some of the key features.

Common Core courses are part of the credit structure. It also includes the Career Preparedness Program under Preparing for Success (Common Core) and Community Service Program (CSP) under Contribution to Society (common Core) which are treated as mandatory Graduate Requirement. The LEAP programs are treated as non-mandatory. However, the engagement in LEAP is reflected in the Grade Certificate as LEAP Record which reflects the LEAP quotient acquired by the student every semester.

Resolution: The Recommendations of the Board of Studies of all the Schools were approved by the members.

Details of Curriculum Design

Curriculum:

1) Every Programme has a prescribed course structure which, in general terms, is known as the Curriculum or the Courses of Study or the Scheme of Teaching and Evaluation. It prescribes all the courses/ laboratory/ other requirements for the degree and sets out the nominal sequence semester wise. It also provides the syllabus and a list of text/ reference books (or other learning material sources) for each course.
2) The University shall not only lay down the syllabus for each course, but also the manner of its implementation, namely, through lectures, tutorials, laboratory sessions, seminars, field work, projects and such other activities.
3) The Courses of Study details are updated every semester and are made available at the respective School page of the University website: http://www.cmr.edu.in/.
4) Curriculum may also include SWAYAM or Massive Open Online Courses (MOOCs), offered by premier Institutions worldwide. However, selection of SWAYAM or MOOCs, if any, shall always be within prescribed guidelines of the relevant regulatory bodies.

Course Credit Structure:

1) A certain quantum of academic work, measured in terms of credits, is laid down as the requirement for completion of degree in the different programme and the available specialization areas. A student earns credits by satisfactorily completing courses/ other academic activities every semester.
2) The credits are distributed semester wise, as prescribed in the Scheme of Teaching and Evaluation for each of the programmes. The courses generally progress in sequences, building competencies as per the course learning outcomes. The positioning of a course indicates certain academic maturity on the part of the students.
3) Some courses do, in addition, specify passing in other courses, offered earlier in the programmes, as prerequisites for the course.
4) Students are required to follow the semester wise schedule of courses specified in Scheme of Teaching and Evaluation; they do, however, have freedom to follow
   alternative schedules to optimize their academic profile with additional courses, keeping the requirements for each course in mind. For students with backlog courses, such rescheduling may even become necessary. Such departures from suggested schedules need to be done very carefully, and always with advice from
   the Faculty Adviser.

Courses:

There will be following types of courses in a programme, namely:

1) Core Course: A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course.
2) Elective Course: Generally a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.
   a) Discipline Specific Elective (DSE) Course: Elective courses may be offered by the main discipline/ subject of study is referred to as Discipline Specific Elective.
      The University may also offer discipline related Elective courses of interdisciplinary nature (to be offered by main discipline/subject of study).
   b) Generic Elective (GE) Course: An elective course chosen generally from an unrelated discipline/subject, with an intention to seek exposure is called a Generic Elective. P.S.: A core course offered in a discipline/subject may be treated as an elective by other discipline/subject and vice versa and such electives may also be referred to as Generic Elective.
3) Ability Enhancement Courses (AEC): The Ability Enhancement (AE) Courses may be of two kinds: Ability Enhancement Compulsory Courses (AECC) and Skill Enhancement Courses (SEC).
   a. Ability Enhancement Compulsory Courses (AECC): Environmental Science, English Communication/MIL Communication.
   b. Skill Enhancement Courses (SEC): These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge.
4) Dissertation/Project: An elective course designed to acquire special/advanced knowledge, such as supplement study/support study to a project work, and a candidate studies such a course on his own with an advisory support by a teacher/faculty member is called dissertation/project.
5) Graduate Requirement (GR) Courses: These are courses on peripheral subjects in a programme, wherein completion of the course is considered mandatory to qualify for the award of the Degree.

P.S.: A core course offered in a discipline/subject may be treated as an elective by other discipline/subject and vice versa and such electives may also be referred to as a Generic Elective.

The Courses of the UG Programmes are further classified as follows:

1) **Program Core (Credit Courses):** Each academic programme is divided into Program Core or Common core courses which are further divided into mandatory and choice segments, with levels within them.

The Program Core courses are broadly categorized into Foundation, Electives and Interdisciplinary. Foundation, Elective and interdisciplinary courses are discipline specific or allied to the program. Foundation courses are mandatory courses that are offered through the period of study of the program. Foundation courses are offered as fundamental, intermediate and advanced courses based on the prerequisite and difficulty level (100 Level / 200 Level / 300 Level etc.) of the course. Elective courses are a basket of courses from which the student gets to choose. Elective courses are either specialization courses or generic courses. Elective courses include mini projects, dissertations, internships and capstone projects. Students also have the option to choose from a set of interdisciplinary courses which are varied from their discipline and offered by other Schools of Studies of the University.

Mandatory segments are those which lay a firm foundation of the knowledge required to complete a programme in the chosen domain, ending with a multifaceted assignment that serves as a culminating academic and intellectual experience for students, typically during their final year.

Choice segments are those which a student could opt for to specialize further and / or to improve their interdisciplinary skills.

All segments carry credits, and the students are expected to earn the minimum number of credits in their coursework towards program core to earn the degree.

2) **Common Core (Credit Courses):** Common Core Curriculum (CCC) courses are to be pursued by all students of the University regardless of their School of Study. It also encourages students to explore themselves and issues of fundamental importance to society through the Common Core Curriculum (CCC) courses. Students are expected to earn a certain specified number of credits in their coursework towards the Common Core Curriculum (CCC), during their academic programmes. While some courses are in workshop mode, which can be completed over a few days at a stretch, there are other courses which are offered for a specific number of hours per week throughout a semester.

Students take these courses planned for each academic programme, over multiple semesters. Credits range from 1 to 4, which are directly proportional to the number of hours required to complete a course. There are both ‘mandatory’ and ‘choice’ courses, with levels within them.

3) **Common Core (Non-credit Courses / Engagement) - Graduate Requirement (GR):** Engagements for this category do not carry any credit(s) but are mandatory for the students to complete them within the duration of the programme, to be considered eligible to graduate (or) earn the degree.

4) These shall be:

a) **Courses** embedded in the academic programme, where the students must ensure that they attend a minimum attendance percentage.

b) **Community Service Program** are activities implemented under the Common Core Curriculum Community Service Program (CCC CSP) in which the students have to complete a minimum number of volunteering hours in a semester by rendering services to the society and submit a Reflection Record (RRD) for every volunteering activity completed. In case of a student not having completed the minimum number of volunteering hours in a semester, the shortage in number of hours is to be completed in the subsequent semester(s). However, the student has to complete the mandated total number of volunteering hours within the duration of the programme and submit a Reflection Record (RRD) for every volunteering activity completed.

5) **Advanced Course:** Courses that involve higher and more complex levels of knowledge and understanding than introductory or foundational learning. It means the student has attained a level of knowledge and understanding of a particular area or topic that goes beyond basic terminology and definitions and is ready to be involved in Analysis, Synthesis and Evaluation of information related to a specific topic or area of learning.

6) **Prerequisite course:** Course or other requirement that a student must have taken prior to enrolling in a specific course. Students might or might not have a choice of prerequisites to complete.

Courses under various categories can be further classified as:

- **100 Level Courses**: These courses offer an introduction to a subject area and are designed for students in the first year of study. These courses have no prerequisites and are generally courses defining basic concepts or presenting the terminology of a discipline
- **200 Level Courses**: These courses are built on previous units and are normally taken in the second year or later; they may also be available to students with advanced prior knowledge. They are Courses of intermediate college-level difficulty; courses with 100-level course(s) as prerequisite(s)
- **300 Level Courses**: These courses are usually taken in third year or later, after 200-level study in the area. They may also be available to students with advanced prior knowledge. They are courses of advanced college-level difficulty offered for students clearly interested in the discipline or in any stream of the discipline
- **400 Level Courses**: These units of study are advanced courses and are normally taken in the third year or later as the final elements of a three year or four year degree or an integrated degree. The level indicates that the student will be demonstrating coherence and breadth or depth of knowledge and skills. The student may need to have completed a prerequisite course to study a 400 level course.

- **500 Level Courses:** These are foundation level courses for higher education qualifications, usually taken in the first year of the masters or postgraduate degree programmes. These are courses meant for students aspiring to specialise in a discipline and would have prerequisites to study a course at this level, which would have been covered in the core curriculum at the bachelor's degree programme in the same discipline.
- **600 Level Courses:** These courses are usually opted for at the second year of the masters or postgraduate degree programmes, which enhance the learning experience of the previous units. The difficulty level is clearly higher and the student is expected to demonstrate a certain level of proficiency and competence in grasping and interpreting the knowledge gained in the discipline at this level.
- **700 Level Courses:** The courses prescribed at this level serve as a culminating academic and intellectual experience for students, and are usually taken towards the final semesters of the masters or postgraduate degree programmes where they acquire the skills and knowledge to analyse, evaluate, and solve challenges akin to those faced in real life situations, resulting in achieving mastery in the discipline.

Seminars:

Some Programmes may prescribe Seminar as a requirement for the degree. Seminar may be an assessment component or a course itself wherein the student is expected to do an in-depth study in a specialized area under the guidance of a faculty member. This may include surveying published technical literature, understanding different aspects of the problem and arriving at a status report. While doing a seminar, the student is expected to: critically analyze works of various authors/ researchers; learn the investigation methodologies, study concepts, techniques and the results presented in these papers; and submit a seminar report. It is mandatory to give a seminar presentation before a panel constituted for the purpose. Seminars typically
carry 1 to 2 credits.

Project Work/Dissertation and Summer Internship Program (SIP):

Project work/Dissertation and/or SIP is considered as a special course involving application of knowledge in solving / analyzing /exploring a real life situation/ difficult problem. A Project/Dissertation work may be given in lieu of a discipline specific elective paper. Summer Internship Program, wherever needed, may be introduced as a (or a part of) Project.

Audit Courses:

A student desirous of additional exposure to a course, without the rigors of obtaining a good grade, 'audits' a course. The minimum requirement of attendance for an 'Audit Course' is 75%, with any additional requirements as set by the instructor such as submission of assignments and minimum performance in some of the in-semester evaluations. Auditing of courses during regular semesters from 3rd semester onwards is permitted under the following conditions:

1) Students with CGPA> 6.0 will be permitted to 'Audit' a course. A course can be audited provided the course is offered in the semester as a credit course for others, and there is no slot clash. Prior permission of the Instructor is required.
2) Audit courses would be restricted to a maximum of two (2) courses per student in the entire period of the programme.
3) The instructor would award the 'AU' grade, if the attendance is satisfactory and additional requirements, as set out by the instructor, are met. If the attendance and performance is not satisfactory, the instructor will award 'No Grade'. The grade 'AU' does not carry any grade points and therefore does not figure in SGPA/ CGPA calculations.
4) The course successfully completed in Audit mode will be reflected in the Semester Grade Card, Grade Certificate and the Transcript as Audit Course.

A, Academic Audit: An Overview

The Academic Audit, like more traditional program reviews, is a peer review process that includes a **School of Studies Self-study** and a **site visit** by peers from within or outside the institution. Unlike the traditional approach to program evaluation, the academic audit process emphasizes **reflection** and **improvement** rather than compliance with predetermined standards. The purpose of an academic audit is to encourage Schools or departments or programs to evaluate their **"education quality processes"** – the key faculty and program activities required to produce, assure, and regularly improve the quality of teaching and learning. The academic audit process addresses how faculty members and Schools / departments / programs approach educational decision-making and how they organize their work, use the resources available to them, and work collegially to provide quality education in the best interests of the discipline and student learning.

The Academic Audit is a faculty driven model of ongoing self-reflection, peer feedback, collaboration and teamwork based on structured conversation to improve educational quality processes in teaching and learning and hence student success.

B. Philosophy of Academic Audit:

- Student Success
- Faculty Attainment and Development

C. Quality Principles:

- Define quality in terms of outcomes
- Focus on process
- Work collaboratively
- Base decisions on evidence
- Strive for coherence
- Learn from best practices
- Make continuous improvement a top priority

D. Focal Areas (Criterias):

- **Criteria 1:** Curricular Aspects **(CA)**

- **Criteria 2:** Teaching, Learning & Evaluation **(TLE)**
- **Criteria 3:** Research, Consultancy & Innovations **(RCI)**
- **Criteria 4:** Learning Resources **(LR)**
- **Criteria 5:** Student Support and Progression **(SSP)**
- **Criteria 6:** Quality assurance **(QA)**
- **Criteria 7:** Previous Academic Audit Follow-up **(PAAF)**

E. Criterion 1: Curricular Aspects (CA)

- School policies for curriculum development
- Benchmarking to institutions of eminence and adherence to national standards
- Adherence to Curriculum design & Development Process (CDDP)
- Recording of all Meetings of all levels of CDDP and BOS
- Curriculum Planning and Implementation
- Curriculum Enrichment
- Documentation of curricular revisions (As per CDD Process)
- Maintenance of STE
- Curriculum Feedback Mechanism: Feedback from stakeholders (Students, alumni and faculty)

F. Criterion 2: Teaching, Learning and Evaluation (TLE)

- Student Enrollment and Profile
- Faculty Profile
- Current research / literature on effective teaching methodology in the discipline
- Instructional Plan and its adherence
- Peer mentoring; classroom observations
- Course Feedback from stakeholders (students, alumni and faculty)
- Programme Feedback (Students, alumni, employers and faculty)
- Assessments of student success in different instructional settings
- Student performance analysis
- Professional development (internal or external)/ (disciplinary or pedagogical)

G. Criterion 3: Research, Consultancy and Innovations (RCI)

- Propagating a research environment and culture.

- Quality research outcomes in terms of submitting research proposals, receiving research grants, publishing research papers.
- Promotion of Research Facilities
- Resource Mobilization for Research
- Innovation Ecosystem
- Research Publications and Awards
- Consultancy
- Collaboration

H. **Criterion 4**: Learning Resources **(LR)**

- Library holdings in terms of books, journals, e-resources and other learning materials including technology-aided learning mechanisms
- Laboratory equipments, materials
- ICT Facilities

I. **Criterion 5**: Student Support and Progression **(SSP)**

- Mentoring Programme
- Career Guidance, Training and Placements
- OSA Engagement : Co-Curricular & Extra-Curricular engagement
- Monitoring Student Progression

J. **Criteria 6:** Quality assurance **(QA)**

- Academic Year Planning
- Implementation of Academic Year Planning
- Faculty Evaluation & Improvement
- Seek out effective practices (ones that optimize student learning) in comparable Schools and institutions and adapt the best to one's own circumstances.
- Share best practices within the School and help "raise the bar" of the School

K. **Criteria 7:** Previous Academic Audit Follow-up **(PAAF)**

- Plan of Action (POA) developed as a result of the previous Academic audit
- Effective implementation of the POA

L. **Academic Audit Outcomes:**

1. A faculty-centered methodology that supports School effectiveness expectations
2. A thoroughly documented process that meets the requirement of IQAC
3. A process that sustains continuous quality Improvement of teaching, learning and evaluation.
4. A process that ensures quality in Curriculum design and development process.

M. Academic Auditor Team:

- Experienced team leader - A Dean of School or a faculty not below the rank of Senior Professor with not less than 3 years of service in the University
- Two other School / department members - Faculty members not below the rank of Professor with not less than 3 years of service in the University
- Functions as a Peer Review Team to provide
  - ➢ Recognition of highly effective practices
  - ➢ Support of noteworthy endeavors
  - ➢ Suggestion for improvement

Examination Manual

Semester & CBSS Scheme

PREFACE

This CMR University examination manual is prepared in such a way as to cover all the Under Graduate/Post Graduate/ Doctoral programmes being offered by the University from time to time , to ensure uniformity in the examination & evaluation processes across various Schools of Studies & programmes for transparency, better understanding by all stake holders & for efficient and effective implementation.

The manual deals with each & every step involved in the conduct of examinations , evaluation, marks entry into the ERP, verifications , declaration of results, issue of statement of marks/grade card/grade certificate/ transcripts/ award of degree etc., and the duties/responsibilities of each stake holder.

Attempts have been made to cover all the steps to its minutest detail.

The Registrar (Evaluation) after due approval can change/alter/replace any of the rule with or without prior information to stake holders for better and improved functioning of the system.

****

1. Introduction

1.1 Statement of Objective

The CMR University, Bangalore was established vide Act no. 45 of 2013 Karnataka State and came into being in November 2013 and started its academic activities from the academic year 2014- 2015 by admitting students for various PG/UG/Research programmes.

Thus drawing a comprehensive examination manual was felt necessary to govern the whole examination process in a systematic & process oriented manner for timely announcement of results with high accuracy & speed.

1.2 Vision

To achieve excellence in evaluation of all bonafide students of the University.

1.3 Mission

To carry out activities as per academic calendar viz., conduct of examinations, evaluation, announcement of the results, issue of marks cards/grade cards/grade certificate/transcript/provisional degree certificate and award of degree by adopting innovative, modern and credible processes at each & every stage maintaining transparency, integrity & confidentiality all the time.

xxv. Expressions used but not defined in this Manual and defined in the Act, Statutes or Regulations shall have the meanings assigned to them in the Act, Statutes or Regulations.

2. Examination :

2.1 Examination Calendar:

An Examination Calendar shall be prepared by Registrar (Evaluation) showing the schedule of various examinations to be conducted during a year based on the academic calendar.

2.2 Evaluation:

The Evaluation consists of two components viz., internal evaluation & term end/semester end evaluation as per the scheme of teaching & evaluation of the respective Schools of Studies. The internal component (formerly called as Continuous

Internal Assessment – CIA and now (with effect from 2017-18 Academic Year) it is termed as Continuous Internal Evaluation- CIE) is further divided into two sub – components called the Continuous & Comprehensive Evaluation (CCE) & Internal Assessment Test (IAT).

In School of Architecture, there is no IAT sub component in internal evaluation. The school has only the CCE component designed to evaluate students internally.

All the students are evaluated for total marks obtained in internal & semester end/term end examinations as approved in the scheme of teaching & evaluation of each school of studies & programme offered by the schools.

Thus the evaluation of a student is done based on the following:-

A. Continuous Internal Evaluation (CIE).
   a) Comprehensive & Continuous Evaluation (CCE).
   b) Internal Assessment Test (IAT).
   ie., CIE marks = CCE marks + IAT marks.
B. Term End Examination (TEE) / Semester End Examination (SEE).
C. Total Marks = CIE marks + (TEE/SEE) marks.

2.2.1 Comprehensive and Continuous Evaluation (CCE).

The comprehensive and continuous evaluation is carried out for all the students of UG, PG & Research Programme by the respective teaching faculty as per the programme structure and curriculum. The maximum weightage for CCE is 30 % of total marks for a course. In the absence of any SEE/TEE, the weightage shall be 100% of total marks for the course.

2.2.2 Internal Assessment Test (IAT)).

Two tests at different point of time will be taken by the faculty in a trimester in all PG programme courses and the average of two test marks obtained will be considered as marks scored in IAT. The maximum weightage allotted to IAT marks is 20%.

In all UG programme, three tests will be conducted at different points of time in a semester and the average of best two scores will be considered as marks scored in IAT. The maximum weightage allotted is 20% of total marks for a course.

The number of tests to be carried out in a semester/trimester shall be guided by the regulations of the programme. (The number of tests to be conducted will be decided as per approved programme regulations from time to time.)

2.2.3 Term End Examination (TEE)/Semester End Examination(SEE).

At the end of each semester/ trimester, a semester/ term end examination will be conducted covering the entire syllabus of the semester/ trimester. The Weightage allotted to SEE /TEE marks is 50 % of total marks for a course. This may not be applicable if the evaluation of a course in a particular school is designed based only on continuous & comprehensive evaluation (CCE) as per the scheme of teaching & evaluation.

2.2.4 Practical Examinations:

The practical examinations including project evaluation, viva voce etc., wherever applicable will be conducted before or after the term end examinations (TEE/SEE). The Director / Dean of the Schools of Studies concerned shall submit a proposal to Registrar (Evaluation) at least 15 days before commencement of such examinations. The Weightage of the practical examination is as per the scheme of teaching and evaluation and regulations approved.

2.2.5 Project Work/dissertation:

Project Work/dissertation may be offered as per the schemes prescribed in respective programmes. It shall be evaluated by two examiners, one external and one internal as suggested by the Dean/Director of the School & approved by the Registrar (Evaluation). For research programmes, the pre-colloquium & final viva shall be conducted by the board of examiners approved by the Vice Chancellor as per the regulations for School of Research and innovation.

3.0 Types of Examinations

The following examinations shall be conducted for UG, PG and Research programmes in the University:-

3.0.1 Semester/Term End Examination (SEE/TEE):

Semester/Term End examinations are conducted at the end of each semester or trimester for the regular students of the UG, PG & Research programmes and provisional tabulation of results shall be announced. The answer scripts shall undergo valuation first by an examiner selected from among the list of examiners approved by BOS & forwarded by the Dean/ Director of concerned school. Such valued scripts shall be reviewed by one of the senior faculty from among the list of examiners approved by BOS & forwarded by Dean/ Director of concerned school. The reviewer shall carry out second valuation of 20% of total number of scripts and check the remaining 80% of answer scripts for total, completion of valuation etc.

The marks awarded by reviewer shall be considered as the marks obtained by the student in that particular course and the provisional tabulation of result shall be published.

If the marks awarded by Valuer & reviewer differs by 15% or more, then the answer scripts shall be subjected to board valuation. Marks awarded in the board valuation shall be final.

The students are allowed to apply for revaluation after the announcement of the provisional SEE/TEE results if they feel that the marks obtained are not as per their expectations. The students shall apply online for photocopy of the answer booklet as a first step for revaluation by paying the fee for photocopy. After perusing the photocopy collected, the student may get a faculty/a well wisher to advise him whether he should go in for revaluation or not. If he decides to seek revaluation, he may apply for the same online by registering for the same with the fee notified. This applies to all the programmes conducted in the University viz., PG/UG/Research.

The marks advantageous to a student after revaluation will be published and updated in the concerned examination result tabulation.

If the marks obtained after revaluation by a student differs by 15% or more, the revaluation fee will be refunded to the student and the faculty who undervalued/did not value the answer script properly may be asked to bear the same.

3.0.2 Makeup Examination:

Those students who have not passed in one or more courses in TEE/SEE are eligible to write the makeup examination which will be offered after every TEE/SEE in both ODD & EVEN semesters (However, no makeup examination will be conducted after the SEE in a summer term).

Only those students who have appeared in regular exams and have failed are allowed to appear in the makeup examination. Apart from the above category of students, the students who fulfill the following condition will also be allowed to write the makeup examination:-

" If a student has satisfactory attendance in a course/s and has secured a minimum of 50% in CIE in that course/s, but could not appear in TEE/SEE for valid and convincing reasons, shall be eligible to appear for the make-up examination , after due approval from the Vice Chancellor."

All such cases will be put up to the Vice Chancellor by concerned Dean/Director of Schools of Studies with relevant supporting documents through the Registrar(evaluation) for his consideration & approval.

If a student obtains less than the pass marks in the makeup examination in the course/ courses in which he has appeared, there will be no change in his/ her TEE/SEE results. If a student obtains a pass in the course/ courses in the makeup examination, the marks obtained will be replaced in the TEE/SEE results and accordingly the result will be republished. There will be no provision of revaluation in the makeup examination.

3.0.3 Supplementary Examination:

Those students under the semester scheme of the University (not under the Credit based Semester Scheme-CBSS) , who have not passed in one or more courses in TEE/SEE are eligible to write the supplementary examination that will be conducted along with regular SEE/TEE as given below:-

For all UG programmes, supplementary examination for all semesters will be conducted during each of the regular examinations. However, for all PG programmes, supplementary examinations will be conducted during the Third Trimester & Sixth Trimester regular examinations only.

A student is expected to complete the programme within twice the duration of the programme under the semester scheme as per University regulations and thus there is no

limitation to the number of supplementary examination , a student may be allowed to write within the maximum duration prescribed.

3.1 Passing Criteria :

The passing criterion for various programmes of the University shall be as per the regulations notified for that particular programme under the school of studies offering that programme. This is given below as a table for all the programmes under semester scheme & for programmes under the Credit Based Semester Scheme.

3.2 GRADING SYSTEM

CMR University has adopted grading system for declaration of results in the semester scheme & in case of Credit Based Semester system, grades & grade point averages (SGPA & CGPA) form the basis for declaration of result of a student based on the programme undertaken. The following grading system is approved and being implemented as per the scheme of teaching and learning of various schools of studies:-

3.2.1 Grading System (Semester Scheme)

Research & PG Programmes (MBA, Ex-MBA, M.Com., M.Sc. (Psychology) and M.S.W)

Marks Obtained	Grade	Grade Point (GP)	Description
>=90 and <=100%	O	10	Outstanding

a. Semester Grade Point Average (SGPA) is awarded at the end of each semester on passing all the courses offered in that semester. The SGPA is the ratio of sum of the product of the number of credits with the grade points secured by a student in all the courses taken by him and the sum of the number of credits of all the courses undergone by a student in that semester.

$$\text{Thus, SGPA, } S_n = \sum (C_i \times G_i) / \sum C_i$$

Where S_n is the SGPA of the nth semester , C_i is the number of credits of the ith course and G_i is the grade point scored by the student in the ith course.

b. Cumulative Grade Point Average (CGPA) is awarded on successful completion of each semester (2nd Semester onwards) to indicate the progress of the student.The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters undergone by the student.

$$CGPA = \sum (C_n \times S_n) / \sum C_n$$

Where S_n is the SGPA of the nth semester and C_n is the total number of credits in that semester. Finally the SGPA and CGPA shall be rounded off to 2 decimal places.

3.2.3 Award of Class to a student on completion of a programme.

Under Semester Scheme:-

UG Programmes:-

Class is awarded to the student on successful completion of a Semester/Programme, as per table given below:-

SGPA/CGPA	Class	Abbreviation
>=7.50 and<=10.00	First Class with Distinction	FCD
>=6.00 and<7.50	First Class	FC
>=5.00 and<6.00	Second Class	SC
>=4.00 and<5.00	Pass Class	PC

PG Programmes:-

Class is awarded to the student on successful completion of a Trimester/Programme, as per table given below:-

TGPA/CGPA	Class	Abbreviation
>=7.50 and<=10.00	First Class with Distinction	FCD
>=6.00 and<7.50	First Class	FC
>=5.00 and<6.00	Second Class	SC

Under CBSS :-

Conversion of Grade and Percentage of Marks:
Conversion formula for the conversion of CGPA into percentage is:
Percentage of marks scored, P = [CGPA earned - 0.75] x 10

Class Declaration:
After the conversion of final CGPA into percentage of marks (P), a graduating student is declared to have obtained class as per table given below:-

Percentage of Marks	Class	Abbreviation
≥ 70%	First Class with Distinction	FCD
≥ 60% and <70%	First Class	FC
≥ 50% and < 60%	Second Class	SC
≥ 42.5% and < 50%	Pass Class	PC

3.2.4 Maximum duration of the programme.

The students are required to successfully complete the entire programme within double the prescribed duration of the programme.

3.2.5 Certification and Award of Degree

Under the semester scheme, statement of marks will be issued for each examination written by a student (Term End, Supplementary examination etc.,) and at the end of the programme a transcript or consolidated marks card will be issued.

Under the CBSS, a student will be issued a Grade Card for each Semester End Examination written by the student irrespective of all courses cleared or not. A Grade certificate will be issued once a student completes all the courses/credits of a semester. Also a Transcript will be issued consolidating the semester performances at the end of the programme.

At the Annual convocation, appropriate degree certificate, rank certificate & medal certificates will be awarded.

12.1 Online receipt of applications for registration to examinations

The work in the registration section begins with the receipt of applications for registration to the various examinations in response to the Notifications regarding conduct of examinations issued by the Registrar (Evaluation). The students will be informed via official email regarding online registration along with the copy of notification. The student has to apply through their personal login id, provided to them by the university, on the ERP. The various options for the payment of examination fee are given to the student. It is the responsibility of the student to have a regular monitoring of his/her email id for the same. The monitoring of the receipt of examination applications will be carried out by Registrar (Evaluation).

12.2 Verification of applications

The following procedure shall be followed in the verification of the applications. The examination registration process is through CMRU ERP. The comprehensive instructions are to be given to ERP before issuing notification regarding eligibility of the student to take up examination. The centre of examination selected should be the school in which he/she has undergone the course of study.

i. Verification of sanctioned strength of the concerned programme in School. Sanctioned strength of students for each course in a school should be ascertained to ensure that excess numbers of candidates above the sanctioned strength are not presented for the examinations.
ii. After the due date, the consolidated list of the students programme wise/ course wise to be prepared by the examination department and cross verified with the list with bonafide student list.

12.3 Preparation of candidate list

The scrutinized applications are to be sorted programme wise, course wise and in order of registration number. A nominal roll showing the name of the examination, month and year of examination, name and number of the examination centre, names of students and the registration numbers allotted to them have to be prepared for each of the examination.

12.4 Application Fee

The students shall pay the prescribed fee for writing the examination as notified from time to time.

12.5 Preparation of online hall tickets

The Examination Hall Ticket will be prepared for all eligible students and will be printed by the office of Registrar (Evaluation) as per the examination time table. The examination hall ticket would be forwarded to Dean/Director of the school of studies for onward distribution to students one week prior to the scheduled examination. Examination hall ticket will not be issued to ineligible students who are ineligible to write the examination due to shortage of attendance/ disciplinary cases, etc.

13.0 Detailed Steps involved in the conduct of Examinations.

i. The Registrar (Evaluation) shall prepare an examination calendar for every year, well in advance, and publish the same in the University website and pass on the information to all Heads of Departments/Directors and Heads of Recognized Institutions.

ii. The Dean/Director shall submit proposals in January and July of every year for the examinations to be conducted at the respective Schools of Studies from March to August and from September to February respectively. Examinations once scheduled shall not be changed, unless there is situation/reason which necessarily warrants such a rescheduling. Supplementary examinations , where applicable, may be arranged by the Registrar (Evaluation) in consultation with Dean/Director and in accordance with the regulations.

iii. The Registrar (Evaluation) may affect the changes of date of any examination, in exceptional situations.

iv. Upon issue of due notification for the Term End examination/ Supplementary examination/Makeup Examination the Dean/Director of the Schools of Studies shall ensure that all regular students pay the notified examination fees within the due date and submit online/physical registration forms duly. Similarly, makeup /supplementary examination candidates also shall pay the fees & either register for the examinations online/submit physical forms for writing the examinations in the courses for which they wish to appear.

v. Subject to the rules framed by the University from time to time, the Registrar (Evaluation) shall make arrangements for the conduct of examinations at various centers as per need.

vi. The Chief Superintendent and other officers will act according to the instructions issued by the University regarding their duties and responsibilities. The Dean/ Director of the Schools of Studies shall extend all necessary assistance to the Chief Superintendent for the smooth conduct of the examinations.

vii. It shall be the duty of the Chief Superintendent at each centre of examination to appoint Deputy Chief /Assistant Superintendents and other officers for the smooth conduct of examinations as required by the rules of the University.

REGULATIONS GOVERNING Bachelor of Design (B.Des.) PROGRAMME

Based on Choice Based Credit System (CBCS)

DEFINITION OF KEY WORDS:

1. **Academic Year:** Two consecutive semesters (one odd followed by one even) constitute one academic year.
2. **Audit Courses:** Courses, outside the prescribed range of credits required for the degree, the students can register if interested to supplement their knowledge/ skills.
3. **Choice Based Credit System (CBCS):** The CBCS provides choice for students to select from the prescribed set of courses viz. Engineering Sciences, Professional core and electives, Professional and Open Electives and Skill Courses.
4. **Course:** Referred to as 'papers', is a component of a programme, with defined learning objectives, outcomes and number of credits. A course may be designed to comprise lectures/ assignments/ tutorials/ laboratory work/ field work/ outreach activities/ project work/ self-study/ vocational training/ viva/ seminars/ term papers/ presentations/ quiz etc. or a combination of these as defined in the Scheme of Teaching. The course credits vary depending on the required teaching-learning hours to accomplish the learning outcomes, specified in the course syllabus.
5. **Credit:** A unit by which the course work is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one hour of lecture or two hours of tutorial/ practical work/ fieldwork per week.
6. **Credit Based Semester System (CBSS):** Under CBSS, the requirement for awarding a degree or diploma or certificate is prescribed in terms of number of credits to be earned by the students.
7. **Credit Point:** It is the product of grade point and number of credits for a course.
8. **Cumulative Grade Point Average (CGPA):** It is a measure of overall cumulative performance of a student over all semesters. The CGPA is the ratio of total credit points earned by a student in various courses in all semesters to the sum of the total credits of all courses in all the semesters. It is expressed up to two decimal places. However, the CGPA is invariably calculated from second semester onwards to facilitate students to know their academic progress.
9. **Director:** Director of the School of Design of the University.
10. **First Attempt**: If a student has completed all formalities and become eligible to attend examinations and has attended at least one head of passing, such attempt (first sitting) shall be considered as first attempt.

11. **Grade Point:** It is a numerical weightage allotted to each letter grade on a 10-point scale.
12. **Letter Grade:** An index of the performance of students in a said course. Grades are denoted by letters.
13. **Passing Standards:** A student is passing a Course only when getting GP greater than or equal to 04 (P Grade). A student is declared successful at the Semester-end only when getting SGPA equal to or greater than 4.00, with none of the Courses registered in a Semester having either F-RA or F-RR Grade.
14. **Programme:** A planned series of events/activities comprising of a combination of courses leading to the award of degree.
15. **Programme Council:** The committee consisting of the Director of the programme, HOD and the concerned Faculty members from each cadre.
16. **Semester:** Each semester will consist of 15-18 weeks of academic work equivalent to about 90 teaching days. The odd semester may be scheduled from August to November/ December and even semester from January to April/ May, or as may be declared by the University.
17. **Semester Grade Point Average (SGPA):** It is a measure of academic performance of student in a semester. It is the ratio of total credit points secured by a student in various courses registered in a semester to the total course credits taken during that semester. It shall be expressed up to two decimal places.
18. **SOD:** School of Design of the University.
19. **Transcript, Grade Certificate and Grade Card:** Grade card shall be issued to candidates indicating the programme details (Course code, title, number of credits, grade secured and grade points) for all the registered courses after every semester.

    On successful completion of all courses/earning credits, specified in a semester, the grade certificate is issued indicating the programme details along with SGPA of that semester and also CGPA earned till that semester.

    Transcripts to the successful candidates shall be issued after completion of the programme.
20. **University:** CMR University, Bangalore.

22BSOD3.2	**Summer Term:** The summer Term is an additional term conducted during an academic year. During summer term, a limited number of courses may be offered to enable the students to clear their backlog courses (F-RR) and/ or register for additional regular credit courses on audit basis, subject to strict adherence to the following guidelines: 1) The Programme Council shall identify the courses to be offered along with the Course Instructor and recommend offering of such summer course(s) to the Dean/Director for consideration. The identified faculty members shall offer the courses only on approval by the Dean/Director. 2) The course is offered in the same manner as a regular semester course without compromising the course requirements in terms of knowledge delivery, course work, assessment and evaluation. The University shall notify the fee payable by the students for the summer term courses. 3) The duration of the course is six to eight weeks. The registration, examination, assessment and grading etc. are done in the same way as is done for regular semester courses. The total number of contact hours for the courses remain the same as that during the regular semesters, and therefore, the courses are run at an accelerated pace. The Academic Calendar specially made in this connection shall be strictly followed. 4) The dropping of a Summer Course is permitted within 7 days from the first lecture of the course. However, the registration fee paid for the course is not refundable. 5) Time slots will be assigned and notified by the Dean/Director as done for the regular semester courses 6) A notified summer course can be withdrawn if the number of students registered for the course is less than five. 7) A student can register up to a maximum of 12 credits or 3 courses in any summer term, depending on his academic standing. 8) Courses offered in a summer term will be treated as equivalent to a regular semester courses for all accounting purposes.

22BSOD3.3	**Curriculum:** Every Programme has a prescribed course structure which, in general terms, is known as the Curriculum or the Courses of Study or the Scheme of Teaching and Evaluation. It prescribes all the courses/ laboratory/ other requirements for the degree and sets out the nominal sequence semester wise. It provides the syllabus and a list of text/ reference books (or other learning material sources) for each course. The Courses of Study details are updated every semester and are made available at the University website: http://cmru.edu.in Curriculum may also include SWAYAM and Massive Open Online Courses (MOOCs), offered by premier institutions. However, selection of such courses, if any, shall always be within prescribed guidelines of the relevant regulatory bodies.
22BSOD3.4	**Course Credit Structure:** 1) A certain quantum of academic work, measured in terms of credits, is laid down as the requirement for completion of B.Des. degree in the different available specialization areas. A student earns credits by satisfactorily completing courses/other academic activities every semester. 2) The credits are distributed semester wise, as prescribed in the Scheme of Teaching and Evaluation for each of the programmes. The courses generally progress in sequences, building competencies as per the course learning outcomes. The positioning of a course indicates certain academic maturity on the part of the students. 3) Some courses do, in addition, specify passing in other courses, offered earlier in the programmes, as prerequisites for the course. 4) Students are required to follow the semester wise schedule of courses specified in Scheme of Teaching and Evaluation; they do, however, have freedom to follow alternative schedules to optimize their academic profile with additional courses, keeping the requirements for each course in mind. These additional courses may be from the prescribed scheme of teaching and evaluation or the courses offered under other programmes. Credits earned beyond the requirement for the award of the degree shall be treated as additional credits. For students with backlog courses, such rescheduling may even become necessary. Such departures from suggested schedules need to be done very carefully, and always with advice from the Faculty Adviser.

22BSOD3.5	**Courses:** There will be following types of courses in a B. Arch. programme, namely: 1) Professional Core (PC) Course: A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course. 2) Elective Course: Generally a course which can be chosen from a pool of courses and are of two types: a) Professional Elective (PE) which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or whichprovides an extended scope b) Open Elective (OE) which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill 3) Professional Ability Enhancement Courses (PAEC) which may be of two kinds: Professional Ability Enhancement Compulsory Courses (PAECC) and Skill Enhancement Courses (SEC) 4) Graduate Requirement (GR) Courses: These are courses on peripheral subjects in a programme, wherein completion of the course is considered mandatory to qualify for the award of the Degree. The Courses of the B.Des. Programme are further classified as follows: **1) Program Core (Credit Courses):** Each academic programme is divided into Program Core or Common core courses which are further divided into mandatory and choice segments, with levels within them. The Program Core courses are broadly categorized into Foundation, Electives and Interdisciplinary. Foundation, Elective and interdisciplinary courses are discipline specific or allied to the program. Foundation courses are mandatory courses that are offered through the period of study of the program. Foundation courses are offered as fundamental, intermediate and advanced courses based on the prerequisite and difficulty level (100 Level / 200 Level / 300 Level etc.) of the course. Elective courses are a basket of courses from which the student gets to choose. Elective courses are either specialization courses or generic courses. Elective courses include mini projects, dissertations, internships and capstone projects. Students also have the option to choose from a set of interdisciplinary courses which are varied from their discipline and offered by other Schools of Studies of the University. Mandatory segments are those which lay a firm foundation of the knowledge required to complete a programme in the chosen domain, ending with a multifaceted assignment that serves as a culminating academic and intellectual experience for students, typically during their final year.

Choice segments are those which a student could opt for to specialize further and / or to improve their interdisciplinary skills.

All segments carry credits, and the students are expected to earn the minimum number of credits in their coursework towards program core to earn the degree.

2) **Common Core (Credit Courses):** Common Core Curriculum (CCC) courses are to be pursued by all students of the University regardless of their School of Study. It also encourages students to explore themselves and issues of fundamental importance to society through the Common Core Curriculum (CCC) courses. Students are expected to earn a certain specified number of credits in their coursework towards the Common Core Curriculum (CCC), during their academic programmes. While some courses are in workshop mode, which can be completed over a few days at a stretch, there are other courses which are offered for a specific number of hours per week throughout a semester.

Students take these courses planned for each academic programme, over multiple semesters. Credits range from 1 to 4, which are directly proportional to the number of hours required to complete a course. There are both 'mandatory' and 'choice' courses, with levels within them.

3) **Common Core (Non-credit Courses / Engagement) - Graduate Requirement (GR):** Engagements for this category do not carry any credit(s) but are mandatory for the students to complete them within the duration of the programme, to be considered eligible to graduate (or) earn the degree. These shall be:

   a) **Courses** embedded in the academic programme, where the students must ensure that they attend a minimum attendance percentage.

   b) **Community Service Program** are activities implemented under the Common Core Curriculum Community Service Program (CCC CSP) in which the students have to complete a minimum number of volunteering hours in a semester by rendering services to the society and submit a Reflection Record (RRD) for every volunteering activity completed. In case of a student not having completed the minimum number of volunteering hours in a semester, the shortage in number of hours is to be completed in the subsequent semester(s). However, the student has to complete the mandated total number of volunteering hours within the duration of the programme and submit a Reflection Record (RRD) for every volunteering activity completed.

4) **Advanced Course:** Courses that involve higher and more complex levels of knowledge and understanding than introductory or foundational learning. It means the student has attained a level of knowledge and understanding of a particular area or topic that goes beyond basic terminology and definitions and is ready to be involved in Analysis, Synthesis and Evaluation of information related to a specific topic or area of learning.

5) **Prerequisite course:** Course or other requirement that a student must have taken prior to enrolling in a specific course. Students might or might not have a choice of prerequisites to complete.

Courses under various categories can be further classified as:

- **100 Level Courses**: These courses offer an introduction to a subject area and are designed for students in the first year of study. These courses have no prerequisites and are generally courses defining basic concepts or presenting the terminology of a discipline
- **200 Level Courses**: These courses are built on previous units and are normally taken in the second year or later; they may also be available to students with advanced prior knowledge. They are Courses of intermediate college-level difficulty; courses with 100-level course(s) as prerequisite(s)
- **300 Level Courses**: These courses are usually taken in third year or later, after 200-level study in the area. They may also be available to students with advanced prior knowledge. They are courses of advanced college-level difficulty offered for students clearly interested in the discipline or in any stream of the discipline
- **400 Level Courses**: These units of study are advanced courses and are normally taken in the third year or later as the final elements of a three year or four year degree or an integrated degree. The level indicates that the student will be demonstrating coherence and breadth or depth of knowledge and skills. The student may need to have completed a prerequisite course to study a 400 level course.
- **500 Level Courses:** These are foundation level courses for higher education qualifications, usually taken in the first year of the masters or postgraduate degree programmes. These are courses meant for students aspiring to specialise in a discipline and would have prerequisites to study a course at this level, which would have been covered in the core curriculum at the bachelor's degree programme in the same discipline.

© CMR University, Bangalore (2022)

	• **600 Level Courses:** These courses are usually opted for at the second year of the masters or postgraduate degree programmes, which enhance the learning experience of the previous units. The difficulty level is clearly higher and the student is expected to demonstrate a certain level of proficiency and competence in grasping and interpreting the knowledge gained in the discipline at this level. • **700 Level Courses:** The courses prescribed at this level serve as a culminating academic and intellectual experience for students, and are usually taken towards the final semesters of the masters or postgraduate degree programmes where they acquire the skills and knowledge to analyse, evaluate, and solve challenges akin to those faced in real life situations, resulting in achieving mastery in the discipline.
22BSOD3.6	**Seminars:** Some Programmes may prescribe Seminar as a requirement for the B.Des.. degree. Seminar may be an assessment component or a course itself wherein the student is expected to do an in-depth study in a specialized area under the guidance of a faculty member. This may include surveying published technical literature, understanding different aspects of the problem and arriving at a status report. While doing a seminar, the student is expected to: critically analyze works of various authors/ researchers; learn the investigation methodologies, study concepts, techniques and the results presented in these papers; and submit a seminar report. It is mandatory to give a seminar presentation before a panel constituted for the purpose. Seminars typically carry 1 to 2 credits.
22BSOD3.7	**Projects:** Programmes prescribe project as a requirement for the degree, wherein under the guidance of a Faculty member, a student is required to do some applied, creative and original work, based on the application of knowledge gained while undergoing various courses in the earlier years. The student is expected to do a survey of literature in the subject, work out a project plan and carry it out through experimentation and/ or modeling/ computation. Through the project work the student has to exhibit skills for analysis, design and synthesis. The details of the project requirements shall be as per the prescribed project guidelines.
22BSOD3.8	**Audit Courses:** A student desirous of additional exposure to a course, without the rigors of obtaining a good grade, 'audits' a course. The minimum requirement of attendance for an 'Audit Course' is 75%, with any additional requirements as set by the instructor such as submission of assignments and minimum performance in some of the in-semester

	evaluations. Auditing of courses during regular semesters from 3rd semester onwards is permitted under the following conditions: 1) Students with CGPA > 6.0 will be permitted to 'Audit' a course. A course can be audited provided the course is offered in the semester as a credit course for others, and there is no slot clash. Prior permission of the Instructor is required. 2) Audit courses would be restricted to a maximum of two (2) courses per student in the entire period of the programme. 3) The instructor would award the 'AU' grade, if the attendance is satisfactory and additional requirements, as set out by the instructor, are met. If the attendance and performance is not satisfactory, the instructor will award 'No Grade'. The grade 'AU' does not carry any grade points and therefore does not figure in SGPA/ CGPA calculations. 4) The course successfully completed in Audit mode will be reflected in the Semester Grade Card, Grade Certificate and the Transcript as Audit Course.
22BSOD3.9	**Registration:** It is mandatory for every student to register for semester to attend various courses/ earn credits, using the prescribed Course Registration Form (CRF), till he completes his programme. The registration shall be completed on or before the prescribed last date for registration announced in the Academic Calendar. 1) On joining the Programme, each student is assigned to a Faculty Adviser or an Advisory group. A student shall register for required courses each semester with prior permission of the Faculty Adviser. 2) The student can register for courses he intends to take during a given semester (including courses in summer term) on the basis of his plan for each Programme, as given in the Scheme of Teaching and Evaluation and as per the advice given by his Faculty Adviser. 3) The Faculty Adviser is expected to discuss with the student his academic performance during the previous semesters and then decide the number and nature of the courses for which the student can register during the semester within the framework of the Regulations. 4) The Faculty Adviser may advise the student to drop one or more courses/activities based on his academic performance. The Faculty Adviser may even advise a reduced load program over several semesters for students with poor performance at the end of the first semester/ year. 5) Students are not permitted to reregister for course(s), which they have already passed.

	6) The registration is deemed to be complete only on approval by the Dean/Director. 7) Without registration, any academic activity (course/ seminar etc.) undergone by a student will not be counted towards the requirements of his degree. 8) Students having outstanding dues to the University or a hostel shall not be permitted to register.
22BSOD3.10	**1) Procedure for Registration:** The procedure involves the following steps: a) The students shall decide on the courses to be registered during the ensuing semester as per the advice of their Faculty Adviser. b) They shall fill up the CRF online, stating the courses that they propose to complete during the ensuing semester as per the prescribed curriculum. c) They shall submit a printout of the completed CRF, duly attested by the Faculty Adviser to the Dean/Director through the departmental office within the date notified by the University for registration. d) Every student shall register between a minimum of 16 credits and a maximum of 30 credits in any semester. **2) Registration for the first two semesters:** In each of the first two semesters, courses common to all branches are offered. A student is normally required to register for all the courses listed in the Scheme of Teaching and Evaluation for these two semesters. **3) Registration for third and subsequent semesters:** a) From third semester onwards, registration is dependent on the academic standing of the student. A student with a low academic standing registers for the academic load specified by the Faculty Adviser. b) Students with average academic standing are advised not to attempt full load. Faculty Advisers after careful scrutiny will advise academic loads depending on previous performance. **4) Late Registration:** Registration beyond the last date may be permitted only in special cases till the date specified in the Academic Calendar, on payment of a late registration fee.

22BSOD3.11	**Registration for Graduate Requirement (GR) Courses:** Graduate Requirement (GR) courses which are mandatory Non-credit courses are treated as complete or incomplete subject to the fulfillment of the minimum requirements of these courses and a minimum of 75% attendance. The award of degree is subject to successful completion of these courses. Formal registration for these courses shall be done along with other courses, at the beginning of the semesters. Not satisfying the minimum requirements of the course will result in a F-RR grade and the student has to re- register for the course when offered next. This requirement must be completed before the end of the Programme.
22BSOD3.12	**Registration for Summer Term Courses:** Students are permitted to register for courses during summer term under the regulations specified under 22BSOD 3.2, on payment of prescribed registration and course fees.
22BSOD3.13	**Course Adjustment/Dropping of Courses:** 1) The Academic Calendar sets a date, within two weeks after the commencement of the semester, for Course Adjustment. On or before this date, a student is permitted to make adjustments in his academic load by addition or deletion of one or more courses, projects etc., provided the total credits do not exceed 30 or fall below 16, by such adjustments. Course adjustment has to be done in consultation with the Faculty Adviser. When the need for course adjustment through addition, substitution or dropping of course/s arises, the student without any backlog should do online course adjustment and students with backlog course/s should do it manually by filling a Course Adjustment Form. CAF has to be signed by both the student and the Faculty Adviser and the same is to be submitted to the Dean/Director. 2) If in the second or any of the subsequent semesters, a student finds his academic load too heavy, he may drop one or two courses out of the registered ones on advice from the Faculty Adviser, provided the minimum credit requirements is fulfilled. The last date for doing this is within 10 days after the end of the first test, or as specified in the Academic Calendar. 3) Course/s dropped by a student may be taken during a subsequent semester including the summer term, if offered. 4) The minimum number of students to be registered for an Elective/ course to be offered shall be not less than five, or as decided by the University.

22BSOD3.14	**Course substitution:** In case a student obtains P grades or drops courses due to a valid reason or fails in a course, he may like to substitute courses in order to complete the course requirements within the stipulated duration. Following are the guidelines for course substitution: 1) Course substitution is not permitted for Core Courses. The student has to reregister for the same courses and complete them. 2) An elective course may be substituted by another elective course from the same group.
22BSOD3.15	**Dropping of a Semester:** 1) A student may opt or be advised to drop an entire semester, with prior approval of Programme Council due to the following reasons: a) A student may seek a semester drop, due to severe personal health problem, unavoidable family commitments or other valid reasons beyond his control, on advice from the Faculty Adviser, prior to the commencement of the semester itself. b) During a registered semester, if a student finds that he is unable to cope up with the studies and/or does not have sufficient exposure to most of the courses registered in that semester, he can opt to drop the entire semester, on advice from the Faculty Adviser. 2) In all cases of severe health problems, medical certificate issued by a University recognized Medical Practitioner is essential. In all other cases, requests for dropping the semester should be accompanied by supporting documents as required. 3) Such break from studies is normally not permitted for a continuous period in excess of one year. 4) Not registering for any semester before the last date for registration without prior approval of the Dean/Director will result in automatic dropping of semester leading to temporary discontinuation of the programme. 5) The credits of the dropped semester shall be earned subsequently by registering to the courses specified in the Scheme of Teaching and Evaluation or equivalent courses when offered next.

22BSOD3.16	**1) Faculty Adviser:** On joining the University, a student or a group of students' is/ are assigned to a Faculty Adviser from the concerned programme. Students are advised to consult the Faculty Adviser on any matter relating to their academic performance and the courses they may take in various semesters/ terms. **2) Role of the Faculty Adviser:** The Faculty Adviser guides the students to complete their courses of study for the required degree in a smooth and satisfactory manner. For effective utilization of the opportunities for additional academic accomplishments, planning of the individual's academic progress needs careful consideration, and constant consultation with the Faculty Advisers is imperative. Thus, the role of the Faculty Adviser is of immense importance. The Faculty Adviser is the person whom the parents/ guardians should contact for performance related issues of their ward.
	The Faculty Advisor shall, a) Guide the students about the rules and regulations governing the courses of study for a particular degree. b) Advise the students for registering courses as per prescribed curriculum or otherwise but within the scope of the rules and regulations prescribed by the University from time to time. For this purpose the Faculty Adviser has to discuss with the student his academic performance during the previous semester and then decide the number and nature of the courses for which he can register during the semester. c) Approve the CRF by attesting same, before the prescribed last date. d) Advice students to overload/ drop one or more courses/ activities based on his academic performance. e) At the end of the first semester/ year, may even advise a reduced load programme for a poorly performing student. This reduced load programme may spread over several semesters subject to minimum load for the semester and completion of the degree programme within the prescribed maximum period by registering in summer terms. Such reduced load programme is to be prepared by the Faculty Adviser in consultation with the Student and his parent and the Faculty Adviser has to recommend the same through the Programme Council to the Dean/Director for consideration and approval before the commencement of the semester.

	f) Pay special attention to weak students and carefully monitor performance of students recommended for slow track option. g) Advice students for Course Adjustment/ Dropping of courses during the Semester within the stipulated time frame given in the Academic calendar. h) Advice students seeking semester drop either during the ongoing semester or before the commencement of the semester. Ensure strict compliance of rules and regulations laid down for this purpose. Recommend the cases to the Dean/Director for consideration. i) Make revised plan of study for weak/bright students based on their semester wise performance. j) Suggest modalities for course/credit requirements for the students recommended for exchange programme. k) Provide guidance and liaison with the parents for their improved performance. l) Ensure that students are not permitted to re-register for courses, which they have already passed. m) Inform students that any academic activity (course/ Laboratory/ seminar/ project/ noncredit requirement etc.) undergone without proper registration will not be counted towards the requirements of his degree. n) Strictly warn students that if he fails to register during any semester without prior approval, his studentship is liable to be cancelled. o) Keep the students updated about the Academic Administration of CBCS system at the University.
22BSOD4.0	**ATTENDANCE REQUIREMENT**
22BSOD4.1	Attendance in the class is compulsory and is monitored. The University expects 100% attendance. Each Course is considered as a unit for attendance requirement and, 1) The minimum number of lectures, tutorials, seminars and practicals which a student shall be required to attend for eligibility to appear at the SEE shall not be less than 85% of the total number of lectures, tutorials, seminars, practicals, and any other prescribed requirements.
	2) Condonation of 10% in the attendance is permitted by the Vice-Chancellor on specific recommendation of the Dean/Director, for valid reasons such as medical grounds, participation in University level sports, cultural activities, seminars, workshops, paper presentation, etc. The decision of the Vice-Chancellor in this regard will be final. 3) If a student obtains less than 75% attendance in any one or more of the courses, he shall not be permitted to appear for the SEE of those courses and he shall re-register for them in subsequent semester/s when offered and obtain passing grades, subject to 22BSOD 4.1 (1).

22BSOD4.2	The basis for the calculation of attendance shall be the period prescribed by the University in its Academic Calendar of events. For the first semester students, the same is reckoned from the date of admission to the programme as per allotment from KEA / University.
22BSOD4.3	The Dean/Director shall inform the students about their attendance position periodically so that the students shall be cautioned to make up the shortage. The Dean/Director shall submit the list of students who have been detained for shortage of attendance by the end of the semester to the Registrar (Evaluation) with a copy to the Registrar. It may be noted that mere omission by Dean/Director to inform the student about the shortage of attendance shall not entitle him to appear for examination.
22BSOD4.4	**Temporary Discontinuation of programme:** A student, who wishes to temporarily discontinue the programme and continue subsequently, has to obtain prior permission from the University by applying through the Dean/Director. Such student shall take admission once again to the same semester in the following academic year or later. However, such student shall pay the tuition fee and other fees for the entire academic year; and shall complete the programme as per 22BSOD 10.2.
22BSOD5.0	**EXAMINATIONS AND EVALUATION**
22BSOD5.1	1) CIE and SEE constitute the major evaluations prescribed for each course, with only those students maintaining a minimum standard in CIE are permitted to appear in SEE of the course. 2) In such cases where a laboratory is attached to the course, CIE marks shall be awarded separately for both theory and the laboratory. However, the laboratory may not have the SEE component in the evaluation. 3) CIE and SEE to carry 50% weightage each, to enable the course to be evaluated for a total of 100 marks, irrespective of its credits. 4) The evaluation system of the program is comprehensive and continuous during the entire period of Semester, by the faculty who is teaching the course. For a course, the evaluation and grading will be on the following parameters:

A	Continuous Internal Evaluation (CIE)	
A1	Continuous and Comprehensive Evaluation (CCE)	30 % marks
A2	Internal Assessment Tests (IAT)	20 % marks
	Total of CIE (A1+A2)	50 % marks
B	Semester End Examination (SEE)	50 % marks
	Total of CIE and SEE (A + B)	100 % marks

22BSOD5.2	**Continuous Internal Evaluation:** 1) The CIE will carry a maximum of 50% weightage of total marks of a course. Before the start of the Academic session of each semester, a faculty may choose for his course Internal Assessment Test and a minimum of three and a maximum of four of the following assessment methods with suitable weightage for each. a) Assignments (Individual and/or Group) b) Seminars c) Quizzes d) Group Discussions e) Case studies/Case lets/Case discussions f) Practical orientation on Design Thinking, Creativity & Innovation g) Participatory & Industry-integrated learning h) Practical activities / problem solving exercises i) Class presentations j) Analysis of Industry/Technical/Business Reports k) Reports on Guest Lectures / Webinars / Industrial Visits l) Industrial / Social / Rural projects/ Field Work m) Participation in Seminars/ Academic Events/Symposia, etc. n) Any other academic activity suitable for the course 2) The faculty will submit the 'CCE Assessment Plan' to the Dean/Director for approval and notify the same along with the course syllabus before the start of semester. The total marks of the above three or more assessment components shall be scaled down to 30% of total marks of the respective course. 3) To assess the students in a course under IAT component, two tests will be conducted in a semester. Each test will be conducted for 20 marks. The average marks obtained in these two tests will be taken as IAT Marks. If a student fails to attend both the IAT on the scheduled date due to any unavoidable circumstances, and produces documentary evidence, the faculty member, upon approval of the Dean/Director, shall conduct an additional test at the end of the semester covering the syllabus of the test for which he was absent. 4) The CIE marks awarded to students at different stages during the course shall be displayed on the notice board of SOD to enable the students to point out any discrepancies. After due corrections, if any, faculty shall upload the CIE marks in the University's ERP system and a hard copy of the same shall be submitted to the Registrar (Evaluation) of the University duly signed by the concerned faculty and the Dean/Director, before the commencement of semester end examinations. 5) The student shall obtain a minimum of 40% of marks allotted for CIE in a given course to be eligible to appear for the SEE in that course.

	6) When laboratory is part of a theory course, the student shall obtain a minimum of 40% marks in CIE of the laboratory to be eligible to appear for SEE in that course. This is in addition to the requirement specified under (5) above. The CIE marks obtained by a student in the laboratory, if it is equal to or greater than 40%, shall be retained until the end of that academic year till he passes in the SEE. Otherwise, he shall re-register for the course. 7) If a student is unable to secure a minimum of 40% in CIE marks in any course, he shall not be eligible to take up SEE/ viva-voce examination in that particular course. It shall be the responsibility of Dean/Director to scrutinize the list of candidates and permit only the eligible students to take up SEE. In the event of an ineligible student inadvertently being allowed to appear for the theory/viva voce examination, the result of the concerned student shall be withdrawn forthwith. 8) The list of such students, who have not secured the minimum in CIE marks, shall be sent separately to the Registrar (Evaluation) along with the submission of CIE marks of the successful students. 9) After the submission of CIE marks to the Registrar (Evaluation) of the University, any request for changes in the marks by the Dean/Director shall be considered by the Registrar (Evaluation) only after due approval of the Vice- Chancellor. 10) The students not obtaining 40% marks in CIE shall re-register for the course during the subsequent semester.
22BSOD5.3	**Semester End Examination:** 1) The Semester End Examination for all the courses for which students registered during the semester shall be conducted at the end of each semester. 2) Only those students who satisfy the attendance requirement as per 22BSOD 4.1 and CIE requirement as per 22BSOD 5.2 (5) and (6) shall be eligible to appear for SEE of that course. 3) However, in those students, whose SEE results were withdrawn as a penalty for indulging in malpractice or who had satisfactory attendance & required minimum CIE marks but could not appear in the SEE for valid reasons, shall be permitted to carry forward the attendance and CIE marks from that semester and write the SEE when ever held for the same course as offered by the concerned School of Studies. Such students shall seek permission from the Dean/Director and register for the SEE in the beginning of the semester and appear for SEE, on the dates notified by the University. Such students shall complete the course as per the sections 22BSOD 6.0 and 7.0 of the concerned Programme Regulations.

22BSOD5.4	**Viva-Voce Examination:** For a viva-voce examination, there shall be two examiners, one internal and one external. Internal examiner shall be the course teacher/project guide, and external examiner may be a teacher/ professional who has not taught that course during the given semester at SOD and also not in full-time employment with the University. The Vice Chancellor, on recommendation of the Board of Studies, shall appoint all appropriate qualified examiners for any examination. In all the cases, the evaluation shall be made jointly and one consolidated marks be awarded. In the event that the external examiner does not turn up for the examination, the Dean/Director on approval of the Vice Chancellor, may appoint a suitable internal faculty to carry out the examination.
22BSOD5.5	**Capstone Project:** 1) Students shall undertake a capstone project in the 8th semester, forming a project team comprising fellow classmates not exceeding four, and the project shall be carried out under the supervision of an allotted faculty. 2) All project teams shall make presentations to Project Committee notified by the Dean/Director and submit the progress reports periodically with the approval of project guide. 3) The final project dissertation shall be written adhering to International standards. The dissertation, duly signed by the concerned guide, shall be submitted to the Dean/Director with in the time notified. All students shall appear for the viva-voce examination on the project at the end of the semester. 4) The CIE marks in the case of Engineering Project (Thesis) of 8th semester shall be based on the evaluation of the project dissertation as prescribed from time to time in the Scheme of Teaching and Examination.
22BSOD5.6	**Academic Malpractice:** Academic malpractices shall be seriously viewed and appropriate action taken. In case of malpractice during any of the examinations like assignments, quizzes, tests, and other CIE components, the matter shall be reported to the Dean/Director for further action. In case of malpractice during SEE, the Invigilator shall report the matter to the Chief Superintend, who in turn refers the matter to the Registrar (Evaluation) for further action.

22BSOD6.0	CRITERIA FOR PASSING A COURSE

22BSOD6.1 Award of Grades:

1) The University adopts absolute grading system wherein the marks are converted to grades, and every semester results will be declared with semester grade point average (SGPA) on successful completion of all courses of that semester as per the scheme of teaching and evaluation.
2) If there is no SEE for a course, then the CIE marks alone will be the basis for the determination of letter grade.
3) The total marks obtained by the student in CIE and SEE of a course is expressed as a percentage to compute the grade points and the letter grade is awarded as indicated in the table below:

Classification			
% Marks scored in a course	**Grade Points**	**Letter Grade**	**Level**
≥ 95	10	O	Outstanding
≥ 85 < 95	9	A+	Excellent
≥ 75 < 85	8	A	Very Good
≥ 65 < 75	7	B+	Good
≥ 55 < 65	6	B	Above Average
≥ 45 <55	5	C	Average
≥ 40 <45	4	P	Fair
< 40	0	F - RA	Reappear
	0	F - RR	Re-register

Table: Marks (%) and Letter Grade relation

% of Marks Scored in a Course	Letter Grade	Level
≥ 95	O	Outstanding
≥ 85 < 95	A+	Excellent
≥ 75 < 85	A	Very Good
≥ 65 < 75	B+	Good
≥ 55 < 65	B	Above Average
≥ 45 < 55	C	Average
≥ 40 < 45	P	Fair
< 40	D	Unsatisfactory
NA (Not Attended)	F-RR	Re-register

22BSOD6.2	**Other Letter Grades:** The letter grades specified in 22BSOD 6.1 are used as student performance measures in all kinds of assessments. However, the following letter grades are also awarded under the circumstances defined below (Letter Grade: Grade Point - Circumstances). 1) F-RR: 0 - Not eligible to appear for the SEE of a course due to attendance being less than 75% and / or CIE being below 40%. To re-register for the course and appear for the SEE in the subsequent semester when it is being offered by the School of Studies. (In case of electives, course change within the group is permitted) 2) AU: 0 - Satisfactory in an Audit course 3) W: No credits – Dropped/ withdrawn (W is not a grade but only a place holder indicating that the course has been dropped/withdrawn and it has to be cleared in subsequent semesters in case it is a core subject).
22BSOD6.3	**Passing a Course:** For pass in a course, the student shall secure a minimum of 40% of marks prescribed for that course in CIE and 40 % in SEE or viva voce examinations. However, aggregate marks combining both CIE and SEE or viva voce should not be less than 40% under any circumstances. That is, Minimum passing grade in a course (head of passing) is P.
22BSOD6.4	**Condition for Re-Registering a Course:** 1) Students who do not satisfy the condition of 22UGBD 6.3 shall be deemed to have failed and will be awarded either 'F-RR' or 'F-RA' Grade. 2) Students who were not eligible to take up the Semester End Examination (SEE) of any semester shall be deemed to have failed and will be awarded 'F-RR' Grade and are required to re-register for the course in subsequent odd/even semesters respectively. 3) Students who were eligible to take up Semester End Examination but have not cleared the regular Semester End Examination (SEE) shall be deemed to have failed and will be awarded 'F-RA' Grade and are required only to re-register for the Semester End Examination during the subsequent odd/even semester respectively.

22BSOD7.0	**PROGRESSION TO HIGHER SEMESTERS**
22BSOD7.1	1) A theory, stand-alone practical or Theory with practical shall be treated as one head of passing. 2) The Mandatory Graduate Requirement Non–credit courses (GR) shall not be considered for progression to higher semesters, award of Class, and calculation of SGPA and CGPA. However, competition of these courses is mandatory for award of the Degree. 3) There shall be no restriction for progression from odd semester to an even semester in an academic year. 4) A student shall complete a minimum of 25% of all the credits offered till 4th semester, as per the Scheme of Teaching and Evaluation, to register for the courses of 5th semester. 5) Furthermore, a student shall complete a minimum of 25% of all the credits offered till 6th Semester and also satisfy the credit requirements of 1st and 2nd Semester as per the Scheme of Teaching and Evaluation, to register for the courses of 7th semester.
22BSOD8.0	**PASSING STANDARDS AND CLASS DECLARATION**
22BSOD8.1	**Computation of SGPA and CGPA:** 1) Semester Grade Point Average will be awarded at the end of each Semester and Cumulative Grade Point Average will be awarded at the end of the program. However, CGPA is calculated at the end of each semester from the second semester onwards and reflected in the grade certificate for indicating the progress of the student. 2) Each course in a program is associated with number of credits. Based on the number of credits for a course and obtained Grade Point for that course in a Semester, the GPA is calculated as given below: a) The SGPA is the ratio of sum of the product of the number of credits with the grade points secured by a student in all the courses taken by him to the sum of the number of credits of all the courses undergone by a student, i.e., $SGPA = \sum (C_i \times G_i) / \sum C_i$ Where C_i is the number of credits of the ith course and G_i is the grade point scored by the student in the ith course.

	b) The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme, i.e., $CGPA = \sum (C_n \times S_n) / \sum C_n$ Where S_n is the SGPA of the nth semester and C_n is the total number of credits in that semester. Finally the SGPA and CGPA shall be rounded off to 2 decimal places.
22BSOD8.2	**Passing Standards:** 1) A student shall be declared successful or 'passed' in a semester, only when he gets a SGPA of 4.00 earning credits as per the scheme of teaching and evaluation, with grade point of 4 or more in every registered course. 2) A student shall be declared successful or 'passed' in the entire Under Graduate programme, only when he gets a minimum CGPA of 4.00 and has completed all the graduate requirement courses as mandated in the scheme of teaching and evaluation.
22BSOD 8.3	**1) Conversion of Grade and Percentage of Marks:** Conversion formula for the conversion of CGPA into Percentage is: Percentage of marks scored, P = [CGPA earned] x 10 **2) Class Declaration:** After the conversion of final CGPA into Percentage of Marks (PM), a graduating student is declared to have passed in: a) First Class with Distinction (FCD): PM ≥ 75% (In First Attempt) b) First Class (FC): 60% ≤ PM < 75 % c) Second Class (SC): 50% ≤ PM < 60% d) Pass Class (P): 40% ≤ PM < 50%
22BSOD8.4	**Grade Cards, Certificates and Transcripts:** 1) Grade Cards: At the end of each semester, a Grade Card shall be issued to all the registered students of that semester, indicating the Course code, Title, Number of credits, Letter grade awarded and Credits earned, forall the Courses as specified in the scheme of teaching and evaluation. This may have F-RA or F-RR grades awarded to the student. 2) Grade Certificate: On successful completion of all courses/earning credits, specified in a semester, the grade certificate is issued indicating the course details along with SGPA of that semester and also CGPA earned till that semester.

	3) Transcripts: Transcript is the consolidated statement of the academic performance of a student for all the semesters since joining the programme and is generally given to a student on successful completion of the programme along with the degree certificate. a) For those students who have taken multiple attempts to clear a course, the transcript given on successful completion of the programme will only contain earned pass grade (O to P and AU); the courses cleared subsequently will however be shown in the respective semester with Month and Year in which the student has finally cleared the course. The transcript will show only the overall CGPA based on all the courses taken by the student. Credits earned beyond the requirement for the award of the degree shall be shown as additional courses separately, indicating the grade earned by the student. Additional copies of the transcript can be obtained if needed, on request submitted along with payment of applicable fee. b) Students who have not yet completed the programme can obtain an interim Transcript at the end of any semester, if needed, on request and upon payment of applicable fee. The interim Transcript includes failed courses, which have not been cleared at the time of issue.
22BSOD9.0	**ELIGIBILITY FOR AWARD OF DEGREE, PRIZES, MEDALS AND RANKS**
22BSOD9.1	**Minimum Credit Requirement:** A student of 2022-2023 batch shall obtain a total of at least 188 credits as specified by the University, along with satisfying the passing standards as per 22BSOD 8.2 to be eligible for the award of Bachelor of Design – Communication Design / Product Design / Interior Design / Fashion Design.
22BSOD9.2	For the award of Prizes and Medals, the conditions stipulated by the donor/ University may be considered subject to the provisions of the statutes framed by the University for such awards from time to time.
22BSOD9.3	For award of ranks in B.Des., a minimum of 10 students should have appeared in the 8th semester examination. The total number of ranks awarded shall be 10% of total number of students appeared in 8th semester or 10 whichever is less.
22BSOD9.4	A Student shall be eligible for a rank at the time of award of B.Des. degree, provided the student has passed in all the courses from 1st to 8th semester in first attempt.
22BSOD9.5	For awarding Rank the CGPA secured by the student from 1st to 8th semester shall be considered, provided 22BSOD 9.4 is satisfied.

22BSOD9.6	If two students get the same CGPA, the tie should be resolved by considering the number of times a student has obtained higher SGPA. But, if it is not resolved even at this stage, the number of times a student has obtained higher grades like O, A+, A, B+, B, C & P etc., shall be taken into account in Rank ordering of the students.
22BSOD10.0	**MAXIMUM DURATION FOR PROGRAMME COMPLETION**
22BSOD10.1	A student who has not secured 65 credits from all the first and second year and summer term examinations even after a period of three academic years from the date of first admission shall discontinue the program. However, the student is eligible for readmission for first year B.Des. program of the University and he shall be allotted a new Registration Number from the date of new registration.
22BSOD10.2	However, overriding the clause 22BSOD 10.1, a student shall complete the programme within a period of eight academic years from the date of admission to the program, failing which he has to discontinue the program.
22BSOD11.0	**TRANSFER OF STUDENTS**
22BSOD11.1	Transfer of students from another University to SOD of this University is permitted only at the beginning of odd semesters, subject to availability of seats within the permitted intake and subject to the prior approval of the Vice Chancellor of the University. Such students should have passed in all courses of 1st and 2nd semesters for admission to 3rd semester, all the courses of 1st to 4th semesters for admission to 5th semester, and all the courses of 1st to 6th semesters for admission to 7th semester.
22BSOD11.2	The students seeking admission shall have to: 1) Apply for establishment of equivalence with prescribed fees as notified by the University, and 2) Submit No Objection for admission from the migrating University before commencement of semester as notified by the University. 3) The University may prescribe fee for administrative purpose (for updating of the records), which shall be notified from time to time, for transfer.
22BSOD12.0	**MISCELLANEOUS**
22BSOD12.1	The academic regulations should be read as a whole for the purpose of any interpretation.
22BSOD12.2	Wherever the words “he”, “him”, “his” occur in the regulations, they include “she”, “her”, “hers”.

22BSOD12.3	In case of any doubt or ambiguity in the interpretation of the rules mentioned in the regulations, the decision of the Vice Chancellor shall be final.
22BSOD12.4	The University may change or amend the regulations and/ or curriculum at any time, and the changes or amendments made shall be applicable to all the students with effect from the date notified by the University.
22BSOD12.5	These regulations governing the Degree of Bachelor of Design (B.Des.) of the University may be modified from time to time with the approval of statutory bodies of the University and shall be binding on all.

REGULATIONS GOVERNING
BACHELOR of TECHNOLOGY (B. Tech.) PROGRAMME
Based on
Choice Based Credit System (CBCS)

DEFINITION OF KEY WORDS:

1. **Academic Year:** Two consecutive semesters (one odd followed by one even) constitute one academic year.
2. **Audit Courses:** Courses, outside the prescribed range of credits required for the degree, the students can register if interested to supplement their knowledge/ skills.
3. **Branch:** Specialization or discipline of B. Tech. Degree Programme, like Computer Engineering, Electronics & Communication Engineering, etc.
4. **Choice Based Credit System (CBCS):** The CBCS provides choice for students to select from the prescribed set of courses viz. Engineering Sciences, Professional core and electives, Professional and Open Electives and Skill Courses.
5. **Course:** Referred to as 'papers', is a component of a programme, with defined learning objectives, outcomes and number of credits. A course may be designed to comprise lectures/ assignments/ tutorials/ laboratory work/ field work/ outreach activities/ project work/ self-study/ vocational training/ viva/ seminars/ term papers/ presentations/ quiz etc. or a combination of these as defined in the Scheme of Teaching. The course credits vary depending on the required teaching-learning hours to accomplish the learning outcomes, specified in the course syllabus.
6. **Credit:** A unit by which the course work is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one hour of lecture or two hours of tutorial/ practical work/ fieldwork per week.
7. **Credit Based Semester System (CBSS):** Under CBSS, the requirement for awarding a degree or diploma or certificate is prescribed in terms of number of credits to be earned by the students.
8. **Credit Point:** It is the product of grade point and number of credits for a course.
9. **Cumulative Grade Point Average (CGPA):** It is a measure of overall cumulative performance of a student over all semesters. The CGPA is the ratio of total credit points earned by a student in various courses in all semesters to the sum of the total credits of all courses in all the semesters. It is expressed up to two decimal places. However, the CGPA is invariably calculated from second semester onwards to facilitate students to know their academic progress.

10. **Dean:** Dean of the School of Engineering and Technology of the University.
11. **First Attempt**: If a student has completed all formalities and become eligible to attend examinations and has attended at least one head of passing, such attempt (first sitting) shall be considered as first attempt.
12. **Grade Point:** It is a numerical weightage allotted to each letter grade on a 10-point scale.
13. **Letter Grade:** An index of the performance of students in a said course. Grades are denoted by letters.
14. **Passing Standards:** A student is passing a Course only when getting GP greater than or equal to 04 (P Grade). A student is declared successful at the Semester-end only when getting SGPA equal to or greater than 4.00, with none of the Courses registered in a Semester having either F-RA or F-RR Grade.
15. **Programme:** A planned series of events/activities comprising of a combination of courses leading to the award of degree.
16. **Programme Council:** The committee consisting of the Director of the programme, HOD and the concerned Faculty members from each cadre.
17. **Semester:** Each semester will consist of 15-18 weeks of academic work equivalent to about 90 teaching days. The odd semester may be scheduled from August to November/ December and even semester from January to April/ May, or as may be declared by the University.
18. **Semester Grade Point Average (SGPA):** It is a measure of academic performance of student in a semester. It is the ratio of total credit points secured by a student in various courses registered in a semester to the total course credits taken during that semester. It shall be expressed up to two decimal places.
19. **SOET:** School of Engineering and Technology of the University.
20. **Transcript, Grade Certificate and Grade Card:** Grade card shall be issued to candidates indicating the programme details (Course code, title, number of credits, grade secured and grade points) for all the registered courses after every semester.

    On successful completion of all courses/earning credits, specified in a semester, the grade certificate is issued indicating the programme details along with SGPA of that semester and also CGPA earned till that semester.

    Transcripts to the successful candidates shall be issued after completion of the programme.
21. **University:** CMR University, Bangalore.

REGULATIONS

17BSET1.0	**TITLE AND DURATION OF THE PROGRAMME**
17BSET1.1	The programme, which is an Under Graduate Programme, shall be called Bachelor of Technology, abbreviated as B.Tech., followed by specialization indicated within parenthesis. The Programmes covered under these regulations are: 1) Bachelor of Technology – Computer Science and Engineering 2) Bachelor of Technology – Electronics and Communication Engineering 3) Bachelor of Technology – Information Technology 4) Bachelor of Technology – Computer Science and Engineering (AI & ML) 5) Bachelor of Technology – Computer Science and Engineering (Data Science)
17BSET1.2	The programme shall be of four academic years duration and organized in eight semesters, with each semester having duration of 15-18 weeks.
17BSET1.3	The annual Academic Calendar of events in respect of the Programme of study approved by the Academic Council, shall be notified at least a month before the commencement of each academic year. It is mandatory for students, faculty members and all concerned to strictly adhere to the Academic Calendar for completion of academic activities. Academic Calendar shall be displayed on the homepage of the University website.
17BSET2.0	**ELIGIBILITY FOR ADMISSION**
17BSET2.1	The rules specified in the following clauses shall be followed, but the orders issued from the Government/ the regulatory bodies from time to time shall prevail.
17BSET2.2	Admission to First year First semester B. Tech. shall be open to the applicants who have passed the second year Pre-University or XII standard or three-year diploma or equivalent examination recognized by the University. For the prerequisite qualification earned from foreign Universities, equivalence as notified by the Association of Indian Universities from time to time is mandatory. However, in case if no prior equivalence has been established by the other recognized bodies, the decision of the Equivalence Committee of the University shall be final in establishing the eligibility of the student.

17BSET2.3	In addition to 17BSET 2.2, the applicant shall have secured not less than forty five percent (45%) marks in aggregate in optional with Physics and Mathematics as compulsory courses, along with any one of the following subjects, namely, Chemistry, Bio-Technology, Computer Science, Biology and Electronics or any other subject, as notified by the Government of Karnataka. The minimum marks for the purpose of eligibility shall be forty percent (40%) in optional subjects in case of applicants belonging to SC/ST and OBC from Karnataka or as notified by the Government of Karnataka from time to time. Further, the applicant shall have studied and passed English as one of the subjects at eligibility qualification level.
17BSET2.4	**Lateral Entry Admissions:** 1) Admission to Second year (Third semester) B.Tech. (Lateral Entry) shall be open to the following category of applicants: **a) Diploma Holders:** i) Applicant must have passed diploma or equivalent qualification as recognized by University and secured not less than forty five percent (45%) marks in the final year examination (fifth and sixth semesters) in the appropriate branch of engineering. In case of SC/ST and OBC students from Karnataka the minimum marks for eligibility shall be forty percent (40%). ii) Applicant who has completed his/her Diploma in Engineering from other than Karnataka state shall provide the Equivalence/ Eligibility Certificate from the Director of Technical Education, Karnataka. **b) B.Sc. Graduates** Must have passed B.Sc. degree, with subjects relevant for study of B.Tech., from a recognized University, established by law or other equivalent qualification, as recognized by the University and secured not less than forty five percent (45%) marks in aggregate (including all six semesters). In case of SC/ST and OBC applicants from Karnataka, the minimum marks for eligibility shall be forty percent (40%). Applicants must have studied Mathematics as a subject of study at XII Standard. 2) All the Diploma and B.Sc. degree holder applicants, seeking admission to lateral entry, shall also pass the following courses, or equivalent courses as specified by the University, before the completion of degree: a) Computer Aided Engineering Drawing (CAED), b) Computer Programming and c) Environmental studies and d) Constitution of India.

	3) Further, all the Diploma and B.Sc. degree holder applicants shall also be required to pass the Mathematics bridge course(s) specified by the University, within one year of joining the programme. However, applicants with B.Sc. degree (with Mathematics major) may apply to the Dean seeking exemption from the bridge course.
17BSET3.0	**CHOICE BASED CREDIT SYSTEM AND ACADEMIC PROCESS**
17BSET3.1	**Odd & Even Semesters and Summer Term:** The University follows the Choice Based Credit System and the Semester Scheme. There are two regular semesters and one additional term in an academic year. The semester that begins in August (August to November/ December) is known as the Odd Semester and the semester that begins in January (January to April/ May) is known as the Even Semester. During the summer vacation (i.e., May/ June to July), the Summer term is conducted to offer courses as per 17BSET 3.2.
17BSET3.2	**Summer Term:** The summer Term is an additional term conducted during an academic year. During summer term, a limited number of courses may be offered to enable the students to clear their backlog courses (F-RR) and/ or register for additional regular credit courses on audit basis, subject to strict adherence to the following guidelines: 1) The Programme Council shall identify the courses to be offered along with the Course Instructor and recommend offering of such summer course(s) to the Dean for consideration. The identified faculty members shall offer the courses only on approval by the Dean. 2) The course is offered in the same manner as a regular semester course without compromising the course requirements in terms of knowledge delivery, course work, assessment and evaluation. The University shall notify the fee payable by the students for the summer term courses. 3) The duration of the course is six to eight weeks. The registration, examination, assessment and grading etc. are done in the same way as is done for regular semester courses. The total number of contact hours for the courses remain the same as that during the regular semesters, and therefore, the courses are run at an accelerated pace. The Academic Calendar specially made in this connection shall be strictly followed. 4) The dropping of a Summer Course is permitted within 7 days from the first lecture of the course. However, the registration fee paid for the course is not refundable. 5) Time slots will be assigned and notified by the Dean as done for the regular semester courses

© CMR University, Bangalore (2022)

	7) A notified summer course can be withdrawn if the number of students registered for the course is less than five. 8) A student can register up to a maximum of 12 credits or 3 courses in any summer term, depending on his academic standing. 9) Courses offered in a summer term will be treated as equivalent to a regular semester courses for all accounting purposes.
17BSET3.3	**Curriculum:** Every Programme has a prescribed course structure which, in general terms, is known as the Curriculum or the Courses of Study or the Scheme of Teaching and Evaluation. It prescribes all the courses/ laboratory/ other requirements for the degree and sets out the nominal sequence semester wise. It provides the syllabus and a list of text/ reference books (or other learning material sources) for each course. The Courses of Study details are updated every semester and are made available at the University website: http://cmru.edu.in Curriculum may also include SWAYAM and Massive Open Online Courses (MOOCs), offered by premier institutions. However, selection of such courses, if any, shall always be within prescribed guidelines of the relevant regulatory bodies.
17BSET3.4	**Course Credit Structure:** 1) A certain quantum of academic work, measured in terms of credits, is laid down as the requirement for completion of B. Tech degree in the different available specialization areas. A student earns credits by satisfactorily completing courses/other academic activities every semester. 2) The credits are distributed semester wise, as prescribed in the Scheme of Teaching and Evaluation for each of the programmes. The courses generally progress in sequences, building competencies as per the course learning outcomes. The positioning of a course indicates certain academic maturity on the part of the students.

© CMR University, Bangalore (2022)

	3) Some courses do, in addition, specify passing in other courses, offered earlier in the programmes, as prerequisites for the course. 4) Students are required to follow the semester wise schedule of courses specified in Scheme of Teaching and Evaluation; they do, however, have freedom to follow alternative schedules to optimize their academic profile with additional courses, keeping the requirements for each course in mind. These additional courses may be from the prescribed scheme of teaching and evaluation or the courses offered under other programmes. Credits earned beyond the requirement for the award of the degree shall be treated as additional credits. For students with backlog courses, such rescheduling may even become necessary. Such departures from suggested schedules need to be done very carefully, and always with advice from the Faculty Adviser.
17BSET3.5	**Courses:** There will be following types of courses in a B. Tech. programme, namely: 1) Humanities and Social Sciences (HS), include Management, Skill enhancement and Economics. These courses will have 1 to 3 credits per course. 2) Basic Sciences (BS) include Mathematics, Physics and Chemistry. These courses will have 2 to 4 credits per course. 3) Engineering Sciences (ES) are engineering foundation courses and include Workshop, Drawing, Basics of Electrical/ Civil/ Mechanical/ Computer Engineering, Materials, and Instrumentation. These courses are common across all disciplines and will have 2 to 4 credits per course. 4) Professional Core Courses (PC): These are the courses to be compulsorily studied by a student as a core requirement to complete the requirements of a program in a said discipline of study. These courses will have 2 to 4 credits per course. 5) Professional Elective Courses (PE): These are the courses from which a student can choose and study as part of the requirement to complete the program in a said discipline of study. These courses will have 2 to 4 credits per course. 6) Open Elective Courses (OE): These courses are supportive to the discipline/ providing extended scope/enabling an exposure to some other discipline/ domain and they are chosen from the pool of courses. These courses may have 2 to 4 credits per course. 7) Skill development Courses (SD): These are to nurture student proficiency skills. These courses are offered to achieve the programme outcomes not specifically covered by the other courses and may have 1 to 3 credits per course.

8) Graduate Requirement (GR) Courses: These are courses on peripheral subjects in a programme, wherein completion of the course is considered mandatory to qualify for the award of the Degree.
9) Project work, Mini Project work and Internship and Seminar are also considered as courses in the B.Tech.. programme.

The Courses of the B.Tech. Programme are further classified as follows:

1) **Program Core (Credit Courses):** Each academic programme is divided into Program Core or Common core courses which are further divided into mandatory and choice segments, with levels within them.

The Program Core courses are broadly categorized into Foundation, Electives and Interdisciplinary.

Foundation, Elective and interdisciplinary courses are discipline specific or allied to the program. Foundation courses are mandatory courses that are offered through the period of study of the program. Foundation courses are offered as fundamental, intermediate and advanced courses based on the prerequisite and difficulty level (100 Level / 200 Level / 300 Level etc.) of the course. Elective courses are a basket of courses from which the student gets to choose. Elective courses are either specialization courses or generic courses. Elective courses include mini projects, dissertations, internships and capstone projects. Students also have the option to choose from a set of interdisciplinary courses which are varied from their discipline and offered by other Schools of Studies of the University.

Mandatory segments are those which lay a firm foundation of the knowledge required to complete a programme in the chosen domain, ending with a multifaceted assignment that serves as a culminating academic and intellectual experience for students, typically during their final year.

Choice segments are those which a student could opt for to specialize further and / or to improve their interdisciplinary skills.

All segments carry credits, and the students are expected to earn the minimum number of credits in their coursework towards program core to earn the degree.

2) **Common Core (Credit Courses):** Common Core Curriculum (CCC) courses are to be pursued by all students of the University regardless of their School of Study. It also encourages students to explore themselves and issues of fundamental importance to society through the Common Core Curriculum (CCC) courses. Students are expected to earn a certain specified number of credits in their

coursework towards the Common Core Curriculum (CCC), during their academic programmes. While some courses are in workshop mode, which can be completed over a few days at a stretch, there are other courses which are offered for a specific number of hours per week throughout a semester.

Students take these courses planned for each academic programme, over multiple semesters. Credits range from 1 to 4, which are directly proportional to the number of hours required to complete a course. There are both 'mandatory' and 'choice' courses, with levels within them.

3) **Common Core (Non-credit Courses / Engagement) - Graduate Requirement (GR):** Engagements for this category do not carry any credit(s) but are mandatory for the students to complete them within the duration of the programme, to be considered eligible to graduate (or) earn the degree. These shall be:

   a) **Courses** embedded in the academic programme, where the students must ensure that they attend a minimum attendance percentage.

   b) **Community Service Program** are activities implemented under the Common Core Curriculum Community Service Program (CCC CSP) in which the students have to complete a minimum number of volunteering hours in a semester by rendering services to the society and submit a Reflection Record (RRD) for every volunteering activity completed. In case of a student not having completed the minimum number of volunteering hours in a semester, the shortage in number of hours is to be completed in the subsequent semester(s). However, the student has to complete the mandated total number of volunteering hours within the duration of the programme and submit a Reflection Record (RRD) for every volunteering activity completed.

4) **Advanced Course:** Courses that involve higher and more complex levels of knowledge and understanding than introductory or foundational learning. It means the student has attained a level of knowledge and understanding of a particular area or topic that goes beyond basic terminology and definitions and is ready to be involved in Analysis, Synthesis and Evaluation of information related to a specific topic or area of learning.

5) **Prerequisite course:** Course or other requirement that a student must have taken prior to enrolling in a specific course. Students might or might not have a choice of prerequisites to complete.

© CMR University, Bangalore (2022)

Courses under various categories can be further classified as:

- **100 Level Courses**: These courses offer an introduction to a subject area and are designed for students in the first year of study. These courses have no prerequisites and are generally courses defining basic concepts or presenting the terminology of a discipline
- **200 Level Courses**: These courses are built on previous units and are normally taken in the second year or later; they may also be available to students with advanced prior knowledge. They are Courses of intermediate college-level difficulty; courses with 100-level course(s) as prerequisite(s)
- **300 Level Courses**: These courses are usually taken in third year or later, after 200-level study in the area. They may also be available to students with advanced prior knowledge. They are courses of advanced college-level difficulty offered for students clearly interested in the discipline or in any stream of the discipline
- **400 Level Courses**: These units of study are advanced courses and are normally taken in the third year or later as the final elements of a three year or four year degree or an integrated degree. The level indicates that the student will be demonstrating coherence and breadth or depth of knowledge and skills. The student may need to have completed a prerequisite course to study a 400 level course.
- **500 Level Courses:** These are foundation level courses for higher education qualifications, usually taken in the first year of the masters or postgraduate degree programmes. These are courses meant for students aspiring to specialise in a discipline and would have prerequisites to study a course at this level, which would have been covered in the core curriculum at the bachelor's degree programme in the same discipline.
- **600 Level Courses:** These courses are usually opted for at the second year of the masters or postgraduate degree programmes, which enhance the learning experience of the previous units. The difficulty level is clearly higher and the student is expected to demonstrate a certain level of proficiency and competence in grasping and interpreting the knowledge gained in the discipline at this level.
- **700 Level Courses:** The courses prescribed at this level serve as a culminating academic and intellectual experience for students, and are usually taken towards the final semesters of the masters or postgraduate degree programmes where they acquire the skills and knowledge to analyse, evaluate, and solve challenges akin to those faced in real life situations, resulting in achieving mastery in the discipline.

17BSET3.6	**Seminars:** Some Programmes may prescribe Seminar as a requirement for the B.Tech.. degree. Seminar may be an assessment component or a course itself wherein the student is expected to do an in-depth study in a specialized area under the guidance of a faculty member. This may include surveying published technical literature, understanding different aspects of the problem and arriving at a status report. While doing a seminar, the student is expected to: critically analyze works of various authors/ researchers; learn the investigation methodologies, study concepts, techniques and the results presented in these papers; and submit a seminar report. It is mandatory to give a seminar presentation before a panel constituted for the purpose. Seminars typically carry 1 to 2 credits.
17BSET3.7	**Projects:** Programmes prescribe project as a requirement for the degree, wherein under the guidance of a Faculty member, a student is required to do some applied, creative and original work, based on the application of knowledge gained while undergoing various courses in the earlier years. The student is expected to do a survey of literature in the subject, work out a project plan and carry it out through experimentation and/ or modeling/ computation. Through the project work the student has to exhibit skills for analysis, design and synthesis. These projects may be offered as a single unit of 16 credits or two modules of 4 and 12 credits in two successive semesters. Departments may also prescribe a minimum performance in the first module for being eligible for second module. The details of the project requirements shall be as per the prescribed project guidelines.
17BSET3.8	**Audit Courses:** A student desirous of additional exposure to a course, without the rigors of obtaining a good grade, 'audits' a course. The minimum requirement of attendance for an 'Audit Course' is 75%, with any additional requirements as set by the instructor such as submission of assignments and minimum performance in some of the in-semester evaluations. Auditing of courses during regular semesters from 3rd semester onwards is permitted under the following conditions: 1) Students with CGPA > 6.0 will be permitted to 'Audit' a course. A course can be audited provided the course is offered in the semester as a credit course for others, and there is no slot clash. Prior permission of the Instructor is required. 2) Audit courses would be restricted to a maximum of two (2) courses per student in the entire period of the programme. 3) The instructor would award the 'AU' grade, if the attendance is satisfactory and additional requirements, as set out by the instructor, are met. If the attendance and performance is not satisfactory, the instructor will award 'No Grade'. The grade 'AU'

	does not carry any grade points and therefore does not figure in SGPA/ CGPA calculations. 4) The course successfully completed in Audit mode will be reflected in the Semester Grade Card, Grade Certificate and the Transcript as Audit Course.
17BSET3.9	**Registration:** It is mandatory for every student to register for semester to attend various courses/ earn credits, using the prescribed Course Registration Form (CRF), till he completes his programme. The registration shall be completed on or before the prescribed last date for registration announced in the Academic Calendar. 1) On joining the Programme, each student is assigned to a Faculty Adviser or an Advisory group. A student shall register for required courses each semester with prior permission of the Faculty Adviser. 2) The student can register for courses he intends to take during a given semester (including courses in summer term) on the basis of his plan for each Programme, as given in the Scheme of Teaching and Evaluation and as per the advice given by his Faculty Adviser. 3) The Faculty Adviser is expected to discuss with the student his academic performance during the previous semesters and then decide the number and nature of the courses for which the student can register during the semester within the framework of the Regulations.
	4) The Faculty Adviser may advise the student to drop one or more courses/activities based on his academic performance. The Faculty Adviser may even advise a reduced load program over several semesters for students with poor performance at the end of the first semester/ year. 5) Students are not permitted to reregister for course(s), which they have already passed. 6) The registration is deemed to be complete only on approval by the Dean. 7) Without registration, any academic activity (course/ seminar etc.) undergone by a student will not be counted towards the requirements of his degree. 8) Students having outstanding dues to the University or a hostel shall not be permitted to register.

17BSET3.10	**1) Procedure for Registration:** The procedure involves the following steps: a) The students shall decide on the courses to be registered during the ensuing semester as per the advice of their Faculty Adviser. b) They shall fill up the CRF online, stating the courses that they propose to complete during the ensuing semester as per the prescribed curriculum. c) They shall submit a printout of the completed CRF, duly attested by the Faculty Adviser to the Dean through the departmental office within the date notified by the University for registration. d) Every student shall register between a minimum of 16 credits and a maximum of 26 credits in any semester. **2) Registration for the first two semesters:** In each of the first two semesters, courses common to all branches are offered. A student is normally required to register for all the courses listed in the Scheme of Teaching and Evaluation for these two semesters. **3) Registration for third and subsequent semesters:** a) From third semester onwards, registration is dependent on the academic standing of the student. A student with a low academic standing registers for the academic load specified by the Faculty Adviser. In addition he may add one more courses (2-5 credits) towards additional learning or to clear backlog courses, without this being considered an overload. b) Students with average academic standing are advised not to attempt full load. Faculty Advisers after careful scrutiny will advise academic loads depending on previous performance. **4) Late Registration:** Registration beyond the last date may be permitted only in special cases till the date specified in the Academic Calendar, on payment of a late registration fee.
17BSET3.11	**Registration for Graduate Requirement (GR) Courses:** Graduate Requirement (GR) courses which are mandatory Non-credit courses are treated as complete or incomplete subject to the fulfillment of the minimum requirements of these courses and a minimum of 75% attendance. The award of degree is subject to successful completion of these courses. Formal registration for these courses shall be done along with other courses, at the beginning of the semesters. Not satisfying the minimum requirements of the course will result in a F-RR grade and the student has to re- register for the course when offered next. This requirement must be completed before the end of the Programme.

17BSET3.12	**Registration for Summer Term Courses:** Students are permitted to register for courses during summer term under the regulations specified under 17BSET 3.2, on payment of prescribed registration and course fees.
17BSET3.13	**Course Adjustment/Dropping of Courses:** 1) The Academic Calendar sets a date, within two weeks after the commencement of the semester, for Course Adjustment. On or before this date, a student is permitted to make adjustments in his academic load by addition or deletion of one or more courses, projects etc., provided the total credits do not exceed 26 or fall below 16, by such adjustments. Course adjustment has to be done in consultation with the Faculty Adviser. When the need for course adjustment through addition, substitution or dropping of course/s arises, the student without any backlog should do online course adjustment and students with backlog course/s should do it manually by filling a Course Adjustment Form. CAF has to be signed by both the student and the Faculty Adviser and the same is to be submitted to the Dean. 2) If in the second or any of the subsequent semesters, a student finds his academic load too heavy, he may drop one or two courses out of the registered ones on advice from the Faculty Adviser, provided the minimum credit requirements is fulfilled. The last date for doing this is within 10 days after the end of the first test, or as specified in the Academic Calendar. 3) Course/s dropped by a student may be taken during a subsequent semester including the summer term, if offered. 4) The minimum number of students to be registered for an Elective/ course to be offered shall be not less than five, or as decided by the University.
17BSET3.14	**Course substitution:** In case a student obtains P grades or drops courses due to a valid reason or fails in a course, he may like to substitute courses in order to complete the course requirements within the stipulated duration. Following are the guidelines for course substitution: 1) Course substitution is not permitted for Core Courses. The student has to reregister for the same courses and complete them. 2) An elective course may be substituted by another elective course from the same group.

17BSET3.15	**Dropping of a Semester:** 1) A student may opt or be advised to drop an entire semester, with prior approval of Programme Council due to the following reasons: a) A student may seek a semester drop, due to severe personal health problem, unavoidable family commitments or other valid reasons beyond his control, on advice from the Faculty Adviser, prior to the commencement of the semester itself. b) During a registered semester, if a student finds that he is unable to cope up with the studies and/or does not have sufficient exposure to most of the courses registered in that semester, he can opt to drop the entire semester, on advice from the Faculty Adviser. 2) In all cases of severe health problems, medical certificate issued by a University recognized Medical Practitioner is essential. In all other cases, requests for dropping the semester should be accompanied by supporting documents as required. 3) Such break from studies is normally not permitted for a continuous period in excess of one year. 4) Not registering for any semester before the last date for registration without prior approval of the Dean will result in automatic dropping of semester leading to temporary discontinuation of the programme. 5) The credits of the dropped semester shall be earned subsequently by registering to the courses specified in the Scheme of Teaching and Evaluation or equivalent courses when offered next.
17BSET3.16	**1) Faculty Adviser:** On joining the University, a student or a group of students' is/ are assigned to a Faculty Adviser from the concerned programme. Students are advised to consult the Faculty Adviser on any matter relating to their academic performance and the courses they may take in various semesters/ terms. **2) Role of the Faculty Adviser:** The Faculty Adviser guides the students to complete their courses of study for the required degree in a smooth and satisfactory manner. For effective utilization of the opportunities for additional academic accomplishments, planning of the individual's academic progress needs careful consideration, and constant consultation with the Faculty Advisers is imperative. Thus, the role of the Faculty Adviser is of immense importance. The Faculty Adviser is the person whom the parents/ guardians should contact for performance related issues of their ward.

© CMR University, Bangalore (2022)

	The Faculty Advisor shall, a) Guide the students about the rules and regulations governing the courses of study for a particular degree. b) Advise the students for registering courses as per prescribed curriculum or otherwise but within the scope of the rules and regulations prescribed by the University from time to time. For this purpose the Faculty Adviser has to discuss with the student his academic performance during the previous semester and then decide the number and nature of the courses for which he can register during the semester.
	c) Approve the CRF by attesting same, before the prescribed last date. d) Advice students to overload/ drop one or more courses/ activities based on his academic performance. e) At the end of the first semester/ year, may even advise a reduced load programme for a poorly performing student. This reduced load programme may spread over several semesters subject to minimum load for the semester and completion of the degree programme within the prescribed maximum period by registering in summer terms. Such reduced load programme is to be prepared by the Faculty Adviser in consultation with the Student and his parent and the Faculty Adviser has to recommend the same through the Programme Council to the Dean for consideration and approval before the commencement of the semester. f) Pay special attention to weak students and carefully monitor performance of students recommended for slow track option. g) Advice students for Course Adjustment/ Dropping of courses during the Semester within the stipulated time frame given in the Academic calendar. h) Advice students seeking semester drop either during the ongoing semester or before the commencement of the semester. Ensure strict compliance of rules and regulations laid down for this purpose. Recommend the cases to the Dean for consideration. i) Make revised plan of study for weak/bright students based on their semester wise performance. j) Suggest modalities for course/credit requirements for the students recommended for exchange programme. k) Provide guidance and liaison with the parents for their improved performance. l) Ensure that students are not permitted to re-register for courses, which they have already passed. m) Inform students that any academic activity (course/ Laboratory/ seminar/ project/ noncredit requirement etc.) undergone without proper registration will not be counted towards the requirements of his degree. n) Strictly warn students that if he fails to register during any semester without prior approval, his studentship is liable to be cancelled. o) Keep the students updated about the Academic Administration of CBCS system at the University.

17BSET4.0	**ATTENDANCE REQUIREMENT**
17BSET4.1	Attendance in the class is compulsory and is monitored. The University expects 100% attendance. Each Course is considered as a unit for attendance requirement and, 1) The minimum number of lectures, tutorials, seminars and practicals which a student shall be required to attend for eligibility to appear at the SEE shall not be less than 85% of the total number of lectures, tutorials, seminars, practicals, and any other prescribed requirements.
	2) Condonation of 10% in the attendance is permitted by the Vice-Chancellor on specific recommendation of the Dean, for valid reasons such as medical grounds, participation in University level sports, cultural activities, seminars, workshops, paper presentation, etc. The decision of the Vice-Chancellor in this regard will be final. 3) If a student obtains less than 75% attendance in any one or more of the courses, he shall not be permitted to appear for the SEE of those courses and he shall re-register for them in subsequent semester/s when offered and obtain passing grades, subject to 17BSET 4.1 (1).
17BSET4.2	The basis for the calculation of attendance shall be the period prescribed by the University in its Academic Calendar of events. For the first semester students, the same is reckoned from the date of admission to the programme as per allotment from KEA / University.
17BSET4.3	The Dean shall inform the students about their attendance position periodically so that the students shall be cautioned to make up the shortage. The Dean shall submit the list of students who have been detained for shortage of attendance by the end of the semester to the Registrar (Evaluation) with a copy to the Registrar. It may be noted that mere omission by Dean to inform the student about the shortage of attendance shall not entitle him to appear for examination.
17BSET4.4	**Temporary Discontinuation of programme:** A student, who wishes to temporarily discontinue the programme and continue subsequently, has to obtain prior permission from the University by applying through the Dean. Such student shall take admission once again to the same semester in the following academic year or later. However, such student shall pay the tuition fee and other fees for the entire academic year; and shall complete the programme as per 17BSET 10.2.

17BSET5.0	EXAMINATIONS AND EVALUATION
17BSET5.1	1) CIE and SEE constitute the major evaluations prescribed for each course, with only those students maintaining a minimum standard in CIE are permitted to appear in SEE of the course. 2) In such cases where a laboratory is attached to the course, CIE marks shall be awarded separately for both theory and the laboratory. However, the laboratory may not have the SEE component in the evaluation. 3) CIE and SEE to carry 50% weightage each, to enable the course to be evaluated for a total of 100 marks, irrespective of its credits.
	4) The evaluation system of the program is comprehensive and continuous during the entire period of Semester, by the faculty who is teaching the course. For a course, the evaluation and grading will be on the following parameters:

A	Continuous Internal Evaluation (CIE)	
A1	Continuous and Comprehensive Evaluation (CCE)	30 % marks
A2	Internal Assessment Tests (IAT)	20 % marks
	Total of CIE (A1+A2)	50 % marks
B	Semester End Examination (SEE)	50 % marks
	Total of CIE and SEE (A + B)	100 % marks

17BSET5.2	**Continuous Internal Evaluation:** 1) The CIE will carry a maximum of 50% weightage of total marks of a course. Before the start of the Academic session of each semester, a faculty may choose for his course Internal Assessment Test and a minimum of three and a maximum of four of the following assessment methods with suitable weightage for each. a) Assignments (Individual and/or Group) b) Seminars c) Quizzes d) Group Discussions e) Case studies/Case lets/Case discussions f) Practical orientation on Design Thinking, Creativity & Innovation g) Participatory & Industry-integrated learning h) Practical activities / problem solving exercises i) Class presentations j) Analysis of Industry/Technical/Business Reports k) Reports on Guest Lectures / Webinars / Industrial Visits

l) Industrial / Social / Rural projects/ Field Work
m) Participation in Seminars/ Academic Events/Symposia, etc.
n) Any other academic activity suitable for the course

2) The faculty will submit the 'CCE Assessment Plan' to the Dean for approval and notify the same along with the course syllabus before the start of semester. The total marks of the above three or more assessment components shall be scaled down to 30% of total marks of the respective course.
3) To assess the students in a course under IAT component, two tests will be conducted in a semester. Each test will be conducted for 20 marks. The average marks obtained in these two tests will be taken as IAT Marks. If a student fails to attend both the IAT on the scheduled date due to any unavoidable circumstances, and produces documentary evidence, the faculty member, upon approval of the Dean, shall conduct an additional test at the end of the semester covering the syllabus of the test for which he was absent.
4) The CIE marks awarded to students at different stages during the course shall be displayed on the notice board of SOET to enable the students to point out any discrepancies. After due corrections, if any, faculty shall upload the CIE marks in the University's ERP system and a hard copy of the same shall be submitted to the Registrar (Evaluation) of the University duly signed by the concerned faculty and the Dean, before the commencement of semester end examinations.
5) The student shall obtain a minimum of 40% of marks allotted for CIE in a given course to be eligible to appear for the SEE in that course.
6) When laboratory is part of a theory course, the student shall obtain a minimum of 40% marks in CIE of the laboratory to be eligible to appear for SEE in that course. This is in addition to the requirement specified under (5) above. The CIE marks obtained by a student in the laboratory, if it is equal to or greater than 40%, shall be retained until the end of that academic year till he passes in the SEE. Otherwise, he shall re-register for the course.
7) If a student is unable to secure a minimum of 40% in CIE marks in any course, he shall not be eligible to take up SEE/ viva-voce examination in that particular course. It shall be the responsibility of Dean to scrutinize the list of candidates and permit only the eligible students to take up SEE. In the event of an ineligible student inadvertently being allowed to appear for the theory/viva voce examination, the result of the concerned student shall be withdrawn forthwith.
8) The list of such students, who have not secured the minimum in CIE marks, shall be sent separately to the Registrar (Evaluation) along with the submission of CIE marks of the successful students.

	9) After the submission of CIE marks to the Registrar (Evaluation) of the University, any request for changes in the marks by the Dean shall be considered by the Registrar (Evaluation) only after due approval of the Vice- Chancellor. 10) The students not obtaining 40% marks in CIE shall re-register for the course during the subsequent semester.
17BSET5.3	**Semester End Examination:** 1) The Semester End Examination for all the courses for which students registered during the semester shall be conducted at the end of each semester. 2) Only those students who satisfy the attendance requirement as per 17BSET 4.1 and CIE requirement as per 17BSET 5.2 (5) and (6) shall be eligible to appear for SEE of that course. 3) However, in those students, whose SEE results were withdrawn as a penalty for indulging in malpractice or who had satisfactory attendance & required minimum CIE marks but could not appear in the SEE for valid reasons, shall be permitted to carry forward the attendance and CIE marks from that semester and write the SEE when ever held for the same course as offered by the concerned School of Studies. Such students shall seek permission from the Dean and register for the SEE in the beginning of the semester and appear for SEE, on the dates notified by the University. Such students shall complete the course as per the sections 17BSET 6.0 and 7.0 of the concerned Programme Regulations.
17BSET5.4	**Viva-Voce Examination:** For a viva-voce examination, there shall be two examiners, one internal and one external. Internal examiner shall be the course teacher/project guide, and external examiner may be a teacher/ professional who has not taught that course during the given semester at SOET and also not in full-time employment with the University. The Vice Chancellor, on recommendation of the Board of Studies, shall appoint all appropriate qualified examiners for any examination. In all the cases, the evaluation shall be made jointly and one consolidated marks be awarded. In the event that the external examiner does not turn up for the examination, the Dean on approval of the Vice Chancellor, may appoint a suitable internal faculty to carry out the examination.
17BSET5.5	**Capstone Project:** 1) Students shall undertake a capstone project in the 8th semester, forming a project team comprising fellow classmates not exceeding four, and the project shall be carried out under the supervision of an allotted faculty. 2) All project teams shall make presentations to Project Committee notified by the Dean and submit the progress reports periodically with the approval of project guide.

3) The final project dissertation shall be written adhering to International standards. The dissertation, duly signed by the concerned guide, shall be submitted to the Dean with in the time notified. All students shall appear for the viva-voce examination on the project at the end of the semester.
4) The CIE marks in the case of Engineering Project (Thesis) of 8th semester shall be based on the evaluation of the project dissertation as prescribed from time to time in the Scheme of Teaching and Examination.

17BSET5.6 **Academic Malpractice:**

Academic malpractices shall be seriously viewed and appropriate action taken.

In case of malpractice during any of the examinations like assignments, quizzes, tests, and other CIE components, the matter shall be reported to the Dean for further action.

In case of malpractice during SEE, the Invigilator shall report the matter to the Chief Superintend, who in turn refers the matter to the Registrar (Evaluation) for further action.

17BSET6.0 **CRITERIA FOR PASSING A COURSE**

17BSET6.1 **Award of Grades:**

1) The University adopts absolute grading system wherein the marks are converted to grades, and every semester results will be declared with semester grade point average (SGPA) on successful completion of all courses of that semester as per the scheme of teaching and evaluation.
2) If there is no SEE for a course, then the CIE marks alone will be the basis for the determination of letter grade.
3) The total marks obtained by the student in CIE and SEE of a course is expressed as a percentage to compute the grade points and the letter grade is awarded as indicated in the table below:

Classification			
% Marks scored in a course	**Grade Points**	**Letter Grade**	**Level**
≥ 95	10	O	Outstanding
≥ 85 < 95	9	A+	Excellent
≥ 75 < 85	8	A	Very Good
≥ 65 < 75	7	B+	Good
≥ 55 < 65	6	B	Above Average
≥ 45 <55	5	C	Average
≥ 40 <45	4	P	Fair
< 40	0	F - RA	Reappear
	0	F - RR	Re-register

Table: Marks (%) and Letter Grade relation

Grading Criteria for Graduate Requirement Courses

% of Marks Scored in a Course	Letter Grade	Level
≥ 95	O	Outstanding
≥ 85 < 95	A+	Excellent
≥ 75 < 85	A	Very Good
≥ 65 < 75	B+	Good
≥ 55 < 65	B	Above Average
≥ 45 < 55	C	Average
≥ 40 < 45	P	Fair
< 40	D	Unsatisfactory
NA (Not Attended)	F-RR	Re-register

17BSET6.2

Other Letter Grades:

The letter grades specified in 17BSET 6.1 are used as student performance measures in all kinds of assessments.

However, the following letter grades are also awarded under the circumstances defined below (Letter Grade: Grade Point - Circumstances).

1) F-RR: 0 - Not eligible to appear for the SEE of a course due to attendance being less than 75% and / or CIE being below 40%.
   To re-register for the course and appear for the SEE in the subsequent semester when it is being offered by the School of Studies.
   (In case of electives, course change within the group is permitted)
2) AU: 0 - Satisfactory in an Audit course
3) W: No credits – Dropped/ withdrawn (W is not a grade but only a place holder indicating that the course has been dropped/withdrawn and it has to be cleared in subsequent semesters in case it is a core subject).

17BSET6.3

Passing a Course:

For pass in a course, the student shall secure a minimum of 40% of marks prescribed for that course in CIE and 40 % in SEE or viva voce examinations. However, aggregate marks combining both CIE and SEE or viva voce should not be less than 40% under any circumstances. That is, Minimum passing grade in a course (head of passing) is P.

17BSET6.4	**Condition for Re-Registering a Course:** 1) Students who do not satisfy the condition of 17UGBD 6.3 shall be deemed to have failed and will be awarded either 'F-RR' or 'F-RA' Grade. 2) Students who were not eligible to take up the Semester End Examination (SEE) of any semester shall be deemed to have failed and will be awarded 'F-RR' Grade and are required to re-register for the course in subsequent odd/even semesters respectively. 3) Students who were eligible to take up Semester End Examination but have not cleared the regular Semester End Examination (SEE) shall be deemed to have failed and will be awarded 'F-RA' Grade and are required only to re-register for the Semester End Examination during the subsequent odd/even semester respectively.
17BSET7.0	**PROGRESSION TO HIGHER SEMESTERS**
17BSET7.1	1) A theory, stand-alone practical or Theory with practical shall be treated as one head of passing. 2) The Mandatory Graduate Requirement Non–credit courses (GR) shall not be considered for progression to higher semesters, award of Class, and calculation of SGPA and CGPA. However, competition of these courses is mandatory for award of the Degree. 3) There shall be no restriction for progression from odd semester to an even semester in an academic year. 4) A student shall complete a minimum of 25% of all the credits offered till 4th semester, as per the Scheme of Teaching and Evaluation, to register for the courses of 5th semester. 5) Furthermore, a student shall complete a minimum of 25% of all the credits offered till 6th Semester and also satisfy the credit requirements of 1st and 2nd Semester as per the Scheme of Teaching and Evaluation, to register for the courses of 7th semester.
17BSET8.0	**PASSING STANDARDS AND CLASS DECLARATION**
17BSET8.1	**Computation of SGPA and CGPA:** 1) Semester Grade Point Average will be awarded at the end of each Semester and Cumulative Grade Point Average will be awarded at the end of the program. However, CGPA is calculated at the end of each semester from the second semester onwards and reflected in the grade certificate for indicating the progress of the student.

	2) Each course in a program is associated with number of credits. Based on the number of credits for a course and obtained Grade Point for that course in a Semester, the GPA is calculated as given below: a) The SGPA is the ratio of sum of the product of the number of credits with the grade points secured by a student in all the courses taken by him to the sum of the number of credits of all the courses undergone by a student, i.e., $SGPA = \sum (C_i \times G_i) / \sum C_i$ Where C_i is the number of credits of the ith course and G_i is the grade point scored by the student in the ith course.
	b) The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme, i.e., $CGPA = \sum (C_n \times S_n) / \sum C_n$ Where S_n is the SGPA of the nth semester and C_n is the total number of credits in that semester. Finally the SGPA and CGPA shall be rounded off to 2 decimal places.
17BSET8.2	**Passing Standards:** 1) A student shall be declared successful or 'passed' in a semester, only when he gets a SGPA of 4.00 earning credits as per the scheme of teaching and evaluation, with grade point of 4 or more in every registered course. 2) A student shall be declared successful or 'passed' in the entire Under Graduate programme, only when he gets a minimum CGPA of 4.00 and has completed all the graduate requirement courses as mandated in the scheme of teaching and evaluation.
17BSET 8.3	**1) Conversion of Grade and Percentage of Marks:** Conversion formula for the conversion of CGPA into Percentage is: Percentage of marks scored, P = [CGPA earned] x 10 **2) Class Declaration:** After the conversion of final CGPA into Percentage of Marks (PM), a graduating student is declared to have passed in: a) First Class with Distinction (FCD): PM ≥ 75% (In First Attempt) b) First Class (FC): 60% ≤ PM < 75 % c) Second Class (SC): 50% ≤ PM < 60% d) Pass Class (P): 40% ≤ PM < 50%

17BSET8.4	**Grade Cards, Certificates and Transcripts:** 1) Grade Cards: At the end of each semester, a Grade Card shall be issued to all the registered students of that semester, indicating the Course code, Title, Number of credits, Letter grade awarded and Credits earned, for all the Courses as specified in the scheme of teaching and evaluation. This may have F-RA or F-RR grades awarded to the student. 2) Grade Certificate: On successful completion of all courses/earning credits, specified in a semester, the grade certificate is issued indicating the course details along with SGPA of that semester and also CGPA earned till that semester. 3) Transcripts: Transcript is the consolidated statement of the academic performance of a student for all the semesters since joining the programme and is generally given to a student on successful completion of the programme along with the degree certificate. a) For those students who have taken multiple attempts to clear a course, the transcript given on successful completion of the programme will only contain earned pass grade (O to P and AU); the courses cleared subsequently will however be shown in the respective semester with Month and Year in which the student has finally cleared the course. The transcript will show only the overall CGPA based on all the courses taken by the student. Credits earned beyond the requirement for the award of the degree shall be shown as additional courses separately, indicating the grade earned by the student. Additional copies of the transcript can be obtained if needed, on request submitted along with payment of applicable fee. b) Students who have not yet completed the programme can obtain an interim Transcript at the end of any semester, if needed, on request and upon payment of applicable fee. The interim Transcript includes failed courses, which have not been cleared at the time of issue.
17BSET9.0	**ELIGIBILITY FOR AWARD OF DEGREE, PRIZES, MEDALS AND RANKS**
17BSET9.1	**Minimum Credit Requirement:** A student of 2022-2023 batch shall obtain a total of at least 170 credits as specified by the University, along with satisfying the passing standards as per 17BSET 8.2 to be eligible for the award of Bachelor of Technology – Computer Science and Engineering, Bachelor of Technology – Electronics and Communication Engineering, Bachelor of Technology – Information Technology, Bachelor of Technology – Computer Science and Engineering (AI & ML) and Bachelor of Technology – Computer Science and Engineering (Data Science)

17BSET9.2	For the award of Prizes and Medals, the conditions stipulated by the donor/ University may be considered subject to the provisions of the statutes framed by the University for such awards from time to time.
17BSET9.3	For award of ranks in B.Tech., a minimum of 10 students should have appeared in the 8th semester examination. The total number of ranks awarded shall be 10% of total number of students appeared in 8th semester or 10 whichever is less.
17BSET9.4	A Student shall be eligible for a rank at the time of award of B.Tech. degree, provided the student has passed in all the courses from 1st to 8th semester in first attempt.
17BSET9.5	For awarding Rank the CGPA secured by the student from 1st to 8th semester shall be considered, provided 17BSET 9.4 is satisfied.
17BSET9.6	If two students get the same CGPA, the tie should be resolved by considering the number of times a student has obtained higher SGPA. But, if it is not resolved even at this stage, the number of times a student has obtained higher grades like O, A+, A, B+, B, C & P etc., shall be taken into account in Rank ordering of the students.
17BSET10.0	**MAXIMUM DURATION FOR PROGRAMME COMPLETION**
17BSET10.1	A student who has not secured 65 credits from all the first and second year and summer term examinations even after a period of three academic years from the date of first admission shall discontinue the program. However, the student is eligible for readmission for first year B. Tech. program of the University and he shall be allotted a new Registration Number from the date of new registration.
17BSET10.2	However, overriding the clause 17BSET 10.1, a student shall complete the programme within a period of eight academic years from the date of admission to the program, failing which he has to discontinue the program.
17BSET11.0	**TRANSFER OF STUDENTS**
17BSET11.1	Transfer of students from another University to SOET of this University is permitted only at the beginning of odd semesters, subject to availability of seats within the permitted intake and subject to the prior approval of the Vice Chancellor of the University. Such students should have passed in all courses of 1st and 2nd semesters for admission to 3rd semester, all the courses of 1st to 4th semesters for admission to 5th semester, and all the courses of 1st to 6th semesters for admission to 7th semester.

17BSET11.2	The students seeking admission shall have to: 1) Apply for establishment of equivalence with prescribed fees as notified by the University, and 2) Submit No Objection for admission from the migrating University before commencement of semester as notified by the University. 3) The University may prescribe fee for administrative purpose (for updating of the records), which shall be notified from time to time, for transfer.
17BSET12.0	**MISCELLANEOUS**
17BSET12.1	The academic regulations should be read as a whole for the purpose of any interpretation.
17BSET12.2	Wherever the words “he”, “him”, “his” occur in the regulations, they include “she”, “her”, “hers”.
17BSET12.3	In case of any doubt or ambiguity in the interpretation of the rules mentioned in the regulations, the decision of the Vice Chancellor shall be final.
17BSET12.4	The University may change or amend the regulations and/ or curriculum at any time, and the changes or amendments made shall be applicable to all the students with effect from the date notified by the University.
17BSET12.5	These regulations governing the Degree of Bachelor of Technology (B.Tech.) of the University may be modified from time to time with the approval of statutory bodies of the University and shall be binding on all.

REGULATIONS GOVERNING
MASTER OF TECHNOLOGY [M.Tech.] DEGREE PROGRAMME
Based on
Choice Based Credit System (CBCS) (Effective from Academic year 2019-20)

DEFINITION OF KEY WORDS:

1. **Academic Year:** Two consecutive semesters (one odd followed by one even) constitute one academic year.
2. **Audit Courses:** Courses, outside the prescribed range of credits required for the degree, the students can register if interested to supplement their knowledge/ skills.
3. **Branch:** One of the cohorts of areas in an M.Tech. Programme, like Electronics & Communication Engineering, Mechanical Engineering, and Computer Science & Engineering etc.
4. **Choice Based Credit System (CBCS):** The CBCS provides choice for students to select from the prescribed set of courses viz. Core courses, Core Elective courses, Advanced Core courses and Elective courses.
5. **Course:** Referred to as 'papers', is a component of a programme, with defined learning objectives, outcomes and number of credits. A course may be designed to comprise lectures/ assignments/ tutorials/ laboratory work/ field work/ outreach activities/ project work/ self-study/ vocational training/ viva/ seminars/ term papers/ presentations/ quiz etc. or a combination of these as defined in the Scheme of Teaching. The course credits vary depending on the required teaching-learning hours to accomplish the learning outcomes, specified in the course syllabus.
6. **Credit:** A unit by which the course work is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one hour of lecture or two hours of tutorial/ practical work/ field work per week.
7. **Credit Based Semester System (CBSS):** Under CBSS, the requirement for awarding a degree or diploma or certificate is prescribed in terms of number of credits to be earned by the students.
8. **Credit Point:** It is the product of grade point and number of credits for a course.
9. **Cumulative Grade Point Average (CGPA):** It is a measure of overall cumulative performance of a student over all semesters. The CGPA is the ratio of total credit points earned by a student in various courses in all semesters and the sum of the total credits of all courses in all the semesters. It is expressed up to two decimal places. However, the CGPA may be calculated from second semester onwards to facilitate students to know their academic progress.
10. **Dean:** Dean of the School of Engineering and Technology of the University.

11. **First Attempt:** If a student has completed all formalities and become eligible to attend examinations and has attended at least one head of passing, such attempt (first sitting) shall be considered as first attempt.
12. **Grade Point:** It is a numerical weightage allotted to each letter grade on a 10-point scale.
13. **Letter Grade:** An index of the performance of students in a said course. Grades are denoted by letters.
14. **Passing Standards:** A student is passing a Course only when getting GP greater than or equal to 05 (P Grade). A student is declared successful at the Semester-end or Programme-end only when getting SGPA or CGPA equal to or greater than 5.00 respectively, with none of the Courses registered in a Semester(s) having either F-RA or F-RR Grade.
15. **Programme:** A planned series of events/activities comprising of a combination of courses leading to the award of the post graduate degree of Master of Technology.
16. **Programme Council:** The committee consisting of the Director of the programme and the concerned Faculty members.
17. **Semester:** Each semester will consist of 15 to 18 weeks of academic work equivalent to about 90 teaching days. The odd semester may be scheduled from August to December and even semester from January to May, or as may be declared by the University.
18. **Semester Grade Point Average (SGPA):** It is a measure of academic performance of student in a semester. It is the ratio of total credit points secured by a student in various courses registered in a semester and the total course credits taken during that semester. It shall be expressed up to two decimal places.
19. **SOET:** School of Engineering and Technology of the University.
20. **Specialization:** A field of study that provides specific domain knowledge in a particular Branch of the M.Tech. Programme. For example Artificial Intelligence (in Computer Science and Engineering), Data Science (in Computer Science and Engineering), etc.
21. **Transcript, Grade Certificate and Grade Card:** Grade card shall be issued to candidates indicating the programme details (Course code, title, number of credits, grade secured and grade points) for all the registered courses after every semester. On successful completion of all courses/earning credits, specified in a semester, the grade certificate is issued indicating the programme details along with SGPA of that semester and CGPA earned till that semester. Transcripts to the successful candidates shall be issued after completion of the programme.
22. **University:** CMR University, Bangalore.

REGULATIONS

19PGMT 1.0	**TITLE AND DURATION OF THE PROGRAMME**
19PGMT 1.1	The Programme shall be called Master of Technology (Subject of Specialization) abbreviated as M.Tech. (Subject of Specialization) Programme. The M.Tech. Programmes covered under these regulations are: 1) Master of Technology (Artificial Intelligence) 2) Master of Technology (Data Science)
19PGMT 1.2	The M.Tech. Programme shall be of two academic years duration and organized in four semesters, with each semester having duration of about 16 to 18 weeks (excluding examination and vacation).
19PGMT 1.3	The annual Academic Calendar of events in respect of the Programme of study approved by the Academic Council, shall be notified at least a month before the commencement of each academic year. It is mandatory for students, faculty members and all concerned to strictly adhere to the Academic Calendar for completion of academic activities. Academic Calendar shall be displayed on the homepage of the University website.
19PGMT 2.0	**ELIGIBILITY FOR ADMISSION**
19PGMT 2.1	The rules specified in the following clauses shall be followed, but the orders issued from the Government/the regulatory bodies from time to time shall prevail.
19PGMT 2.2	1) Admission to I year/I semester Master of Technology Programme shall be open to all the candidates who have passed B. Tech. Examinations of the University or any other recognized University/ Institution. The decision of the Equivalence committee shall be final in establishing the eligibility of candidates for a particular Programme. 2) Admission to M.Tech. Programme shall be open to the candidates who have passed the prescribed qualifying examination with not less than 50% of the marks in the aggregate of all the years of the degree examination. However, in the case of candidates belonging to SC/ST, PH and Category I, the aggregate percentage of marks in the qualifying examinations shall not be less than 45%. Rounding off of percentage secured in qualifying examination is not permissible.

	3) For the prerequisite qualification earned from foreign Universities, equivalence as notified by the Association of Indian Universities from time to time is mandatory. 4) However, in case if no prior equivalence has been established by any other recognized bodies, the decision of the Equivalence Committee of the University shall be final in establishing the eligibility of the candidate. 5) The candidates who have completed their degree through the distance mode education from any University are not eligible for admission. 6) AMIE in respective branches shall be equivalent to B.E./ B. Tech. Programs of the University for admission to M.Tech. However, the candidates seeking admission to M.Tech. Programs on the basis of AMIE, shall have to appear for PG Common Entrance Test.
19PGMT 2.3	**1) For admissions under GATE qualification and Roaster system of Government of Karnataka:** The candidates should be GATE qualified or should have appeared for the Entrance Examination conducted by an authority recognized by Government of Karnataka /University/any other University on approval by the Government. **2) For admissions under Management Quota:** The candidates should be GATE qualified or should have appeared for the Entrance Examination conducted by an authority recognized by Government of Karnataka /University/any other University on approval by Government of Karnataka. **3) For admissions under Sponsored Quota:** The candidates should be GATE qualified or should have appeared for the Entrance Examination conducted by an authority recognized by Government of Karnataka /University/any other University on approval by Government of Karnataka. 4) Further, there shall be an Admissions Committee for PG Programme in the University for each branch of PG studies consisting of the Dean as the Chairman, Director of the concerned Department, one senior faculty of the concerned Department as members. The Admissions Committee conducts the interview and selects the candidates for admissions.

19PGMT 2.4	**Lateral Entry Admissions:** Depending upon the academic and physical facilities available in the institutions, the university may admit a certain number of students directly to the second year of the programme, if the student has either 1) Successfully completed the first year of the same programme in another recognized Institution, or 2) Already successfully completed other equivalent programme in a recognized university/ institution and desirous of (and academically capable of) pursuing another degree programme in a related/ allied subject.
19PGMT 2.5	1) The candidates, who are qualified in the GATE Examination for the appropriate branch of engineering, shall be given priority. They are exempted from taking Entrance Examination. 2) In case a GATE qualified Candidate appears for entrance examination and become qualified to claim a seat under entrance examination quota, he/she will be considered in the order of merit along with other candidates appeared for the entrance examination. 3) If sufficient number of GATE qualified candidates are not available, the remaining vacant seats shall be filled from amongst the candidates appeared for Entrance Examination in the order of merit.
19PGMT 2.6	The intake under various categories (regular, sponsored candidates and SC/ST) shall be as sanctioned by the AICTE, State Government and the University, from time to time.
19PGMT 3.0	**CHOICE BASED CREDIT SYSTEM AND ACADEMIC PROCESS**
19PGMT 3.1	**Semester – Odd and Even:** The University follows the Choice Based Credit System and the Semester Scheme. There are two regular semesters and one additional semester in an academic year. The semester that begins in August (August to December) is known as the Odd Semester and the semester that begins in January (January to May) is known as the Even Semester. During the summer vacation (June to July), the Summer Semester is conducted to offer courses as per 19PGMT 3.2.

19PGMT 3.2	**Summer Term:** The summer semester is additional semester that is conducted during an academic year. However, during a summer semester, a limited number of courses may be offered to enable the students to clear their backlog courses (F-RR) and/or register for additional regular credit courses on audit basis, subject to strict adherence to the following guidelines: 1) The Programme Council shall identify the courses to be offered along with the Course Instructor and recommend offering of such summer course (s) to the Dean for consideration. The identified faculty members shall offer the courses only on approval by the Dean. 2) The course is offered in the same manner as a regular semester course without compromising the course requirements in terms of knowledge delivery, course work, assessment and evaluation. The University shall notify the fee payable by the students for the summer semester courses. 3) The duration of the course is six to eight weeks. The registration, examination, assessment and grading etc. are done in the same way as is done for regular semester courses. The total number of contact hours for the courses remains the same as that during the regular semesters, and therefore, the courses are run at an accelerated pace. The Academic Calendar in this connection shall be strictly followed. 4) The dropping of a Summer Course is permitted within 7 days from the first lecture of the course. However, the registration fee paid for the course is not refundable. 5) Time slots will be assigned and notified by the Dean as done for the regular semester courses. 6) A notified summer course can be withdrawn if the number of students registered for the course is less than five. 7) A student can register up to a maximum of 12 credits or 3 courses in any summer semester, depending on his academic standing. 8) Courses offered in a summer semester will be treated as equivalent to a regular semester courses for all accounting purposes.
19PGMT 3.3	**Curriculum:** 1) Every Programme has a prescribed course structure which, in general terms, is known as the Curriculum or the Courses of Study or the Scheme of Teaching and Evaluation. It prescribes all the courses/ laboratory/ other requirements for the degree and sets out the nominal sequence semester wise. It also provides the syllabus and a list of text/ reference books (or other learning material sources) for each course.

	2) The University shall not only lay down the syllabus for each course, but also the manner of its implementation, namely, through lectures, tutorials, laboratory sessions, seminars, field work, projects and such other activities. 3) The Courses of Study details are updated every semester and made available at the School's page of the University website: http:// www. cmr. edu. in/. 4) Curriculum may also include SWAYAM or Massive Open Online Courses (MOOCs), offered by premier Institutions worldwide. However, selection of SWAYAM or MOOCs, if any, shall always be within prescribed guidelines of the relevant regulatory bodies. 5) Specializations offered, wherever applicable, under different M.Tech. Programs shall be as prescribed in the Scheme of Teaching and Evaluation.
19PGMT 3.4	**Course Credit Structure:** 1) A certain quantum of academic work, measured in terms of credits, is laid down as the requirement for completion of degree in the different programme and the available specialization areas. A student earns credits by satisfactorily completing courses/ other academic activities every semester. 2) The credits are distributed semester wise, as prescribed in the Scheme of Teaching and Evaluation for each of the programmes. The courses generally progress in sequences, building competencies as per the course learning outcomes. The positioning of a course indicates certain academic maturity on the part of the students. 3) Some courses do, in addition, specify passing in other courses, offered earlier in the programmes as prerequisites for the course. 4) Students are required to follow the semester wise schedule of courses specified in Scheme of Teaching and Evaluation; they do, however, have freedom to follow alternative schedules to optimize their academic profile with additional courses, keeping the requirements for each course in mind. For students with backlog courses, such rescheduling may even become necessary. Such departures from suggested schedules need to be done very carefully, and always with advice from the Faculty Adviser.

19PGMT 3.5	**Courses:** There will be following types of courses in a programme, namely: 1) One Course on Mathematics supportive to the concerned programme in the first semester. 2) Core Courses (CC): including essential foundation and functional management skill courses, considered to be useful for all Master's graduates irrespective of their choice of elective group/ specialization. 3) Core Elective (CE): including additional knowledge and skill courses, considered to be useful for developing additional skills/ competencies, irrespective of elective group/ specialization. 4) Advanced Core (AC): including knowledge and skill courses, considered to be useful for developing management skills/ competencies with inter- functional perspectives in management. 5) Elective Courses (EC): including knowledge and skill courses focusing on function/ sector specific management skills/ competencies leading to focused study in an elective group/ specialization area. 6) Project work/ Internship/ Seminars/ Dissertations can also be offered as independent course in the programme subject to allocation of required credit hour allocation to the course. The requirements for Seminar/ Project/Internship/ Dissertation based courses will, be as specified in the course-guidelines/details approved by the Board of the Studies of the School.
19PGMT 3.6	**Seminars:** Some Programmes may prescribe Seminar as a requirement for the degree. Seminar may be an assessment component or a course itself wherein the student is expected to do an in-depth study in a specialized area under the guidance of a faculty member. This may include surveying published technical literature, understanding different aspects of the problem and arriving at a status report. While doing a seminar, the student is expected to: critically analyze works of various authors/ researchers; learn the investigation methodologies, study concepts, techniques and the results presented in these papers; and submit a seminar report. It is mandatory to give a seminar presentation before a panel constituted for the purpose. Seminars typically carry 1 to 2 credits.

19PGMT 3.7	**Project Work/Dissertation and Summer Internship Program (SIP):** Project work/Dissertation and/or SIP is considered as a special course involving application of knowledge in solving / analyzing /exploring a real-life situation/ difficult problem. A Project/ Dissertation work would be for specified number of credits, as prescribed in the Scheme of Teaching and Evaluation. A Project/Dissertation work may be given in lieu of a discipline specific elective paper. **Internship:** The student shall undergo Internship for a period of 16 weeks as per the Scheme of Teaching and Examination. 1) The internship could be undertaken in any industry/R&D Organization/ Research Institute/ Institute of repute, where the facility and the external Guide is available. 2) (a) The Department shall nominate a faculty to facilitate, guide and supervise students under going internship. (b)The Internal Guide has to visit work place at least once during the student's internship. (c) The internees shall report their progress to the respective guides regularly. 3) The Internship shall be completed during the period specified in Scheme of Teaching and Examination. 4) At the end of Internship, the student shall submit a report to the Dean of the concerned School of Studies with the approval of both internal and external guides. 5) Internal assessment carry 50 marks for IA (Seminar: 25, Internship report: 25) and 50 marks for Viva – Voce conducted during SEE. 6) The internal guide shall award the marks for seminar and internship report after evaluation. He/she will also be the internal examiner for Viva – Voce conducted during SEE. 7) The external guide from the industry has to be an examiner for the viva voce on Internship. Viva-Voce on internship shall be conducted at the college and the date of Viva-Voce shall be fixed in consultation with the external Guide. The Examiners shall jointly award the Viva - Voce marks. 8) In case the external Guide expresses his inability to conduct viva voce, the concerned Dean is permitted to make alternate arrangements with the permission of the Registrar (Evaluation).

	9) The students are permitted to carry out the internship anywhere in India or Abroad. The University will not provide any kind of Financial Assistance to any student for internship. 10) Project work/Dissertation report shall be accepted only on successful completion of the Internship.
19PGMT 3.8	**Audit Courses:** A student desirous of additional exposure to a course, without the rigors of obtaining a good grade, 'audits' a course. The minimum requirement of attendance for an 'Audit Course' is 75%, with any additional requirements as set by the instructor such as submission of assignments and minimum performance in some of the in-semester evaluations. Auditing of courses during regular semesters from 3rd semester onwards is permitted under the following conditions: 1) Students with CGPA> 6.0 will be permitted to 'Audit' a course. A course can be audited provided the course is offered in the semester as a credit course for others, and there is no slot clash. Prior permission of the Instructor is required. 2) Audit courses would be restricted to a maximum of two (2) courses per student in the entire period of the programme. 3) The instructor would award the 'AU' grade, if the attendance is satisfactory and additional requirements, as set out by the instructor, are met. If the attendance and performance is not satisfactory, the instructor will award 'No Grade'. The grade 'AU' does not carry any grade points and therefore does not figure in SGPA/ CGPA calculations. 4) The course successfully completed in Audit mode will be reflected in the Grade Card, Grade Certificate and the Transcript as Audit Course.
19PGMT 3.9	**Registration:** It is mandatory for every student to register for a semester to attend various courses/ earn credits, using the prescribed Course Registration Form (CRF), till he completes his programme. The registration shall be completed on or before the prescribed last date for registration announced in the academic calendar. 1) On joining the Programme, each student is assigned to a Faculty Adviser or an Advisory group. A student shall register for required courses each semester with prior permission of the Faculty Adviser.

	2) The student can register for courses he intends to take during a given semester (including courses in summer semester) on the basis of his plan for each Programme, as given in the Scheme of Teaching and Evaluation and as per the advice given by his Faculty Adviser. 3) The Faculty Adviser is expected to discuss with the student his academic performance during the previous semesters and then decide the number and nature of the courses for which the student can register during the semester within the framework of the Regulations. 4) The Faculty Adviser may advise the student to drop one or more courses/activities based on his academic performance. The Faculty Adviser may even advise a reduced load program over several semesters for students with poor performance at the end of the first semester/year. 5) Students are not permitted to reregister for course/(s), which they have already passed. 6) Students having outstanding dues to the University or a hostel shall not be permitted to register. 7) The registration is deemed to be complete only on approval by the Dean. 8) Without registration, any academic activity (course/seminar etc.) undergone by a student will not be counted towards the requirements of his degree.
19PGMT 3.10	**1) Procedure for Registration:** The procedure involves the following steps: a) A student is required to register for all the courses listed in the curriculum for the first semester. b) The students shall decide on the courses to be registered during the ensuing semester immediately after their SEE examinations as per the advise of their Faculty Advisor. c) They shall submit a print out of the completed CRF, duly attested by the faculty advisor to the Dean within the date notified by the University for registration. d) Every student from II semester onwards is required to register for a minimum of 16 credits and a maximum of 28 credits excluding Project/ Dissertation/ Seminar.

	2) Registration for second and subsequent semesters: a) From second semester onwards, registration is dependent on the academic standing of the student. A student with a low academic standing registers for the academic load specified by the Faculty Adviser. In addition he may add one more course (3-7 credits) towards additional learning or to clear backlog courses, without this being considered an overload. b) Students with average academic standing are advised not to attempt full load. Faculty Advisers after careful scrutiny will advise reduced loads depending on previous performance. 3) **Late Registration:** Registration beyond the last date may be permitted only in special cases till the date specified in the Academic Calendar, on payment of a late registration fee.
19PGMT 3.11	**Course Adjustment/Dropping of Courses:** 1) The Academic Calendar sets a date, normally two weeks after the commencement of the semester, for Course Adjustment. On or before this date, a student is permitted to make adjustments in his academic load by addition or deletion of one or more courses, projects etc., provided that the total credits do not exceed or fall below the criteria mentioned in 19PGMT 3.10, Course adjustment has to be done in consultation with the Faculty Adviser. When the need for course adjustment through addition, substitution or dropping of course/s arises, the student without any backlog should do online course adjustment and students with backlog course/s should do it manually by filling a Course Adjustment Form (CAF). CAF has to be signed by both the student and the Faculty Adviser and the same is to be submitted to the Dean. 2) If in the second or any of the subsequent semesters, a student finds his academic load too heavy, he may drop one or two courses out of the registered ones on advice from the Faculty Adviser, provided the minimum credit requirements is fulfilled. The last date for doing this is within 10 days after the end of the first test, or as specified in the Academic Calendar. 3) Course/s dropped by a student may be taken during a subsequent semester including the summer semester, if offered. 4) The minimum number of students to be registered for an Elective to be offered shall be not less than ten, or as decided by the University.

19PGMT 3.12	**Course substitution:** In case a student obtains E grades or drops courses due to a valid reason or fails in a course, he may like to substitute courses in order to complete the course requirements within the stipulated duration. Following are the guidelines for course substitution: 1) Course substitution is not permitted for Core Courses. The student has to reregister for the same courses and complete them. 2) An elective course may be substituted by another elective course from the same group.
19PGMT 3.13	**Dropping of a Semester:** 1) A student may opt or be advised to drop an entire semester, with prior approval of Programme Council due to the following reasons: a) A student may seek a semester drop, due to severe personal health problem, unavoidable family commitments or other valid reasons beyond his control, on advice from the Faculty Adviser, prior to the commencement of the semester itself. b) During a registered semester, if a student finds that he is unable to cope up with the studies and/or does not have sufficient exposure to most of the courses registered in that semester due to severe health problem or some other valid reasons beyond his control, he can opt to drop the entire semester, on advice from the Faculty Adviser. 2) In all cases of severe health problems, medical certificate issued by a University recognized Medical Practitioner is essential. In all other cases, requests for dropping the semester should be accompanied by supporting documents as required. 3) Such break from studies is normally not permitted for a continuous period in excess of one year. 4) Not registering for any semester before the last date for registration without prior approval of the Dean will result in automatic dropping of semester leading to temporary discontinuation of the programme.

19PGMT 3.14	**1) Faculty Adviser:** On joining the University, a student or a group of students' is/are assigned to a Faculty Adviser from the concerned programme. Students are advised to consult the Faculty Adviser on any matter relating to their academic performance and the courses they may take in various semesters/ summer semesters. Faculty Adviser guides the students to complete their courses of study for the required degree in a smooth and satisfactory manner. **2) Role of the Faculty Adviser:** When the first year students join the University, a group of students are assigned to a Faculty Adviser. The students are expected to consult the Faculty Adviser on any matter relating to their academic performance and the courses they may take in various semesters, except first two semesters. The Faculty Adviser guides the students to complete their courses of study for the required degree in a smooth and satisfactory manner. For effective utilization of the opportunities for additional academic accomplishments, planning of the individual's academic progress needs careful consideration, and constant consultation with the Faculty Advisers is imperative. Thus, the role of the Faculty Adviser is of immense importance. The Faculty Adviser is the person whom the parents/ guardians should contact for performance related issues of their ward. **3) Specific role of the Faculty Adviser:** a) Guide the students about the rules and regulations governing the courses of study for a particular degree. b) Advise the students for registering courses as per prescribed curriculum or otherwise but within the scope of the rules and regulations prescribed by the University from time to time. For this purpose the Faculty Adviser has to discuss with the student his academic performance during the previous semester and then decide the number and nature of the courses for which he can register during the semester. c) Approve the CRF by attesting same, before the prescribed last date. d) Advice students to overload/ drop one or more courses/ activities based on his academic performance. e) At the end of the first semester/year, the Faculty Adviser may even advise a reduced load programme for a poorly performing student. This reduced load programme may spread over several semesters subject to minimum load for the semester and completion of the degree programme within the prescribed maximum period. Such reduced load programme is to be prepared by the Faculty Adviser in consultation with the Student & his parent and

	recommend the same through the Programme Council to the Dean for consideration and approval before the start of the semester. f) Pay special attention to weak students and carefully monitor performance of students recommended for slow track option. g) Advice students for Course Adjustment/ Dropping of courses during the Semester within the stipulated time frame given in the Academic calendar. h) Advice students seeking semester drop either during the ongoing semester or before the commencement of the semester. FA has to ensure strict compliance of rules and regulations laid down for this purpose. Recommend the cases to the Dean for consideration. i) Make revised plan of study for weak/ bright students based on their semester wise performance. j) Suggest modalities for course/ credit requirements for the students recommended for exchange programme. k) Provide Guidance and liaison to the parents of students for their performance. l) Ensure that students are not permitted to re-register for courses, which they have already passed. m) Inform students that any academic activity (course/ Laboratory/ seminar/ project/ non-credit requirement etc.) undergone without proper registration will not be counted towards the requirements of his degree. n) Strictly warn students that if he fails to register during any semester without prior approval, his studentship is liable to be cancelled. o) Keep the students updated about the Academic Administration of CBCS system at the University.
19PGMT 4.0	**ATTENDANCE REQUIREMENT**
19PGMT 4.1	Attendance in the class is compulsory and is monitored. The University expects 100% attendance. Each Course is considered as a unit for attendance requirement and, 1) The minimum number of lectures, tutorials, seminars and practical which a student shall be required to attend for eligibility to appear at the SEE shall not be less than 75% of the total number of lectures, tutorials, seminars, practical, and any other prescribed requirements. 2) If a student obtains less than 75% attendance in any one or more of the courses, he shall not be permitted to appear for the SEE of those courses and he shall re-register for them in subsequent academic semester/s and obtain passing grades, subject to 19PGMT 4.1 (1).

19PGMT 4.2	The basis for the calculation of attendance shall be the period prescribed by the University in its Academic Calendar of events. For the first semester students, the same is reckoned from the date of admission to the programme as per allotment from University.
19PGMT 4.3	The Dean shall inform the students about their attendance position periodically so that the students shall be cautioned to make up the shortage. The Dean shall submit the list of students who have been detained for shortage of attendance by the end of the semester to the Registrar (Evaluation) with a copy to the Registrar. It may be noted that mere omission by Dean to inform the student about the shortage of attendance shall not entitle him to appear for examination.
19PGMT4.4	**Temporary Discontinuation of programme:** A student, who wishes to temporarily discontinue the programme and continue subsequently, has to obtain prior permission from the University by applying through the Dean. Such student shall take admission once again to the same semester in the following academic year or later. However, such student shall pay the tuition fee and other fees for the entire academic year; and shall complete the programme as per 19PGMT 10.1.
19PGMT 5.0	**EXAMINATIONS AND EVALUATION**
19PGMT 5.1	1) The evaluation system of the programmes shall include both Continuous Internal Evaluation (CIE) and Semester End Examination (SEE). The CIE shall be conducted during the semester and SEE for all courses offered during the semester. 2) CIE and SEE constitute the major evaluations prescribed for each course, with only those students maintaining a minimum standard in CIE are permitted to appear in SEE of the course. 3) CIE and SEE to carry 50% weightage each, to enable the course to be evaluated for a total of 100 marks, irrespective of its credits. 4) The evaluation system of the programme is comprehensive & continuous during the entire period of Semester, both by internal faculty (who is / are teaching the course) & also by the external examiners (who have requisite expertise in the domain / course area).

5) For a course, the evaluation and grading will be on the following parameters:

A	Continuous Internal Evaluation (CIE)	30 % marks
A1	Continuous and Comprehensive Evaluation (CCE)	20 % marks
A2	Internal Assessment Tests (IAT)	50 % marks
	Total of CIE (A1+A2)	50 % marks
B	Semester End Examination (SEE)	100 % marks
	Total of CIE and SEE (A + B)	

19PGMT 5.2

Continuous Internal Evaluation:

1) The CIE will carry a maximum of 50% weightage of total marks of a course. Before the start of the Academic session of each semester, in addition to Internal assessment test, a faculty may choose for his course: a minimum of three and a maximum of four of the following assessment methods with suitable weightage for each.
   a) Assignments (Individual and/or Group)
   b) Seminars
   c) Quizzes
   d) Group Discussions
   e) Case studies/Case lets/Case discussions
   f) Practical orientation on Design Thinking, Creativity & Innovation
   g) Participatory & Industry-integrated learning
   h) Practical activities / problem solving exercises
   i) Class presentations
   j) Analysis of Industry/Technical/Business Reports
   k) Reports on Guest Lectures / Webinars / Industrial Visits
   l) Industrial / Social / Rural projects/Field work
   m) Participation in Seminars/ Academic Events/Symposia, etc. Any other academic activity suitable for the course
2) The faculty will submit the 'CCE Assessment Plan' to the Dean for approval and notify the same along with the course syllabus before the start of semester. The total marks of the above three or more assessment components shall be scaled down to 30% of total marks of the respective course.
3) To assess the students in a course under IAT component, two tests will be conducted in a semester. Each test will be conducted for 20 marks. The average marks obtained in these two tests will be taken as IAT Marks. If a student fails to attend both the IAT on the scheduled date due to any unavoidable circumstances, and produces documentary evidence, the faculty member, upon approval of the Dean, shall conduct one additional test at the end of the semester covering the syllabus of the second IAT.

	4) The CIE marks awarded to students at different stages during the course shall be displayed on the notice board of the concerned School to enable the students to point out any discrepancies. After due corrections, if any, faculty shall upload the CIE marks in the University's ERP system and a hard copy of the same shall be submitted to the Registrar (Evaluation) of the University duly signed by the concerned faculty and the Dean, before the commencement of semester end examinations. 5) The student shall obtain a minimum of 50% of marks allotted for CIE in a given course to be eligible to appear for the SEE in that course. 6) If a student is unable to secure a minimum of 50% in CIE marks in any course, he shall not be eligible to take up SEE/ viva-voce examination in that particular course. It shall be the responsibility of Dean to scrutinize the list of candidates and permit only the eligible students to take up SEE. In the event of an ineligible student inadvertently being allowed to appear for the theory/viva voce examination, the result of the concerned student shall be withdrawn forthwith. 7) The list of such students, who have not secured the minimum in CIE marks, shall be sent to the Registrar (Evaluation) along with the submission of CIE marks of the successful students. 8) After the submission of CIE marks to the Registrar (Evaluation) of the University, any request for changes in the marks by the Dean shall be considered only after due approval of the Vice- Chancellor obtained through the Registrar (Evaluation). 9) The students not obtaining 50% marks in CIE shall re-register for the course during the subsequent semester.
19PGMT 5.3	**Semester End Examination:** 1) The Semester End Examination for all the courses offered during the semester shall be conducted at the end of each semester except when there are no students taking examination for any course as per the scheme of teaching and examinations. 2) Only those students who satisfy the attendance requirement as per 19PGMT 4.1 and CIE requirement as per 19PGMT 5.2 (5) shall be eligible to appear for SEE of that course.

19PGMT 5.4	**Viva-Voce Examination:** For a viva-voce examination, there shall be two examiners, one internal and one external. Internal examiner shall be the course teacher/project guide, and external examiner may be a teacher/ professional who have not taught that course during the given semester at the concerned School and also not in full- time employment with the University. The Vice Chancellor, on recommendation of the Board of Studies, shall appoint all appropriate qualified examiners for any examination. In all the cases, the evaluation shall be made jointly and one consolidated marks be awarded. In the event that the external examiner does not turn up for the examination, the Dean on approval of the Vice Chancellor, may appoint a suitable internal faculty to carry out the examination.
19PGMT 5.5	**Project Work:** 1) Students shall undertake project as prescribed in the Scheme of Teaching and Evaluation, individually and the project shall be carried out under the supervision of an allotted faculty. Co-Guides are permitted, if justified, for a student carrying out the project in an Industry/ Research Organization. 2) All individual students shall make presentations to Project Committee notified by the Director and submit the progress reports periodically with the approval of project guide. 3) The final project dissertation shall be written adhering to International standards. The dissertation, duly signed by the concerned guide, shall be submitted to the Dean with in the time notified. The students shall appear for the viva-voce examination on the project at the end of the semester. 4) The CIE marks in the case of Project, if applicable, shall be based on the evaluation of the project dissertation as prescribed from time to time in the Scheme of Teaching and Examination.
19PGMT 5.6	**Academic Malpractice:** Academic malpractices shall be seriously viewed and appropriate action taken. In case of malpractice during any of the examinations like assignments, quizzes, tests, and other CIE components, the matter shall be reported to the Dean for further action. In case of malpractice during SEE, the Invigilator shall report the matter to the Chief Superintend, who in turn refers the matter to the Registrar (Evaluation) for further action.

19PGMT 6.0	ELIGIBILITY FOR PASSING A COURSE

19PGMT 6.1

Award of Grades:

1) The University adopts absolute grading system wherein the marks are converted to grades, and every semester results will be declared with semester grade point average (SGPA) on successful completion of all courses of that semester.
2) The total marks obtained by the student in CIE and SEE of a course is expressed as a percentage to compute the grade points and the letter grade is awarded as indicated in the table below:
3) If there is no SEE for a course, then the CIE marks alone will be the basis for the determination of letter grade.
4) Letter Grade Scheme for M.Tech. programmes:

Classification			
% Marks scored in a course	**Grade Points**	**Letter Grade**	**Level**
≥ 90	10	O	Outstanding
≥ 85 < 90	9	A+	Excellent
≥ 75 < 85	8	A	Very Good
≥ 65 < 75	7	B	Good
≥ 55 <65	6	C	Above Average
≥ 50 <55	5	P	Average
<50	0	F - RA	Reappear
	0	F - RR	Re-register

Table: Marks (%) and Letter Grade relation

19PGMT 6.2

Other Letter Grades:

The letter grades specified in 19PGMT 6.1 are used as student performance measures in all kinds of assessments.

However, the following letter grades are also awarded under the circumstances defined below (Letter Grade: Grade Point - Circumstances).

1) F-RR: 0 - Not eligible to appear for the SEE of a course due to attendance being less than 75% and / or CIE being below 50%.
   To re-register for the course and appear for the SEE in the subsequent semester when it is being offered by the School of Studies.
   (In case of electives, course change within the group is permitted)
2) AU: 0 - Satisfactory in an Audit course
3) W: No credits – Dropped/ withdrawn (W is not a grade but only a place holder indicating that the course has been dropped/withdrawn and it has to be cleared in subsequent semesters in case it is a core subject).

19PGMT 6.3	**Passing a Course:** For pass in a course, the student shall secure a minimum of 50% of marks prescribed for that course in CIE and 50 % in SEE or viva voce examinations. However, aggregate marks combining both CIE and SEE or viva voce should not be less than 50% under any circumstances. That is, Minimum passing grade in a course (head of passing) is P.
19PGMT 6.4	**Condition for Re-Registering a Course:** 1) Students who do not satisfy the condition of 17UGBD 6.3 shall be deemed to have failed and will be awarded either 'F-RR' or 'F-RA' Grade. 2) Students who were not eligible to take up the Semester End Examination (SEE) of any semester shall be deemed to have failed and will be awarded 'F-RR' Grade and are required to re-register for the course in subsequent odd/even semesters respectively. 3) Students who were eligible to take up Semester End Examination but have not cleared the regular Semester End Examination (SEE) shall be deemed to have failed and will be awarded 'F-RA' Grade and are required only to re-register for the Semester End Examination during the subsequent odd/even semester respectively.
19PGMT 7.0	**PROGRESSION TO HIGHER SEMESTERS**
19PGMT 7.1	1) A theory, stand-alone practical/project or Theory with practical/project shall be treated as a head of passing. 2) There shall be no restriction for promotion to 2nd semester from 1st semester, if the student has fulfilled the attendance requirement. 3) A student shall be permitted to register for the project only on completion of all the first year courses.
19PGMT 8.0	**PASSING STANDARDS AND CLASS DECLARATION**
19PGMT 8.1	**Computation of SGPA and CGPA:** 1) Semester Grade Point Average (SGPA) will be awarded at the end of each Semester and Cumulative Grade Point Average (CGPA) will be awarded at the end of the programme. However, CGPA is calculated at the end of each semester from the second semester onwards and reflected in the grade certificate for indicating the progress of the student.

	2) Each course in a programme is associated with number of credits (C). Based on the number of Credits for a course and obtained Grade Point (GP) for that course in a Semester, the GPA is calculated as given below: a) The SGPA is the ratio of sum of the product of the number of credits with the grade points secured by a student in all the courses taken by him and the sum of the number of credits of all the courses undergone by a student i.e., SGPA = $\sum (C_i \times G_i) / \sum C_i$ Where C_i is the number of credits of the ith course and G_i is the grade point scored by the student in the ith course. b) The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme, i.e., CGPA = $\sum (C_n \times S_n) / \sum C_n$ Where S_n is the SGPA of the nth semester and C_n is the total number of credits in that semester. Finally the SGPA and CGPA shall be rounded off to 2 decimal places.
19PGMT 8.2	**Passing Standards:** 1) A student shall be declared successful or 'passed' in a semester, only when he gets a SGPA of 5.00 earning credits as per the scheme of teaching and evaluation, with grade point of 5 or better in every registered course. 2) A student shall be declared successful or 'passed' in the entire Post Graduate programme, only when he gets a minimum CGPA of 5.00 and has completed all the graduate requirement courses as mandated in the scheme of teaching and evaluation.
19PGMT 8.3	**a) Conversion of Grade and Percentage of Marks:** Conversion formula for the conversion of CGPA into Percentage is: Percentage of marks scored, P = [CGPA earned] x 10 **b) Class Declaration:** After the conversion of final CGPA into Percentage of Marks (PM), a graduating student is declared to have passed in a) First Class with Distinction (FCD): PM ≥ 75% **(In First Attempt)** b) First Class (FC): 60% ≤ PM < 75% c) Second Class (SC): 50% ≤ PM < 60%

19PGMT 8.4	**Grade Cards, Certificates and Transcripts:** 1) **Grade Cards:** At the end of each semester, a Grade Card shall be issued to all the registered students of that semester, indicating the Course code, Title, Number of credits, Letter grade awarded and Credits earned, for all the Courses as specified in the scheme of teaching and evaluation. This may have F -RA or F - RR grades awarded to the student. 2) **Grade Certificate:** On successful completion of all courses/earning credits, specified in a semester, the grade certificate is issued indicating the course details along with SGPA of that semester and also CGPA earned till that semester. 3) **Transcripts:** Transcript is the consolidated statement of the Academic Performance of a student for all the semesters since joining the programme and is given to a student on successful completion of the programme along with the degree certificate. a) For those students who have taken multiple attempts to clear a course, the transcript given on successful completion of the programme will only contain earned pass grade (O to P and AU); the course will however be shown in the semester (Month and Year) in which the student has finally cleared the course. The transcript will show only the overall CGPA based on all the courses taken by the student. Additional courses will be shown separately, indicating the grade earned by the student. Additional copies of the transcript can be obtained if needed, on request and upon payment of applicable fee. b) Students who have not yet completed the programme can obtain an Interim Transcript, if needed, on request and upon payment of applicable fee. The Interim Transcript includes failed courses, which have not been cleared at the time of issue.
19PGMT 9.0	**ELIGIBILITY FOR THE AWARD OF DEGREE, PRIZES, MEDALS AND RANKS**
19PGMT 9.1	**Minimum Credit Requirement:** A student shall obtain a total of at least 75 credits as specified by the University along with satisfying the passing standards as per 19PGMT 8.2 to be eligible for the award of the Master of Technology (Artificial Intelligence) and Master of Technology (Data Science) Degrees.
19PGMT 9.2	For the award of Prizes and Medals, the conditions stipulated by the Donor may be considered subject to the provisions of the statutes of the University for such awards from time to time.

19PGMT 9.3	For award of ranks in the programme, a minimum of 10 students should have appeared in the final semester examination. The total number of ranks awarded shall be 10% of total number of students appeared in final semester
19PGMT 9.4	A Student shall be eligible for a rank at the time of award of the degree, provided the student has passed in all the courses from 1st to 4th semester of M.Tech in first attempt.
19PGMT 9.5	For award of Rank, the CGPA secured by the student from 1st to final semester shall be considered.
19PGMT 9.6	If two students get the same CGPA, the tie should be resolved by considering the number of times a student has obtained higher SGPA. But, if it is not resolved even at this stage, the number of times a student has obtained higher grades like O, A+, A, B, C & P shall be taken into account in Rank ordering of the students.
19PGMT 10.0	**MAXIMUM DURATION FOR PROGRAMME COMPLETION**
19PGMT 10.1	The student shall complete the M.Tech. Programme within a period of four (4) academic years, failing which he shall discontinue the programme. The duration is considered from the date of admission to the programme,
19PGMT 11.0	**TRANSFER OF STUDENTS**
19PGMT 11.1	Transfer of students from another University is permitted only at the beginning of odd semesters, subject to availability of seats within the permitted intake and subject to the prior approval of the Vice Chancellor of the University. Such students should have passed in all courses of 1st and 2nd semesters for admission to 3rd semester of M.Tech.
19PGMT 11.2	The students seeking admission shall have to: 1) Apply for establishment of equivalence with prescribed fees as notified by the University; and 2) Submit No Objection for admission from the migrating University before commencement of semester as notified by the University. 3) The University may prescribe fee for administrative purpose (for updating of the records), which shall be notified from time to time, for transfer.
19PGMT 12.0	**MISCELLANEOUS**
19PGMT 12.1	The academic regulations should be read as a whole for the purpose of any interpretation.

19PGMT 12.2	Wherever the words “he”, “him”, “his” occur in the regulations, they include “she”, “her”, “her’s”.
19PGMT 12.3	In case of any doubt or ambiguity in the interpretation of the rules mentioned in the regulations, the decision of the Vice-Chancellor shall be final.
19PGMT 12.4	The University may change or amend the regulations and/ or curriculum at any time, and the changes or amendments made shall be applicable to all the students with effect from the date notified by the University.
19PGMT 12.5	These regulations governing the Degree of Master of Technology (M.Tech.) programme of the University may be modified from time to time with the approval of statutory bodies of the University and shall be binding on all.

REGULATIONS GOVERNING
UNDER GRADUATE LAW DEGREE PROGRAMMES
[B.A.,LL.B. (Honors) / B.B.A., L.B. (Honors) / LL.B.]
Based on Choice Based Credit System (CBCS)

DEFINITION OF KEY WORDS:

1. **Academic Year:** Two consecutive semesters (one odd followed by one even) constitute one academic year.
2. **Audit Courses:** Courses, outside the prescribed range of credits required for the degree, the students can register if interested to supplement their knowledge/ skills.
3. **Choice Based Credit System (CBCS):** The CBCS provides choice for students to select from the prescribed set of courses viz. Core courses, Compulsory Foundation Courses, Elective courses, Core Language Courses, Compulsory Clinical Courses, Ability enhancement courses and Skill enhancement courses.
4. **Course:** Referred to as 'papers', is a component of a programme, with defined learning objectives, outcomes and number of credits. A course may be designed to comprise lectures/ assignments/ tutorials/ clinicals /field work/outreach activities/project work/ self-study/ vocational training/viva/seminars/term papers/ presentations/ quiz etc. or a combination of these as defined in the Scheme of Teaching. The course credits vary depending on the required teaching-learning hours to accomplish the learning outcomes, specified in the course syllabus.
5. **Credit:** A unit by which the course work is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one hour of lecture or two hours of tutorial/practical work/field work per week.
6. **Credit Based Semester System (CBSS):** Under CBSS, the requirement for awarding a degree or diploma or certificate is prescribed in terms of number of credits to be earned by the students.
7. **Credit Point:** It is the product of grade point and number of credits for a course.
8. **Cumulative Grade Point Average (CGPA):** It is a measure of overall cumulative performance of a student over all semesters. The CGPA is the ratio of total credit points earned by a student in various courses in all semesters and the sum of the total credits of all courses in all the semesters. It is expressed up to two decimal places. However, the CGPA may be calculated from second semester onwards to facilitate students to know their academic progress.
9. **Dean:** Dean of the School of Legal Studies of the University.
10. **First Attempt:** If a student has completed all formalities and become eligible to attend examinations and has attended at least one head of passing, such attempt (first sitting) shall be considered as first attempt.

11. **Grade Point:** It is a numerical weightage allotted to each letter grade on a 10-point scale.
12. **Letter Grade:** An index of the performance of students in a said course. Grades are denoted by letters.
13. **Passing Standards:** A student is passing a Course only when getting GP greater than or equal to 04 (P Grade). A student is declared successful at the Semester-end or Programme-end only when getting SGPA or CGPA equal to or greater than 4.00 respectively, with none of the Courses registered in a Semester(s) having either F-RA or F-RR Grade.
14. **Programme:** A planned series of events/activities comprising of a combination of courses leading to the award of the degree B.A.,LL.B. (Honors)/ B.B.A.,LL.B. (Honors) / LL.B.
15. **Programme Council:** The committee consisting of the Director of the programme, HOD and the concerned faculty members from each cadre.
16. **Semester**: Each semester will consist of at least 15 to 18 weeks of academic work equivalent to about 90 teaching days. The odd semester may be scheduled from August to December/January and even semester from February to July/August, or as may be declared by the University.
17. **Semester Grade Point Average (SGPA):** It is a measure of academic performance of student in a semester. It is the ratio of total credit points secured by a student in various courses registered in a semester and the total course credits taken during that semester. It shall be expressed up to two decimal places.
18. **SOLS:** School of Legal Studies of the University.
19. **Transcript, Grade Certificate and Grade Card:** Grade card shall be issued to candidates indicating the programme details (Course code, title, number of credits, grade secured and grade points) for all the registered courses after every semester. On successful completion of all courses/earning credits, specified in a semester, the grade certificate is issued indicating the programme details along with SGPA of that semester and CGPA earned till that semester. Transcripts to the successful candidates shall be issued after completion of the programme.
20. **University:** CMR University, Bangalore.

REGULATIONS

17UGLH 1.0	**TITLE AND DURATION OF THE PROGRAMME**
17UGLH 1.1	The Under Graduate Programmes covered under this Regulation are: 1) Integrated Bachelor of Arts & Bachelor of Laws (Honors), abbreviated as B.A.,LL.B. (Hons) 2) Integrated Bachelor of Business Administration & Bachelor of Laws (Honors), abbreviated as B.B.A.,LL.B. (Hons) 3) Bachelor of Laws, abbreviated as LL.B.
17UGLH 1.2	The Integrated B.A.,LL.B.(Hons) & B.B.A.,LL.B.(Hons) programmes shall be of five academic years duration and organized in ten semesters, with each semester having duration of at least 18 weeks. The LL.B. (3 years) programme shall be of three academic years duration and organized in six semesters, with each semester having duration of at least 15 weeks.
17UGLH 1.3	The annual Academic Calendar of events in respect of the Programme of study approved by the Academic Council, shall be notified at least a month before the commencement of each academic year. It is mandatory for students, faculty members and all concerned to strictly adhere to the Academic Calendar for completion of academic activities. Academic Calendar shall be displayed on the homepage of the University website.
17UGLH 2.0	**ELIGIBILITY FOR ADMISSION**
17UGLH 2.1	The rules specified in the following clauses shall be followed, but the orders issued from the Government/the regulatory bodies from time to time shall prevail.
17UGLH 2.2	1) Admission to First year First semester B.A.,LL.B.(Hons) & B.B.A.,LL.B.(Hons) programmes shall be open to the applicants who have passed the second year Pre-University or XII standard or equivalent examination recognized by the University. 2) Admission to First year First semester LL.B. programme shall be open to the applicants who have passed a Degree course (10+2+3/4/5 pattern) in any discipline from a recognized university or equivalent examination recognized by the University. 3) For the prerequisite qualification earned from foreign Universities, equivalence as notified by the Association of Indian Universities from time to time is mandatory.

	4) However, in case if no prior equivalence has been established by any other recognized bodies, the decision of the Equivalence Committee of the University shall be final in establishing the eligibility of the candidate.
17UGLH 2.3	In addition to 17UGLH 2.2 and as stipulated by the Bar Council of India, the minimum percentage of marks shall not be below 45% of the total marks in case of general category applicants, 42% for OBC category and 40% of the total marks in case of SC and ST applicants, to be obtained in the qualifying examination, such as +2 Examination in case of Integrated Five Years' Honors Programme or Degree in any discipline for Three years' LL.B. programme, for the purpose of applying for and getting admitted.
17UGLH 2.4	**Lateral Entry/Exit Admissions:** There shall be no lateral entry or lateral exit in any of the programmes as per the Bar Council of India Regulations.
17UGLH 3.0	**CHOICE BASED CREDIT SYSTEM AND ACADEMIC PROCESS**
17UGLH 3.1	**Semester – Odd and Even:** The University follows the Choice Based Credit System and the Semester Scheme. There are two regular semesters. The semester that begins in August (August to December/January) is known as the Odd Semester and the semester that begins in February (February to July/August) is known as the Even Semester.
17UGLH 3.2	**Summer Term:** The summer term is additional semester that is conducted between the even and odd semesters during an academic year with the prior approval of the University. However, during a summer term, a limited number of courses may be offered to enable the students to clear their backlog courses (F-RR) and/or register for additional regular credit courses on audit basis, subject to strict adherence to the following guidelines: 1) The Program Council shall identify the courses to be offered along with the Course Instructor and recommend offering of such summer course (s) to the Dean for consideration. The identified faculty members shall offer the courses only on approval by the Dean. 2) The course is offered in the same manner as a regular semester course without compromising the course requirements in terms of knowledge delivery, course work, assessment and evaluation. The University shall notify the fee payable by the students for the summer semester courses. 3) The duration of the course is six to eight weeks. The registration, examination, assessment and grading etc. are done in the same way as is done for regular semester courses. The total number of contact hours for the courses remains

	the same as that during the regular semesters, and therefore, the courses are run at an accelerated pace. The Academic Calendar specially made in this connection shall be strictly followed. 4) The dropping of a Summer Course is permitted within 7 days from the first lecture of the course. However, the registration fee paid for the course is not refundable. 5) Time slots will be assigned and notified by the Dean as done for the regular semester courses. 6) A notified summer course can be withdrawn if the number of students registered for the course is less than five. 7) A student can register up to a maximum of 12 credits or 3 courses in any summer semester, depending on his academic standing. 8) Courses offered in a summer term will be treated as equivalent to a regular semester courses for all accounting purposes.
17UGLH 3.3	**Curriculum:** Every Programme has a prescribed course structure which, in general terms, is known as the Curriculum or the Courses of Study or the Scheme of Teaching and Evaluation. It prescribes all the courses/ clinical/ other requirements for the degree and sets out the nominal sequence semester wise. It also provides the syllabus and a list of text/ reference books (or other learning material sources) for each course. The university shall not only lay down the syllabus for each course, but also the manner of its implementation, namely, through lectures, tutorials, clinicals, seminars, field work, projects and such other activities. The Courses of Study details are updated every semester and are made available in the School page of the University website: http://cmr.edu.in/ Curriculum may also include SWAYAM or Massive Open Online Courses (MOOCs), offered by premier Institutions worldwide. However, selection of SWAYAM or MOOCs, if any, shall always be within prescribed guidelines of the relevant regulatory bodies.
17UGLH 3.4	**Course Credit Structure:** 1) A certain quantum of academic work, measured in terms of credits, is laid down as the requirement for completion of degree in the different programmes and the available specialization areas. A student earns credits by satisfactorily completing courses/other academic activities every semester. 2) The credits are distributed semester wise, as prescribed in the Scheme of Teaching and Evaluation for each of the programmes. The courses generally progress in sequences, building competencies as per the course learning outcomes. The positioning of a course indicates certain academic maturity on the part of the students.

	3) Some courses do, in addition, specify passing in other courses, offered earlier in the programmes, as prerequisites for the course. 4) Students are required to follow the semester wise schedule of courses specified in Scheme of Teaching and Evaluation; they do, however, have freedom to follow alternative schedules to optimize their academic profile with additional courses, keeping the requirements for each course in mind. For students with backlog courses, such rescheduling may even become necessary. Such departures from suggested schedules need to be done very carefully, and always with advice from the Faculty Adviser.
17UGLH 3.5	**Courses:** There will be following types of courses in a programme, namely: 1) Core Course: A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course. 2) Elective Course: Generally a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course. 3) Compulsory Foundation Course: Compulsory foundation courses are chosen by the university from the list of subjects prescribed by the Bar Council of India and shall be mandatory for the students to undertake. 4) Core Language Course: A course, which should compulsorily be studied by a candidate as a language requirement is termed as a Core language course. 5) Compulsory Clinical Course: Clinical courses are prescribed by the Bar Council of India and shall be mandatory for the students to undertake. 6) Ability Enhancement Courses (AEC): AEC courses are the courses based upon the content that leads to Knowledge enhancement. 7) Skill Enhancement Courses (SEC): SEC courses are value-based and/or skill-based and are aimed at providing hands-on-training, competencies, skills, etc. These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge. 8) Graduate Requirement (GR) Courses: These are courses on peripheral subjects in a programme, wherein completion of the course is considered mandatory to qualify for the award of the Degree.

The Courses of the UG Law Programmes are further classified as follows:

1) **Program Core (Credit Courses):** Each academic programme is divided into Program Core or Common core courses which are further divided into mandatory and choice segments, with levels within them.

   The Program Core courses are broadly categorized into Foundation, Electives and Interdisciplinary.

   Foundation, Elective and interdisciplinary courses are discipline specific or allied to the program. Foundation courses are mandatory courses that are offered through the period of study of the program. Foundation courses are offered as fundamental, intermediate and advanced courses based on the prerequisite and difficulty level (100 Level / 200 Level / 300 Level etc.) of the course. Elective courses are a basket of courses from which the student gets to choose. Elective courses are either specialization courses or generic courses. Elective courses include mini projects, dissertations, internships and capstone projects. Students also have the option to choose from a set of interdisciplinary courses which are varied from their discipline and offered by other Schools of Studies of the University.

   Mandatory segments are those which lay a firm foundation of the knowledge required to complete a programme in the chosen domain, ending with a multifaceted assignment that serves as a culminating academic and intellectual experience for students, typically during their final year.

   Choice segments are those which a student could opt for to specialize further and / or to improve their interdisciplinary skills.

   All segments carry credits, and the students are expected to earn the minimum number of credits in their coursework towards program core to earn the degree.

2) **Common Core (Credit Courses):** Common Core Curriculum (CCC) courses are to be pursued by all students of the University regardless of their School of Study. It also encourages students to explore themselves and issues of fundamental importance to society through the Common Core Curriculum (CCC) courses. Students are expected to earn a certain specified number of credits in their coursework towards the Common Core Curriculum (CCC), during their academic programmes. While some courses are in workshop mode, which can be completed over a few days at a stretch, there are other courses which are offered for a specific number of hours per week throughout a semester.

Students take these courses planned for each academic programme, over multiple semesters. Credits range from 1 to 4, which are directly proportional to the number of hours required to complete a course. There are both 'mandatory' and 'choice' courses, with levels within them.

3) **Common Core (Non-credit Courses / Engagement) - Graduate Requirement (GR):** Engagements for this category do not carry any credit(s) but are mandatory for the students to complete them within the duration of the programme, to be considered eligible to graduate (or) earn the degree. These shall be:

   a) **Courses** embedded in the academic programme, where the students must ensure that they attend a minimum attendance percentage.

   b) **Community Service Program** are activities implemented under the Common Core Curriculum Community Service Program (CCC CSP) in which the students have to complete a minimum number of volunteering hours in a semester by rendering services to the society and submit a Reflection Record (RRD) for every volunteering activity completed. In case of a student not having completed the minimum number of volunteering hours in a semester, the shortage in number of hours is to be completed in the subsequent semester(s). However, the student has to complete the mandated total number of volunteering hours within the duration of the programme and submit a Reflection Record (RRD) for every volunteering activity completed.

4) **Advanced Course:** Courses that involve higher and more complex levels of knowledge and understanding than introductory or foundational learning. It means the student has attained a level of knowledge and understanding of a particular area or topic that goes beyond basic terminology and definitions and is ready to be involved in Analysis, Synthesis and Evaluation of information related to a specific topic or area of learning.

5) **Prerequisite course:** Course or other requirement that a student must have taken prior to enrolling in a specific course. Students might or might not have a choice of prerequisites to complete.

Courses under various categories can be further classified as:

- **100 Level Courses**: These courses offer an introduction to a subject area and are designed for students in the first year of study. These courses have no prerequisites and are generally courses defining basic concepts or presenting the terminology of a discipline

	• **200 Level Courses**: These courses are built on previous units and are normally taken in the second year or later; they may also be available to students with advanced prior knowledge. They are Courses of intermediate college-level difficulty; courses with 100-level course(s) as prerequisite(s) • **300 Level Courses**: These courses are usually taken in third year or later, after 200-level study in the area. They may also be available to students with advanced prior knowledge. They are courses of advanced college-level difficulty offered for students clearly interested in the discipline or in any stream of the discipline • **400 Level Courses**: These units of study are advanced courses and are normally taken in the third year or later as the final elements of a three year or four year degree or an integrated degree. The level indicates that the student will be demonstrating coherence and breadth or depth of knowledge and skills. The student may need to have completed a prerequisite course to study a 400 level course. • **500 Level Courses:** These are foundation level courses for higher education qualifications, usually taken in the first year of the masters or postgraduate degree programmes. These are courses meant for students aspiring to specialise in a discipline and would have prerequisites to study a course at this level, which would have been covered in the core curriculum at the bachelor's degree programme in the same discipline. • **600 Level Courses:** These courses are usually opted for at the second year of the masters or postgraduate degree programmes, which enhance the learning experience of the previous units. The difficulty level is clearly higher and the student is expected to demonstrate a certain level of proficiency and competence in grasping and interpreting the knowledge gained in the discipline at this level. • **700 Level Courses:** The courses prescribed at this level serve as a culminating academic and intellectual experience for students, and are usually taken towards the final semesters of the masters or postgraduate degree programmes where they acquire the skills and knowledge to analyse, evaluate, and solve challenges akin to those faced in real life situations, resulting in achieving mastery in the discipline.

17UGLH 3.6	**Seminars:** Some Programmes may prescribe Seminar as a requirement for the degree. Seminar may be an assessment component or a course itself wherein the student is expected to do an in-depth study in a specialized area under the guidance of a faculty member. This may include surveying published legal literature, understanding different aspects of the problem and arriving at a status report. While doing a seminar, the student is expected to: critically analyze works of various authors/ researchers; learn the investigation methodologies, study concepts, techniques and the results presented in these papers; and submit a seminar report. It is mandatory to give a seminar presentation before a panel constituted for the purpose. Seminars typically carry 1 to 2 credits.
17UGLH 3.7	**Internship:** 1. In the entire duration of the programme, each student shall complete a minimum of 12 weeks internship for LL.B. programme and 20 weeks in case of the B.A.,LL.B.(Hons) & B.B.A.,LL.B.(Hons) programmes, under any NGO, Trial and Appellate Advocates, Judiciary, Legal Regulatory authorities, Legislatures and Parliament, Other Legal functionaries, Market Institutions, Law Firms, Companies, Local Self Government and other such bodies, where law is practiced either in action or in dispute resolution or in management. 2. Internship in any year cannot be for a continuous period of more than Four Weeks and all students shall undergo at least one internship with Trial and Appellate Advocates. 3. Internship will be offered as a Mandatory Non-Credit Course during the odd semester of every academic year, commencing from the third semester of all UG programmes and in the 10th semester for the integrated programmes / 6th Semester of the LL.B. programme. However, the student shall be eligible to register for the same only upon completion of the requirements specified in the Scheme of Teaching and Evaluation.
17UGLH 3.8	**Audit Courses:** A student desirous of additional exposure to a course, without the rigors of obtaining a good grade, 'audits' a course. The minimum requirement of attendance for an 'Audit Course' is 70%, with any additional requirements as set by the instructor such as submission of assignments and minimum performance in some of the in-semester evaluations. Auditing of courses during regular semesters from 3rd semester onwards is permitted under the following conditions: 1) Students with CGPA > 6.0 will be permitted to 'Audit' a course. A course can be audited provided the course is offered in the semester as a credit course for others, and there is no slot clash. Prior permission of the Instructor is required. 2) Audit courses would be restricted to a maximum of two (2) courses per student in the entire period of the programme.

	3) The instructor would award the 'AU' grade, if the attendance is satisfactory and additional requirements, as set out by the instructor, are met. If the attendance and performance is not satisfactory, the instructor will award 'No Grade'. The grade 'AU' does not carry any grade points and therefore does not figure in SGPA+ GPA calculations. 4) The course successfully completed in Audit mode will be reflected in the Semester Grade Card, Grade Certificate and the Transcript as Audit Course.
17UGLH 3.9	**Registration:** It is mandatory for every student to register for a semester to attend various courses/earn credits, using the prescribed Course Registration Form (CRF), till he completes his programme. The registration shall be completed on or before the prescribed last date for registration announced in the Academic Calendar. 1) On joining the Programme, each student is assigned to a Faculty Adviser or an Advisory group. A student shall register for required courses each semester with prior permission of the Faculty Adviser. 2) The student can register for courses he intends to take during a given semester on the basis of his plan for each Programme, as given in the Scheme of Teaching and Evaluation and as per the advice given by his Faculty Adviser. 3) The Faculty Adviser is expected to discuss with the student his academic performance during the previous semesters and then decide the number and nature of the courses for which the student can register during the semester within the framework of the Regulations. 4) The Faculty Adviser may advise the student to drop one or more courses/activities based on his academic performance. The Faculty Adviser may even advise a reduced load programme over several semesters for students with poor performance at the end of the first semester/ year. 5) Students are not permitted to reregister for course(s), which they have already passed. 6) The registration is deemed to be complete only on approval by the Dean. 7) Without registration, any academic activity (course/ seminar etc.) undergone by a student will not be counted towards the requirements of his degree. 8) Students having outstanding dues to the University or a hostel shall not be permitted to register.

17UGLH 3.10	**1) Procedure for Registration:** The procedure involves the following steps: a) The students shall decide on the courses to be registered during the ensuing semester as per the advice of their Faculty Adviser. b) They shall fill up the CRF online, stating the courses that they propose to complete during the ensuing semester as per the prescribed curriculum. c) They shall submit a printout of the completed CRF, duly attested by the Faculty Adviser to the Dean through the departmental office within the date notified by the University for registration. d) Every student shall register between a minimum of 20 credits and a maximum of 28 credits during 1st to 4th semester and a minimum of 16 and a maximum of 28 credits during 5th to 8th semester and a minimum of 12 and a maximum of 28 during 9th and 10th semester of the Integrated programmes. However, the students of LL.B. programme shall register between a minimum of 16 credits and a maximum of 28 credits. **2) Registration for the first semester:** Every student is normally required to register for all the courses listed in the Scheme of Teaching and Evaluation for the first semester. **3) Registration for second and subsequent semesters:** a) From second semester onwards, registration is dependent on the academic standing of the student. A student with a low academic standing registers for the academic load specified by the Faculty Adviser. In addition he may add one more course (4 credits) towards additional learning or to clear backlog courses, without this being considered an overload. b) Students with average academic standing are advised not to attempt full load. Faculty Advisers after careful scrutiny will advise academic loads depending on previous performance. **4) Late Registration:** Registration beyond the last date may be permitted only in special cases till the date specified in the Academic Calendar, on payment of a late registration fee.

17UGLH 3.11	**Registration for Graduate Requirement (GR) Courses:** Graduate Requirement (GR) courses which are mandatory Non-credit courses are treated as complete or incomplete subject to the fulfillment of the minimum requirements of these courses and a minimum of 75% attendance. The award of degree is subject to successful completion of these courses. Formal registration for these courses shall be done along with other courses, at the beginning of the semesters. Not satisfying the minimum requirements of the course will result in a F-RR grade and the student has to re- register for the course when offered next. This requirement must be completed before the end of the Programme.
17UGLH 3.12	**Registration for Internship:** Registration for internship specified in the curriculum is similar to that for any other course. The Dean shall approve the detail of allotment internship as specified in 17UGLH3.7 before the commencement of the semester.
17UGLH 3.13	**Registration for Summer Semester Courses:** Students are permitted to register for courses during summer semester under the regulation specified by 17UGLH 3.2, on payment of prescribed registration and course fees.
17UGLH 3.14	**Course Adjustment/Dropping of Courses:** 1) The Academic Calendar sets a date, within two weeks after the commencement of the semester, for Course Adjustment. On or before this date, a student is permitted to make adjustments in his academic load by addition or deletion of one or more courses, projects etc., provided that the total credits do not exceed or fall below the criteria mentioned in 17UGLH 3.10. Course adjustment has to be done in consultation with the Faculty Adviser. When the need for course adjustment through addition, substitution or dropping of course/s arises, the student without any backlog should do online course adjustment and students with backlog course/s should do it manually by filling a Course Adjustment Form. CAF has to be signed by both the student and the Faculty Adviser and the same is to be submitted to the Dean. 2) If in the second or any of the subsequent semesters, a student finds his academic load too heavy, he may drop one or two courses out of the registered ones on advice from the Faculty Adviser, provided the minimum credit requirements is fulfilled. The last date for doing this is within 10 days after the end of the first test, or as specified in the Academic Calendar.

	2) Course/s dropped by a student may be taken during a subsequent semester, if offered. 3) The minimum number of students to be registered for an Elective/ course to be offered shall be not less than five, or as decided by the University.
17UGLH 3.15	**Course substitution:** In case a student obtains P grades or drops courses due to a valid reason or fails in a course, he may like to substitute courses in order to complete the course requirements within the stipulated duration. Following are the guidelines for course substitution: 1) Course substitution is not permitted for Core Courses. The student has to reregister for the same courses and complete them. 2) An elective course may be substituted by another elective course from the same group.
17UGLH 3.16	**Dropping of a Semester:** 1) A student may opt or be advised to drop an entire semester, with prior approval of Programme Council due to the following reasons: a) A student may seek a semester drop, due to severe personal health problem, unavoidable family commitments or other valid reasons beyond his/her control, on advice from the Faculty Adviser, prior to the commencement of the semester itself. b) During a registered semester, if a student finds that he is unable to cope up with the studies and/or does not have sufficient exposure to most of the courses registered in that semester or due to severe health problem or some other valid reasons beyond his/her control, he can opt to drop the entire semester, on advice from the Faculty Adviser. 2) In all cases of severe health problems, medical certificate issued by a University recognized Medical Practitioner is essential. In all other cases, requests for dropping the semester should be accompanied by supporting documents as required. 3) Such break from studies is normally not permitted for a continuous period in excess of one year. 4) Not registering for any semester before the last date for registration without prior approval of the Dean will result in automatic dropping of semester leading to temporary discontinuation of the programme.

	5) The credits of the dropped semester shall be earned subsequently by registering to the courses specified in the Scheme of Teaching and Evaluation or equivalent courses when offered next.
17UGLH 3.17	**1) Faculty Adviser:** On joining the University, a student or a group of students' is/ are assigned to a Faculty Adviser from the concerned programme. Students are advised to consult the Faculty Adviser on any matter relating to their academic performance and the courses they may take in various semesters. **2) Role of the Faculty Adviser:** The Faculty Adviser guides the students to complete their courses of study for the required degree in a smooth and satisfactory manner. For effective utilization of the opportunities for additional academic accomplishments, planning of the individual's academic progress needs careful consideration, and constant consultation with the Faculty Advisers is imperative. Thus, the role of the Faculty Adviser is of immense importance. The Faculty Adviser is the person whom the parents/ guardians should contact for performance related issues of their ward. The Faculty Advisor shall, a) Guide the students about the rules and regulations governing the courses of study for a particular degree. b) Advise the students for registering courses as per prescribed curriculum or otherwise but within the scope of the rules and regulations prescribed by the University from time to time. For this purpose the Faculty Adviser has to discuss with the student his academic performance during the previous semester and then decide the number and nature of the courses for which he can register during the semester. c) Approve the CRF by attesting same, before the prescribed last date. d) Advice students to overload/ drop one or more courses/ activities based on his academic performance. e) At the end of the first semester/ year, may even advise a reduced load programme for a poorly performing student. This reduced load programme may spread over several semesters subject to minimum load for the semester and completion of the degree programme within the prescribed maximum period by registering in summer terms. Such reduced load programme is to be prepared by the Faculty Adviser in consultation with the Student and his parent and the Faculty Adviser has to recommend the same through the Programme Council to the Dean for consideration and approval before the commencement of the semester.

	f) Pay special attention to weak students and carefully monitor performance of students recommended for slow track option. g) Advice students for Course Adjustment/ Dropping of courses during the Semester within the stipulated time frame given in the Academic calendar. h) Advice students seeking semester drop either during the ongoing semester or before the commencement of the semester. Ensure strict compliance of rules and regulations laid down for this purpose. Recommend the cases to the Dean for consideration. i) Make revised plan of study for weak/bright students based on their semester wise performance. j) Suggest modalities for course/credit requirements for the students recommended for exchange programme. k) Provide guidance and liaison with the parents for their improved performance. l) Ensure that students are not permitted to re-register for courses, which they have already passed. m) Inform students that any academic activity (course/ Laboratory/ seminar/ project/ noncredit requirement etc.) undergone without proper registration will not be counted towards the requirements of his degree. n) Strictly warn students that if he fails to register during any semester without prior approval, his studentship is liable to be cancelled. o) Keep the students updated about the Academic Administration of CBCS system at the University.
17UGLH 4.0	**ATTENDANCE REQUIREMENT**
17UGLH 4.1	Attendance in the class is compulsory and is monitored. The University expects 100% attendance. Each Course is considered as a unit for attendance requirement and, 1) The minimum number of lectures, tutorials, seminars and clinicals which a student shall be required to attend for eligibility to appear at the SEE shall not be less than 70% of the total number of lectures, tutorials, seminars, clinicals, and any other prescribed requirements. 2) If a student obtains less than 70% attendance in any one or more of the courses, he shall not be permitted to appear for the SEE of those courses and he shall re-register for them in subsequent academic semester/s when offered and obtain passing grades, subject to 17UGLH 4.1 (1).

17UGLH 4.2	The basis for the calculation of attendance shall be the period prescribed by the University in its Academic Calendar of events. For the first semester students, the same is reckoned from the date of admission to the programme as per allotment from University.
17UGLH 4.3	The Dean shall inform the students about their attendance position periodically so that the students shall be cautioned to make up the shortage. The Dean shall submit the list of students who have been detained for shortage of attendance by the end of the semester to the Registrar (Evaluation) with a copy to the Registrar. It may be noted that mere omission by Dean to inform the student about the shortage of attendance shall not entitle him/her to appear for examination.
17UGLH4.4	**Temporary Discontinuation of programme:** A student, who wishes to temporarily discontinue the programme and continue subsequently, has to obtain prior permission from the University by applying through the Dean. Such student shall take admission once again to the same semester in the following academic year or later. However, such student shall pay the tuition fee and other fees for the entire academic year; and shall complete the programme as per 17UGLH 10.1.
17UGLH 5.0	**EXAMINATIONS AND EVALUATION**
17UGLH 5.1	1) The evaluation system of the programmes shall include both Continuous Internal Evaluation (CIE) and Semester End Examination (SEE), in all courses except the compulsory clinical courses. 2) CIE and SEE constitute the major evaluations prescribed for each course, with only those students maintaining a minimum standard in CIE are permitted to appear in SEE of the course. 3) CIE and SEE to carry 50% weightage each. 4) The evaluation system of the programme is comprehensive & continuous during the entire period of Semester, both by internal faculty (who is / are teaching the course) & also by the external examiners (who have requisite expertise in the domain / course area). For a course, the evaluation and grading will be on the following parameters:

A	Continuous Internal Evaluation (CIE)	
A1	Continuous and Comprehensive Evaluation (CCE)	30 % marks
A2	Internal Assessment Tests (IAT)	20 % marks
	Total of CIE (A1+A2)	50 % marks
B	Semester End Examination (SEE)	50 % marks
	Total of CIE and SEE (A + B)	100 % marks

17UGLH 5.2	**Continuous Internal Evaluation:** 1) The CIE will carry a maximum of 50% weightage of total marks of a course. Before the start of the Academic session of each semester, a faculty may choose for his course, Internal Assessment Tests and a minimum of three and maximum of four of the following assessment methods with suitable weightage for each. a) Assignments (Individual and/or Group) b) Seminars c) Quizzes d) Group Discussions e) Case studies/Case lets/Case discussions f) Practical orientation on Design Thinking, Creativity & Innovation g) Participatory & Industry-integrated learning h) Practical activities / problem solving exercises i) Class presentations j) Analysis of Industry/Law/Commission Reports k) Reports on Guest Lectures / Webinars / Industrial Visits l) Industrial / Social / Rural projects/Field work m) Participation in Seminars/ Academic Events/Symposia, etc. n) Any other academic activity suitable for the course 2) The faculty will submit the 'CCE Assessment Plan' to the Dean for approval and notify the same along with the course syllabus before the start of semester. The total marks of the above three or more assessment components shall be scaled down to 30% of total marks of the respective course. 3) To assess the students in a course under IAT component, two tests will be conducted in a semester. Each test will be conducted for 20 marks. The average marks obtained in these two tests will be taken as IAT Marks. If a student fails to attend both the IAT on the scheduled date due to any unavoidable circumstances, and produces documentary evidence, the faculty member, upon approval of the Dean, shall conduct one additional test at the end of the semester covering the syllabus of the test for which he was absent. 4) The CIE marks awarded to students at different stages during the course shall be displayed on the notice board of SOLS to enable the students to point out any discrepancies. After due corrections, if any, faculty shall upload the CIE marks in the University's ERP system and a hard copy of the same shall be submitted to the Registrar (Evaluation) of the University duly signed by the concerned faculty and the Dean, before the commencement of semester end examinations.

5) The student shall obtain a minimum of 40% of marks allotted for CIE in a given course to be eligible to appear for the SEE in that course.
6) If a student is unable to secure a minimum of 40% in CIE marks in any course, he shall not be eligible to take up SEE/ viva-voce examination in that particular course. It shall be the responsibility of Dean to scrutinize the list of candidates and permit only the eligible students to take up SEE. In the event of an ineligible student inadvertently being allowed to appear for the theory/viva voce examination, the result of the concerned student shall be withdrawn forthwith.
7) The list of such students, who have not secured the minimum in CIE marks, shall be sent to the Registrar (Evaluation) along with the submission of CIE marks of the successful students.
8) After the submission of CIE marks to the Registrar (Evaluation) of the University, any request for changes in the marks by the Dean shall be considered by the Registrar (Evaluation) only after due approval of the Vice- Chancellor
9) The students not obtaining 40% marks in CIE shall re-register for the course during the subsequent semester.

10) Evaluation of Compulsory Clinical Courses:

The Compulsory Clinical Courses shall have only Continuous Internal Evaluation (CIE) for 100 marks.

a) Drafting, Pleading and Conveyance

The course will be taught class instructions and simulation exercises. The course may include not less than 15 practical exercises in drafting, 15 exercises in conveyancing and a viva voce.

b) Professional Ethics & Professional Accounting system

Assessment of this course shall be made through case-study, periodical problem solution, written tests and Viva Voce.

c) Alternate Dispute Resolution:

The course will be conducted through simulation and case studies. Evaluation of this course shall be made through field visits, case-study, periodical problem solution, written tests and Viva Voce.

d) Moot court exercise and Internship:

This paper may have, Moot Court, Observance of Trial, Interviewing techniques, Pre-trial preparations, Internship diary and Viva Voce.

17UGLH 5.3	**Semester End Examination:** 1) The Semester End Examination for all the courses offered for which students registered during the semester shall be conducted at the end of each semester except when there are no students taking examination for any course as per the scheme of teaching and examinations. 2) Only those students who satisfy the attendance requirement as per 17UGLH 4.1 and CIE requirement as per 17UGLH 5.2 (5) and (6) shall be eligible to appear for SEE of that course. 3) However, in those students, whose SEE results were withdrawn as a penalty for indulging in malpractice or who had satisfactory attendance & required minimum CIE marks but could not appear in the SEE for valid reasons, shall be permitted to carry forward the attendance and CIE marks from that semester and write the SEE when ever held for the same course as offered by the concerned School of Studies. Such students shall seek permission from the Dean and register for the SEE in the beginning of the semester and appear for SEE, on the dates notified by the University. Such students shall complete the course as per the sections 17UGLH 6.0 and 7.0 of the concerned Programme Regulations.
17UGLH 5.4	**Viva Voce Examination:** For a viva-voce examination, there shall be two examiners, one internal and one external. Internal examiner shall be the course teacher and external examiner may be a teacher/ professional who have not taught that course during the given semester at the concerned School and also not in full-time employment with the University. The Vice Chancellor, on recommendation of the Board of Studies, shall appoint all appropriate qualified examiners for any examination. In all the cases, the evaluation shall be made jointly and one consolidated marks be awarded. In the event that the external examiner does not turn up for the examination, the Dean on approval of the Vice Chancellor, may appoint a suitable internal faculty to carry out the examination.
17UGLH 5.5	**Internship Evaluation:** 1) Each student shall keep Internship diary in such form as stipulated by the SOLS and the same shall be evaluated by the Guide in Internship and a Core Faculty member of the staff each time. The total marks shall be assessed in the Clinical course - Moot Court, Observation of Trial & Client Interview, as stipulated in the curriculum. 2) The students shall attend internships assigned by the Internship and placement cell of the SOLS. In case any student opts to do an internship procured on his own, he shall inform the Internship and placement cell in writing well in advance.

17UGLH 5.6	**Academic Malpractice:** Academic malpractices shall be seriously viewed and appropriate action taken. In case of malpractice during any of the examinations like assignments, quizzes, tests, and other CIE components, the matter shall be reported to the Dean for further action. In case of malpractice during SEE, the Invigilator shall report the matter to the Chief Superintend, who in turn refers the matter to the Registrar (Evaluation) for further action.
17UGLH 6.0	**ELIGIBILITY FOR PASSING A COURSE**
17UGLH 6.1	**Award of Grades:** 1) The University adopts absolute grading system wherein the marks are converted to grades, and every semester results will be declared with semester grade point average (SGPA) on successful completion of all courses of that semester. 2) If there is no SEE for a course, then the CIE marks alone will be the basis for the determination of letter grade. 3) Letter Grade Scheme for B.A.,LL.B (Hons) / B.B.A.,LL.B (Hons) & LL.B (3 Years). 4) The total marks obtained by the student in CIE and SEE of a course is expressed as a percentage to compute the grade points and the letter grade is awarded as indicated in the table below:

Classification			
% Marks scored in a course	**Grade Points**	**Letter Grade**	**Level**
≥ 95	10	O	Outstanding
≥ 85 < 95	9	A+	Excellent
≥ 75 < 85	8	A	Very Good
≥ 65 < 75	7	B+	Good
≥ 55 < 65	6	B	Above Average
≥ 45 <55	5	C	Average
≥ 40 <45	4	P	Fair
< 40	0	F - RA	Reappear
	0	F - RR	Re-register

17UGLH 6.2

Other Letter Grades:

The letter grades specified in 17UGLH 6.1 are used as student performance measures in all kinds of assessments.

However, the following letter grades are also awarded under the circumstances defined below (Letter Grade: Grade Point - Circumstances).

1) F-RR: 0 - Not eligible to appear for the SEE of a course due to attendance being less than 75% and / or CIE being below 40%.
   To re-register for the course and appear for the SEE in the subsequent semester when it is being offered by the School of Studies.
   (In case of electives, course change within the group is permitted)
2) AU: 0 - Satisfactory in an Audit course
3) W: No credits – Dropped/ withdrawn (W is not a grade but only a place holder indicating that the course has been dropped/withdrawn and it has to be cleared in subsequent semesters in case it is a core subject).

17UGLH 6.3

Passing a Course:

For pass in a course, the student shall secure a minimum of 40% of marks prescribed for that course in CIE and 40 % in SEE or viva voce examinations. However, aggregate marks combining both CIE and SEE or viva voce should not be less than 40% under any circumstances. That is, Minimum passing grade in a course (head of passing) is P.

17UGLH 6.4

Condition for Re-Registering a Course:

1) Students who do not satisfy the condition of 17UGBD 6.3 shall be deemed to have failed and will be awarded either 'F-RR' or 'F-RA' Grade.
2) Students who were not eligible to take up the Semester End Examination (SEE) of any semester shall be deemed to have failed and will be awarded 'F-RR' Grade and are required to re-register for the course in subsequent odd/even semesters respectively.

	3) Students who were eligible to take up Semester End Examination but have not cleared the regular Semester End Examination (SEE) shall be deemed to have failed and will be awarded 'F-RA' Grade and are required only to re-register for the Semester End Examination during the subsequent odd/even semester respectively.
17UGLH 7.0	**PROGRESSION TO HIGHER SEMESTERS**
17UGLH 7.1	1) A theory, stand-alone clinical or theory with clinical shall be treated as a head of passing. 2) The Mandatory Graduate Requirement Non–credit courses (GR) shall not be considered for progression to higher semesters, award of Class, and calculation of SGPA and CGPA. However, competition of these courses is mandatory for award of the Degree. 3) There shall be no restriction for progression from odd semester to an even semester in an academic year. 4) A student shall complete a minimum of 25% of all the credits offered till 4th semester, as per the Scheme of Teaching and Evaluation, to register for the courses of 5th semester. 5) Furthermore, a student shall complete a minimum of 25% of all the credits offered till 8th semester to register for the courses of 9th semester.
17UGLH 8.0	**PASSING STANDARDS AND CLASS DECLARATION**
17UGLH 8.1	**Computation of SGPA and CGPA:** 1) Semester Grade Point Average (SGPA) will be awarded at the end of each Semester and Cumulative Grade Point Average (CGPA) will be awarded at the end of the programme. However, CGPA is calculated at the end of each semester from the second semester onwards and reflected in the grade certificate for indicating the progress of the student. 2) Each course in a programme is associated with number ofcredits (C). Based on the number of Credits for a course and obtained Grade Point (GP) for that course in a Semester, the GPA is calculated as given below: a) The SGPA is the ratio of sum of the product of the number of credits with the grade points secured by a student in all the courses taken by him and the sum of the number of credits of all the courses undergone by a student, i.e., $SGPA = \sum (C_i \times G_i) / \sum C_i$ Where C_i is the number of credits of the ith course and G_i is the grade point scored by the student in the ith course.

	b) The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme, i.e., $CGPA = \sum (C_n \times S_n) / \sum C_n$ Where S_n is the SGPA of the nth semester and C_n is the total number of credits in that semester. Finally the SGPA and CGPA shall be rounded off to 2 decimal places.
17UGLH 8.2	**Passing Standards:** 1) A student shall be declared successful or 'passed' in a Semester, only when he gets a minimum SGPA of 4.00 with grade point of 4 or better in every registered course. 2) A student shall be declared successful or 'passed' in the entire Under Graduate programme, only when he gets a minimum CGPA of 4.00 and has completed all the graduate requirement courses as mandated in the scheme of teaching and evaluation.
17UGLH 8.3	**1) Conversion of Grade and Percentage of Marks:** Conversion formula for the conversion of CGPA into Percentage is: Percentage of marks scored, P = [CGPA earned] x 10 **2) Class Declaration:** After the conversion of final CGPA into Percentage of Marks (PM), a graduating student is declared to have passed in a) First Class with Distinction (FCD): PM ≥ 75% (In First Attempt) b) First Class (FC): 60% ≤ PM < 75 % c) Second Class (SC): 50% ≤ PM < 60% d) Pass Class (P): 40% ≤ PM < 50%
17UGLH 8.4	**Grade Cards, Certificates and Transcripts:** 1) **Grade Cards:** After the completion of each semester, a Grade Card shall be issued to all the registered students of that semester, indicating the Course Code, Title, Number of Credits, Letter Grade awarded and Credits earned, for all the Courses as specified in the scheme of teaching and evaluation. This may have F -RA or F-RR grades awarded to the student. 2) Grade Certificate: On successful completion of all courses/earning credits, specified in a semester, the grade certificate is issued indicating the course details along with SGPA of that semester and also CGPA earned till that semester. 3) **Transcripts:** Transcript is the consolidated statement of the Academic Performance of a student for all the semesters since joining the programme and is given to a student on successful completion of the programme along with the degree certificate.

	a) For those students who have taken multiple attempts to clear a course, the transcript given on successful completion of the programme will only contain earned pass grade (O to P and AU); the courses cleared subsequently will however be shown in the respective semester with Month and Year in which the student has finally cleared the course. The transcript will show only the overall CGPA based on all the courses taken by the student. Additional courses will be shown separately, indicating the grade earned by the student. Additional copies of the transcript can be obtained if needed, on request submitted along with payment of applicable fee. b) Students who have not yet completed the programme can obtain an Interim Transcript, at the end of any semester, if needed, on request and upon payment of applicable fee. The Interim Transcript includes failed courses, which have not been cleared at the time of issue.
17UGLH 9.0	**ELIGIBILITY FOR THE AWARD OF DEGREE, PRIZES, MEDALS AND RANKS**
17UGLH 9.1	**Minimum Credit Requirement:** 1) A student shall obtain a total of at least 120 credits as specified by the University along with satisfying the passing standards as per 17UGLH 8.2 to be eligible for the award of LL.B. degree. 2) A student shall obtain a total of at least 208 credits as specified by the University along with satisfying the passing standards as per 17UGLH 8.2 to be eligible for the award of B.A.,LL.B. (Hons) / B.B.A.,LL.B. (Hons) / degrees.
17UGLH 9.2	For the award of Prizes and Medals, the conditions stipulated by the Donor/University may be considered subject to the provisions of the statutes framed by the University for such awards from time to time.
17UGLH 9.3	For award of ranks in a programme, a minimum of 10 students should have appeared in the final semester examination. The total number of ranks awarded shall be 10% of total number of students appeared in the final semester or 10 whichever is lesser.
17UGLH 9.4	A Student shall be eligible for a rank at the time of award of the degree, provided the student has passed in all the courses from 1st to 6th/10th semester in first attempt.
17UGLH 9.5	For award of Rank in the degree, the CGPA secured by the student from 1st to 6th/10th semester shall be considered, provided 17BSET 9.4 is satisfied.
17UGLH 9.6	If two students get the same CGPA, the tie should be resolved by considering the number of times a student has obtained higher SGPA. But, if it is not resolved even at this stage, the number of times a student has obtained higher grades like O, A+, A, B+, B, C, and P etc., shall be taken into account in Rank ordering of the students.

17UGLH 10.0	**MAXIMUM DURATION FOR PROGRAMME COMPLETION**
17UGLH 10.1	The students of LL.B. shall complete the programme within a period of six academic years from the date of admission to the programme, failing which he has to discontinue the programme. The students of B.A.,LL.B. (Hons) & B.B.A.,LL.B. (Hons) shall complete the programme within a period of ten academic years from the date of admission to the program, failing which he has to discontinue the programme.
17UGLH 11.0	**TRANSFER OF STUDENTS**
17UGLH 11.1	Transfer of students from another University is permitted only at the beginning of odd semesters, subject to availability of seats within the permitted intake and subject to the prior approval of the Vice Chancellor of the University. Such students should have passed in all courses of 1st and 2nd semesters for admission to 3rd semester and all the courses of 1st to 4th semesters for admission to 5th semester, 1st to 6th semesters for admission to 7th semester, 1st to 8th semester for admission to 9th semester.
17UGLH 11.2	The students seeking admission shall have to: 1) Apply for establishment of equivalence with prescribed fees as notified by the University, and 2) Submit No Objection for admission from the migrating University before commencement of semester as notified by the University. 3) The University may prescribe fee for administrative purpose (for updating of the records), which shall be notified from time to time, for transfer.
17UGLH 12.0	**MISCELLANEOUS**
17UGLH 12.1	The academic regulations should be read as a whole for the purpose of any interpretation.
17UGLH 12.2	Wherever the words “he”, “him”, “his” occur in the regulations, they include “she”, “her”, “hers”.
17UGLH 12.3	In case of any doubt or ambiguity in the interpretation of the rules mentioned in the regulations, the decision of the Vice-Chancellor shall be final.
17UGLH 12.4	The University may change or amend the regulations and/ or curriculum at any time, and the changes or amendments made shall be applicable to all the students with effect from the date notified by the University.
17UGLH 12.5	These regulations governing the B.A.,LL.B. (Hons) / B.B.A.,LL.B. (Hons) / LL.B. degrees of the University may be modified from time to time with the approval of statutory bodies of the University and shall be binding on all.

REGULATIONS GOVERNING UNDER GRADUATE BACHELOR DEGREE PROGRAMMES [BA, BBA, BBA (BA), BBA (DM), B.Com., B. Com.-IAF, B. Com.- CA Integrated, B. Com.- Industry Integrated / BCA, BCA (CC), BCA (DS), BCA (GD) and B.Sc. (Film Making / Photography / Sound Engineering / Visual Effects and Animations / Game Art & Design).]

DEFINITION OF KEY WORDS:

1. **Academic Year:** Two consecutive semesters (one odd followed by one even) constitute one academic year.
2. **Audit Courses:** Courses, outside the prescribed range of credits required for the degree, the students can register if interested to supplement their knowledge/ skills.
3. **Choice Based Credit System (CBCS):** The CBCS provides choice for students to select from the prescribed set of courses viz. Core courses, Elective courses, Discipline specific electives, Ability enhancement courses and Skill enhancement courses.
4. **Course:** Referred to as 'papers', is a component of a programme, with defined learning objectives, outcomes and number of credits. A course may be designed to comprise lectures/ assignments/ tutorials/ laboratory work/ field work/ outreach activities/ project work/ self-study/ vocational training/ viva/ seminars/ term papers/ presentations/ quiz etc. or a combination of these as defined in the Scheme of Teaching. The course credits vary depending on the required teaching-learning hours to accomplish the learning outcomes, specified in the course syllabus.
5. **Credit:** A unit by which the course work is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one hour of lecture or two hours of tutorial/ practical work/ field work per week.
6. **Credit Based Semester System (CBSS):** Under CBSS, the requirement for awarding a degree or diploma or certificate is prescribed in terms of number of credits to be earned by the students.
7. **Credit Point:** It is the product of grade point and number of credits for a course.
8. **Cumulative Grade Point Average (CGPA):** It is a measure of overall cumulative performance of a student over all semesters. The CGPA is the ratio of total credit points earned by a student in various courses in all semesters and the sum of the total credits of all courses in all the semesters. It is expressed up to two decimal places. However, the CGPA may be calculated from second semester onwards to facilitate students to know their academic progress.
9. **Dean:** Dean of the concerned School of Studies of the University.
10. **First Attempt:** If a student has completed all formalities and become eligible to attend examinations and has attended at least one head of passing, such attempt (first sitting) shall be considered as first attempt.

11. **Grade Point:** It is a numerical weightage allotted to each letter grade on a 10-point scale.
12. **Letter Grade:** An index of the performance of students in a said course. Grades are denoted by letters.
13. **Passing Standards:** A student is passing a Course only when getting GP greater than or equal to 04 (P Grade). A student is declared successful at the Semester-end or Programme-end only when getting SGPA or CGPA equal to or greater than 4.00 respectively, with none of the Courses registered in a Semester(s) having either F-RA or F-RR Grade.
14. **Programme:** A planned series of events/activities comprising of a combination of courses leading to the award of the degree of BA, BBA, BBA (BA), BBA (DM), B.Com., B. Com.-IAF, B. Com.- CA Integrated, B. Com.- Industry Integrated / BCA, BCA (CC), BCA (DS), BCA (GD) and B.Sc. (Film Making / Photography / Sound Engineering / Visual Effects and Animations / Game Art & Design).]
15. **Programme Council:** The committee consisting of the Director of the programme, HOD and the concerned faculty members from each cadre.
16. **Semester**: Each semester will consist of 15 to 18 weeks of academic work equivalent to about 90 teaching days. The odd semester may be scheduled from July to November/ December and even semester from December to April/ May, or as may be declared by the University.
17. **Semester Grade Point Average (SGPA):** It is a measure of academic performance of student in a semester. It is the ratio of total credit points secured by a student in various courses registered in a semester and the total course credits taken during that semester. It shall be expressed up to two decimal places.
18. **SOEC:** School of Economics and Commerce of the University.
19. **SOM:** School of Management of the University
20. **SOSSH:** School of Social Sciences and Humanities of the University
21. **SOSS:** School of Science Studies of the University.
22. **Transcript, Grade Certificate and Grade Card:** Grade card shall be issued to candidates indicating the programme details (Course code, title, number of credits, grade secured and grade points) for all the registered courses after every semester. On successful completion of all courses/earning credits, specified in a semester, the grade certificate is issued indicating the programme details along with SGPA of that semester and CGPA earned till that semester. Transcripts to the successful candidates shall be issued after completion of the programme.
23. **University:** CMR University, Bangalore.

REGULATIONS

17UGBD 1.0	TITLE AND DURATION OF THE PROGRAMME
17UGBD 1.1	The Under Graduate Programmes covered under these Regulations are: 1) Bachelor of Arts, abbreviated as B.A. 2) Bachelor of Business Administration, abbreviated as B.B.A. 3) Bachelor of Business Administration (Business Analytics), abbreviated as B.B.A. (BA) 4) Bachelor of Business Administration (Digital Marketing), abbreviated as B.B.A. (DM) 5) Bachelor of Commerce, abbreviated as B. Com. 6) Bachelor of Commerce with specialization in International Accounting and Finance, abbreviated as B. Com. (IAF) 7) Bachelor of Commerce with specialization in CA Integrated as B. Com. (CA Integrated) 8) Bachelor of Commerce with specialization in Industry Integrated as B. Com. (Industry Integrated) 9) Bachelor of Computer Applications abbreviated as BCA 10) Bachelor of Computer Applications (Cloud Computing) abbreviated as BCA (CC) 11) Bachelor of Computer Applications (Data Science) abbreviated as BCA (DS) 12) Bachelor of Computer Applications (Game Development) abbreviated as BCA (GD) 13) Bachelor of Science in Film Making/ Photography/ Sound Engineering/ Visual Effects & Animation / Game Art and Design, abbreviated as B.Sc. (Film Making), B.Sc. (Photography), B.Sc. (Sound Engineering), B.Sc. (Visual Effects and Animations) and B.Sc. (Game Art & Design) respectively.
17UGBD 1.2	The programme shall be of three academic years duration and organized in six semesters, with each semester having duration of about 15 to 18 weeks.
17UGBD 1.3	The annual Academic Calendar of events in respect of the Programme of study approved by the Academic Council, shall be notified at least a month before the commencement of each academic year. It is mandatory for students, faculty members and all concerned to strictly adhere to the Academic Calendar for completion of academic activities. Academic Calendar shall be displayed on the homepage of the University website.

17UGBD 2.0	**ELIGIBILITY FOR ADMISSION**
17UGBD 2.1	The rules specified in the following clauses shall be followed, but the orders issued from the Government/ the regulatory bodies from time to time shall prevail.
17UGBD 2.2	1) A candidate shall be eligible for admission to a first degree programme in any of the faculties if he has successfully passed the examination conducted by a Board/ University at the +2 level of schooling (either through formal schooling for 12 years, or through open school system) or its equivalent. 2) For the prerequisite qualification earned from foreign Universities, equivalence as notified by the Association of Indian Universities from time to time is mandatory. 3) However, in case if no prior equivalence has been established by any other recognized bodies, the decision of the Equivalence Committee of the University shall be final in establishing the eligibility of the candidate.
17UGBD 2.3	1) In addition to 17UGBD2.2, the applicants for B.Com. (IAF) and B.Com. (CA Integrated) shall have, an aggregate of 50% marks or above in the qualifying examination. 2) For admission to B.Sc. programmes, applicants having basic Computing and Information Technology (IT) skills will be given preference. 3) The admission shall be made on merit on the basis of criteria notified by the University, keeping in view the guidelines/norms in this regard issued by the UGC and other statutory bodies concerned. 4) Applicants belonging to SC/ST and OBC from Karnataka are provided admission based on the reservation policy as notified by the Government of Karnataka. From time to time 5) Further, the applicant shall have studied and passed English as one of the subjects at eligibility qualification level.
17UGBD 2.4	**Lateral Entry Admissions:** Depending upon the academic and physical facilities available in the institutions, the university may admit a certain number of students directly to the second year of a first degree programme, if the student has either 1) Successfully completed the first year of the same programme in another recognized Institution, or 2) Already successfully completed first degrees programme and desirous of and academically capable of pursuing another first-degree programme in an allied subject.

17UGBD 3.0	CHOICE BASED CREDIT SYSTEM AND ACADEMIC PROCESS
17UGBD 3.1	**Odd & Even Semesters and Summer Term:** The University follows the Choice Based Credit System and the Semester Scheme. There are two regular semesters and one additional semester in an academic year. The semester that begins in July (July to November/ December) is known as the Odd Semester and the semester that begins in December (December to April/ May) is known as the Even Semester. During the summer vacation (May/June to July), the Summer term may be conducted to offer courses as per 17UGBD 3.2.
17UGBD 3.2	**Summer Term:** The summer term is additional semester that is conducted during an academic year. However, during a summer semester, a limited number of courses may be offered to enable the students to clear their backlog courses (F-RR) and/or register for additional regular credit courses on audit basis, subject to strict adherence to the following guidelines: 1) The Program Council shall identify the courses to be offered along with the Course Instructor and recommend offering of such summer course (s) to the Dean for consideration. The identified faculty members shall offer the courses only on approval by the Dean. 2) The course is offered in the same manner as a regular semester course without compromising the course requirements in terms of knowledge delivery, course work, assessment and evaluation. The University shall notify the fee payable by the students for the summer semester courses. 3) The duration of the course is six to eight weeks. The registration, examination, assessment and grading etc. are done in the same way as is done for regular semester courses. The total number of contact hours for the courses remains the same as that during the regular semesters, and therefore, the courses are run at an accelerated pace. The Academic Calendar in this connection shall be strictly followed. 4) The dropping of a Summer Course is permitted within 7 days from the first lecture of the course. However, the registration fee paid for the course is not refundable. 5) Time slots will be assigned and notified by the Dean as done for the regular semester courses. 6) A notified summer course can be withdrawn if the number of students registered for the course is less than five. 7) A student can register up to a maximum of 12 credits or 3 courses in any summer semester, depending on his academic standing. 8) Courses offered in a summer semester will be treated as equivalent to a regular semester courses for all accounting purposes.

17UGBD 3.3	**Curriculum:** 1) Every Programme has a prescribed course structure which, in general terms, is known as the Curriculum or the Courses of Study or the Scheme of Teaching and Evaluation. It prescribes all the courses/ laboratory/ other requirements for the degree and sets out the nominal sequence semester wise. It also provides the syllabus and a list of text/ reference books (or other learning material sources) for each course. 2) The University shall not only lay down the syllabus for each course, but also the manner of its implementation, namely, through lectures, tutorials, laboratory sessions, seminars, field work, projects and such other activities. 3) The Courses of Study details are updated every semester and are made available at the respective School page of the University website: http://www.cmr.edu.in/. 4) Curriculum may also include SWAYAM or Massive Open Online Courses (MOOCs), offered by premier Institutions worldwide. However, selection of SWAYAM or MOOCs, if any, shall always be within prescribed guidelines of the relevant regulatory bodies.
17UGBD 3.4	**Course Credit Structure:** 1) A certain quantum of academic work, measured in terms of credits, is laid down as the requirement for completion of degree in the different programme and the available specialization areas. A student earns credits by satisfactorily completing courses/ other academic activities every semester. 2) The credits are distributed semester wise, as prescribed in the Scheme of Teaching and Evaluation for each of the programmes. The courses generally progress in sequences, building competencies as per the course learning outcomes. The positioning of a course indicates certain academic maturity on the part of the students. 3) Some courses do, in addition, specify passing in other courses, offered earlier in the programmes, as prerequisites for the course. 4) Students are required to follow the semester wise schedule of courses specified in Scheme of Teaching and Evaluation; they do, however, have freedom to follow alternative schedules to optimize their academic profile with additional courses, keeping the requirements for each course in mind. For students with backlog courses, such rescheduling may even become necessary. Such departures from suggested schedules need to be done very carefully, and always with advice from the Faculty Adviser.

17UGBD 3.5	**Courses:** There will be following types of courses in a programme, namely: 1) Core Course: A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course. 2) Elective Course: Generally a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course. a) Discipline Specific Elective (DSE) Course: Elective courses may be offered by the main discipline/ subject of study is referred to as Discipline Specific Elective. The University may also offer discipline related Elective courses of interdisciplinary nature (to be offered by main discipline/subject of study). b) Generic Elective (GE) Course: An elective course chosen generally from an unrelated discipline/subject, with an intention to seek exposure is called a Generic Elective. P.S.: A core course offered in a discipline/subject may be treated as an elective by other discipline/subject and vice versa and such electives may also be referred to as Generic Elective. 3) Ability Enhancement Courses (AEC): The Ability Enhancement (AE) Courses may be of two kinds: Ability Enhancement Compulsory Courses (AECC) and Skill Enhancement Courses (SEC). a. Ability Enhancement Compulsory Courses (AECC): Environmental Science, English Communication/MIL Communication. b. Skill Enhancement Courses (SEC): These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge. 4) Dissertation/Project: An elective course designed to acquire special/advanced knowledge, such as supplement study/support study to a project work, and a candidate studies such a course on his own with an advisory support by a teacher/faculty member is called dissertation/project. 5) Graduate Requirement (GR) Courses: These are courses on peripheral subjects in a programme, wherein completion of the course is considered mandatory to qualify for the award of the Degree. **P.S.:** A core course offered in a discipline/subject may be treated as an elective by other discipline/subject and vice versa and such electives may also be referred to as a Generic Elective.

The Courses of the UG Programmes are further classified as follows:

1) **Program Core (Credit Courses):** Each academic programme is divided into Program Core or Common core courses which are further divided into mandatory and choice segments, with levels within them.

   The Program Core courses are broadly categorized into Foundation, Electives and Interdisciplinary.

   Foundation, Elective and interdisciplinary courses are discipline specific or allied to the program. Foundation courses are mandatory courses that are offered through the period of study of the program. Foundation courses are offered as fundamental, intermediate and advanced courses based on the prerequisite and difficulty level (100 Level / 200 Level / 300 Level etc.) of the course. Elective courses are a basket of courses from which the student gets to choose. Elective courses are either specialization courses or generic courses. Elective courses include mini projects, dissertations, internships and capstone projects. Students also have the option to choose from a set of interdisciplinary courses which are varied from their discipline and offered by other Schools of Studies of the University.

   Mandatory segments are those which lay a firm foundation of the knowledge required to complete a programme in the chosen domain, ending with a multifaceted assignment that serves as a culminating academic and intellectual experience for students, typically during their final year.

   Choice segments are those which a student could opt for to specialize further and / or to improve their interdisciplinary skills.

   All segments carry credits, and the students are expected to earn the minimum number of credits in their coursework towards program core to earn the degree.

2) **Common Core (Credit Courses):** Common Core Curriculum (CCC) courses are to be pursued by all students of the University regardless of their School of Study. It also encourages students to explore themselves and issues of fundamental importance to society through the Common Core Curriculum (CCC) courses. Students are expected to earn a certain specified number of credits in their coursework towards the Common Core Curriculum (CCC), during their academic programmes. While some courses are in workshop mode, which can be completed over a few days at a stretch, there are other courses which are offered for a specific number of hours per week throughout a semester.

Students take these courses planned for each academic programme, over multiple semesters. Credits range from 1 to 4, which are directly proportional to the number of hours required to complete a course. There are both 'mandatory' and 'choice' courses, with levels within them.

3) **Common Core (Non-credit Courses / Engagement) - Graduate Requirement (GR):** Engagements for this category do not carry any credit(s) but are mandatory for the students to complete them within the duration of the programme, to be considered eligible to graduate (or) earn the degree. These shall be:

   a) **Courses** embedded in the academic programme, where the students must ensure that they attend a minimum attendance percentage.

   b) **Community Service Program** are activities implemented under the Common Core Curriculum Community Service Program (CCC CSP) in which the students have to complete a minimum number of volunteering hours in a semester by rendering services to the society and submit a Reflection Record (RRD) for every volunteering activity completed. In case of a student not having completed the minimum number of volunteering hours in a semester, the shortage in number of hours is to be completed in the subsequent semester(s). However, the student has to complete the mandated total number of volunteering hours within the duration of the programme and submit a Reflection Record (RRD) for every volunteering activity completed.

4) **Advanced Course:** Courses that involve higher and more complex levels of knowledge and understanding than introductory or foundational learning. It means the student has attained a level of knowledge and understanding of a particular area or topic that goes beyond basic terminology and definitions and is ready to be involved in Analysis, Synthesis and Evaluation of information related to a specific topic or area of learning.

5) **Prerequisite course:** Course or other requirement that a student must have taken prior to enrolling in a specific course. Students might or might not have a choice of prerequisites to complete.

Courses under various categories can be further classified as:

- **100 Level Courses**: These courses offer an introduction to a subject area and are designed for students in the first year of study. These courses have no prerequisites and are generally courses defining basic concepts or presenting the terminology of a discipline

	• **200 Level Courses**: These courses are built on previous units and are normally taken in the second year or later; they may also be available to students with advanced prior knowledge. They are Courses of intermediate college-level difficulty; courses with 100-level course(s) as prerequisite(s) • **300 Level Courses**: These courses are usually taken in third year or later, after 200-level study in the area. They may also be available to students with advanced prior knowledge. They are courses of advanced college-level difficulty offered for students clearly interested in the discipline or in any stream of the discipline • **400 Level Courses**: These units of study are advanced courses and are normally taken in the third year or later as the final elements of a three year or four year degree or an integrated degree. The level indicates that the student will be demonstrating coherence and breadth or depth of knowledge and skills. The student may need to have completed a prerequisite course to study a 400 level course. • **500 Level Courses:** These are foundation level courses for higher education qualifications, usually taken in the first year of the masters or postgraduate degree programmes. These are courses meant for students aspiring to specialise in a discipline and would have prerequisites to study a course at this level, which would have been covered in the core curriculum at the bachelor's degree programme in the same discipline. • **600 Level Courses:** These courses are usually opted for at the second year of the masters or postgraduate degree programmes, which enhance the learning experience of the previous units. The difficulty level is clearly higher and the student is expected to demonstrate a certain level of proficiency and competence in grasping and interpreting the knowledge gained in the discipline at this level. • **700 Level Courses:** The courses prescribed at this level serve as a culminating academic and intellectual experience for students, and are usually taken towards the final semesters of the masters or postgraduate degree programmes where they acquire the skills and knowledge to analyse, evaluate, and solve challenges akin to those faced in real life situations, resulting in achieving mastery in the discipline.

17UGBD 3.6	**Seminars:** Some Programmes may prescribe Seminar as a requirement for the degree. Seminar may be an assessment component or a course itself wherein the student is expected to do an in-depth study in a specialized area under the guidance of a faculty member. This may include surveying published technical literature, understanding different aspects of the problem and arriving at a status report. While doing a seminar, the student is expected to: critically analyze works of various authors/ researchers; learn the investigation methodologies, study concepts, techniques and the results presented in these papers; and submit a seminar report. It is mandatory to give a seminar presentation before a panel constituted for the purpose. Seminars typically carry 1 to 2 credits.
17UGBD 3.7	**Project Work/Dissertation and Summer Internship Program (SIP):** Project work/Dissertation and/or SIP is considered as a special course involving application of knowledge in solving / analyzing /exploring a real life situation/ difficult problem. A Project/Dissertation work may be given in lieu of a discipline specific elective paper. Summer Internship Program, wherever needed, may be introduced as a (or a part of) Project.
17UGBD 3.8	**Audit Courses:** A student desirous of additional exposure to a course, without the rigors of obtaining a good grade, 'audits' a course. The minimum requirement of attendance for an 'Audit Course' is 75%, with any additional requirements as set by the instructor such as submission of assignments and minimum performance in some of the in-semester evaluations. Auditing of courses during regular semesters from 3rd semester onwards is permitted under the following conditions: 1) Students with CGPA> 6.0 will be permitted to 'Audit' a course. A course can be audited provided the course is offered in the semester as a credit course for others, and there is no slot clash. Prior permission of the Instructor is required. 2) Audit courses would be restricted to a maximum of two (2) courses per student in the entire period of the programme. 3) The instructor would award the 'AU' grade, if the attendance is satisfactory and additional requirements, as set out by the instructor, are met. If the attendance and performance is not satisfactory, the instructor will award 'No Grade'. The grade 'AU' does not carry any grade points and therefore does not figure in SGPA/ CGPA calculations. 4) The course successfully completed in Audit mode will be reflected in the Semester Grade Card, Grade Certificate and the Transcript as Audit Course.

17UGBD 3.9	**Registration:** It is mandatory for every student to register for a semester to attend various courses/ earn credits, using the prescribed Course Registration Form (CRF), till he completes his programme. The registration shall be completed on or before the prescribed last date for registration announced in the academic calendar. 1) On joining the Programme, each student is assigned to a Faculty Adviser or an Advisory group. A student shall register for required courses each semester with prior permission of the Faculty Adviser. 2) The student can register for courses he intends to take during a given semester (including courses in summer semester) on the basis of his plan for each Programme, as given in the Scheme of Teaching and Evaluation and as per the advice given by his Faculty Adviser. 3) The Faculty Adviser is expected to discuss with the student his academic performance during the previous semesters and then decide the number and nature of the courses for which the student can register during the semester within the framework of the Regulations. 4) The Faculty Adviser may advise the student to drop one or more courses/activities based on his academic performance. The Faculty Adviser may even advise a reduced load program over several semesters for students with poor performance at the end of the first semester/year. 5) Students are not permitted to reregister for course/(s), which they have already passed. 6) The registration is deemed to be complete only on approval by the Dean. 7) Without registration, any academic activity (course/seminar etc.) undergone by a student will not be counted towards the requirements of his degree. 8) Students having outstanding dues to the University or a hostel shall not be permitted to register.
17UGBD 3.10	**1) Procedure for Registration:** The procedure involves the following steps: a) A student is required to register for all the courses listed in the curriculum for the first semester. b) The students shall decide on the courses to be registered during the ensuing semester immediately after their SEE examinations as per the advise of their Faculty Advisor. c) They shall submit a print out of the completed CRF, duly attested by the faculty advisor to the Dean through the departmental office within the date notified by the University for registration.

	d) Every student from II semester onwards is required to register for a minimum of 16 credits and a maximum of 34 credits. However, Honors degree students can register for a minimum of 20 credits and a maximum of 38 credits. **2) Registration for second and subsequent semesters:** a) From second semester onwards, registration is dependent on the academic standing of the student. A student with a low academic standing registers for the academic load specified by the Faculty Adviser. In addition he may add one more course (3-5 credits) towards additional learning or to clear backlog courses, without this being considered an overload. b) Students with average academic standing are advised not to attempt full load. Faculty Advisers after careful scrutiny will advise reduced loads depending on previous performance. **3) Late Registration:** Registration beyond the last date may be permitted only in special cases till the date specified in the Academic Calendar, on payment of a late registration fee.
17UGBD 3.11	**Registration for Graduate Requirement (GR) Courses:** Graduate Requirement (GR) courses which are mandatory Non-credit courses are treated as complete or incomplete subject to the fulfillment of the minimum requirements of these courses and a minimum of 75% attendance. The award of degree is subject to successful completion of these courses. Formal registration for these courses shall be done along with other courses, at the beginning of the semesters. Not satisfying the minimum requirements of the course will result in a F-RR grade and the student has to re- register for the course when offered next. This requirement must be completed before the end of the Programme.
17UGBD 3.12	**Registration for Summer Semester Courses** Students are permitted to register for courses during summer semester under the regulation specified by 17UGBD 3.2, on payment of prescribed registration and course fees.
17UGBD 3.13	**Course Adjustment/Dropping of Courses:** 1) The Academic Calendar sets a date, normally two weeks after the commencement of the semester, for Course Adjustment. On or before this date, a student is permitted to make adjustments in his academic load by addition or deletion of one or more courses, projects etc., provided that the total credits do not exceed 34 or fall below 16 for regular programs while for the Honors Program the total credits do not exceed 38 or fall below 20, by such adjustments. Course adjustment has to be

	done in consultation with the Faculty Adviser. When the need for course adjustment through addition, substitution or dropping of course/s arises, the student without any backlog should do online course adjustment and students with backlog course/s should do it manually by filling a Course Adjustment Form (CAF). CAF has to be signed by both the student and the Faculty Adviser and the same is to be submitted to the Dean. 2) If in the second or any of the subsequent semesters, a student finds his academic load too heavy, he may drop one or two courses out of the registered ones on advice from the Faculty Adviser, provided the minimum credit requirements is fulfilled. The last date for doing this is within 10 days after the end of the first test, or as specified in the Academic Calendar. 3) Course/s dropped by a student may be taken during a subsequent semester including the summer semester, if offered. 4) The minimum number of students to be registered for an Elective to be offered shall be not less than ten, or as decided by the University.
17UGBD 3.14	**Course substitution:** In case a student obtains P grades or drops courses due to a valid reason or fails in a course, he may like to substitute courses in order to complete the course requirements within the stipulated duration. Following are the guidelines for course substitution: 1) Course substitution is not permitted for Core Courses. The student has to reregister for the same courses and complete them. 2) An elective course may be substituted by another elective course from the same group.
17UGBD3.15	**Dropping of a Semester:** 1) A student may opt or be advised to drop an entire semester, with prior approval of School Council due to the following reasons: a) A student may seek a semester drop, due to severe personal health problem, unavoidable family commitments or other valid reasons beyond his control, on advice from the Faculty Adviser, prior to the commencement of the semester itself. b) During a registered semester, if a student finds that he is unable to cope up with the studies and/or does not have sufficient exposure to most of the courses registered in that semester due to severe health problem or some other valid reasons beyond his control, he can opt to drop the entire semester, on advice from the Faculty Adviser. 2) In all cases of severe health problems, medical certificate issued by a University recognized Medical Practitioner is essential. In all other cases, requests for dropping the semester should be accompanied by supporting documents as required.

	3) Such break from studies is normally not permitted for a continuous period in excess of one year. 4) Not registering for any semester before the last date for registration without prior approval of the Dean will result in automatic dropping of semester leading to temporary discontinuation of the programme. 5) The credits of the dropped semester shall be earned subsequently by registering to the courses specified in the Scheme of Teaching and Evaluation or equivalent courses when offered next.
17UGBD3.16	**1) Faculty Adviser:** On joining the University, a student or a group of students' is/are assigned to a Faculty Adviser from the concerned programme. Students are advised to consult the Faculty Adviser on any matter relating to their academic performance and the courses they may take in various semesters/ summer semesters. Faculty Adviser guides the students to complete their courses of study for the required degree in a smooth and satisfactory manner. **2) Role of the Faculty Adviser:** The Faculty Adviser guides the students to complete their courses of study for the required degree in a smooth and satisfactory manner. For effective utilization of the opportunities for additional academic accomplishments, planning of the individual's academic progress needs careful consideration, and constant consultation with the Faculty Advisers is imperative. Thus, the role of the Faculty Adviser is of immense importance. The Faculty Adviser is the person whom the parents/ guardians should contact for performance related issues of their ward. The Faculty Advisor shall, a) Guide the students about the rules and regulations governing the courses of study for a particular degree. b) Advise the students for registering courses as per prescribed curriculum or otherwise but within the scope of the rules and regulations prescribed by the University from time to time. For this purpose the Faculty Adviser has to discuss with the student his academic performance during the previous semester and then decide the number and nature of the courses for which he can register during the semester. c) Approve the CRF by attesting same, before the prescribed last date. d) Advice students to overload/ drop one or more courses/ activities based on his academic performance. e) At the end of the first semester/ year, may even advise a reduced load programme for a poorly performing student. This reduced load programme may spread over several semesters subject to minimum load for the semester and completion of the degree programme within the prescribed maximum period by

	registering in summer terms. Such reduced load programme is to be prepared by the Faculty Adviser in consultation with the Student and his parent and the Faculty Adviser has to recommend the same through the Programme Council to the Dean for consideration and approval before the commencement of the semester. f) Pay special attention to weak students and carefully monitor performance of students recommended for slow track option. g) Advice students for Course Adjustment/ Dropping of courses during the Semester within the stipulated time frame given in the Academic calendar. h) Advice students seeking semester drop either during the ongoing semester or before the commencement of the semester. Ensure strict compliance of rules and regulations laid down for this purpose. Recommend the cases to the Dean for consideration. i) Make revised plan of study for weak/bright students based on their semester wise performance. j) Suggest modalities for course/credit requirements for the students recommended for exchange programme. k) Provide guidance and liaison with the parents for their improved performance. l) Ensure that students are not permitted to re-register for courses, which they have already passed. m) Inform students that any academic activity (course/ Laboratory/ seminar/ project/ noncredit requirement etc.) undergone without proper registration will not be counted towards the requirements of his degree. n) Strictly warn students that if he fails to register during any semester without prior approval, his studentship is liable to be cancelled. o) Keep the students updated about the Academic Administration of CBCS system at the University.
17UGBD 4.0	**ATTENDANCE REQUIREMENT**
17UGBD 4.1	Attendance in the class is compulsory and is monitored. The University expects 100% attendance. Each Course is considered as a unit for attendance requirement and, 1) The minimum number of lectures, tutorials, seminars and practicals which a student shall be required to attend for eligibility to appear at the SEE shall not be less than 75% of the total number of lectures, tutorials, seminars, practicals, and any other prescribed requirements.

	2) If a student obtains less than 75% attendance in any one or more of the courses, he shall not be permitted to appear for the SEE of those courses and he shall re-register for them in subsequent academic semester/s when offered and obtain passing grades, subject to 17UGBD 4.1 (1).
17UGBD 4.2	The basis for the calculation of attendance shall be the period prescribed by the University in its Academic Calendar of events. For the first semester students, the same is reckoned from the date of admission to the programme as per allotment from University.
17UGBD 4.3	The Dean shall inform the students about their attendance position periodically so that the students shall be cautioned to make up the shortage. The Dean shall submit the list of students who have been detained for shortage of attendance by the end of the semester to the Registrar (Evaluation) with a copy to the Registrar. It may be noted that mere omission by Dean to inform the student about the shortage of attendance shall not entitle him to appear for examination.
17UGBD4.4	**Temporary Discontinuation of programme:** A student, who wishes to temporarily discontinue the programme and continue subsequently, has to obtain prior permission from the University by applying through the Dean. Such student shall take admission once again to the same semester in the following academic year or later. However, such student shall pay the tuition fee and other fees for the entire academic year; and shall complete the programme as per 17UGBD 10.1.
17UGBD 5.0	**EXAMINATIONS AND EVALUATION**
17UGBD 5.1	1) CIE and SEE constitute the major evaluations prescribed for each course, with only those students maintaining a minimum standard in CIE are permitted to appear in SEE of the course. 2) CIE and SEE to carry 50% weightage each. 3) The evaluation system of the program is comprehensive & continuous during the entire period of Semester, by faculty who is teaching the course. For a course, the evaluation and grading will be on the following parameters:

A	Continuous Internal Evaluation (CIE)	
A1	Continuous and Comprehensive Evaluation (CCE)	30 % marks
A2	Internal Assessment Tests (IAT)	20 % mars
	Total of CIE (A1+A2)	50 % marks
B	Semester End Examination (SEE)	50 % marks
	Total of CIE and SEE (A + B)	100 % marks

17UGBD 5.2	**Continuous Internal Evaluation:** 1) The CIE will carry a maximum of 50% weightage of total marks of a course. Before the start of the Academic session of each semester, a faculty may choose for his course Internal Assessment Tests and a minimum of three and a maximum of four of the following assessment methods with suitable weightage for each. a) Assignments (Individual and/or Group) b) Seminars c) Quizzes d) Group Discussions e) Case studies / Case lets / Case Discussions f) Practical orientation on Design Thinking, Creativity & Innovation g) Participatory & Industry-integrated learning h) Practical activities / problem solving exercises i) Class presentations j) Analysis of Industry/Technical/Business Reports k) Reports on Guest Lectures / Webinars / Industrial Visits l) Industrial / Social / Rural projects / Field Work m) Participation in Seminars/ Academic Events/Symposia, etc. n) Any other academic activity suitable for the course 2) The faculty will submit the 'CCE Assessment Plan' to the Dean for approval and notify the same along with the course syllabus before the start of semester. The total marks of the above three or more assessment components shall be scaled down to 30% of total marks of the respective course. 3) To assess the students in a course under IAT component, two tests will be conducted in a semester. Each test will be conducted for 20 marks. The average marks obtained in these two tests will be taken as IAT Marks. If a student fails to attend both the IAT on the scheduled date due to any unavoidable circumstances, and produces documentary evidence, the faculty member, upon approval of the Dean, shall conduct one additional test at the end of the semester covering the syllabus of the test for which he was absent. 4) The CIE marks awarded to students at different stages during the course shall be displayed on the notice board of the concerned School to enable the students to point out any discrepancies. After due corrections, if any, faculty shall upload the CIE marks in the University's ERP system and a hard copy of the same shall be submitted to the Registrar (Evaluation) of the University duly signed by the concerned faculty and the Dean, before the commencement of semester end examinations.

	5) The student shall obtain a minimum of 40% of marks allotted for CIE in a given course to be eligible to appear for the SEE in that course. 6) When laboratory is part of a theory course, the student shall obtain a minimum of 40% marks in CIE of the laboratory to be eligible to appear for SEE in that course. This is in addition to the requirement specified under (5) above. The CIE marks obtained by a student in the laboratory, if it is equal to or greater than 40%, shall be retained until the end of that academic year till he passes in the SEE. Otherwise, he shall re-register for the course. 7) If a student is unable to secure a minimum of 40% in CIE marks in any course, he shall not be eligible to take up SEE/ viva-voce examination in that particular course. It shall be the responsibility of Dean to scrutinize the list of candidates and permit only the eligible students to take up SEE. In the event of an ineligible student inadvertently being allowed to appear for the theory/viva voce examination, the result of the concerned student shall be withdrawn forthwith. 8) The list of such students, who have not secured the minimum in CIE marks, shall be sent to the Registrar (Evaluation) along with the submission of CIE marks of the successful students. 9) After the submission of CIE marks to the Registrar (Evaluation) of the University, any request for changes in the marks by the Dean shall be considered by the Registrar (Evaluation) only after due approval of the Vice- Chancellor obtained through the Registrar (Evaluation). 10) The students not obtaining 40% marks in CIE shall re-register for the course during the subsequent semester.
17UGBD 5.3	**Semester End Examination:** 1) The Semester End Examination for all the courses for which students registered during the semester shall be conducted at the end of each semester except when there are no students taking examination for any course as per the scheme of teaching and examinations. 2) Only those students who satisfy the attendance requirement as per 17UGBD 4.1 and CIE requirement as per 17UGBD 5.2 (5) & (6) shall be eligible to appear for SEE of that course. 3) However, in those students, whose SEE results were withdrawn as a penalty for indulging in malpractice or who had satisfactory attendance & required minimum CIE marks but could not appear in the SEE for valid reasons, shall be permitted to carry forward the attendance and CIE marks from that semester and write the SEE when ever held for the same course as offered by the concerned School of Studies.

	Such students shall seek permission from the Dean and register for the SEE in the beginning of the semester and appear for SEE, on the dates notified by the University. Such students shall complete the course as per the sections 17UGBD 6.0 and 7.0 of the concerned Programme Regulations.
17UGBD 5.4	**Viva-Voce Examination:** For a viva-voce examination, there shall be two examiners, one internal and one external. Internal examiner shall be the course teacher/project guide, and external examiner may be a teacher/ professional who have not taught that course during the given semester at the concerned School and also not in full-time employment with the University. The Vice Chancellor, on recommendation of the Board of Studies, shall appoint all appropriate qualified examiners for any examination. In all the cases, the evaluation shall be made jointly and one consolidated marks be awarded. In the event that the external examiner does not turn up for the examination, the Dean on approval of the Vice Chancellor, may appoint a suitable internal faculty to carry out the examination.
17UGBD 5.5	**Project Work:** 1) Students shall undertake a capstone project in the final semester, forming a project team comprising fellow classmates not exceeding four, and the project shall be carried out under the supervision of an allotted faculty. 2) All project teams shall make presentations to Project Committee notified by the Dean and submit the progress reports periodically with the approval of project guide. 3) The final project dissertation shall be written adhering to International standards. The dissertation, duly signed by the concerned guide, shall be submitted to the Dean with in the time notified. All students shall appear for the viva-voce examination on the project at the end of the semester. 4) The CIE marks in the case of Project of 6th semester shall be based on the evaluation of the project dissertation as prescribed from time to time in the Scheme of Teaching and Examination.
17UGBD 5.6	**Academic Malpractice:** Academic malpractices shall be seriously viewed and appropriate action taken. In case of malpractice during any of the examinations like assignments, quizzes, tests, and other CIE components, the matter shall be reported to the Dean for further action. In case of malpractice during SEE, the Invigilator shall report the matter to the Chief Superintend, who in turn refers the matter to the Registrar (Evaluation) for further action.

17UGBD 6.0	ELIGIBILITY FOR PASSING A COURSE

17UGBD 6.1

Award of Grades:

1) The University adopts absolute grading system wherein the marks are converted to grades, and every semester results will be declared with semester grade point average (SGPA) on successful completion of all courses of that semester.
2) If there is no SEE for a course, then the CIE marks alone will be the basis for the determination of letter grade.
3) Letter Grade Scheme for B.A., BA (Hons), B.Com, B.Com (Hons), B.B.A., B.B.A. (Hons), B.B.A. (BA), B.B.A. (DM), BCA, BCA (CC), BCA (DS), BCA (GD) and B.Sc. (Film Making/ Photography/ Sound Engineering/ Visual Effects and Animations / Game Art Design))
4) The total marks obtained by the student in CIE and SEE of a course is expressed as a percentage to compute the grade points and the letter grade is awarded as indicated in the table below:

Classification			
% Marks scored in a course	**Grade Points**	**Letter Grade**	**Level**
≥ 95	10	O	Outstanding
≥ 85 < 95	9	A+	Excellent
≥ 75 < 85	8	A	Very Good
≥ 65 < 75	7	B+	Good
≥ 55 < 65	6	B	Above Average
≥ 45 <55	5	C	Average
≥ 40 <45	4	P	Fair
< 40	0	F - RA	Reappear
	0	F - RR	Re-register

Table: Marks (%) and Letter Grade relation

Grading Criteria for Graduate Requirement Courses

% of Marks Scored in a Course	Letter Grade	Level
≥ 95	O	Outstanding
≥ 85 < 95	A+	Excellent
≥ 75 < 85	A	Very Good
≥ 65 < 75	B+	Good
≥ 55 < 65	B	Above Average
≥ 45 < 55	C	Average
≥ 40 < 45	P	Fair
< 40	D	Unsatisfactory
NA (Not Attended)	F-RR	Re-register

17UGBD 6.2	**Other Letter Grades:** The letter grades specified in 17UGBD6.1 are used as student performance measures in all kinds of assessments. However, the following letter grades are also awarded under the circumstances defined below (Letter Grade: Grade Point - Circumstances). 1) F-RR: 0 - Not eligible to appear for the SEE of a course due to attendance being less than 75% and / or CIE being below 40%. To re-register for the course and appear for the SEE in the subsequent semester when it is being offered by the School of Studies. (In case of electives, course change within the group is permitted) 2) AU: 0 - Satisfactory in an Audit course 3) W: No credits – Dropped/ withdrawn (W is not a grade but only a place holder indicating that the course has been dropped/withdrawn and it has to be cleared in subsequent semesters in case it is a core subject).
17UGBD 6.3	**Passing a Course:** For pass in a course, the student shall secure a minimum of 40% of marks prescribed for that course in CIE and 40 % in SEE or viva voce examinations. However, aggregate marks combining both CIE and SEE or viva voce should not be less than 40% under any circumstances. That is, Minimum passing grade in a course (head of passing) is P.
17UGBD 6.4	**Condition for Re-Registering a Course:** 1) Students who do not satisfy the condition of 17UGBD 6.3 shall be deemed to have failed and will be awarded either 'F-RR' or 'F-RA' Grade. 2) Students who were not eligible to take up the Semester End Examination (SEE) of any semester shall be deemed to have failed and will be awarded 'F-RR' Grade and are required to re-register for the course in subsequent odd/even semesters respectively. 3) Students who were eligible to take up Semester End Examination but have not cleared the regular Semester End Examination (SEE) shall be deemed to have failed and will be awarded 'F-RA' Grade and are required only to re-register for the Semester End Examination during the subsequent odd/even semester respectively.

17UGBD 7.0	**PROGRESSION TO HIGHER SEMESTERS**
17UGBD 7.1	1) A theory, stand-alone practical or Theory with practical shall be treated as a head of passing. 2) The Mandatory Graduate Requirement Non–credit courses (GR) shall not be considered for progression to higher semesters, award of Class, and calculation of SGPA and CGPA. However, competition of these courses is mandatory for award of the Degree. 3) There shall be no restriction for progression from odd semester to an even semester in an academic year. 4) A student shall complete a minimum of 25% of all the credits offered till 4th semester, as per the Scheme of Teaching and Evaluation, to register for the courses of 5th semester.
17UGBD 8.0	**PASSING STANDARDS AND CLASS DECLARATION**
17UGBD 8.1	**Computation of SGPA and CGPA:** 1) Semester Grade Point Average (SGPA) will be awarded at the end of each Semester and Cumulative Grade Point Average (CGPA) will be awarded at the end of the program. However, CGPA is calculated at the end of each semester from the second semester onwards and reflected in the grade certificate for indicating the progress of the student. 2) Each course in a program is associated with number of credits (C). Based on the number of Credits for a course and obtained Grade Point (GP) for that course in a Semester, the GPA is calculated as given below: a) The SGPA is the ratio of sum of the product of the number of credits with the grade points secured by a student in all the courses taken by him and the sum of the number of credits of all the courses undergone by a student, i.e., $SGPA = \sum (C_i \times G_i) / \sum C_i$ Where C_i is the number of credits of the ith course and G_i is the grade point scored by the student in the ith course. b) The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme, i.e., $CGPA = \sum (C_n \times S_n) / \sum C_n$ Where S_n is the SGPA of the nth semester and C_n is the total number of credits in that semester. 3) Finally the SGPA and CGPA shall be rounded off to 2 decimal places.

17UGBD 8.2	**Passing Standards:** 1) A student shall be declared successful or 'passed' in a Semester, only when he gets a SGPA of 4.00 earning credits as per the scheme of teaching and evaluation, with grade point of 4 or better in every registered course. 2) A student shall be declared successful or 'passed' in the entire Under Graduate programme, only when he gets a minimum CGPA of 4.00 and has completed all the graduate requirement courses as mandated in the scheme of teaching and evaluation.
17UGBD 8.3	**1) Conversion of Grade and Percentage of Marks:** Conversion formula for the conversion of CGPA into Percentage is: Percentage of marks scored, P = [CGPA earned] x 10 **2) Class Declaration:** After the conversion of final CGPA into Percentage of Marks (PM), a graduating student is declared to have passed in a) First Class with Distinction (FCD): PM ≥ 75% (In First Attempt) b) First Class (FC): 60% ≤ PM < 75 % c) Second Class (SC): 50% ≤ PM < 60% d) Pass Class (P): 40% ≤ PM < 50%
17UGBD 8.4	**Grade Cards, Certificates and Transcripts:** 1) **Grade Cards:** After the completion of each semester, a Grade Card shall be issued to all the registered students of that semester, indicating the Course Code, Title, Number of Credits, Letter Grade awarded and Credits earned, for all the Courses as specified in the scheme of teaching and evaluation. This may have F-RA or F-RR grades awarded to the student. 2) **Grade Certificate:** On successful completion of all courses/earning credits, specified in a semester, the grade certificate is issued indicating the course details along with SGPA of that semester and also CGPA earned till that semester.
	3) **Transcripts:** Transcript is the consolidated statement of the Academic Performance of a student for all the semesters since joining the programme and is given to a student on successful completion of the programme along with the degree certificate. a) For those students who have taken multiple attempts to clear a course, the transcript given on successful completion of the programme will only contain earned pass grade (O to P and AU); the courses cleared subsequently will however be shown in the respective semester with Month and Year in which the student has finally cleared the course. The transcript will show only the overall CGPA based on all the courses taken by the student. Additional

	courses will be shown separately, indicating the grade earned by the student. Additional copies of the transcript can be obtained if needed, on request submitted along with payment of applicable fee. b) Students who have not yet completed the programme can obtain an Interim Transcript at the end of any semester, if needed, on request and upon payment of applicable fee. The Interim Transcript includes failed courses, which have not been cleared at the time of issue.
17UGBD 9.0	**ELIGIBILITY FOR THE AWARD OF DEGREE, PRIZES, MEDALS AND RANKS**
17UGBD 9.1	**Minimum Credit Requirement:** 1) A student shall obtain a total of at least 128 credits as specified by the University along with satisfying the passing standards as per 17UGLH 8.2 to be eligible for the award of BA, BBA, BBA (BA), BBA (DM), B.Com., B. Com.-IAF, B. Com.- CA Integrated, B. Com.- Industry Integrated / BCA, BCA (CC), BCA (DS), BCA (GD), and B.Sc. (Film Making / Photography / Sound Engineering / Visual Effects and Animations / Game Art & Design)degrees. 2) A student shall obtain a total of at least 148 credits as specified by the University along with satisfying the passing standards as per 17UGLH 8.2 to be eligible for the award of B. Com.-IAF and B. Com.- CA Integrated, degrees.
17UGBD 9.2	For the award of Prizes and Medals, the conditions stipulated by the Donor/University may be considered subject to the provisions of the statutes framed by the University for such awards from time to time.
17UGBD 9.3	For award of ranks in a programme, a minimum of 10 students should have appeared in the final semester examination. The total number of ranks awarded shall be 10% of total number of students appeared in the final semester or 10 whichever is lesser.
17UGBD 9.4	A Student shall be eligible for a rank at the time of award of the degree, provided the student has passed in all the courses from 1st to 6th semester in the first attempt.
17UGBD 9.5	For award of Rank in the degree, the CGPA secured by the student from 1st to 6th semester shall be considered provided 17BSET 9.4 is satisfied.
17UGBD 9.6	If two students get the same CGPA, the tie should be resolved by considering the number of times a student has obtained higher SGPA. But, if it is not resolved even at this stage, the number of times a student has obtained higher grades like O, A+, A, B+, B, C, P etc., shall be taken into account in Rank ordering of the students.
17UGBD 10.0	**MAXIMUM DURATION FOR PROGRAMME COMPLETION**
17UGBD 10.1	The student shall complete the programme within a period of six academic years from the date of admission to the program, failing which he has to discontinue the program.

17UGBD 11.0	**TRANSFER OF STUDENTS**
17UGBD 11.1	Transfer of students from another University is permitted only at the beginning of odd semesters, subject to availability of seats within the permitted intake and subject to the prior approval of the Vice Chancellor of the University. Such students should have passed in all courses of 1st and 2nd semesters for admission to 3rd semester and all the courses of 1st to 4th semesters for admission to 5th semester.
17UGBD 11.2	The students seeking admission shall have to: 1) Apply for establishment of equivalence with prescribed fees as notified by the University, and 2) Submit No Objection/ Migration Certificate from the migrating University before commencement of semester as notified by the University. 3) The University may prescribe fee for administrative purpose (for updating of the records), which shall be notified from time to time, for transfer.
17UGBD 12.0	**MISCELLANEOUS**
17UGBD 12.1	The academic regulations should be read as a whole for the purpose of any interpretation.
17UGBD 12.2	Wherever the words “he”, “him”, “his” occur in the regulations, they include “she”, “her”, “hers”.
17UGBD 12.3	In case of any doubt or ambiguity in the interpretation of the rules mentioned in the regulations, the decision of the Vice-Chancellor shall be final.
17UGBD 12.4	The University may change or amend the regulations and/ or curriculum at any time, and the changes or amendments made shall be applicable to all the students with effect from the date notified by the University.
17UGBD 12.5	These regulations governing the BA, BBA, BBA (BA), BBA (DM), B.Com., B. Com.- IAF, B. Com.- CA Integrated, B. Com.- Industry Integrated / BCA, BCA (CC), BCA (DS), BCA (GD), and B.Sc. (Film Making / Photography / Sound Engineering / Visual Effects and Animations / Game Art & Design) degrees of the University may be modified from time to time with the approval of statutory bodies of the University and shall be binding on all.

REGULATIONS GOVERNING
POST GRADUATE DEGREE PROGRAMME
[M.Sc. (Psychology)-Clinical / M.Sc. (Psychology)-HRDM / M.Sc. (Psychology) - Counselling / MSW]

DEFINITION OF KEY WORDS:

1. **Academic Year:** Two consecutive semesters (one odd followed by one even) constitute one academic year.
2. **Audit Courses:** Courses, outside the prescribed range of credits required for the degree, the students can register if interested to supplement their knowledge/ skills.
3. **Choice Based Credit System (CBCS):** The CBCS provides choice for students to select from the prescribed set of courses viz. Core courses, Core Elective courses, and Elective Courses.
4. **Course:** Referred to as 'papers', is a component of a programme, with defined learning objectives, outcomes and number of credits. A course may be designed to comprise lectures/ assignments/ tutorials/ laboratory work/ field work/ outreach activities/ project work/ self-study/ vocational training/ viva/ seminars/ term papers/ presentations/ quiz etc. or a combination of these as defined in the Scheme of Teaching. The course credits vary depending on the required teaching-learning hours to accomplish the learning outcomes, specified in the course syllabus.
5. **Credit:** A unit by which the course work is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one hour of lecture or two hours of tutorial/ practical work/ field work per week.
6. **Credit Based Semester System (CBSS):** Under CBSS, the requirement for awarding a degree or diploma or certificate is prescribed in terms of number of credits to be earned by the students.
7. **Credit Point:** It is the product of grade point and number of credits for a course.
8. **Cumulative Grade Point Average (CGPA):** It is a measure of overall cumulative performance of a student over all semesters. The CGPA is the ratio of total credit points earned by a student in various courses in all semesters and the sum of the total credits of all courses in all the semesters. It is expressed up to two decimal places. However, the CGPA may be calculated from second semester onwards to facilitate students to know their academic progress.
9. **Dean:** Dean of the concerned School of Studies of the University.
10. **First Attempt:** If a student has completed all formalities and become eligible to attend examinations and has attended at least one head of passing, such attempt (first sitting) shall be considered as first attempt.

11. **Grade Point:** It is a numerical weightage allotted to each letter grade on a 10-point scale.
12. **Letter Grade:** An index of the performance of students in a said course. Grades are denoted by letters.
13. **Passing Standards:** A student is passing a Course only when getting GP greater than or equal to 05 (P Grade). A student is declared successful at the Semester-end or Programme-end only when getting SGPA or CGPA equal to or greater than 5.00 respectively, with none of the Courses registered in a Semester(s) having either F-RA or F-RR Grade.
14. **Programme:** A planned series of events/activities comprising of a combination of courses leading to the award of the degree of M.Sc. (Psychology) - Clinical / M.Sc. (Psychology) - HRDM / M.Sc. (Psychology)-Counselling / M.S.W
15. **Programme Council:** The committee consisting of the Director of the programme, HOD and the concerned faculty members from each cadre.
16. **Semester:** Each semester will consist of 15 to 18 weeks of academic work equivalent to about 90 teaching days. The odd semester may be scheduled from August to November / December and even semester from January to April/ May, or as may be declared by the University.
17. **Semester Grade Point Average (SGPA):** It is a measure of academic performance of student in a semester. It is the ratio of total credit points secured by a student in various courses registered in a semester and the total course credits taken during that semester. It shall be expressed up to two decimal places.
18. **SOEC:** School of Economics and Commerce of the University.
19. **SOSSH:** School of Social Sciences and Humanities of the University.
20. **Transcript, Grade Certificate and Grade Card:** Grade card shall be issued to candidates indicating the programme details (Course code, title, number of credits, grade secured and grade points) for all the registered courses after every semester. On successful completion of all courses/earning credits, specified in a semester, the grade certificate is issued indicating the programme details along with SGPA of that semester and CGPA earned till that semester. Transcripts to the successful candidates shall be issued after completion of the programme.
21. **University:** CMR University, Bangalore.

REGULATIONS

17PGMD 1.0	**TITLE AND DURATION OF THE PROGRAMME**
17PGMD 1.1	The Post Graduate Programmes covered under these Regulations are: 1) Master of Science in Psychology with specialization in Clinical, abbreviated as M.Sc. (Psychology)-Clinical 2) Master of Science in Psychology with specialization in Human Resource Development and Management, abbreviated as M.Sc. (Psychology)-HRDM 3) Master of Science in Psychology with specialization in Counselling, abbreviated as M.Sc. (Psychology)-Counselling 4) Master of Social Work, abbreviated as MSW.
17PGMD 1.2	The programme shall be of two academic years duration and organized in four semesters, with each semester having duration of about 15 to 18 weeks.
17PGMD 1.3	The annual Academic Calendar of events in respect of the Programme of study approved by the Academic Council, shall be notified at least a month before the commencement of each academic year. It is mandatory for students, faculty members and all concerned to strictly adhere to the Academic Calendar for completion of academic activities. Academic Calendar shall be displayed on the homepage of the University website.
17PGMD 2.0	**ELIGIBILITY FOR ADMISSION**
17PGMD 2.1	The rules specified in the following clauses shall be followed, but the orders issued from the Government/the regulatory bodies from time to time shall prevail.
17PGMD 2.2	1) Admission to First semester M.Sc. (Psychology)-Clinical shall be open to a candidate who has passed any degree examination from a recognised university with a minimum of 50% marks with Psychology as one of the Optional subject shall be eligible for admission to the programme (45% in case of SC/ST/PH students). 2) Admission to First semester M.Sc. (Psychology)-HRDM, M.Sc. (Psychology)-Counselling and M.S.W shall be open to a candidate who has passed any degree examination from a recognised university with a minimum of 50% marks is eligible for admission to the programme (45% in case of SC/ST/PH students) 3) However, in case if no prior equivalence has been established by any other recognized bodies, the decision of the Equivalence Committee of the University shall be final in establishing the eligibility of the candidate.

17PGMD 2.3	1) The admission shall be made on merit on the basis of criteria notified by the University, keeping in view the guidelines/norms in this regard issued by the UGC and other statutory bodies concerned. 2) Applicants belonging to SC/ST and OBC from Karnataka are provided admission based on the reservation policy as notified by the Government of Karnataka.
17PGMD 2.4	**Lateral Entry Admissions:** Depending upon the academic and physical facilities available in the institutions, the university may admit a certain number of students directly to the second year of the programme, if the student has either 1) Successfully completed the first year of the same programme in another recognized Institution, or 2) Already successfully completed other equivalent programme in a recognized university/ institution and desirous of (and academically capable of) pursuing another degree programme in a related/ allied subject.
17PGMD 3.0	**CHOICE BASED CREDIT SYSTEM AND ACADEMIC PROCESS**
17PGMD 3.1	**Odd & Even Semesters and Summer Term:** The University follows the Choice Based Credit System and the Semester Scheme. There are two regular semesters and one additional semester in an academic year. The semester that begins in August (August to November/ December) is known as the Odd Semester and the semester that begins in January (January to May/ June) is known as the Even Semester. During the summer vacation (June to July), the Summer term is conducted to offer summer courses as per 17PGMD 3.2.
17PGMD 3.2	**Summer Term:** The summer term is additional semester that is conducted during an academic year. However, during a summer term, a limited number of courses may be offered to enable the students to clear their backlog courses (F-RR) and/or register for additional regular credit courses on audit basis, subject to strict adherence to the following guidelines: 1) The Program Council shall identify the courses to be offered along with the Course Instructor and recommend offering of such summer course (s) to the Dean for consideration. The identified faculty members shall offer the courses only on approval by the Dean. 2) The course is offered in the same manner as a regular semester course without compromising the course requirements in terms of knowledge delivery, course work, assessment and evaluation. The University shall notify the fee payable by the students for the summer term courses.

	3) The duration of the course is six to eight weeks. The registration, examination, assessment and grading etc. are done in the same way as is done for regular semester courses. The total number of contact hours for the courses remains the same as that during the regular semesters, and therefore, the courses are run at an accelerated pace. The Academic Calendar specially made in this connection shall be strictly followed. 4) The dropping of a Summer Course is permitted within 7 days from the first lecture of the course. However, the registration fee paid for the course is not refundable. 5) Time slots will be assigned and notified by the Dean as done for the regular semester courses. 6) A notified summer course can be withdrawn if the number of students registered for the course is less than five. 7) A student can register up to a maximum of 12 credits or 3 courses in any summer term, depending on his academic standing. 8) Courses offered in a summer semester will be treated as equivalent to a regular semester courses for all accounting purposes.
17PGMD 3.3	**Curriculum:** 1) Every Programme has a prescribed course structure which, in general terms, is known as the Curriculum or the Courses of Study or the Scheme of Teaching and Evaluation. It prescribes all the courses/ laboratory/ other requirements for the degree and sets out the nominal sequence semester wise. It also provides the syllabus and a list of text/ reference books (or other learning material sources) for each course. 2) The University shall not only lay down the syllabus for each course, but also the manner of its implementation, namely, through lectures, tutorials, laboratory sessions, seminars, field work, projects and such other activities. 3) The Courses of Study details are updated every semester and are made available at the School's page of the University website: http://www.cmr.edu.in/. 4) Curriculum may also include SWAYAM or Massive Open Online Courses (MOOCs), offered by premier Institutions worldwide. However, selection of SWAYAM or MOOCs, if any, shall always be within prescribed guidelines of the relevant regulatory bodies. 5) Specializations offered, wherever applicable, will be as prescribed in Scheme of Teaching and Evaluation.

17PGMD 3.4	**Course Credit Structure:** 1) A certain quantum of academic work, measured in terms of credits, is laid down as the requirement for completion of degree in the different programme and the available specialization areas. A student earns credits by satisfactorily completing courses/ other academic activities every semester. 2) The credits are distributed semester wise, as prescribed in the Scheme of Teaching and Evaluation for each of the programmes. The courses generally progress in sequences, building competencies as per the course learning outcomes. The positioning of a course indicates certain academic maturity on the part of the students. 3) Some courses do, in addition, specify passing in other courses, offered earlier in the programmes as prerequisites for the course. 4) Students are required to follow the semester wise schedule of courses specified in Scheme of Teaching and Evaluation; they do, however, have freedom to follow alternative schedules to optimize their academic profile with additional courses, keeping the requirements for each course in mind. For students with backlog courses, such rescheduling may even become necessary. Such departures from suggested schedules need to be done very carefully, and always with advice from the Faculty Adviser.
17PGMD 3.5	**Courses:** There will be following types of courses in a programme, namely: 1) Core Courses (CC): Essential courses, which are considered to be useful for all students of the programme, irrespective of their choice of elective group/ specialization. 2) Core Elective (CE): including additional knowledge and skill courses, considered to be useful for developing additional skills/ competencies, irrespective of elective group/ specialization. 3) Elective Courses (EC): including knowledge and skill courses focusing on function/ sector specific skills/ competencies leading to focused study in an elective group/ specialization area. 4) Project work/ Internship/ Seminars/ Dissertations can also be offered as independent course in the programme subject to allocation of required credit hour allocation to the course. The requirements for Seminar/ Project/Internship/ Dissertation based courses will, be as specified in the course-guidelines / details approved by the Board of the Studies of the School. 5) Graduate Requirement (GR) Courses: These are courses on peripheral subjects in a programme, wherein completion of the course is considered mandatory to qualify for the award of the Degree.

6) Project work, Mini Project work and Internship and Seminar are also considered as courses in the programme.

The Courses of the Programme are further classified as follows:

1) **Program Core (Credit Courses):** Each academic programme is divided into Program Core or Common core courses which are further divided into mandatory and choice segments, with levels within them.

   The Program Core courses are broadly categorized into Foundation, Electives and Interdisciplinary.

   Foundation, Elective and interdisciplinary courses are discipline specific or allied to the program. Foundation courses are mandatory courses that are offered through the period of study of the program. Foundation courses are offered as fundamental, intermediate and advanced courses based on the prerequisite and difficulty level (100 Level / 200 Level / 300 Level etc.) of the course. Elective courses are a basket of courses from which the student gets to choose. Elective courses are either specialization courses or generic courses. Elective courses include mini projects, dissertations, internships and capstone projects. Students also have the option to choose from a set of interdisciplinary courses which are varied from their discipline and offered by other Schools of Studies of the University.

   Mandatory segments are those which lay a firm foundation of the knowledge required to complete a programme in the chosen domain, ending with a multifaceted assignment that serves as a culminating academic and intellectual experience for students, typically during their final year.

   Choice segments are those which a student could opt for to specialize further and / or to improve their interdisciplinary skills.

   All segments carry credits, and the students are expected to earn the minimum number of credits in their coursework towards program core to earn the degree.

2) **Common Core (Credit Courses):** Common Core Curriculum (CCC) courses are to be pursued by all students of the University regardless of their School of Study. It also encourages students to explore themselves and issues of fundamental importance to society through the Common Core Curriculum (CCC) courses. Students are expected to earn a certain specified number of credits in their coursework towards the Common Core Curriculum (CCC), during their academic programmes. While some courses are in workshop mode, which can be completed over a few days at a stretch, there are other courses which are offered for a specific number of hours per week throughout a semester.

Students take these courses planned for each academic programme, over multiple semesters. Credits range from 1 to 4, which are directly proportional to the number of hours required to complete a course. There are both 'mandatory' and 'choice' courses, with levels within them.

3) **Common Core (Non-credit Courses / Engagement) - Graduate Requirement (GR):** Engagements for this category do not carry any credit(s) but are mandatory for the students to complete them within the duration of the programme, to be considered eligible to graduate (or) earn the degree. These shall be:
   a) **Courses** embedded in the academic programme, where the students must ensure that they attend a minimum attendance percentage.
   b) **Community Service Program** are activities implemented under the Common Core Curriculum Community Service Program (CCC CSP) in which the students have to complete a minimum number of volunteering hours in a semester by rendering services to the society and submit a Reflection Record (RRD) for every volunteering activity completed. In case of a student not having completed the minimum number of volunteering hours in a semester, the shortage in number of hours is to be completed in the subsequent semester(s). However, the student has to complete the mandated total number of volunteering hours within the duration of the programme and submit a Reflection Record (RRD) for every volunteering activity completed.
4) **Advanced Course:** Courses that involve higher and more complex levels of knowledge and understanding than introductory or foundational learning. It means the student has attained a level of knowledge and understanding of a particular area or topic that goes beyond basic terminology and definitions and is ready to be involved in Analysis, Synthesis and Evaluation of information related to a specific topic or area of learning.
5) **Prerequisite course:** Course or other requirement that a student must have taken prior to enrolling in a specific course. Students might or might not have a choice of prerequisites to complete.

Courses under various categories can be further classified as:

- **100 Level Courses**: These courses offer an introduction to a subject area and are designed for students in the first year of study. These courses have no prerequisites and are generally courses defining basic concepts or presenting the terminology of a discipline

	• **200 Level Courses**: These courses are built on previous units and are normally taken in the second year or later; they may also be available to students with advanced prior knowledge. They are Courses of intermediate college-level difficulty; courses with 100-level course(s) as prerequisite(s) • **300 Level Courses**: These courses are usually taken in third year or later, after 200-level study in the area. They may also be available to students with advanced prior knowledge. They are courses of advanced college-level difficulty offered for students clearly interested in the discipline or in any stream of the discipline • **400 Level Courses**: These units of study are advanced courses and are normally taken in the third year or later as the final elements of a three year or four year degree or an integrated degree. The level indicates that the student will be demonstrating coherence and breadth or depth of knowledge and skills. The student may need to have completed a prerequisite course to study a 400 level course. • **500 Level Courses:** These are foundation level courses for higher education qualifications, usually taken in the first year of the masters or postgraduate degree programmes. These are courses meant for students aspiring to specialise in a discipline and would have prerequisites to study a course at this level, which would have been covered in the core curriculum at the bachelor's degree programme in the same discipline. • **600 Level Courses:** These courses are usually opted for at the second year of the masters or postgraduate degree programmes, which enhance the learning experience of the previous units. The difficulty level is clearly higher and the student is expected to demonstrate a certain level of proficiency and competence in grasping and interpreting the knowledge gained in the discipline at this level. • **700 Level Courses:** The courses prescribed at this level serve as a culminating academic and intellectual experience for students, and are usually taken towards the final semesters of the masters or postgraduate degree programmes where they acquire the skills and knowledge to analyse, evaluate, and solve challenges akin to those faced in real life situations, resulting in achieving mastery in the discipline.

17PGMD 3.6	**Seminars:** Some Programmes may prescribe Seminar as a requirement for the degree. Seminar may be an assessment component or a course itself wherein the student is expected to do an in-depth study in a specialized area under the guidance of a faculty member. This may include surveying published technical literature, understanding different aspects of the problem and arriving at a status report. While doing a seminar, the student is expected to: critically analyze works of various authors/ researchers; learn the investigation methodologies, study concepts, techniques and the results presented in these papers; and submit a seminar report. It is mandatory to give a seminar presentation before a panel constituted for the purpose. Seminars typically carry 1 to 2 credits.
17PGMD 3.7	**Project Work/Dissertation and Summer Internship Program (SIP):** Project work/Dissertation and/or SIP is considered as a special course involving application of knowledge in solving / analyzing /exploring a real-life situation/ difficult problem. A Project/ Dissertation work would be for specified number of credits, as prescribed in the Scheme of Teaching and Evaluation. A Project/Dissertation work may be given in lieu of a discipline specific elective paper. Summer Internship Program, wherever needed, may be introduced as a (or a part of) Project.
17PGMD 3.8	**Audit Courses:** A student desirous of additional exposure to a course, without the rigors of obtaining a good grade, 'audits' a course. The minimum requirement of attendance for an 'Audit Course' is 75%, with any additional requirements as set by the instructor such as submission of assignments and minimum performance in some of the in-semester evaluations. Auditing of courses during regular semesters from 3rd semester onwards is permitted under the following conditions: 1) Students with CGPA> 6.0 will be permitted to 'Audit' a course. A course can be audited provided the course is offered in the semester as a credit course for others, and there is no slot clash. Prior permission of the Instructor is required. 2) Audit courses would be restricted to a maximum of two (2) courses per student in the entire period of the programme. 3) The instructor would award the 'AU' grade, if the attendance is satisfactory and additional requirements, as set out by the instructor, are met. If the attendance and performance is not satisfactory, the instructor will award 'No Grade'. The grade 'AU' does not carry any grade points and therefore does not figure in SGPA/ CGPA calculations. 4) The course successfully completed in Audit mode will be reflected in the Grade Card, Grade Certificate and the Transcript as Audit Course.

17PGMD 3.9	**Registration:** It is mandatory for every student to register for a semester to attend various courses/ earn credits, using the prescribed Course Registration Form (CRF), till he completes his programme. The registration shall be completed on or before the prescribed last date for registration announced in the academic calendar. 1) On joining the Programme, each student is assigned to a Faculty Adviser or an Advisory group. A student shall register for required courses each semester with prior permission of the Faculty Adviser. 2) The student can register for courses he intends to take during a given semester (including courses in summer semester) on the basis of his plan for each Programme, as given in the Scheme of Teaching and Evaluation and as per the advice given by his Faculty Adviser. 3) The Faculty Adviser is expected to discuss with the student his academic performance during the previous semesters and then decide the number and nature of the courses for which the student can register during the semester within the framework of the Regulations. 4) The Faculty Adviser may advise the student to drop one or more courses/activities based on his academic performance. The Faculty Adviser may even advise a reduced load program over several semesters for students with poor performance at the end of the first semester/year. 5) Students are not permitted to reregister for course/(s), which they have already passed. 6) The registration is deemed to be complete only on approval by the Dean. 7) Without registration, any academic activity (course/seminar etc.) undergone by a student will not be counted towards the requirements of his degree. 8) Students having outstanding dues to the University or a hostel shall not be permitted to register.
17PGMD 3.10	**1) Procedure for Registration:** The procedure involves the following steps: a) A student is required to register for all the courses listed in the curriculum for the first semester. b) The students shall decide on the courses to be registered during the ensuing semester immediately after their SEE examinations as per the advise of their Faculty Advisor. c) They shall submit a print out of the completed CRF, duly attested by the faculty advisor to the Dean through the departmental office within the date notified by the University for registration. d) Every student from II semester onwards is required to register for a minimum of 20 credits and a maximum of 28 credits.

	2) Registration for second and subsequent semesters: a) From second semester onwards, registration is dependent on the academic standing of the student. A student with a low academic standing registers for the academic load specified by the Faculty Adviser. In addition he may add one more course (3-5 credits) towards additional learning or to clear backlog courses, without this being considered an overload. b) Students with average academic standing are advised not to attempt full load. Faculty Advisers after careful scrutiny will advise reduced loads depending on previous performance. **3) Late Registration:** Registration beyond the last date may be permitted only in special cases till the date specified in the Academic Calendar, on payment of a late registration fee.
17PGMD 3.11	**Registration for Graduate Requirement (GR) Courses:** Graduate Requirement (GR) courses which are mandatory Non-credit courses are treated as complete or incomplete subject to the fulfillment of the minimum requirements of these courses and a minimum of 75% attendance. The award of degree is subject to successful completion of these courses. Formal registration for these courses shall be done along with other courses, at the beginning of the semesters. Not satisfying the minimum requirements of the course will result in a F-RR grade and the student has to re- register for the course when offered next. This requirement must be completed before the end of the Programme.
17PGMD 3.12	**Registration for Summer Semester Courses:** Students are permitted to register for courses during summer semester under the regulation specified by 17PGMD 3.2, on payment of prescribed registration and course fees.
17PGMD 3.13	**Course Adjustment/Dropping of Courses:** 1) The Academic Calendar sets a date, normally two weeks after the commencement of the semester, for Course Adjustment. On or before this date, a student is permitted to make adjustments in his academic load by addition or deletion of one or more courses, projects etc., provided that the total credits do not exceed 28 or fall below 20, by such adjustments. Course adjustment has to be done in consultation with the Faculty Adviser. When the need for course adjustment through addition, substitution or dropping of course/s arises, the student without any backlog should do online course adjustment and students with backlog course/s should do it manually by filling a Course Adjustment Form

	(CAF). CAF has to be signed by both the student and the Faculty Adviser and the same is to be submitted to the Dean. 2) If in the second or any of the subsequent semesters, a student finds his academic load too heavy, he may drop one or two courses out of the registered ones on advice from the Faculty Adviser, provided the minimum credit requirements is fulfilled. The last date for doing this is within 10 days after the end of the first test, or as specified in the Academic Calendar. 3) Course/s dropped by a student may be taken during a subsequent semester including the summer term, if offered. 4) The minimum number of students to be registered for an Elective to be offered shall be not less than ten, or as decided by the University.
17PGMD 3.14	**Course substitution:** In case a student obtains P grades or drops courses due to a valid reason or fails in a course, he may like to substitute courses in order to complete the course requirements within the stipulated duration. Following are the guidelines for course substitution: 1) Course substitution is not permitted for Core Courses. The student has to reregister for the same courses and complete them. 2) An elective course may be substituted by another elective course from the same group.
17PGMD 3.15	**Dropping of a Semester:** 1) A student may opt or be advised to drop an entire semester, with prior approval of Programme Council due to the following reasons: a) A student may seek a semester drop, due to severe personal health problem, unavoidable family commitments or other valid reasons beyond his control, on advice from the Faculty Adviser, prior to the commencement of the semester itself. b) During a registered semester, if a student finds that he is unable to cope up with the studies and/or does not have sufficient exposure to most of the courses registered in that semester due to severe health problem or some other valid reasons beyond his control, he can opt to drop the entire semester, on advice from the Faculty Adviser. 2) In all cases of severe health problems, medical certificate issued by a University recognized Medical Practitioner is essential. In all other cases, requests for dropping the semester should be accompanied by supporting documents as required. 3) Such break from studies is normally not permitted for a continuous period in excess of one year.

	4) Not registering for any semester before the last date for registration without prior approval of the Dean will result in automatic dropping of semester leading to temporary discontinuation of the programme. 5) The credits of the dropped semester shall be earned subsequently by registering to the courses specified in the Scheme of Teaching and Evaluation or equivalent courses when offered next.
17PGMD 3.16	**1) Faculty Adviser:** On joining the University, a student or a group of students' is/are assigned to a Faculty Adviser from the concerned programme. Students are advised to consult the Faculty Adviser on any matter relating to their academic performance and the courses they may take in various semesters/ summer semesters. Faculty Adviser guides the students to complete their courses of study for the required degree in a smooth and satisfactory manner. **2) Role of the Faculty Adviser:** The Faculty Adviser guides the students to complete their courses of study for the required degree in a smooth and satisfactory manner. For effective utilization of the opportunities for additional academic accomplishments, planning of the individual's academic progress needs careful consideration, and constant consultation with the Faculty Advisers is imperative. Thus, the role of the Faculty Adviser is of immense importance. The Faculty Adviser is the person whom the parents/ guardians should contact for performance related issues of their ward. The Faculty Advisor shall, a) Guide the students about the rules and regulations governing the courses of study for a particular degree. b) Advise the students for registering courses as per prescribed curriculum or otherwise but within the scope of the rules and regulations prescribed by the University from time to time. For this purpose the Faculty Adviser has to discuss with the student his academic performance during the previous semester and then decide the number and nature of the courses for which he can register during the semester. c) Approve the CRF by attesting same, before the prescribed last date. d) Advice students to overload/ drop one or more courses/ activities based on his academic performance. e) At the end of the first semester/year, the Faculty Adviser may even advise a reduced load programme for a poorly performing student. This reduced load programme may spread over several semesters subject to minimum

	load for the semester and completion of the degree programme within the prescribed maximum period by registering in summer terms.. Such reduced load programme is to be prepared by the Faculty Adviser in consultation with the Student & his parent and recommend the same through the Programme Council to the Dean for consideration and approval before the start of the semester. f) Pay special attention to weak students and carefully monitor performance of students recommended for slow track option. g) Advice students for Course Adjustment/ Dropping of courses during the Semester within the stipulated time frame given in the Academic calendar. h) Advice students seeking semester drop either during the ongoing semester or before the commencement of the semester. FA has to ensure strict compliance of rules and regulations laid down for this purpose. Recommend the cases to the Dean for consideration. i) Make revised plan of study for weak/ bright students based on their semester wise performance. j) Suggest modalities for course/ credit requirements for the students recommended for exchange programme. k) Provide Guidance and liaison with the parents for their improved performance. l) Ensure that students are not permitted to re-register for courses, which they have already passed. m) Inform students that any academic activity (course/ Laboratory/ seminar/ project/ non-credit requirement etc.) undergone without proper registration will not be counted towards the requirements of his degree. n) Strictly warn students that if he fails to register during any semester without prior approval, his studentship is liable to be cancelled. o) Keep the students updated about the Academic Administration of CBCS system at the University.

17PGMD 4.0	ATTENDANCE REQUIREMENT
17PGMD 4.1	Attendance in the class is compulsory and is monitored. The University expects 100% attendance. Each Course is considered as a unit for attendance requirement and, 1) The minimum number of lectures, tutorials, seminars and practicals which a student shall be required to attend for eligibility to appear at the SEE shall not be less than 75% of the total number of lectures, tutorials, seminars, practical, and any other prescribed requirements. 2) If a student obtains less than 75% attendance in any one or more of the courses, he shall not be permitted to appear for the SEE of those courses and he shall re-register for them in subsequent academic semester/s when offered and obtain passing grades, subject to 17PGMD 4.1 (1).
17PGMD 4.2	The basis for the calculation of attendance shall be the period prescribed by the University in its Academic Calendar of events. For the first semester students, the same is reckoned from the date of admission to the programme as per allotment from University.
17PGMD 4.3	The Dean shall inform the students about their attendance position periodically so that the students shall be cautioned to make up the shortage. The Dean shall submit the list of students who have been detained for shortage of attendance by the end of the semester to the Registrar (Evaluation) with a copy to the Registrar. It may be noted that mere omission by Dean to inform the student about the shortage of attendance shall not entitle him to appear for examination.
17PGMD4.4	**Temporary Discontinuation of programme:** A student, who wishes to temporarily discontinue the programme and continue subsequently, has to obtain prior permission from the University by applying through the Dean. Such student shall take admission once again to the same semester in the following academic year or later. However, such student shall pay the tuition fee and other fees for the entire academic year; and shall complete the programme as per 17PGMD 10.1.

17PGMD 5.0	EXAMINATIONS AND EVALUATION
17PGMD 5.1	1) CIE and SEE constitute the major evaluations prescribed for each course, with only those students maintaining a minimum standard in CIE are permitted to appear in SEE of the course. 2) CIE and SEE to carry 50% weightage each. 3) The evaluation system of the program is comprehensive & continuous during the entire period of Semester, both by internal faculty (who is / are teaching the course) & also by the external examiners (who have requisite expertise in the domain / course area). For a course, the evaluation and grading will be on the following parameters:

A	Continuous Internal Evaluation (CIE)	
A1	Continuous and Comprehensive Evaluation (CCE)	30 % marks
A2	Internal Assessment Tests (IAT)	20 % marks
	Total of CIE (A1+A2)	50 % marks
B	Semester End Examination (SEE)	50 % marks
	Total of CIE and SEE (A + B)	100 % marks

17PGMD 5.2

Continuous Internal Evaluation:

1) The CIE will carry a maximum of 50% weightage of total marks of a course. Before the start of the Academic session of each semester, in addition to Internal assessment test, a faculty may choose for his course: a minimum of three and a maximum of four of the following assessment methods with suitable weightage for each.
   a) Assignments (Individual and/or Group)
   b) Seminars
   c) Quizzes
   d) Group Discussions
   e) Case studies/Case lets/Case Discussions
   f) Practical orientation on Design Thinking, Creativity & Innovation
   g) Participatory & Industry-integrated learning
   h) Practical activities / problem solving exercises
   i) Class presentations
   j) Analysis of Industry/Technical/Business Reports
   k) Reports on Guest Lectures / Webinars / Industrial Visits
   l) Industrial / Social / Rural projects/Field work
   m) Participation in Seminars/ Academic Events/Symposia, etc.
   n) Any other academic activity suitable for the course

	2) The faculty will submit the 'CCE Assessment Plan' to the Dean for approval and notify the same along with the course syllabus before the start of semester. The total marks of the above three assessment components shall be scaled down to 30% of total marks of the respective course. 3) To assess the students in a course under IAT component, two tests will be conducted in a semester. Each test will be conducted for 20 marks. The average marks obtained in these two tests will be taken as IAT Marks. If a student fails to attend both the IAT on the scheduled date due to any unavoidable circumstances, and produces documentary evidence, the faculty member, upon approval of the Dean, shall conduct one additional test at the end of the semester covering the syllabus of the test for which he was absent. 4) The CIE marks awarded to students at different stages during the course shall be displayed on the notice board of the concerned School to enable the students to point out any discrepancies. After due corrections, if any, faculty shall upload the CIE marks in the University's ERP system and a hard copy of the same shall be submitted to the Registrar (Evaluation) of the University duly signed by the concerned faculty and the Dean, before the commencement of semester end examinations. 5) The student shall obtain a minimum of 50% of marks allotted for CIE in a given course to be eligible to appear for the SEE in that course. 6) When laboratory is part of a theory course, the student shall obtain a minimum of 50% marks in CIE of the laboratory to be eligible to appear for SEE in that course. This is in addition to the requirement specified under (5) above. The CIE marks obtained by a student in the laboratory, if it is equal to or greater than 50%, shall be retained until the end of that academic year till he passes in the SEE. Otherwise, he shall re-register for the course. 7) If a student is unable to secure a minimum of 50% in CIE marks in any course, he shall not be eligible to take up SEE/ viva-voce examination in that particular course. It shall be the responsibility of Dean to scrutinize the list of candidates and permit only the eligible students to take up SEE. In the event of an ineligible student inadvertently being allowed to appear for the theory/viva voce examination, the result of the concerned student shall be withdrawn forthwith. 8) The list of such students, who have not secured the minimum in CIE marks, shall be sent to the Registrar (Evaluation) along with the submission of CIE marks of the successful students.

	9) After the submission of CIE marks to the Registrar (Evaluation) of the University, any request for changes in the marks by the Dean shall be considered only after due approval of the Vice- Chancellor obtained through the Registrar (Evaluation) only after due approval of the Vice- Chancellor. 10) The students not obtaining 50% marks in CIE shall re-register for the course during the subsequent semester.
17PGMD 5.3	**Semester End Examination:** 1) The Semester End Examination for all the courses for which students registered during the semester shall be conducted at the end of each semester. 2) Only those students who satisfy the attendance requirement as per 17PGMD 4.1 and CIE requirement as per 17PGMD 5.2 (5) & (6) shall be eligible to appear for SEE of that course. 3) However, in those students, whose SEE results were withdrawn as a penalty for indulging in malpractice or who had satisfactory attendance & required minimum CIE marks but could not appear in the SEE for valid reasons, shall be permitted to carry forward the attendance and CIE marks from that semester and write the SEE when ever held for the same course as offered by the concerned School of Studies. Such students shall seek permission from the Dean and register for the SEE in the beginning of the semester and appear for SEE, on the dates notified by the University. Such students shall complete the course as per the sections 17PGMD 6.0 and 7.0 of the concerned Programme Regulations.
17PGMD 5.4	**Viva-Voce Examination:** For a viva-voce examination, there shall be two examiners, one internal and one external. Internal examiner shall be the course teacher/project guide, and external examiner may be a teacher/ professional who have not taught that course during the given semester at the concerned School and also not in full-time employment with the University. The Vice Chancellor, on recommendation of the Board of Studies, shall appoint all appropriate qualified examiners for any examination. In all the cases, the evaluation shall be made jointly and one consolidated marks be awarded. In the event that the external examiner does not turn up for the examination, the Dean on approval of the Vice Chancellor, may appoint a suitable internal faculty to carry out the examination.

17PGMD 5.5	**Project Work:** 1) Students shall undertake project as prescribed in the Scheme of Teaching and Evaluation, individually or in a group not exceeding four students (groups only in case of capstone projects), and the project shall be carried out under the supervision of an allotted faculty. 2) All individuals/ project teams, as the case may be, shall make presentations to Project Committee notified by the Director and submit the progress reports periodically with the approval of project guide. 3) The final project dissertation shall be written adhering to International standards. The dissertation, duly signed by the concerned guide, shall be submitted to the Dean with in the time notified. All students shall appear for the viva-voce examination on the project at the end of the semester. 4) The CIE marks in the case of Project, if applicable, shall be based on the evaluation of the project dissertation as prescribed from time to time in the Scheme of Teaching and Examination.
17PGMD 5.6	**Academic Malpractice:** Academic malpractices shall be seriously viewed and appropriate action taken. In case of malpractice during any of the examinations like assignments, quizzes, tests, and other CIE components, the matter shall be reported to the Dean for further action. In case of malpractice during SEE, the Invigilator shall report the matter to the Chief Superintend, who in turn refers the matter to the Registrar (Evaluation) for further action.
17PGMD 6.0	**ELIGIBILITY FOR PASSING A COURSE**
17PGMD 6.1	**Award of Grades:** 1) The University adopts absolute grading system wherein the marks are converted to grades, and every semester results will be declared with semester grade point average (SGPA) on successful completion of all courses of that semester. 2) The total marks obtained by the student in CIE and SEE of a course is expressed as a percentage to compute the grade points and the letter grade is awarded as indicated in the table below: 3) If there is no SEE for a course, then the CIE marks alone will be the basis for the determination of letter grade.

4) Letter Grade Scheme for M.Sc. (Psychology)-Clinical, M.Sc. (Psychology)-HRDM, (Psychology)-Counselling and M.S.W:

Classification			
% Marks scored in a course	Grade Points	Letter Grade	Level
≥ 90	10	O	Outstanding
≥ 85 < 90	9	A+	Excellent
≥ 75 < 85	8	A	Very Good
≥ 65 < 75	7	B	Good
≥ 55 <65	6	C	Above Average
≥ 50 <55	5	P	Average
<50	0	F - RA	Reappear
	0	F - RR	Re-register

Table: Marks (%) and Letter Grade relation

Grading Criteria for Graduate Requirement Courses

% of Marks Scored in a Course	Letter Grade	Level
≥ 90	O	Outstanding
≥ 85 < 90	A+	Excellent
≥ 75 < 85	A	Very Good
≥ 65 < 75	B	Good
≥ 55 <65	C	Above Average
≥ 50 <55	P	Average
<50	D	Unsatisfactory
NA (Not Attended)	F-RR	Re-register

17PGMD 6.2

Other Letter Grades:

The letter grades specified in 17PGMD 6.1 are used as student performance measures in all kinds of assessments.

However, the following letter grades are also awarded under the circumstances defined below (Letter Grade: Grade Point - Circumstances).

1) F-RR: 0 - Not eligible to appear for the SEE of a course due to attendance being less than 75% and / or CIE being below 50%.

   To re-register for the course and appear for the SEE in the subsequent semester when it is being offered by the School of Studies.

   (In case of electives, course change within the group is permitted)

2) AU: 0 - Satisfactory in an Audit course

	3) W: No credits – Dropped/ withdrawn (W is not a grade but only a place holder indicating that the course has been dropped/withdrawn and it has to be cleared in subsequent semesters in case it is a core subject).
17PGMD 6.3	**Passing a Course:** For pass in a course, the student shall secure a minimum of 50% of marks prescribed for that course in CIE and 50 % in SEE or viva voce examinations. However, aggregate marks combining both CIE and SEE or viva voce should not be less than 50% under any circumstances. That is, Minimum passing grade in a course (head of passing) is P.
17PGMD 6.4	**Condition for Re-Registering a Course:** 1) Students who do not satisfy the condition of 17UGBD 6.3 shall be deemed to have failed and will be awarded either 'F-RR' or 'F-RA' Grade. 2) Students who were not eligible to take up the Semester End Examination (SEE) of any semester shall be deemed to have failed and will be awarded 'F-RR' Grade and are required to re-register for the course in subsequent odd/even semesters respectively. 3) Students who were eligible to take up Semester End Examination but have not cleared the regular Semester End Examination (SEE) shall be deemed to have failed and will be awarded 'F-RA' Grade and are required only to re-register for the Semester End Examination during the subsequent odd/even semester respectively.
17PGMD 7.0	**PROGRESSION TO HIGHER SEMESTERS**
17PGMD 7.1	1) A theory, stand-alone practical/project or Theory with practical/project shall be treated as a head of passing. 2) The Mandatory Graduate Requirement Non–credit courses (GR) shall not be considered for progression to higher semesters, award of Class, and calculation of SGPA and CGPA. However, competition of these courses is mandatory for award of the Degree. 3) There shall be no restriction for promotion to 2nd semester from 1st semester, if the student has fulfilled the attendance requirement. 4) Third semester onwards, a student is permitted to register for higher semester/level courses, if he obtains a minimum of 50% of the credits till the previous semester as per the Scheme of Teaching and Evaluation to an extent of 28 credits in total, subjected to the condition under clause 17BSET 3.10 (1) (d).

	5) Students failing to satisfy the clause (4) above, shall register for the remaining credits subject to the condition under clause 17PGMD 3.10 (1) (d) and earn the required number of credits for progression.
17PGMD 8.0	**PASSING STANDARDS AND CLASS DECLARATION**
17PGMD 8.1	**Computation of SGPA and CGPA:** 1) Semester Grade Point Average (SGPA) will be awarded at the end of each Semester and Cumulative Grade Point Average (CGPA) will be awarded at the end of the program. However, CGPA is calculated at the end of each semester from the second semester onwards and reflected in the grade certificate for indicating the progress of the student. 2) Each course in a program is associated with number of credits (C). Based on the number of Credits for a course and obtained Grade Point (GP) for that course in a Semester, the GPA is calculated as given below: a) The SGPA is the ratio of sum of the product of the number of credits with the grade points secured by a student in all the courses taken by him and the sum of the number of credits of all the courses undergone by a student, i.e., $SGPA = \sum (C_i \times G_i) / \sum C_i$ Where C_i is the number of credits of the ith course and G_i is the grade point scored by the student in the ith course. b) The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme, i.e., $CGPA = \sum (C_n \times S_n) / \sum C_n$ Where S_n is the SGPA of the nth semester and C_n is the total number of credits in that semester. Finally the SGPA and CGPA shall be rounded off to 2 decimal places.
17PGMD 8.2	**Passing Standards:** 1) A student shall be declared successful or 'passed' in a semester, only when he gets a SGPA of 5.00 earning credits as per the scheme of teaching and evaluation, with grade point of 4 or better in every registered course. 2) A student shall be declared successful or 'passed' in the entire Post Graduate programme, only when he gets a minimum CGPA of 5.00 and has completed all the graduate requirement courses as mandated in the scheme of teaching and evaluation.

17PGMD 8.3	**1) Conversion of Grade and Percentage of Marks:** Conversion formula for the conversion of CGPA into Percentage is: Percentage of marks scored, P = [CGPA earned] x 10 **2) Class Declaration:** After the conversion of final CGPA into Percentage of Marks (PM), a graduating student is declared to have passed in a) First Class with Distinction (FCD): PM ≥ 75% **(In First Attempt)** b) First Class (FC): 60% ≤ PM < 75% c) Second Class (SC): 50% ≤ PM < 60%
17PGMD 8.4	**Grade Cards, Certificates and Transcripts:** 1) **Grade Cards:** At the end of each semester, a Grade Card shall be issued to all the registered students of that semester, indicating the Course code, Title, Number of credits, Letter grade awarded and Credits earned, for all the Courses as specified in the scheme of teaching and evaluation. This may have F-RA or F-RR grades awarded to the student. 2) **Grade Certificate:** On successful completion of all courses/earning credits, specified in a semester, the grade certificate is issued indicating the course details along with SGPA of that semester and also CGPA earned till that semester. 3) **Transcripts:** Transcript is the consolidated statement of the Academic Performance of a student for all the semesters since joining the programme and is given to a student on successful completion of the programme along with the degree certificate. a) For those students who have taken multiple attempts to clear a course, the transcript given on successful completion of the programme will only contain earned pass grade (O to P and AU); the course cleared subsequently will however be shown in the respective semester with Month and Year in which the student has finally cleared the course. The transcript will show only the overall CGPA based on all the courses taken by the student. Additional courses will be shown separately, indicating the grade earned by the student. Additional copies of the transcript can be obtained if needed, on request submitted along with payment of applicable fee. b) Students who have not yet completed the programme can obtain an Interim Transcript, at the end of any semester, if needed, if needed, on request and upon payment of applicable fee. The Interim Transcript includes failed courses, which have not been cleared at the time of issue.

17PGMD 9.0	**ELIGIBILITY FOR THE AWARD OF DEGREE, PRIZES, MEDALS AND RANKS**
17PGMD 9.1	**Minimum Credit Requirement:** A student shall obtain a total of at least 108 credits as specified by the University along with satisfying the passing standards as per 17PGMD 8.2 to be eligible for the award of M.Sc.-Psychology (Clinical), M.Sc.-Psychology-Human Resource Development and Management, M.Sc.-Psychology (Counselling) and MSW degrees.
17PGMD 9.2	For the award of Prizes and Medals, the conditions stipulated by the Donor/ University may be considered subject to the provisions of the statutes of the University for such awards from time to time.
17PGMD 9.3	For award of ranks in the programme, a minimum of 10 students should have appeared in the final semester examination. The total number of ranks awarded shall be 10% of total number of students appeared in final semester
17PGMD 9.4	A Student shall be eligible for a rank at the time of award of degree, provided the student has passed in all the courses from 1st to final semester in first attempt.
17PGMD 9.5	For award of Rank, the CGPA secured by the student from 1st to final semester shall be considered, provided 17BSET 9.4 is satisfied.
17PGMD 9.6	If two students get the same CGPA, the tie should be resolved by considering the number of times a student has obtained higher SGPA. But, if it is not resolved even at this stage, the number of times a student has obtained higher grades like O, A+, A, B, C and P, shall be taken into account in Rank ordering of the students.
17PGMD 10.0	**MAXIMUM DURATION FOR PROGRAMME COMPLETION**
17PGMD 10.1	The student shall complete the programme within a period of four academic years, failing which he has to discontinue the program. The duration is from the date of admission to the program,
17PGMD 11.0	**TRANSFER OF STUDENTS**
17PGMD 11.1	Transfer of students from another University is permitted only at the beginning of odd semesters, subject to availability of seats within the permitted intake and subject to the prior approval of the Vice Chancellor of the University. Such students should have passed in all courses of 1st and 2nd semesters for admission to 3rd semester of the programme.

17PGMD 11.2	The students seeking admission shall have to: 1) Apply for establishment of equivalence with prescribed fees as notified by the University; and 2) Submit No Objection for admission from the migrating University before commencement of semester as notified by the University. 3) The University may prescribe fee for administrative purpose (for updating of the records), which shall be notified from time to time, for transfer.
17PGMD 12.0	**MISCELLANEOUS**
17PGMD 12.1	The academic regulations should be read as a whole for the purpose of any interpretation.
17PGMD 12.2	Wherever the words “he”, “him”, “his” occur in the regulations, they include “she”, “her”, “hers”.
17PGMD 12.3	In case of any doubt or ambiguity in the interpretation of the rules mentioned in the regulations, the decision of the Vice-Chancellor shall be final.
17PGMD 12.4	The University may change or amend the regulations and/ or curriculum at any time, and the changes or amendments made shall be applicable to all the students with effect from the date notified by the University.
17PGMD 12.7	These regulations governing the Degree of Master of Science in Psychology with specialization in Clinical - M.Sc. (Psychology)- Clinical/ Master of Science in Psychology with specialization in Human Resource Development and Management- M.Sc. (Psychology)-HRDM/ Master of Science in Psychology with specialization in Counselling - M.Sc. (Psychology)- Counselling / Master of Social Work - M.S.W. of the University may be modified from time to time with the approval of statutory bodies of the University and shall be binding on all.

REGULATIONS GOVERNING
POST GRADUATE LAW DEGREE (LL. M.) PROGRAMME
Based on Choice Based Credit System (CBCS)

DEFINITION OF KEY WORDS:

1. **Academic Year:** Two consecutive semesters (one odd followed by one even) constitute one academic year.
2. **Choice Based Credit System (CBCS):** The CBCS provides choice for students to select from the prescribed set of courses viz. Foundation/Compulsory Courses, Optional/ Specialization Courses, Dissertation, Mandatory Non Credit Courses, Ability enhancement courses and Skill enhancement courses.
3. **Course:** Referred to as 'papers', is a component of a programme, with defined learning objectives, outcomes and number of credits. A course may be designed to comprise lectures/ assignments/ tutorials/ clinicals /field work/outreach activities/project work/ self-study/ vocational training/viva/seminars/term papers/ presentations/ quiz etc. or a combination of these as defined in the Scheme of Teaching. The course credits vary depending on the required teaching-learning hours to accomplish the learning outcomes, specified in the course syllabus.
4. **CPGLS:** Centre for Post Graduate Legal Studies of the School of Legal Studies, CMR University
5. **Credit:** A unit by which the course work is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one hour of lecture or two hours of tutorial/practical work/field work per week.
6. **Credit Based Semester System (CBSS):** Under CBSS, the requirement for awarding a degree or diploma or certificate is prescribed in terms of number of credits to be earned by the students.
7. **Credit Point:** It is the product of grade point and number of credits for a course.
8. **Cumulative Grade Point Average (CGPA):** It is a measure of overall cumulative performance of a student over all semesters. The CGPA is the ratio of total credit points earned by a student in various courses in all semesters and the sum of the total credits of all courses in all the semesters. It is expressed up to two decimal places. However, the CGPA may be calculated from second semester onwards to facilitate students to know their academic progress.
9. **Dean:** Dean of the School of Legal Studies of the University.
10. **First Attempt:** If a student has completed all formalities and become eligible to attend examinations and has attended at least one head of passing, such attempt (first sitting) shall be considered as first attempt.

11. **Grade Point:** It is a numerical weightage allotted to each letter grade on a 10-point scale.
12. **Letter Grade:** An index of the performance of students in a said course. Grades are denoted by letters.
13. **Passing Standards:** A student is passing a Course only when getting GP greater than or equal to 05 (P Grade). A student is declared successful at the Semester-end or Programme-end only when getting SGPA or CGPA equal to or greater than 5.00 respectively, with none of the Courses registered in a Semester having either F-RA or F-RR Grade.
14. **Programme:** A planned series of events/activities comprising of a combination of courses leading to the award of the degree LL.M.
15. **Programme Council:** The committee consisting of the Director of the programme, HOD and the concerned faculty members from each cadre.
16. **Semester**: Each semester will consist of at least 18 weeks of academic work equivalent to about 90 teaching days. The odd semester may be scheduled from August to January/ February and even semester from February to July/August, or as may be declared by the University.
17. **Semester Grade Point Average (SGPA):** It is a measure of academic performance of student in a semester. It is the ratio of total credit points secured by a student in various courses registered in a semester and the total course credits taken during that semester. It shall be expressed up to two decimal places.
18. **SOLS:** School of Legal Studies of the University.
19. **Specialization:** Specialization or discipline of LL.M. Programme, like Constitutional Law, Commercial Law or any other specialization that the University may from time to time, offer.
20. **Transcript, Grade Certificate and Grade Card:** Grade card shall be issued to candidates indicating the programme details (Course code, title, number of credits, grade secured and grade points) for all the registered courses after every semester. On successful completion of all courses/earning credits, specified in a semester, the grade certificate is issued indicating the programme details along with SGPA of that semester and CGPA earned till that semester. Transcripts to the successful candidates shall be issued after completion of the programme.
21. **University:** CMR University, Bangalore.

REGULATIONS

17PGLM 1.0	**TITLE AND DURATION OF THE PROGRAMME**
17PGLM 1.1	The Post Graduate Program covered under this Regulation is the Master of Laws, abbreviated as LL.M. followed by specialization indicated within parenthesis.
17PGLM 1.2	The program shall be of one academic year duration and organized in two semesters, with each semester having duration of at least 18 weeks.
17PGLM 1.3	The annual Academic Calendar of events in respect of the Programme of study approved by the Academic Council, shall be notified at least a month before the commencement of each academic year. It is mandatory for students, faculty members and all concerned to strictly adhere to the Academic Calendar for completion of academic activities. Academic Calendar shall be displayed on the homepage on the University website.
17PGLM 2.0	**ELIGIBILITY FOR ADMISSION**
17PGLM 2.1	The rules specified in the following clauses shall be followed, but the orders issued from the Government/the regulatory bodies from time to time shall prevail.
17PGLM 2.2	1) Admission to First semester LL.M shall be open to the applicant who has passed Bachelor's degree in Law (3/5 Years Courses), of any recognized university. 2) For the prerequisite qualification earned from foreign Universities, equivalence as notified by the Association of Indian Universities from time to time is mandatory. 3) However, in case if no prior equivalence has been established by any other recognized bodies, the decision of the Equivalence Committee of the University shall be final in establishing the eligibility of the candidate.
17PGLM 3.0	**CHOICE BASED CREDIT SYSTEM AND ACADEMIC PROCESS**
17PGLM 3.1	**Semester – Odd and Even:** The University follows the Choice Based Credit System and the Semester Scheme. There are two regular semesters. The semester that begins in August (August to December/ January) is known as the Odd Semester and the semester that begins in February to July is known as the Even Semester.
17PGLM 3.2	**Curriculum:** 1) Every Programme has a prescribed course structure which, in general terms, is known as the Curriculum or the Courses of Study or the Scheme of Teaching and Evaluation. It prescribes all the courses/ clinical/ other requirements for the degree and sets out the nominal sequence semester wise. It also provides the syllabus and a list of text/ reference books (or other learning material sources) for each course.

	2) The university shall not only lay down the syllabus for each course, but also the manner of its implementation, namely, through lectures, tutorials, clinicals, seminars, field work, projects and such other activities. 3) The Courses of Study details are updated every semester and are made available in the School page of the University website: http://cmr.edu.in/
17PGLM 3.3	**Course Credit Structure:** 1) A certain quantum of academic work, measured in terms of credits, is laid down as the requirement for completion of degree in the different programs and the available specialization areas. A student earns credits by satisfactorily completing courses/other academic activities every semester. 2) The credits are distributed semester wise, as prescribed in the Scheme of Teaching and Evaluation for each of the programmes. The courses generally progress in sequences, building competencies as per the course learning outcomes. The positioning of a course indicates certain academic maturity on the part of the students. 3) Some courses do, in addition, specify passing in other courses, offered earlier in the programmes, as prerequisites for the course. 4) Students are required to follow the semester wise schedule of courses specified in Scheme of Teaching and Evaluation; they do, however, have freedom to follow alternative schedules to optimize their academic profile with additional courses, keeping the requirements for each course in mind. For students with backlog courses, such rescheduling may even become necessary. Such departures from suggested schedules need to be done very carefully, and always with advice from the Faculty Adviser.
17PGLM 3.4	**Courses:** There will be following types of courses in a programme, namely: 1) Foundation/ Compulsory Course: A course, which should compulsorily be studied by a candidate as a mandatory requirement is termed as a Foundation/ Compulsory Course. 2) Optional/ Specialization Course: Generally a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Optional/ Specialization Course.

	3) Ability Enhancement Courses (AEC): AEC courses are the courses based upon the content that leads to Knowledge enhancement. 4) Skill Enhancement Courses (SEC): SEC courses are value-based and/or skill-based and are aimed at providing hands-on-training, competencies, skills, etc. These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge. 5) Dissertation: The dissertation shall be carried on as decided by the Faculty according to regulations approved by the Academic Council of the University.
17PGLM 3.5	**Seminars:** Some Programmes may prescribe Seminar as a requirement for the degree. Seminar may be an assessment component or a course itself wherein the student is expected to do an in-depth study in a specialized area under the guidance of a faculty member. This may include surveying published legal literature, understanding different aspects of the problem and arriving at a status report. While doing a seminar, the student is expected to: critically analyze works of various authors/ researchers; learn the investigation methodologies, study concepts, techniques and the results presented in these papers; and submit a seminar report. It is mandatory to give a seminar presentation before a panel constituted for the purpose. Seminars typically carry 1 to 2 credits.
17PGLM 3.6	**Registration:** It is mandatory for every student to register for a semester to attend various courses/ earn credits, using the prescribed Course Registration Form (CRF), till he completes his programme. The registration shall be completed on or before the prescribed last date for registration announced in the Academic Calendar. 1) On joining the Programme, each student is assigned to a Faculty Adviser or an Advisory group. A student shall register for required courses each semester with prior permission of the Faculty Adviser. 2) The student can register for courses he intends to take during a given semester on the basis of his plan for each Programme, as given in the Scheme of Teaching and Evaluation and as per the advice given by his Faculty Adviser. 3) Students are not permitted to reregister for course(s), which they have already passed. 4) Students having outstanding dues to the University or a hostel shall not be permitted to register.

	5) The registration is deemed to be complete only on approval by the Dean. 6) Without registration, any academic activity (course/ seminar etc.) undergone by a student will not be counted towards the requirements of his degree.
17PGLM 3.7	**1) Procedure for Registration:** The procedure involves the following steps: a) The students shall decide on the courses to be registered during the ensuing semester as per the advise of their Faculty Adviser. b) They shall fill up the CRF online, stating the courses that they propose to complete during the ensuing semester as per the prescribed curriculum. c) They shall submit a printout of the completed CRF, duly attested by the Faculty Adviser to the Dean through the departmental office within the date notified by the University for registration. **2) Registration for both semesters:** Every student is normally required to register for all the courses listed in the Scheme of Teaching and Evaluation for both the semesters. **3) Late Registration:** Registration beyond the last date may be permitted only in special cases till the date specified in the Academic Calendar, on payment of a late registration fee.
17PGLM 3.8	**Course substitution:** In case a student obtains C grades or drops courses due to a valid reason or fails in a course, he may like to substitute courses in order to complete the course requirements within the stipulated duration. Following are the guidelines for course substitution: 1) Course substitution is not permitted for Core Courses. The student has to reregister for the same courses and complete them. 2) An elective course may be substituted by another elective course from the same group.
17PGLM 3.9	**Dropping of a Semester:** Not registering for any semester before the last date for registration without prior approval of the Dean will result in automatic dropping of semester leading to temporary discontinuation of the programme.

17PGLM 3.10	**1) Faculty Adviser:** On joining the University, a student or a group of students' is/ are assigned to a Faculty Adviser from the concerned programme. Students are advised to consult the Faculty Adviser on any matter relating to their academic performance and the courses they may take in various semesters. **2) Role of the Faculty Adviser:** The Faculty Adviser guides the students to complete their courses of study for the required degree in a smooth and satisfactory manner. For effective utilization of the opportunities for additional academic accomplishments, planning of the individual's academic progress needs careful consideration, and constant consultation with the Faculty Advisers is imperative. Thus, the role of the Faculty Adviser is of immense importance. The Faculty Adviser is the person whom the parents/ guardians should contact for performance related issues of their ward. The faculty adviser shall, a) Guide the students about the rules and regulations governing the courses of study for a particular degree. b) Advise the students for registering courses as per prescribed curriculum or otherwise but within the scope of the rules and regulations prescribed by the University from time to time. For this purpose the Faculty Adviser has to discuss with the student his academic performance during the previous semester and then decide the number and nature of the courses for which he can register during the semester. c) Approve the CRF by attesting same, before the prescribed last date. d) Advice students to overload/ drop one or more courses/ activities based on his academic performance. e) At the end of the semester, the Faculty Adviser may even advise a reduced load programme for a poorly performing student. This reduced load programme may spread over several semesters subject to minimum load for the semester and completion of the degree programme within the prescribed maximum period. Such reduced load programme is to be prepared by the Faculty Adviser in consultation with the Student and his parent and the Faculty Adviser has to recommend the same through the Programme Council to the Dean for consideration and approval before the commencement of the semester. f) Pay special attention to weak students and carefully monitor performance of students recommended for slow track option.

	g) Advice students for Course Adjustment/ Dropping of courses during the Semester within the stipulated time frame given in the Academic calendar. h) Advice students seeking semester drop either during the ongoing semester or before the commencement of the semester. Ensure strict compliance of rules and regulations laid down for this purpose. Recommend the cases to the Dean for consideration. i) Make revised plan of study for weak/bright students based on their semester wise performance. j) Suggest modalities for course/credit requirements for the students recommended for exchange programme. k) Provide Guidance and liaison to the parents of students for their performance. l) Ensure that students are not permitted to re-register for courses, which they have already passed. m) Inform students that any academic activity (course/ Laboratory/ seminar/ project/non-credit requirement etc.) undergone without proper registration will not be counted towards the requirements of his degree. n) Strictly warn students that if he fails to register during any semester without prior approval, his studentship is liable to be cancelled. o) Keep the students updated about the Academic Administration of CBCS system at the University
17PGLM 4.0	**ATTENDANCE REQUIREMENT**
17PGLM 4.1	Attendance in the class is compulsory and is monitored. The University expects 100% attendance. Each Course is considered as a unit for attendance requirement and, 1) The minimum number of lectures, tutorials, seminars and clinicals which a student shall be required to attend for eligibility to appear at the SEE shall not be less than 75% of the total number of lectures, tutorials, seminars, clinicals, and any other prescribed requirements. 2) If a student obtains less than 75% attendance in any one or more of the courses, he shall not be permitted to appear for the SEE of those courses and he shall re-register for them in subsequent academic semester/s when offered and obtain passing grades, subject to 17PGLM 4.1 (1).
17PGLM 4.2	The basis for the calculation of attendance shall be the period prescribed by the University in its Academic Calendar of events. For the first semester students, the same is reckoned from the date of admission to the programme as per allotment from University.

17PGLM 4.3	The Dean shall inform the students about their attendance position periodically so that the students shall be cautioned to make up the shortage. The Dean shall submit the list of students who have been detained for shortage of attendance by the end of the semester to the Registrar (Evaluation) with a copy to the Registrar. It may be noted that mere omission by Dean to inform the student about the shortage of attendance shall not entitle him/her to appear for examination.
17PGLM 4.4	**Temporary Discontinuation of programme:** A student, who wishes to temporarily discontinue the programme and continue subsequently, has to obtain prior permission from the University by applying through the Dean. Such student shall take admission once again to the same semester in the following academic year or later. However, such student shall pay the tuition fee and other fees for the entire academic year; and shall complete the programme as per 17PGLM 10.1.
17PGLM 5.0	**EXAMINATIONS AND EVALUATION**
17PGLM 5.1	1) The evaluation system of the programmes shall include both Continuous Internal Evaluation (CIE) and Semester End Examination (SEE), in all courses except the compulsory clinical courses. 2) CIE and SEE constitute the major evaluations prescribed for each course, with only those students maintaining a minimum standard in CIE are permitted to appear in SEE of the course. 3) CIE and SEE to carry 50% weightage each. 4) The evaluation system of the program is comprehensive & continuous during the entire period of Semester, both by internal faculty (who is / are teaching the course) & also by the external examiners (who have requisite expertise in the domain / course area). 5) For a course, the evaluation and grading will be on the following parameters:

A	Continuous Internal Evaluation (CIE)	
A1	Continuous and Comprehensive Evaluation (CCE)	30 % marks
A2	Internal Assessment Tests (IAT)	20 % marks
	Total of CIE (A1+A2)	50 % marks
B	Semester End Examination (SEE)	50 % marks
	Total of CIE and SEE (A + B)	100 % marks

17PGLM 5.2	**Continuous Internal Evaluation:** 1) The CIE will carry a maximum of 50% weightage of total marks of a course. Before the start of the Academic session of each semester, a faculty may choose for his course, Internal Assessment Test and a minimum of two and maximum of three of the following assessment methods with suitable weightage for each. a) Assignments (Individual and/or Group) b) Seminars c) Quizzes d) Group Discussions e) Case studies/Case lets/Case discussions f) Practical orientation on Design Thinking, Creativity & Innovation g) Participatory & Industry-integrated learning h) Practical activities / problem solving exercises i) Class presentations j) Analysis of Industry/Law/Commission Reports k) Reports on Guest Lectures / Webinars / Industrial Visits l) Industrial / Social / Rural projects/Field work m) Participation in Seminars/ Academic Events/Symposia, etc. n) Any other academic activity suitable for the course 2) The faculty will submit the 'CCE Assessment Plan' to the Dean for approval and notify the same along with the course syllabus before the start of semester. The total marks of the above three or more assessment components shall be scaled down to 30% of total marks of the respective course. 3) To assess the students in a course under IAT component, two tests will be conducted in a semester. Each test will be conducted for 20 marks. The average marks obtained in these two tests will be taken as IAT Marks. If a student fails to attend both the IAT on the scheduled date due to any unavoidable circumstances, and produces documentary evidence, the faculty member, upon approval of the Dean, shall conduct one additional test at the end of the semester covering the syllabus of the test for which he was absent. 4) The CIE marks awarded to students at different stages during the course shall be displayed on the notice board of SOLS to enable the students to point out any discrepancies. After due corrections, if any, faculty shall upload the CIE marks in the University's ERP system and a hard copy of the same shall be submitted to the Registrar (Evaluation) of the University duly signed by the concerned faculty and the Dean, before the commencement of semester end examinations. 5) The student shall obtain a minimum of 50% of marks allotted for CIE in a given course to be eligible to appear for the SEE in that course. 6) If a student is unable to secure a minimum of 50% in CIE marks in any course, he shall not be eligible to take up SEE/ viva-voce examination in that particular course. It shall be the responsibility of Dean to scrutinize the list of candidates and permit only the eligible students to take up SEE.

	In the event of an ineligible student inadvertently being allowed to appear for the theory/viva voce examination, the result of the concerned student shall be withdrawn forthwith. 7) The list of such students, who have not secured the minimum in CIE marks, shall be sent to the Registrar (Evaluation) along with the submission of CIE marks of the successful students. 8) After the submission of CIE marks to the Registrar (Evaluation) of the University, any request for changes in the marks by the Dean shall be considered by the Registrar (Evaluation) only after the approval of the Vice- Chancellor. 9) The students not obtaining 50% marks in CIE shall re-register for the course during the subsequent semester.
17PGLM 5.3	**Semester End Examination:** 1) The Semester End Examination for all the courses for which students registered during the semester shall be conducted at the end of each semester except when there are no students taking examination for any course as per the scheme of teaching and examinations. 2) Only those students who satisfy the attendance requirement as per 17PGLM 4.1 and CIE requirement as per 17PGLM 5.2 (5) and (6) shall be eligible to appear for SEE of that course. However, in those students, whose SEE results were withdrawn as a penalty for indulging in malpractice or who had satisfactory attendance & required minimum CIE marks but could not appear in the SEE for valid reasons, shall be permitted to carry forward the attendance and CIE marks from that semester and write the SEE when ever held for the same course as offered by the concerned School of Studies. Such students shall seek permission from the Dean and register for the SEE in the beginning of the semester and appear for SEE, on the dates notified by the University. Such students shall complete the course as per the sections 17PGLM 6.0 and 7.0 of the concerned Programme Regulations.
17PGLM 5.4	**Academic Malpractice:** Academic malpractices shall be seriously viewed and appropriate action taken. In case of malpractice during any of the examinations like assignments, quizzes, tests, and other CIE components, the matter shall be reported to the Dean for further action. In case of malpractice during SEE, the Invigilator shall report the matter to the Chief Superintend, who in turn refers the matter to the Registrar (Evaluation) for further action.

17PGLM 6.0	ELIGIBILITY FOR PASSING A COURSE

17PGLM 6.1

Award of Grades:

1) The University adopts absolute grading system wherein the marks are converted to grades, and every semester results will be declared with semester grade point average (SGPA) on successful completion of all courses of that semester.
2) The total marks obtained by the student in CIE and SEE of a course is expressed as a percentage to compute the grade points and the letter grade is awarded as indicated in the table below:
3) If there is no SEE for a course, then the CIE marks alone will be the basis for the determination of letter grade.
4) Letter Grade Scheme for LL.M.:

Classification			
% Marks scored in a course	Grade Points	Letter Grade	Level
≥ 90	10	O	Outstanding
≥ 85 < 90	9	A+	Excellent
≥ 75 < 85	8	A	Very Good
≥ 65 < 75	7	B	Good
≥ 55 <65	6	C	Above Average
≥ 50 <55	5	P	Average
<50	0	F - RA	Reappear
	0	F - RR	Re-register

Table: Marks (%) and Letter Grade relation

17PGLM 6.2

Other Letter Grades:

The letter grades specified in 17PGLM 6.1 are used as student performance measures in all kinds of assessments.

However, the following letter grades are also awarded under the circumstances defined below (Letter Grade: Grade Point - Circumstances)

1) F-RR: 0 - Not eligible to appear for the SEE of a course due to attendance being less than 75% and / or CIE being below 50%.
   To re-register for the course and appear for the SEE in the subsequent semester when it is being offered by the School of Studies.
   (In case of electives, course change within the group is permitted.
2) AU: 0 - Satisfactory in an Audit course
3) W: No credits – Dropped/ withdrawn (W is not a grade but only a place holder indicating that the course has been dropped/withdrawn and it has to be cleared in subsequent semesters in case it is a core subject).

17PGLM 6.3	**Passing a Course:** For pass in a course, the student shall secure a minimum of 50% of marks prescribed for that course in CIE and 50% in SEE or viva voce examinations. However, aggregate marks combining both CIE and SEE or viva voce should not be less than 50% under any circumstances. That is, Minimum passing grade in a course (head of passing) is P.
17PGLM 6.4	**Condition for Re-Registering a Course:** 1) Students who do not satisfy the condition of 17PGBD 6.3 shall be deemed to have failed and will be awarded either 'F-RR' or 'F-RA' Grade. 2) Students who were not eligible to take up the Semester End Examination (SEE) of any semester shall be deemed to have failed and will be awarded 'F-RR' Grade and are required to re-register for the course in subsequent odd/even semesters respectively. 3) Students who were eligible to take up Semester End Examination but have not cleared the regular Semester End Examination (SEE) shall be deemed to have failed and will be awarded 'F-RA" Grade and are required only to re-register for the Semester End Examination during the subsequent odd/even semester respectively.
17PGLM 7.0	**PROGRESSION TO HIGHER SEMESTERS** There shall be no restriction for promotion to 2nd semester from 1st semester.
17PGLM 8.0	**PASSING STANDARDS AND CLASS DECLARATION**
17PGLM 8.1	**Computation of SGPA and CGPA:** 1) Semester Grade Point Average (SGPA) will be awarded at the end of each Semester and Cumulative Grade Point Average (CGPA) will be awarded at the end of the program. However, CGPA is calculated at the end of each semester from the second semester onwards and reflected in the grade certificate for indicating the progress of the student. 2) Each course in a program is associated with number of credits (C). Based on the number of Credits for a course and obtained Grade Point (GP) for that course in a Semester, the GPA is calculated as given below: a) The SGPA is the ratio of sum of the product of the number of credits with the grade points secured by a student in all the courses taken by him and the sum of the number of credits of all the courses undergone by a student, i.e., $SGPA = \sum (C_i \times G_i) / \sum C_i$ Where C_i is the number of credits of the ith course and G_i is the grade point scored by the student in the ith course.

	b) The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme, i.e., CGPA = $\sum (C_n \times S_n) / \sum C_n$ Where S_n is the SGPA of the nth semester and C_n is the total number of credits in that semester. Finally the SGPA and CGPA shall be rounded off to 2 decimal places.
17PGLM 8.2	**Passing Standards:** 1) A student shall be declared successful or 'passed' in a Semester, only when he gets a minimum SGPA of 5.00 and above; 2) A student shall be declared successful or 'passed' in the entire Post Graduate Programme, only when he gets a minimum CGPA of 5.00 and above;
17PGLM 8.3	**1) Conversion of Grade and Percentage of Marks:** Conversion formula for the conversion of CGPA into Percentage is: Percentage of marks scored, P = [CGPA earned] x 10 **2) Class Declaration:** After the conversion of final CGPA into Percentage of Marks (PM), a graduating student is declared to have passed in a) First Class with Distinction (FCD): PM ≥ 75% **(In First Attempt)** b) First Class (FC): 60% ≤ PM < 75% c) Second Class (SC): 50% ≤ PM < 60%
17PGLM 8.4	**Grade Cards, Certificates and Transcripts:** 1) **Grade Cards:** At the end of each semester, a Grade Card shall be issued to all the registered students of that semester, indicating the Course code, Title, Number of credits, Letter grade awarded and Credits earned, for all the Courses as specified in the scheme of teaching and evaluation. This may have F-RA or F-RR grades awarded to the student. 2) **Grade Certificate:** On successful completion of all courses/earning credits, specified in a semester, the grade certificate is issued indicating the course details along with SGPA of that semester and also CGPA earned till that semester.

	3) **Transcripts:** Transcript is the consolidated statement of the Academic Performance of a student for all the semesters since joining the programme and is given to a student on successful completion of the programme along with the degree certificate. a) For those students who have taken multiple attempts to clear a course, the transcript given on successful completion of the programme will only contain earned pass grade (O to P and AU); the courses cleared subsequently will however be shown in the respective semester with Month and Year in which the student has finally cleared the course. The transcript will show only the overall CGPA based on all the courses taken by the student. Additional courses will be shown separately, indicating the grade earned by the student. Additional copies of the transcript can be obtained if needed, on request submitted along with payment of applicable fee. b) Students who have not yet completed the programme can obtain an Interim Transcript, at the end of any semester, if needed, on request and upon payment of applicable fee. The Interim Transcript includes failed courses, which have not been cleared at the time of issue.
17PGLM 9.0	**ELIGIBILITY FOR THE AWARD OF DEGREE, PRIZES, MEDALS AND RANKS**
17PGLM 9.1	**Minimum Credit Requirement:** A student shall obtain a total of at least 24 credits as specified by the University along with satisfying the passing standards as per 17PGLM 8.2 to be eligible for the award of LL.M. degree.
17PGLM 9.2	For the award of Prizes and Medals, the conditions stipulated by the Donor/University may be considered subject to the provisions of the statutes framed by the University for such awards from time to time.
17PGLM 9.3	For award of ranks in a programme, a minimum of 10 students should have appeared in the final semester examination. The total number of ranks awarded shall be 10% of total number of students appeared in the final semester or 10 whichever is lesser.
17PGLM 9.4	A Student shall be eligible for a rank at the time of award of degree, provided the student has passed in all the courses from both the semesters in first attempt only.
17PGLM 9.5	For award of Rank in the degree, the CGPA secured by the student in both the semester shall be considered, provided 17BSET 9.4 is satisfied.

17PGLM 9.6	If two students get the same CGPA, the tie should be resolved by considering the number of times a student has obtained higher SGPA. But, if it is not resolved even at this stage, the number of times a student has obtained higher grades like O, A+, A, B, and C, shall be taken into account in Rank ordering of the students.
17PGLM 10.0	**MAXIMUM DURATION FOR PROGRAMME COMPLETION**
17PGLM 10.1	The students of LL.M. shall complete the programme within a period of two academic years from the date of admission to the program, failing which he has to discontinue the program.
17PGLM 11.0	**MISCELLANEOUS**
17PGLM 11.1	The academic regulations should be read as a whole for the purpose of any interpretation.
17PGLM 11.2	Wherever the words “he”, “him”, “his” occur in the regulations, they include “she”, “her”, “hers”.
17PGLM 11.3	In case of any doubt or ambiguity in the interpretation of the rules mentioned in the regulations, the decision of the Vice-Chancellor shall be final.
17PGLM 11.4	The University may change or amend the regulations and/ or curriculum at any time, and the changes or amendments made shall be applicable to all the students with effect from the date notified by the University.
17PGLM 11.5	These regulations governing the LL.M. degrees of the University may be modified from time to time with the approval of statutory bodies of the University and shall be binding on all.

REGULATIONS GOVERNING
MASTER OF BUSINESS ADMINISTRATION DEGREE PROGRAMME
[MBA / MBA (Executive)]
Based on Choice Based Credit System (CBCS)

DEFINITION OF KEY WORDS:

1. **Academic Year:** Two consecutive semesters (one odd followed by one even) constitute one academic year.
2. **Audit Courses:** Courses, outside the prescribed range of credits required for the degree, the students can register if interested to supplement their knowledge/ skills.
3. **Choice Based Credit System (CBCS):** The CBCS provides choice for students to select from the prescribed set of courses viz. Core courses, Core Elective courses, Advanced Core courses and Elective courses.
4. **Course:** Referred to as 'papers', is a component of a programme, with defined learning objectives, outcomes and number of credits. A course may be designed to comprise lectures/ assignments/ tutorials/ laboratory work/ field work/ outreach activities/ project work/ self-study/ vocational training/ viva/ seminars/ term papers/ presentations/ quiz etc. or a combination of these as defined in the Scheme of Teaching. The course credits vary depending on the required teaching-learning hours to accomplish the learning outcomes, specified in the course syllabus.
5. **Credit:** A unit by which the course work is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one hour of lecture or two hours of tutorial/ practical work/ field work per week.
6. **Credit Based Semester System (CBSS):** Under CBSS, the requirement for awarding a degree or diploma or certificate is prescribed in terms of number of credits to be earned by the students.
7. **Credit Point:** It is the product of grade point and number of credits for a course.
8. **Cumulative Grade Point Average (CGPA):** It is a measure of overall cumulative performance of a student over all semesters. The CGPA is the ratio of total credit points earned by a student in various courses in all semesters and the sum of the total credits of all courses in all the semesters. It is expressed up to two decimal places. However, the CGPA may be calculated from second semester onwards to facilitate students to know their academic progress.
9. **Dean:** Dean of the School of Management of the University.
10. **First Attempt:** If a student has completed all formalities and become eligible to attend examinations and has attended at least one head of passing, such attempt (first sitting) shall be considered as first attempt.

11. **Grade Point:** It is a numerical weightage allotted to each letter grade on a 10-point scale.
12. **Letter Grade:** An index of the performance of students in a said course. Grades are denoted by letters.
13. **Passing Standards:** A student is passing a Course only when getting GP greater than or equal to 05 (P Grade). A student is declared successful at the Semester-end or Programme-end only when getting SGPA or CGPA equal to or greater than 5.00 respectively, with none of the Courses registered in a Semester(s) having either F-RA or F-RR Grade
14. **Programme:** A planned series of events/activities comprising of a combination of courses leading to the award of the degree MBA/ MBA (Executive).
15. **Programme Council:** The committee consisting of the Director of the programme, HOD and the concerned faculty members from each cadre.
16. **Semester:** Each semester will consist of 15 to 18 weeks of academic work equivalent to about 90 teaching days. The odd semester may be scheduled from August to November/ December and even semester from January to April/ May, or as may be declared by the University.
17. **Semester Grade Point Average (SGPA):** It is a measure of academic performance of student in a semester. It is the ratio of total credit points secured by a student in various courses registered in a semester and the total course credits taken during that semester. It shall be expressed up to two decimal places.
18. **SOM:** School of Management of the University
19. **Transcript, Grade Certificate and Grade Card:** Grade card shall be issued to candidates indicating the programme details (Course code, title, number of credits, grade secured and grade points) for all the registered courses after every semester. On successful completion of all courses/earning credits, specified in a semester, the grade certificate is issued indicating the programme details along with SGPA of that semester and CGPA earned till that semester. Transcripts to the successful candidates shall be issued after completion of the programme.
20. **University:** CMR University, Bangalore.

REGULATIONS

17PGBD 1.0	**TITLE AND DURATION OF THE PROGRAMME**
17PGBD 1.1	The Post Graduate Programmes covered under these Regulations are: Master of Business Administration, abbreviated as MBA and Master of Business Administration (Executive), abbreviated as MBA (Executive)
17PGBD 1.2	The MBA programme shall be of two academic years duration and organized in four semesters, with each semester having duration of about 15 to 18 weeks. In Executive Mode i.e. MBA (Executive) the programme shall be organized in three semesters, with each semester having duration of about 15 to 18 weeks.
17PGBD 1.3	The annual Academic Calendar of events in respect of the Programme of study approved by the Academic Council, shall be notified at least a month before the commencement of each academic year. It is mandatory for students, faculty members and all concerned to strictly adhere to the Academic Calendar for completion of academic activities. Academic Calendar shall be displayed on the homepage of the University website.
17PGBD 2.0	**ELIGIBILITY FOR ADMISSION**
17PGBD 2.1	The rules specified in the following clauses shall be followed, but the orders issued from the Government/the regulatory bodies from time to time shall prevail.
17PGBD 2.2	1) Admission to First semester MBA/ MBA (Executive) shall be open to the applicants who have passed the Bachelor's degree in any discipline with 50% aggregate marks from any recognized university or institution in India or abroad. (45% in case of SC/ST and PH students) 2) For the prerequisite qualification earned from foreign universities, equivalence as notified by the Association of Indian Universities from time to time is mandatory. 3) However, in case if no prior equivalence has been established by any other recognized bodies, the decision of the Equivalence Committee of the University shall be final in establishing the eligibility of the candidate.
17PGBD 2.3	1) In addition to 17PGBD 2.2, for admission to MBA (Executive), the applicants must have three (03) years of relevant work experience. 2) The minimum percentage requirement for MBA (Executive) may be relaxed by 5% i.e. 45% marks in qualifying examination, in case of applicants with higher degree with 50% marks OR more than 10 years of managerial work experience. 3) Applicants belonging to SC/ST and OBC from Karnataka are provided admission based on the reservation policy as notified by the Government of Karnataka from time to time. 4) Further, the applicant shall have studied and passed English as one of the subjects 4) at eligibility qualification level.

17PGBD 2.4	**Lateral Entry Admissions:** Depending upon the academic and physical facilities available in the institutions, the university may admit a certain number of students directly to the second year of the programme, if the student has either 1) Successfully completed the first year of the same programme in another recognized Institution, or 2) Already successfully completed other equivalent programme in a recognized university/ institution and desirous of (and academically capable of) pursuing another degree programme in a related/ allied subject.
17PGBD 3.0	**CHOICE BASED CREDIT SYSTEM AND ACADEMIC PROCESS**
17PGBD 3.1	**Odd & Even Semesters and Summer Term:** The University follows the Choice Based Credit System and the Semester Scheme. There are two regular semesters and one additional semester in an academic year. The semester that begins in August (August to November/ December) is known as the Odd Semester and the semester that begins in January (January to April/May) is known as the Even Semester. During the summer vacation (May/June to July), the Summer term is conducted to offer courses as per 17PGBD 3.2.
17PGBD 3.2	**Summer Term:** The summer term is additional semester that is conducted during an academic year. However, during a summer term, a limited number of courses maybe offered to enable the students to clear their backlog courses (F-RR) and/or register for additional regular credit courses on audit basis, subject to strict adherence to the following guidelines: 1) The Program Council shall identify the courses to be offered along with the Course Instructor and recommend offering of such summer course (s) to the Dean for consideration. The identified faculty members shall offer the courses only on approval by the Dean. 2) The course is offered in the same manner as a regular semester course without compromising the course requirements in terms of knowledge delivery, course work, assessment and evaluation. The University shall notify the fee payable by the students for the summer semester courses. 3) The duration of the course is six to eight weeks. The registration, examination, assessment and grading etc. are done in the same way as is done for regular semester courses. The total number of contact hours for the courses remains the same as that during the regular semesters, and therefore, the courses are run at an accelerated pace. The Academic Calendar specially made in this connection shall be strictly followed.

	4) The dropping of a Summer Course is permitted within 7 days from the first lecture of the course. However, the registration fee paid for the course is not refundable. 5) Time slots will be assigned and notified by the Dean as done for the regular semester courses. 6) A notified summer course can be withdrawn if the number of students registered for the course is less than five. 7) A student can register up to a maximum of 12 credits or 3 courses in any summer semester, depending on his academic standing. 8) Courses offered in a summer semester will be treated as equivalent to a regular semester courses for all accounting purposes.
17PGBD 3.3	**Curriculum:** 1) Every Programme has a prescribed course structure which, in general terms, is known as the Curriculum or the Courses of Study or the Scheme of Teaching and Evaluation. It prescribes all the courses/ laboratory/ other requirements for the degree and sets out the nominal sequence semester wise. It also provides the syllabus and a list of text/ reference books (or other learning material sources) for each course. 2) The University shall not only lay down the syllabus for each course, but also the manner of its implementation, namely, through lectures, tutorials, laboratory sessions, seminars, field work, projects and such other activities. 3) The Courses of Study details are updated every semester and are made available at the School's page of the University website: http://www.cmr.edu.in/. 4) Curriculum may also include SWAYAM or Massive Open Online Courses (MOOCs), offered by premier Institutions worldwide. However, selection of SWAYAM or MOOCs, if any, shall always be within prescribed guidelines of the relevant regulatory bodies.
17PGBD 3.4	**Course Credit Structure:** 1) A certain quantum of academic work, measured in terms of credits, is laid down as the requirement for completion of degree in the different programme and the available specialization areas. A student earns credits by satisfactorily completing courses/ other academic activities every semester. 2) The credits are distributed semester wise, as prescribed in the Scheme of Teaching and Evaluation for each of the programmes. The courses generally progress in sequences, building competencies as per the course learning outcomes. The positioning of a course indicates certain academic maturity on the part of the students.

	3) Some courses do, in addition, specify passing in other courses, offered earlier in the programmes as prerequisites for the course. 4) Students are required to follow the semester wise schedule of courses specified in Scheme of Teaching and Evaluation; they do, however, have freedom to follow alternative schedules to optimize their academic profile with additional courses, keeping the requirements for each course in mind. For students with backlog courses, such rescheduling may even become necessary. Such departures from suggested schedules need to be done very carefully, and always with advice from the Faculty Adviser.
17PGBD 3.5	**Courses:** There will be following types of courses in a programme, namely: 1) Core Courses (CC): including essential foundation and functional management skill courses, considered to be useful for all management graduates irrespective of their choice of elective group/ specialization. 2) Core Elective (CE): including additional knowledge and skill courses, considered to be useful for developing additional skills/ competencies, irrespective of elective group/ specialization. 3) Advanced Core (AC): including knowledge and skill courses, considered to be useful for developing management skills/ competencies with inter-functional perspectives in management. 4) Elective Courses (EC): including knowledge and skill courses focusing on function/ sector specific management skills/ competencies leading to focused study in an elective group/ specialization area. 5) Project work/ Internship/ Seminars/ Dissertations can also be offered as independent course in the programme subject to allocation of required credit hour allocation to the course. The requirements for Seminar/ Project/Internship/ Dissertation based courses will, be as specified in the course-guidelines/details approved by the Board of the Studies of the School. 6) Graduate Requirement (GR) Courses: These are courses on peripheral subjects in a programme, wherein completion of the course is considered mandatory to qualify for the award of the Degree. 7) Project work, Mini Project work and Internship and Seminar are also considered as courses in the programme.

The Courses of the Programme are further classified as follows:

1) **Program Core (Credit Courses):** Each academic programme is divided into Program Core or Common core courses which are further divided into mandatory and choice segments, with levels within them.

   The Program Core courses are broadly categorized into Foundation, Electives and Interdisciplinary.

   Foundation, Elective and interdisciplinary courses are discipline specific or allied to the program. Foundation courses are mandatory courses that are offered through the period of study of the program. Foundation courses are offered as fundamental, intermediate and advanced courses based on the prerequisite and difficulty level (100 Level / 200 Level / 300 Level etc.) of the course. Elective courses are a basket of courses from which the student gets to choose. Elective courses are either specialization courses or generic courses. Elective courses include mini projects, dissertations, internships and capstone projects. Students also have the option to choose from a set of interdisciplinary courses which are varied from their discipline and offered by other Schools of Studies of the University.

   Mandatory segments are those which lay a firm foundation of the knowledge required to complete a programme in the chosen domain, ending with a multifaceted assignment that serves as a culminating academic and intellectual experience for students, typically during their final year.

   Choice segments are those which a student could opt for to specialize further and / or to improve their interdisciplinary skills.

   All segments carry credits, and the students are expected to earn the minimum number of credits in their coursework towards program core to earn the degree.

2) **Common Core (Credit Courses):** Common Core Curriculum (CCC) courses are to be pursued by all students of the University regardless of their School of Study. It also encourages students to explore themselves and issues of fundamental importance to society through the Common Core Curriculum (CCC) courses. Students are expected to earn a certain specified number of credits in their coursework towards the Common Core Curriculum (CCC), during their academic programmes. While some courses are in workshop mode, which can be completed over a few days at a stretch, there are other courses which are offered for a specific number of hours per week throughout a semester.

Students take these courses planned for each academic programme, over multiple semesters. Credits range from 1 to 4, which are directly proportional to the number of hours required to complete a course. There are both 'mandatory' and 'choice' courses, with levels within them.

3) **Common Core (Non-credit Courses / Engagement) - Graduate Requirement (GR):** Engagements for this category do not carry any credit(s) but are mandatory for the students to complete them within the duration of the programme, to be considered eligible to graduate (or) earn the degree. These shall be:

   a) **Courses** embedded in the academic programme, where the students must ensure that they attend a minimum attendance percentage.

   b) **Community Service Program** are activities implemented under the Common Core Curriculum Community Service Program (CCC CSP) in which the students have to complete a minimum number of volunteering hours in a semester by rendering services to the society and submit a Reflection Record (RRD) for every volunteering activity completed. In case of a student not having completed the minimum number of volunteering hours in a semester, the shortage in number of hours is to be completed in the subsequent semester(s). However, the student has to complete the mandated total number of volunteering hours within the duration of the programme and submit a Reflection Record (RRD) for every volunteering activity completed.

4) **Advanced Course:** Courses that involve higher and more complex levels of knowledge and understanding than introductory or foundational learning. It means the student has attained a level of knowledge and understanding of a particular area or topic that goes beyond basic terminology and definitions and is ready to be involved in Analysis, Synthesis and Evaluation of information related to a specific topic or area of learning.

5) **Prerequisite course:** Course or other requirement that a student must have taken prior to enrolling in a specific course. Students might or might not have a choice of prerequisites to complete.

Courses under various categories can be further classified as:

- **100 Level Courses**: These courses offer an introduction to a subject area and are designed for students in the first year of study. These courses have no prerequisites and are generally courses defining basic concepts or presenting the terminology of a discipline

	• **200 Level Courses**: These courses are built on previous units and are normally taken in the second year or later; they may also be available to students with advanced prior knowledge. They are Courses of intermediate college-level difficulty; courses with 100-level course(s) as prerequisite(s) • **300 Level Courses**: These courses are usually taken in third year or later, after 200-level study in the area. They may also be available to students with advanced prior knowledge. They are courses of advanced college-level difficulty offered for students clearly interested in the discipline or in any stream of the discipline • **400 Level Courses**: These units of study are advanced courses and are normally taken in the third year or later as the final elements of a three year or four year degree or an integrated degree. The level indicates that the student will be demonstrating coherence and breadth or depth of knowledge and skills. The student may need to have completed a prerequisite course to study a 400 level course. • **500 Level Courses:** These are foundation level courses for higher education qualifications, usually taken in the first year of the masters or postgraduate degree programmes. These are courses meant for students aspiring to specialise in a discipline and would have prerequisites to study a course at this level, which would have been covered in the core curriculum at the bachelor's degree programme in the same discipline. • **600 Level Courses:** These courses are usually opted for at the second year of the masters or postgraduate degree programmes, which enhance the learning experience of the previous units. The difficulty level is clearly higher and the student is expected to demonstrate a certain level of proficiency and competence in grasping and interpreting the knowledge gained in the discipline at this level. • **700 Level Courses:** The courses prescribed at this level serve as a culminating academic and intellectual experience for students, and are usually taken towards the final semesters of the masters or postgraduate degree programmes where they acquire the skills and knowledge to analyse, evaluate, and solve challenges akin to those faced in real life situations, resulting in achieving mastery in the discipline.

17PGBD 3.6	**Seminars:** Some Programmes may prescribe Seminar as a requirement for the degree. Seminar may be an assessment component or a course itself wherein the student is expected to do an in-depth study in a specialized area under the guidance of a faculty member. This may include surveying published technical literature, understanding different aspects of the problem and arriving at a status report. While doing a seminar, the student is expected to: critically analyze works of various authors/ researchers; learn the investigation methodologies, study concepts, techniques and the results presented in these papers; and submit a seminar report. It is mandatory to give a seminar presentation before a panel constituted for the purpose. Seminars typically carry 1 to 2 credits.
17PGBD 3.7	**Project Work/Dissertation and Summer Internship Program (SIP):** Project work/Dissertation and/or SIP is considered as a special course involving application of knowledge in solving / analyzing /exploring a real-life situation/ difficult problem. A Project/ Dissertation work would be for specified number of credits, as prescribed in the Scheme of Teaching and Evaluation. A Project/Dissertation work may be given in lieu of a discipline specific elective paper. Summer Internship Program, wherever needed, may be introduced as a (or a part of) Project.
17PGBD 3.8	**Audit Courses:** A student desirous of additional exposure to a course, without the rigors of obtaining a good grade, 'audits' a course. The minimum requirement of attendance for an 'Audit Course' is 75%, with any additional requirements as set by the instructor such as submission of assignments and minimum performance in some of the in-semester evaluations. Auditing of courses during regular semesters from 3rd semester onwards is permitted under the following conditions: 1) Students with CGPA> 6.0 will be permitted to 'Audit' a course. A course can be audited provided the course is offered in the semester as a credit course for others, and there is no slot clash. Prior permission of the Instructor is required. 2) Audit courses would be restricted to a maximum of two (2) courses per student in the entire period of the programme. 3) The instructor would award the 'AU' grade, if the attendance is satisfactory and additional requirements, as set out by the instructor, are met. If the attendance and performance is not satisfactory, the instructor will award 'No Grade'. The grade 'AU' does not carry any grade points and therefore does not figure in SGPA/ CGPA calculations. 4) The course successfully completed in Audit mode will be reflected in the Grade Card, Grade Certificate and the Transcript as Audit Course.

17PGBD 3.9	**Registration:** It is mandatory for every student to register for a semester to attend various courses/ earn credits, using the prescribed Course Registration Form (CRF), till he completes his programme. The registration shall be completed on or before the prescribed last date for registration announced in the academic calendar. 1) On joining the Programme, each student is assigned to a Faculty Adviser or an Advisory group. A student shall register for required courses each semester with prior permission of the Faculty Adviser. 2) The student can register for courses he intends to take during a given semester (including courses in summer semester) on the basis of his plan for each Programme, as given in the Scheme of Teaching and Evaluation and as per the advice given by his Faculty Adviser. 3) The Faculty Adviser is expected to discuss with the student his academic performance during the previous semesters and then decide the number and nature of the courses for which the student can register during the semester within the framework of the Regulations. 4) The Faculty Adviser may advise the student to drop one or more courses/activities based on his academic performance. The Faculty Adviser may even advise a reduced load program over several semesters for students with poor performance at the end of the first semester/year. 5) Students are not permitted to reregister for course/(s), which they have already passed. 6) The registration is deemed to be complete only on approval by the Dean. 7) Without registration, any academic activity (course/seminar etc.) undergone by a student will not be counted towards the requirements of his degree. 8) Students having outstanding dues to the University or a hostel shall not be permitted to register.

17PGBD 3.10	1) **Procedure for Registration:** The procedure involves the following steps: a) A student is required to register for all the courses listed in the curriculum for the first semester. b) The students shall decide on the courses to be registered during the ensuing semester immediately after their SEE examinations as per the advise of their Faculty Advisor. c) They shall submit a print out of the completed CRF, duly attested by the faculty advisor to the Dean through the department office within the date notified by the University for registration. d) Every student from II semester onwards is required to register for a minimum of 20 credits and a maximum of 28 credits. 2) **Registration for second and subsequent semesters:** a) From second semester onwards, registration is dependent on the academic standing of the student. A student with a low academic standing registers for the academic load specified by the Faculty Adviser. In addition he may add one more course (3-5 credits) towards additional learning or to clear backlog courses, without this being considered an overload. b) Students with average academic standing are advised not to attempt full load. Faculty Advisers after careful scrutiny will advise academic loads depending on previous performance. **3) Late Registration:** Registration beyond the last date may be permitted only in special cases till the date specified in the Academic Calendar, on payment of a late registration fee.
17PGBD 3.11	**Registration for Graduate Requirement (GR) Courses:** Graduate Requirement (GR) courses which are mandatory Non-credit courses are treated as complete or incomplete subject to the fulfillment of the minimum requirements of these courses and a minimum of 75% attendance. The award of degree is subject to successful completion of these courses. Formal registration for these courses shall be done along with other courses, at the beginning of the semesters. Not satisfying the minimum requirements of the course will result in a F-RR grade and the student has to re- register for the course when offered next. This requirement must be completed before the end of the Programme.

17PGBD 3.12	**Registration for Summer Semester Courses:** Students are permitted to register for courses during summer semester under the regulation specified by 17PGBD 3.2, on payment of prescribed registration and course fees.
17PGBD 3.13	**Course Adjustment/Dropping of Courses:** 1) The Academic Calendar sets a date, normally two weeks after the commencement of the semester, for Course Adjustment. On or before this date, a student is permitted to make adjustments in his academic load by addition or deletion of one or more courses, projects etc., provided that the total credits do not exceed 28 or fall below 20, by such adjustments, Course adjustment has to be done in consultation with the Faculty Adviser. When the need for course adjustment through addition, substitution or dropping of course/s arises, the student without any backlog should do online course adjustment and students with backlog course/s should do it manually by filling a Course Adjustment Form (CAF). CAF has to be signed by both the student and the Faculty Adviser and the same is to be submitted to the Dean. 2) If in the second or any of the subsequent semesters, a student finds his academic load too heavy, he may drop one or two courses out of the registered ones on advice from the Faculty Adviser, provided the minimum credit requirements is fulfilled. The last date for doing this is within 10 days after the end of the first test, or as specified in the Academic Calendar. 3) Course/s dropped by a student may be taken during a subsequent semester including the summer semester, if offered. The minimum number of students to be registered for an Elective to be offered shall be not less than ten, or as decided by the University.
17PGBD 3.14	**Course substitution:** In case a student obtains E grades or drops courses due to a valid reason or fails in a course, he may like to substitute courses in order to complete the course requirements within the stipulated duration. Following are the guidelines for course substitution: 1) Course substitution is not permitted for Core Courses. The student has to reregister for the same courses and complete them. 2) An elective course may be substituted by another elective course from the same group.

17PGBD 3.15	**Dropping of a Semester:** 1) A student may opt or be advised to drop an entire semester, with prior approval of Programme Council due to the following reasons: a) A student may seek a semester drop, due to severe personal health problem, unavoidable family commitments or other valid reasons beyond his control, on advice from the Faculty Adviser, prior to the commencement of the semester itself. b) During a registered semester, if a student finds that he is unable to cope up with the studies and/or does not have sufficient exposure to most of the courses registered in that semester due to severe health problem or some other valid reasons beyond his control, he can opt to drop the entire semester, on advice from the Faculty Adviser. 2) In all cases of severe health problems, medical certificate issued by a University recognized Medical Practitioner is essential. In all other cases, requests for dropping the semester should be accompanied by supporting documents as required. 3) Such break from studies is normally not permitted for a continuous period in excess of one year. 4) Not registering for any semester before the last date for registration without prior approval of the Dean will result in automatic dropping of semester leading to temporary discontinuation of the programme. 5) The credits of the dropped semester shall be earned subsequently by registering to the courses specified in the Scheme of Teaching and Evaluation or equivalent courses when offered next.
17PGBD 3.16	**1) Faculty Adviser:** On joining the University, a student or a group of students' is/are assigned to a Faculty Adviser from the concerned programme. Students are advised to consult the Faculty Adviser on any matter relating to their academic performance and the courses they may take in various semesters/ summer semesters. Faculty Adviser guides the students to complete their courses of study for the required degree in a smooth and satisfactory manner.

	2) Role of the Faculty Adviser: The Faculty Adviser guides the students to complete their courses of study for the required degree in a smooth and satisfactory manner. For effective utilization of the opportunities for additional academic accomplishments, planning of the individual's academic progress needs careful consideration, and constant consultation with the Faculty Advisers is imperative. Thus, the role of the Faculty Adviser is of immense importance. The Faculty Adviser is the person whom the parents/ guardians should contact for performance related issues of their ward. The Faculty Advisor shall a) Guide the students about the rules and regulations governing the courses of study for a particular degree. b) Advise the students for registering courses as per prescribed curriculum or otherwise but within the scope of the rules and regulations prescribed by the University from time to time. For this purpose the Faculty Adviser has to discuss with the student his academic performance during the previous semester and then decide the number and nature of the courses for which he can register during the semester. c) Approve the CRF by attesting same, before the prescribed last date. d) Advice students to overload/ drop one or more courses/ activities based on his academic performance. e) At the end of the first semester/ year, may even advise a reduced load programme for a poorly performing student. This reduced load programme may spread over several semesters subject to minimum load for the semester and completion of the degree programme within the prescribed maximum period by registering in summer terms. Such reduced load programme is to be prepared by the Faculty Adviser in consultation with the Student and his parent and the Faculty Adviser has to recommend the same through the Programme Council to the Dean for consideration and approval before the commencement of the semester. f) Pay special attention to weak students and carefully monitor performance of students recommended for slow track option. g) Advice students for Course Adjustment/ Dropping of courses during the Semester within the stipulated time frame given in the Academic calendar. h) Advice students seeking semester drop either during the ongoing semester or before the commencement of the semester. Ensure strict compliance of rules and regulations laid down for this purpose. Recommend the cases to the Dean for consideration.

	i) Make revised plan of study for weak/bright students based on their semester wise performance. j) Suggest modalities for course/credit requirements for the students recommended for exchange programme. k) Provide guidance and liaison with the parents for their improved performance. l) Ensure that students are not permitted to re-register for courses, which they have already passed. m) Inform students that any academic activity (course/ Laboratory/ seminar/ project/ noncredit requirement etc.) undergone without proper registration will not be counted towards the requirements of his degree. n) Strictly warn students that if he fails to register during any semester without prior approval, his studentship is liable to be cancelled. o) Keep the students updated about the Academic Administration of CBCS system at the University.
17PGBD 4.0	**ATTENDANCE REQUIREMENT**
17PGBD 4.1	Attendance in the class is compulsory and is monitored. The University expects 100% attendance. Each Course is considered as a unit for attendance requirement and, 1) The minimum number of lectures, tutorials, seminars and practicals which a student shall be required to attend for eligibility to appear at the SEE shall not be less than 75% of the total number of lectures, tutorials, seminars, practicals, and any other prescribed requirements. 2) If a student obtains less than 75% attendance in any one or more of the courses, he shall not be permitted to appear for the SEE of those courses and he shall re-register for them in subsequent academic semester/s when offered and obtain passing grades, subject to 17PGBD 4.1 (1).
17PGBD 4.2	The basis for the calculation of attendance shall be the period prescribed by the University in its Academic Calendar of events. For the first semester students, the same is reckoned from the date of admission to the programme as per allotment from University.
17PGBD 4.3	The Dean shall inform the students about their attendance position periodically so that the students shall be cautioned to make up the shortage. The Dean shall submit the list of students who have been detained for shortage of attendance by the end of the semester to the Registrar (Evaluation) with a copy to the Registrar. It may be noted that mere omission by Dean to inform the student about the shortage of attendance shall not entitle him to appear for examination.

17PGBD4.4	**Temporary Discontinuation of programme:** A student, who wishes to temporarily discontinue the programme and continue subsequently, has to obtain prior permission from the University by applying through the Dean. Such student shall take admission once again to the same semester in the following academic year or later. However, such student shall pay the tuition fee and other fees for the entire academic year; and shall complete the programme as per 17PGBD 10.1.
17PGBD 5.0	**EXAMINATIONS AND EVALUATION**
17PGBD 5.1	1) CIE and SEE constitute the major evaluations prescribed for each course, with only those students maintaining a minimum standard in CIE are permitted to appear in SEE of the course. 2) CIE and SEE to carry 50% weightage each, to enable the course to be evaluated for a total of 100 marks, irrespective of its credits. 3) The evaluation system of the program is comprehensive & continuous during the entire period of Semester, both by internal faculty (who is / are teaching the course) & also by the external examiners (who have requisite expertise in the domain / course area). For a course, the evaluation and grading will be on the following parameters:

A	Continuous Internal Evaluation (CIE)	
A1	Continuous and Comprehensive Evaluation (CCE)	30 % marks
A2	Internal Assessment Tests (IAT)	20 % marks
	Total of CIE (A1+A2)	50 % marks
B	Semester End Examination (SEE)	50 % marks
	Total of CIE and SEE (A + B)	100 % marks

17PGBD 5.2	**Continuous Internal Evaluation:** 1) The CIE will carry a maximum of 50% weightage of total marks of a course. Before the start of the Academic session of each semester, in addition to Internal assessment test, a faculty may choose for his course: a minimum of three and a maximum of four of the following assessment methods with suitable weightage for each. a) Assignments (Individual and/or Group) b) Seminars c) Quizzes d) Group Discussions e) Case studies/Case lets/Case Discussions f) Practical orientation on Design Thinking, Creativity & Innovation g) Participatory & Industry-integrated learning h) Practical activities / problem solving exercises i) Class presentations j) Analysis of Industry/Technical/Business Reports k) Reports on Guest Lectures / Webinars / Industrial Visits l) Industrial / Social / Rural projects/Field work m) Participation in Seminars/ Academic Events/Symposia, etc. n) Any other academic activity suitable for the course 2) The faculty will submit the 'CCE Assessment Plan' to the Dean for approval and notify the same along with the course syllabus before the start of semester. The total marks of the above three or more assessment components shall be scaled down to 30% of total marks of the respective course. 3) To assess the students in a course under IAT component, two tests will be conducted in a semester. Each test will be conducted for 20 marks. The average marks obtained in these two tests will be taken as IAT Marks. If a student fails to attend both the IAT on the scheduled date due to any unavoidable circumstances, and produces documentary evidence, the faculty member, upon approval of the Dean, shall conduct one additional test at the end of the semester covering the syllabus of the test for which he was absent. 4) The CIE marks awarded to students at different stages during the course shall be displayed on the notice board of the concerned School to enable the students to point out any discrepancies. After due corrections, if any, faculty shall upload the CIE marks in the University's ERP system and a hard copy of the same shall be submitted to the Registrar (Evaluation) of the University duly signed by the concerned faculty and the Dean, before the commencement of semester end examinations. 5) The student shall obtain a minimum of 50% of marks allotted for CIE in a given course to be eligible to appear for the SEE in that course. 6) If a student is unable to secure a minimum of 50% in CIE marks in any course, he shall not be eligible to take up SEE/ viva-voce examination in that particular

	course. It shall be the responsibility of Dean to scrutinize the list of candidates and permit only the eligible students to take up SEE. In the event of an ineligible student inadvertently being allowed to appear for the theory/viva voce examination, the result of the concerned student shall be withdrawn forthwith. 7) The list of such students, who have not secured the minimum in CIE marks, shall be sent to the Registrar (Evaluation) along with the submission of CIE marks of the successful students. 8) After the submission of CIE marks to the Registrar (Evaluation) of the University, any request for changes in the marks by the Dean shall be considered by the Registrar (Evaluation) only after due approval of the Vice- Chancellor. 9) The students not obtaining 50% marks in CIE shall re-register for the course during the subsequent semester.
17PGBD 5.3	**Semester End Examination:** 1) The Semester End Examination for all the courses for which students registered during the semester shall be conducted at the end of each semester. 2) Only those students who satisfy the attendance requirement as per 17PGBD 4.1 and CIE requirement as per 17PGBD 5.2 (5) shall be eligible to appear for SEE of that course. However, in those students, whose SEE results were withdrawn as a penalty for indulging in malpractice or who had satisfactory attendance & required minimum CIE marks but could not appear in the SEE for valid reasons, shall be permitted to carry forward the attendance and CIE marks from that semester and write the SEE when ever held for the same course as offered by the concerned School of Studies. Such students shall seek permission from the Dean and register for the SEE in the beginning of the semester and appear for SEE, on the dates notified by the University. Such students shall complete the course as per the sections 17PGBD 6.0 and 7.0 of the concerned Programme Regulations.
17PGBD 5.4	**Viva-Voce Examination:** For a viva-voce examination, there shall be two examiners, one internal and one external. Internal examiner shall be the course teacher/project guide, and external examiner may be a teacher/ professional who have not taught that course during the given semester at the concerned School and also not in full-time employment with the University. The Vice Chancellor, on recommendation of the Board of Studies, shall appoint all appropriate qualified examiners for any examination. In all the cases, the evaluation shall be made jointly and one consolidated marks be awarded. In the event that the external examiner does not turn up for the examination, the Dean on approval of the Vice Chancellor, may appoint a suitable internal faculty to carry out the examination.

17PGBD 5.5	**Project Work:** 1) Students shall undertake project as prescribed in the Scheme of Teaching and Evaluation, individually or in a group not exceeding four students (groups only in case of capstone projects), and the project shall be carried out under the supervision of an allotted faculty. 2) All individuals/ project teams, as the case may be, shall make presentations to Project Committee notified by the Director and submit the progress reports periodically with the approval of project guide. 3) The final project dissertation shall be written adhering to International standards. The dissertation, duly signed by the concerned guide, shall be submitted to the Dean with in the time notified. All students shall appear for the viva-voce examination on the project at the end of the semester. 4) The CIE marks in the case of Project, if applicable, shall be based on the evaluation of the project dissertation as prescribed from time to time in the Scheme of Teaching and Examination.
17PGBD 5.6	**Academic Malpractice:** Academic malpractices shall be seriously viewed and appropriate action taken. In case of malpractice during any of the examinations like assignments, quizzes, tests, and other CIE components, the matter shall be reported to the Dean for further action. In case of malpractice during SEE, the Invigilator shall report the matter to the Chief Superintendent, who in turn refers the matter to the Registrar (Evaluation) for further action.
17PGBD 6.0	**ELIGIBILITY FOR PASSING A COURSE**
17PGBD 6.1	**Award of Grades:** 1) The University adopts absolute grading system wherein the marks are converted to grades, and every semester results will be declared with semester grade point average (SGPA) on successful completion of all courses of that semester. 2) If there is no SEE for a course, then the CIE marks alone will be the basis for the determination of letter grade. 3) The total marks obtained by the student in CIE and SEE of a course is expressed as a percentage to compute the grade points and the letter grade is awarded as indicated in the table below:

4) Letter Grade Scheme for MBA and MBA (Executive)

Classification

Other Letter Grades:

The letter grades specified in 17PGBD 6.1 are used as student performance measures in all kinds of assessments.

However, the following letter grades are also awarded under the circumstances defined below (Letter Grade: Grade Point - Circumstances).

1) F-RR: 0 - Not eligible to appear for the SEE of a course due to attendance being less than 75% and / or CIE being below 50%.
   To re-register for the course and appear for the SEE in the subsequent semester when it is being offered by the School of Studies.
   (In case of electives, course change within the group is permitted)
2) AU: 0 - Satisfactory in an Audit course
3) W: No credits – Dropped/ withdrawn (W is not a grade but only a place holder indicating that the course has been dropped/withdrawn and it has to be cleared in subsequent semesters in case it is a core subject).

17PGBD 6.3	**Passing a Course:** For pass in a course, the student shall secure a minimum of 50% of marks prescribed for that course in CIE and 50 % in SEE or viva voce examinations. However, aggregate marks combining both CIE and SEE or viva voce should not be less than 50% under any circumstances. That is, Minimum passing grade in a course (head of passing) is P.
17PGBD 6.4	**Condition for Re-Registering a Course:** 1) Students who do not satisfy the condition of 17UGBD 6.3 shall be deemed to have failed and will be awarded either 'F-RR' or 'F-RA' Grade. 2) Students who were not eligible to take up the Semester End Examination (SEE) of any semester shall be deemed to have failed and will be awarded 'F-RR' Grade and are required to re-register for the course in subsequent odd/even semesters respectively. 3) Students who were eligible to take up Semester End Examination but have not cleared the regular Semester End Examination (SEE) shall be deemed to have failed and will be awarded 'F-RA' Grade and are required only to re-register for the Semester End Examination during the subsequent odd/even semester respectively.
17PGBD 7.0	**PROGRESSION TO HIGHER SEMESTERS**
17PGBD 7.1	1) A theory, stand-alone practical/project or Theory with practical/project shall be treated as a head of passing. 2) The Mandatory Graduate Requirement Non–credit courses (GR) shall not be considered for progression to higher semesters, award of Class, and calculation of SGPA and CGPA. However, competition of these courses is mandatory for award of the Degree. 3) There shall be no restriction for promotion to 2nd semester from 1st semester, if the student has fulfilled the attendance requirement. 4) Third semester onwards, a student is permitted to register for higher semester/level courses, if he obtains a minimum of 50% of the credits till the previous semester as per the Scheme of Teaching and Evaluation, to an extent of 28 credits in total, subjected to the condition under clause 17BSET3.10 (1) (d). 5) Students failing to satisfy the clause (4) above, shall register for the remaining credits subjected to the condition under clause 17BSET 3.10 (1) (d) and earn the required number of credits for progression.

17PGBD 8.0	PASSING STANDARDS AND CLASS DECLARATION
17PGBD 8.1	**Computation of SGPA and CGPA:** 1) Semester Grade Point Average (SGPA) will be awarded at the end of each Semester and Cumulative Grade Point Average (CGPA) will be awarded at the end of the program. However, CGPA is calculated at the end of each semester from the second semester onwards and reflected in the grade certificate for indicating the progress of the student. 2) Each course in a program is associated with number of credits (C). Based on the number of Credits for a course and obtained Grade Point (GP) for that course in a Semester, the GPA is calculated as given below: a) The SGPA is the ratio of sum of the product of the number of credits with the grade points secured by a student in all the courses taken by him and the sum of the number of credits of all the courses undergone by a student, i.e., $SGPA = \sum (C_i \times G_i) / \sum C_i$ Where C_i is the number of credits of the ith course and G_i is the grade point scored by the student in the ith course. b) The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme, i.e., $CGPA = \sum (C_n \times S_n) / \sum C_n$ Where S_n is the SGPA of the nth semester and C_n is the total number of credits in that semester. Finally the SGPA and CGPA shall be rounded off to 2 decimal places.
17PGBD 8.2	**Passing Standards:** 1) A student shall be declared successful or 'passed' in a semester, only when he gets a SGPA of 5.00 earning credits as per the scheme of teaching and evaluation, with grade point of 5 or better in every registered course. 2) A student shall be declared successful or 'passed' in the entire Post Graduate programme, only when he gets a minimum CGPA of 5.00 and has completed all the graduate requirement courses as mandated in the scheme of teaching and evaluation.

17PGBD 8.3	**1) Conversion of Grade and Percentage of Marks:** Conversion formula for the conversion of CGPA into Percentage is: Percentage of marks scored, P = [CGPA earned] x 10 **2) Class Declaration:** After the conversion of final CGPA into Percentage of Marks (PM), a graduating student is declared to have passed in a) First Class with Distinction (FCD): PM ≥ 75% **(In First Attempt)** b) First Class (FC): 60% ≤ PM < 75% c) Second Class (SC): 50% ≤ PM < 60%
17PGBD 8.4	**Grade Cards, Certificates and Transcripts:** 1) **Grade Cards:** At the end of each semester, a Grade Card shall be issued to all the registered students of that semester, indicating the Course code, Title, Number of credits, Letter grade awarded and Credits earned, for all the Courses as specified in the scheme of teaching and evaluation. This may have F -RA or F - RR grades awarded to the student. 2) **Grade Certificate:** On successful completion of all courses/earning credits, specified in a semester, the grade certificate is issued indicating the course details along with SGPA of that semester and also CGPA earned till that semester. 3) **Transcripts:** Transcript is the consolidated statement of the Academic Performance of a student for all the semesters since joining the programme and is given to a student on successful completion of the programme along with the degree certificate. a) For those students who have taken multiple attempts to clear a course, the transcript given on successful completion of the programme will only contain earned pass grade (O to P and AU); the courses cleared subsequently will however be shown in the respective semester with Month and Year in which the student has finally cleared the course. The transcript will show only the overall CGPA based on all the courses taken by the student. Additional courses will be shown separately, indicating the grade earned by the student. Additional copies of the transcript can be obtained if needed, on request submitted along with payment of applicable fee. b) Students who have not yet completed the programme can obtain an interim Transcript at the end of any semester, if needed, on request and upon payment of applicable fee. The interim Transcript includes failed courses, which have not been cleared at the time of issue.

17PGBD 9.0	**ELIGIBILITY FOR THE AWARD OF DEGREE, PRIZES, MEDALS AND RANKS**
17PGBD 9.1	**Minimum Credit Requirement:** 1) A student shall obtain a total of at least 108 credits as specified by the University along with satisfying the passing standards as per 17PGBD 8.2 to be eligible for the award of MBA degree. 2) To be eligible for the award of MBA (Executive) degree, in which the students are exempted from basic foundation courses as well as internship, a student shall obtain a total of at least 76 credits, as specified by the University along with satisfying the passing standards as per 17PGBD 8.2.
17PGBD 9.2	For the award of Prizes and Medals, the conditions stipulated by the Donor/ University may be considered subject to the provisions of the statutes of the University for such awards from time to time.
17PGBD 9.3	For award of ranks in the programme, a minimum of 10 students should have appeared in the final semester examination. The total number of ranks awarded shall be 10% of total number of students appeared in final semester.
17PGBD 9.4	A Student shall be eligible for a rank at the time of award of the degree, provided the student has passed in all the courses from 1st to 4th semester for MBA and 1st to 3rd semesters for MBA (Executive) in first attempt.
17PGBD 9.5	For award of Rank, the CGPA secured by the student from 1st to final semester shall be considered, provided 17BSET 9.4 is satisfied.
17PGBD 9.6	If two students get the same CGPA, the tie should be resolved by considering the number of times a student has obtained higher SGPA. But, if it is not resolved even at this stage, the number of times a student has obtained higher grades like O, A+, A, B, C and P shall be taken into account in Rank ordering of the students.
17PGBD 10.0	**MAXIMUM DURATION FOR PROGRAMME COMPLETION**
17PGBD 10.1	The student shall complete the MBA and MBA (Executive) programme within a period of four (04) and three (03) academic years respectively, failing which he has to discontinue the program. The duration is from the date of admission to the program,
17PGBD 11.0	**TRANSFER OF STUDENTS**
17PGBD 11.1	Transfer of students from another University is permitted only at the beginning of odd semesters, subject to availability of seats within the permitted intake and subject to the prior approval of the Vice Chancellor of the University. Such students should have passed in all courses of 1st and 2nd semesters for admission to 3rd semester of MBA. The transfer will not be allowed in case of MBA (Executive).

17PGBD 11.2	The students seeking admission shall have to: 1) Apply for establishment of equivalence with prescribed fees as notified by the University; and 2) Submit No Objection for admission from the migrating University before commencement of semester as notified by the University. 3) The University may prescribe fee for administrative purpose (for updating of the records), which shall be notified from time to time, for transfer.
17PGBD 12.0	**MISCELLANEOUS**
17PGBD 12.1	The academic regulations should be read as a whole for the purpose of any interpretation.
17PGBD 12.2	Wherever the words “he”, “him”, “his” occur in the regulations, they include “she”, “her”, “hers”.
17PGBD 12.3	In case of any doubt or ambiguity in the interpretation of the rules mentioned in the regulations, the decision of the Vice-Chancellor shall be final.
17PGBD 12.4	The University may change or amend the regulations and/ or curriculum at any time, and the changes or amendments made shall be applicable to all the students with effect from the date notified by the University.
17PGBD 12.5	These regulations governing the Degree of Master of Business Administration (MBA) and Master of Business Administration – Executive (MBA-Executive) programmes of the University may be modified from time to time with the approval of statutory bodies of the University and shall be binding on all.

REGULATIONS GOVERNING
MASTER OF COMPUTER APPLICATIONS DEGREE PROGRAMME
[MCA]
Based on Choice Based Credit System (CBCS)

DEFINITION OF KEY WORDS:

1. **Academic Year:** Two consecutive semesters (one odd followed by one even) constitute one academic year.
2. **Audit Courses:** Courses, outside the prescribed range of credits required for the degree, the students can register if interested to supplement their knowledge/ skills.
3. **Choice Based Credit System (CBCS):** The CBCS provides choice for students to select from the prescribed set of courses viz. Core courses, Core Elective courses, Advanced Core courses and Elective courses.
4. **Course:** Referred to as 'papers', is a component of a programme, with defined learning objectives, outcomes and number of credits. A course may be designed to comprise lectures/ assignments/ tutorials/ laboratory work/ field work/ outreach activities/ project work/ self-study/ vocational training/ viva/ seminars/ term papers/ presentations/ quiz etc. or a combination of these as defined in the Scheme of Teaching. The course credits vary depending on the required teaching-learning hours to accomplish the learning outcomes, specified in the course syllabus.
5. **Credit:** A unit by which the course work is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one hour of lecture or two hours of tutorial/ practical work/ field work per week.
6. **Credit Based Semester System (CBSS):** Under CBSS, the requirement for awarding a degree or diploma or certificate is prescribed in terms of number of credits to be earned by the students.
7. **Credit Point:** It is the product of grade point and number of credits for a course.
8. **Cumulative Grade Point Average (CGPA):** It is a measure of overall cumulative performance of a student over all semesters. The CGPA is the ratio of total credit points earned by a student in various courses in all semesters and the sum of the total credits of all courses in all the semesters. It is expressed up to two decimal places. However, the CGPA may be calculated from second semester onwards to facilitate students to know their academic progress.
9. **Dean:** Dean of the School of Management of the University.
10. **First Attempt:** If a student has completed all formalities and become eligible to attend examinations and has attended at least one head of passing, such attempt (first sitting) shall be considered as first attempt.

11. **Grade Point:** It is a numerical weightage allotted to each letter grade on a 10-point scale.
12. **Letter Grade:** An index of the performance of students in a said course. Grades are denoted by letters.
13. **Passing Standards:** A student is passing a Course only when getting GP greater than or equal to 05 (P Grade). A student is declared successful at the Semester-end or Programme-end only when getting SGPA or CGPA equal to or greater than 5.00 respectively, with none of the Courses registered in a Semester(s) having either F-RA or F-RR Grade
14. **Programme:** A planned series of events/activities comprising of a combination of courses leading to the award of the degree MCA.
15. **Programme Council:** The committee consisting of the Director of the programme, HOD and the concerned faculty members from each cadre.
16. **Semester:** Each semester will consist of 15 to 18 weeks of academic work equivalent to about 90 teaching days. The odd semester may be scheduled from August to November/ December and even semester from January to April/ May, or as may be declared by the University.
17. **Semester Grade Point Average (SGPA):** It is a measure of academic performance of student in a semester. It is the ratio of total credit points secured by a student in various courses registered in a semester and the total course credits taken during that semester. It shall be expressed up to two decimal places.
18. **SOM:** School of Management of the University
19. **Transcript, Grade Certificate and Grade Card:** Grade card shall be issued to candidates indicating the programme details (Course code, title, number of credits, grade secured and grade points) for all the registered courses after every semester. On successful completion of all courses/earning credits, specified in a semester, the grade certificate is issued indicating the programme details along with SGPA of that semester and CGPA earned till that semester. Transcripts to the successful candidates shall be issued after completion of the programme.
20. **University:** CMR University, Bangalore.

REGULATIONS

22PGBD 1.0	**TITLE AND DURATION OF THE PROGRAMME**
22PGBD 1.1	The Post Graduate Programme covered under these Regulations are: Master of Computer Applications, abbreviated as MCA.
22PGBD 1.2	The MCA programme shall be of two academic years duration and organized in four semesters, with each semester having duration of about 15 to 18 weeks.
22PGBD 1.3	The annual Academic Calendar of events in respect of the Programme of study approved by the Academic Council, shall be notified at least a month before the commencement of each academic year. It is mandatory for students, faculty members and all concerned to strictly adhere to the Academic Calendar for completion of academic activities. Academic Calendar shall be displayed on the homepage of the University website.
22PGBD 2.0	**ELIGIBILITY FOR ADMISSION**
22PGBD 2.1	The rules specified in the following clauses shall be followed, but the orders issued from the Government/the regulatory bodies from time to time shall prevail.
22PGBD 2.2	Admission to First semester MCA shall be open to the applicants who have passed B.C.A/ B.Sc. (Computer Science)/ B.Sc. (IT) / B.E. (CSE)/ B.Tech. (CSE) / B.E. (IT) / B.Tech. (IT) or equivalent Degree. OR Passed any graduation degree (e.g.: B.E. / B.Tech. / B.Sc / B.Com. / B.A./ B. Voc./ etc.,) preferably with Mathematics at 10+2 level or at Graduation level Obtained at least 50% marks (45% marks in case of candidates belonging to reserved category) in the qualifying examination.
22PGBD 2.4	**Lateral Entry Admissions:** Depending upon the academic and physical facilities available in the institutions, the university may admit a certain number of students directly to the second year of the programme, if the student has either 1) Successfully completed the first year of the same programme in another recognized Institution, or 2) Already successfully completed other equivalent programme in a recognized university/ institution and desirous of (and academically capable of) pursuing another degree programme in a related/ allied subject.

22PGBD 3.0	CHOICE BASED CREDIT SYSTEM AND ACADEMIC PROCESS
22PGBD 3.1	**Odd & Even Semesters and Summer Term:** The University follows the Choice Based Credit System and the Semester Scheme. There are two regular semesters and one additional semester in an academic year. The semester that begins in August (August to November/ December) is known as the Odd Semester and the semester that begins in January (January to April/May) is known as the Even Semester. During the summer vacation (May/June to July), the Summer term is conducted to offer courses as per 22PGBD 3.2.
22PGBD 3.2	**Summer Term:** The summer term is additional semester that is conducted during an academic year. However, during a summer term, a limited number of courses maybe offered to enable the students to clear their backlog courses (F-RR) and/or register for additional regular credit courses on audit basis, subject to strict adherence to the following guidelines: 1) The Program Council shall identify the courses to be offered along with the Course Instructor and recommend offering of such summer course (s) to the Dean for consideration. The identified faculty members shall offer the courses only on approval by the Dean. 2) The course is offered in the same manner as a regular semester course without compromising the course requirements in terms of knowledge delivery, course work, assessment and evaluation. The University shall notify the fee payable by the students for the summer semester courses. 3) The duration of the course is six to eight weeks. The registration, examination, assessment and grading etc. are done in the same way as is done for regular semester courses. The total number of contact hours for the courses remains the same as that during the regular semesters, and therefore, the courses are run at an accelerated pace. The Academic Calendar specially made in this connection shall be strictly followed. 4) The dropping of a Summer Course is permitted within 7 days from the first lecture of the course. However, the registration fee paid for the course is not refundable. 5) Time slots will be assigned and notified by the Dean as done for the regular semester courses. 6) A notified summer course can be withdrawn if the number of students registered for the course is less than five. 7) A student can register up to a maximum of 12 credits or 3 courses in any summer semester, depending on his academic standing. 8) Courses offered in a summer semester will be treated as equivalent to a regular semester courses for all accounting purposes.

22PGBD 3.3	**Curriculum:** 1) Every Programme has a prescribed course structure which, in general terms, is known as the Curriculum or the Courses of Study or the Scheme of Teaching and Evaluation. It prescribes all the courses/ laboratory/ other requirements for the degree and sets out the nominal sequence semester wise. It also provides the syllabus and a list of text/ reference books (or other learning material sources) for each course. 2) The University shall not only lay down the syllabus for each course, but also the manner of its implementation, namely, through lectures, tutorials, laboratory sessions, seminars, field work, projects and such other activities. 3) The Courses of Study details are updated every semester and are made available at the School's page of the University website: http://www.cmr.edu.in/. 4) Curriculum may also include SWAYAM or Massive Open Online Courses (MOOCs), offered by premier Institutions worldwide. However, selection of SWAYAM or MOOCs, if any, shall always be within prescribed guidelines of the relevant regulatory bodies.
22PGBD 3.4	**Course Credit Structure:** 1) A certain quantum of academic work, measured in terms of credits, is laid down as the requirement for completion of degree in the different programme and the available specialization areas. A student earns credits by satisfactorily completing courses/ other academic activities every semester. 2) The credits are distributed semester wise, as prescribed in the Scheme of Teaching and Evaluation for each of the programme. The courses generally progress in sequences, building competencies as per the course learning outcomes. The positioning of a course indicates certain academic maturity on the part of the students. 3) Some courses do, in addition, specify passing in other courses, offered earlier in the programmes as prerequisites for the course. 4) Students are required to follow the semester wise schedule of courses specified in Scheme of Teaching and Evaluation; they do, however, have freedom to follow alternative schedules to optimize their academic profile with additional courses, keeping the requirements for each course in mind. For students with backlog courses, such rescheduling may even become necessary. Such departures from suggested schedules need to be done very carefully, and always with advice from the Faculty Adviser.

22PGBD 3.5	**Courses:** There will be following types of courses in a programme, namely: 1) Core Courses (CC): including essential foundation and functional management skill courses, considered to be useful for all management graduates irrespective of their choice of elective group/ specialization. 2) Core Elective (CE): including additional knowledge and skill courses, considered to be useful for developing additional skills/ competencies, irrespective of elective group/ specialization. 3) Advanced Core (AC): including knowledge and skill courses, considered to be useful for developing management skills/ competencies with inter-functional perspectives in management. 4) Elective Courses (EC): including knowledge and skill courses focusing on function/ sector specific management skills/ competencies leading to focused study in an elective group/ specialization area. 5) Project work/ Internship/ Seminars/ Dissertations can also be offered as independent course in the programme subject to allocation of required credit hour allocation to the course. The requirements for Seminar/ Project/Internship/ Dissertation based courses will, be as specified in the course-guidelines/details approved by the Board of the Studies of the School. 6) Graduate Requirement (GR) Courses: These are courses on peripheral subjects in a programme, wherein completion of the course is considered mandatory to qualify for the award of the Degree. 7) Project work, Mini Project work and Internship and Seminar are also considered as courses in the programme. The Courses of the Programme are further classified as follows: **1) Program Core (Credit Courses):** Each academic programme is divided into Program Core or Common core courses which are further divided into mandatory and choice segments, with levels within them. The Program Core courses are broadly categorized into Foundation, Electives and Interdisciplinary. Foundation, Elective and interdisciplinary courses are discipline specific or allied to the program. Foundation courses are mandatory courses that are offered through the period of study of the program. Foundation courses are offered as fundamental, intermediate and advanced courses based on the prerequisite and difficulty level (100 Level / 200 Level / 300 Level etc.) of the course. Elective courses are a basket of courses from which the student gets to choose. Elective courses are either specialization courses or generic courses. Elective courses include mini projects, dissertations, internships and capstone projects. Students

	also have the option to choose from a set of interdisciplinary courses which are varied from their discipline and offered by other Schools of Studies of the University. Mandatory segments are those which lay a firm foundation of the knowledge required to complete a programme in the chosen domain, ending with a multifaceted assignment that serves as a culminating academic and intellectual experience for students, typically during their final year. Choice segments are those which a student could opt for to specialize further and / or to improve their interdisciplinary skills. All segments carry credits, and the students are expected to earn the minimum number of credits in their coursework towards program core to earn the degree. 2) **Common Core (Credit Courses):** Common Core Curriculum (CCC) courses are to be pursued by all students of the University regardless of their School of Study. It also encourages students to explore themselves and issues of fundamental importance to society through the Common Core Curriculum (CCC) courses. Students are expected to earn a certain specified number of credits in their coursework towards the Common Core Curriculum (CCC), during their academic programmes. While some courses are in workshop mode, which can be completed over a few days at a stretch, there are other courses which are offered for a specific number of hours per week throughout a semester. Students take these courses planned for each academic programme, over multiple semesters. Credits range from 1 to 4, which are directly proportional to the number of hours required to complete a course. There are both 'mandatory' and 'choice' courses, with levels within them. 3) **Common Core (Non-credit Courses / Engagement) - Graduate Requirement (GR):** Engagements for this category do not carry any credit(s) but are mandatory for the students to complete them within the duration of the programme, to be considered eligible to graduate (or) earn the degree. These shall be: a) **Courses** embedded in the academic programme, where the students must ensure that they attend a minimum attendance percentage.

b) **Community Service Program** are activities implemented under the Common Core Curriculum Community Service Program (CCC CSP) in which the students have to complete a minimum number of volunteering hours in a semester by rendering services to the society and submit a Reflection Record (RRD) for every volunteering activity completed. In case of a student not having completed the minimum number of volunteering hours in a semester, the shortage in number of hours is to be completed in the subsequent semester(s). However, the student has to complete the mandated total number of volunteering hours within the duration of the programme and submit a Reflection Record (RRD) for every volunteering activity completed.

c) **Advanced Course:** Courses that involve higher and more complex levels of knowledge and understanding than introductory or foundational learning. It means the student has attained a level of knowledge and understanding of a particular area or topic that goes beyond basic terminology and definitions and is ready to be involved in Analysis, Synthesis and Evaluation of information related to a specific topic or area of learning.

d) **Prerequisite course:** Course or other requirement that a student must have taken prior to enrolling in a specific course. Students might or might not have a choice of prerequisites to complete.

Courses under various categories can be further classified as:

- **100 Level Courses**: These courses offer an introduction to a subject area and are designed for students in the first year of study. These courses have no prerequisites and are generally courses defining basic concepts or presenting the terminology of a discipline
- **200 Level Courses**: These courses are built on previous units and are normally taken in the second year or later; they may also be available to students with advanced prior knowledge. They are Courses of intermediate college-level difficulty; courses with 100-level course(s) as prerequisite(s)
- **300 Level Courses**: These courses are usually taken in third year or later, after 200-level study in the area. They may also be available to students with advanced prior knowledge. They are courses of advanced college-level difficulty offered for students clearly interested in the discipline or in any stream of the discipline
- **400 Level Courses**: These units of study are advanced courses and are normally taken in the third year or later as the final elements of a three year or four year degree or an integrated degree. The level indicates that the student will be demonstrating coherence and breadth or depth of knowledge and skills. The student may need to have completed a prerequisite course to study a 400 level course.

	• **500 Level Courses:** These are foundation level courses for higher education qualifications, usually taken in the first year of the masters or postgraduate degree programmes. These are courses meant for students aspiring to specialise in a discipline and would have prerequisites to study a course at this level, which would have been covered in the core curriculum at the bachelor's degree programme in the same discipline. • **600 Level Courses:** These courses are usually opted for at the second year of the masters or postgraduate degree programmes, which enhance the learning experience of the previous units. The difficulty level is clearly higher and the student is expected to demonstrate a certain level of proficiency and competence in grasping and interpreting the knowledge gained in the discipline at this level. • **700 Level Courses:** The courses prescribed at this level serve as a culminating academic and intellectual experience for students, and are usually taken towards the final semesters of the masters or postgraduate degree programmes where they acquire the skills and knowledge to analyse, evaluate, and solve challenges akin to those faced in real life situations, resulting in achieving mastery in the discipline.
22PGBD 3.6	**Seminars:** Some Programmes may prescribe Seminar as a requirement for the degree. Seminar may be an assessment component or a course itself wherein the student is expected to do an in-depth study in a specialized area under the guidance of a faculty member. This may include surveying published technical literature, understanding different aspects of the problem and arriving at a status report. While doing a seminar, the student is expected to: critically analyze works of various authors/ researchers; learn the investigation methodologies, study concepts, techniques and the results presented in these papers; and submit a seminar report. It is mandatory to give a seminar presentation before a panel constituted for the purpose. Seminars typically carry 1 to 2 credits.
22PGBD 3.7	**Project Work/Dissertation and Summer Internship Program (SIP):** Project work/Dissertation and/or SIP is considered as a special course involving application of knowledge in solving / analyzing /exploring a real-life situation/ difficult problem. A Project/ Dissertation work would be for specified number of credits, as prescribed in the Scheme of Teaching and Evaluation. A Project/Dissertation work may be given in lieu of a discipline specific elective paper. Summer Internship Program, wherever needed, may be introduced as a (or a part of) Project.

22PGBD 3.8	**Audit Courses:** A student desirous of additional exposure to a course, without the rigors of obtaining a good grade, 'audits' a course. The minimum requirement of attendance for an 'Audit Course' is 75%, with any additional requirements as set by the instructor such as submission of assignments and minimum performance in some of the in-semester evaluations. Auditing of courses during regular semesters from 3rd semester onwards is permitted under the following conditions: 1) Students with CGPA> 6.0 will be permitted to 'Audit' a course. A course can be audited provided the course is offered in the semester as a credit course for others, and there is no slot clash. Prior permission of the Instructor is required. 2) Audit courses would be restricted to a maximum of two (2) courses per student in the entire period of the programme. 3) The instructor would award the 'AU' grade, if the attendance is satisfactory and additional requirements, as set out by the instructor, are met. If the attendance and performance is not satisfactory, the instructor will award 'No Grade'. The grade 'AU' does not carry any grade points and therefore does not figure in SGPA/ CGPA calculations. 4) The course successfully completed in Audit mode will be reflected in the Grade Card, Grade Certificate and the Transcript as Audit Course.
22PGBD 3.9	**Registration:** It is mandatory for every student to register for a semester to attend various courses/ earn credits, using the prescribed Course Registration Form (CRF), till he completes his programme. The registration shall be completed on or before the prescribed last date for registration announced in the academic calendar. 1) On joining the Programme, each student is assigned to a Faculty Adviser or an Advisory group. A student shall register for required courses each semester with prior permission of the Faculty Adviser. 2) The student can register for courses he intends to take during a given semester (including courses in summer semester) on the basis of his plan for each Programme, as given in the Scheme of Teaching and Evaluation and as per the advice given by his Faculty Adviser. 3) The Faculty Adviser is expected to discuss with the student his academic performance during the previous semesters and then decide the number and nature of the courses for which the student can register during the semester within the framework of the Regulations.

	4) The Faculty Adviser may advise the student to drop one or more courses/activities based on his academic performance. The Faculty Adviser may even advise a reduced load program over several semesters for students with poor performance at the end of the first semester/year. 5) Students are not permitted to reregister for course/(s), which they have already passed. 6) The registration is deemed to be complete only on approval by the Dean. 7) Without registration, any academic activity (course/seminar etc.) undergone by a student will not be counted towards the requirements of his degree. 8) Students having outstanding dues to the University or a hostel shall not be permitted to register.
22PGBD 3.10	1) **Procedure for Registration:** The procedure involves the following steps: a) A student is required to register for all the courses listed in the curriculum for the first semester. b) The students shall decide on the courses to be registered during the ensuing semester immediately after their SEE examinations as per the advise of their Faculty Advisor. c) They shall submit a print out of the completed CRF, duly attested by the faculty advisor to the Dean through the department office within the date notified by the University for registration. d) Every student from II semester onwards is required to register for a minimum of 20 credits and a maximum of 28 credits. 2) **Registration for second and subsequent semesters:** a) From second semester onwards, registration is dependent on the academic standing of the student. A student with a low academic standing registers for the academic load specified by the Faculty Adviser. In addition he may add one more course (3-5 credits) towards additional learning or to clear backlog courses, without this being considered an overload. b) Students with average academic standing are advised not to attempt full load. Faculty Advisers after careful scrutiny will advise academic loads depending on previous performance. **3) Late Registration:** Registration beyond the last date may be permitted only in special cases till the date specified in the Academic Calendar, on payment of a late registration fee.

22PGBD 3.11	**Registration for Graduate Requirement (GR) Courses:** Graduate Requirement (GR) courses which are mandatory Non-credit courses are treated as complete or incomplete subject to the fulfillment of the minimum requirements of these courses and a minimum of 75% attendance. The award of degree is subject to successful completion of these courses. Formal registration for these courses shall be done along with other courses, at the beginning of the semesters. Not satisfying the minimum requirements of the course will result in a F-RR grade and the student has to re- register for the course when offered next. This requirement must be completed before the end of the Programme.
22PGBD 3.12	**Registration for Summer Semester Courses:** Students are permitted to register for courses during summer semester under the regulation specified by 22PGBD 3.2, on payment of prescribed registration and course fees.
22PGBD 3.13	**Course Adjustment/Dropping of Courses:** 1) The Academic Calendar sets a date, normally two weeks after the commencement of the semester, for Course Adjustment. On or before this date, a student is permitted to make adjustments in his academic load by addition or deletion of one or more courses, projects etc., provided that the total credits do not exceed 28 or fall below 20, by such adjustments, Course adjustment has to be done in consultation with the Faculty Adviser. When the need for course adjustment through addition, substitution or dropping of course/s arises, the student without any backlog should do online course adjustment and students with backlog course/s should do it manually by filling a Course Adjustment Form (CAF). CAF has to be signed by both the student and the Faculty Adviser and the same is to be submitted to the Dean. 2) If in the second or any of the subsequent semesters, a student finds his academic load too heavy, he may drop one or two courses out of the registered ones on advice from the Faculty Adviser, provided the minimum credit requirements is fulfilled. The last date for doing this is within 10 days after the end of the first test, or as specified in the Academic Calendar. 3) Course/s dropped by a student may be taken during a subsequent semester including the summer semester, if offered. The minimum number of students to be registered for an Elective to be offered shall be not less than ten, or as decided by the University.

22PGBD 3.14	**Course substitution:** In case a student obtains E grades or drops courses due to a valid reason or fails in a course, he may like to substitute courses in order to complete the course requirements within the stipulated duration. Following are the guidelines for course substitution: 1) Course substitution is not permitted for Core Courses. The student has to reregister for the same courses and complete them. 2) An elective course may be substituted by another elective course from the same group.
22PGBD 3.15	**Dropping of a Semester:** 1) A student may opt or be advised to drop an entire semester, with prior approval of Programme Council due to the following reasons: a) A student may seek a semester drop, due to severe personal health problem, unavoidable family commitments or other valid reasons beyond his control, on advice from the Faculty Adviser, prior to the commencement of the semester itself. b) During a registered semester, if a student finds that he is unable to cope up with the studies and/or does not have sufficient exposure to most of the courses registered in that semester due to severe health problem or some other valid reasons beyond his control, he can opt to drop the entire semester, on advice from the Faculty Adviser. 2) In all cases of severe health problems, medical certificate issued by a University recognized Medical Practitioner is essential. In all other cases, requests for dropping the semester should be accompanied by supporting documents as required. 3) Such break from studies is normally not permitted for a continuous period in excess of one year. 4) Not registering for any semester before the last date for registration without prior approval of the Dean will result in automatic dropping of semester leading to temporary discontinuation of the programme. 5) The credits of the dropped semester shall be earned subsequently by registering to the courses specified in the Scheme of Teaching and Evaluation or equivalent courses when offered next.
22PGBD 3.16	**1) Faculty Adviser:** On joining the University, a student or a group of students' is/are assigned to a Faculty Adviser from the concerned programme. Students are advised to consult the Faculty Adviser on any matter relating to their academic performance and the courses they may take in various semesters/ summer semesters. Faculty Adviser guides the students to complete their courses of study for the required degree in a smooth and satisfactory manner.

	2) Role of the Faculty Adviser: The Faculty Adviser guides the students to complete their courses of study for the required degree in a smooth and satisfactory manner. For effective utilization of the opportunities for additional academic accomplishments, planning of the individual's academic progress needs careful consideration, and constant consultation with the Faculty Advisers is imperative. Thus, the role of the Faculty Adviser is of immense importance. The Faculty Adviser is the person whom the parents/ guardians should contact for performance related issues of their ward. The Faculty Advisor shall a) Guide the students about the rules and regulations governing the courses of study for a particular degree. b) Advise the students for registering courses as per prescribed curriculum or otherwise but within the scope of the rules and regulations prescribed by the University from time to time. For this purpose the Faculty Adviser has to discuss with the student his academic performance during the previous semester and then decide the number and nature of the courses for which he can register during the semester. c) Approve the CRF by attesting same, before the prescribed last date. d) Advice students to overload/ drop one or more courses/ activities based on his academic performance. e) At the end of the first semester/ year, may even advise a reduced load programme for a poorly performing student. This reduced load programme may spread over several semesters subject to minimum load for the semester and completion of the degree programme within the prescribed maximum period by registering in summer terms. Such reduced load programme is to be prepared by the Faculty Adviser in consultation with the Student and his parent and the Faculty Adviser has to recommend the same through the Programme Council to the Dean for consideration and approval before the commencement of the semester. f) Pay special attention to weak students and carefully monitor performance of students recommended for slow track option. g) Advice students for Course Adjustment/ Dropping of courses during the Semester within the stipulated time frame given in the Academic calendar. h) Advice students seeking semester drop either during the ongoing semester or before the commencement of the semester. Ensure strict compliance of rules and regulations laid down for this purpose. Recommend the cases to the Dean for consideration.

	i) Make revised plan of study for weak/bright students based on their semester wise performance. j) Suggest modalities for course/credit requirements for the students recommended for exchange programme. k) Provide guidance and liaison with the parents for their improved performance. l) Ensure that students are not permitted to re-register for courses, which they have already passed. m) Inform students that any academic activity (course/ Laboratory/ seminar/ project/ noncredit requirement etc.) undergone without proper registration will not be counted towards the requirements of his degree. n) Strictly warn students that if he fails to register during any semester without prior approval, his studentship is liable to be cancelled. o) Keep the students updated about the Academic Administration of CBCS system at the University.
22PGBD 4.0	**ATTENDANCE REQUIREMENT**
22PGBD 4.1	Attendance in the class is compulsory and is monitored. The University expects 100% attendance. Each Course is considered as a unit for attendance requirement and, 1) The minimum number of lectures, tutorials, seminars and practicals which a student shall be required to attend for eligibility to appear at the SEE shall not be less than 75% of the total number of lectures, tutorials, seminars, practicals, and any other prescribed requirements. 2) If a student obtains less than 75% attendance in any one or more of the courses, he shall not be permitted to appear for the SEE of those courses and he shall re-register for them in subsequent academic semester/s when offered and obtain passing grades, subject to 22PGBD 4.1 (1).
22PGBD 4.2	The basis for the calculation of attendance shall be the period prescribed by the University in its Academic Calendar of events. For the first semester students, the same is reckoned from the date of admission to the programme as per allotment from University.
22PGBD 4.3	The Dean shall inform the students about their attendance position periodically so that the students shall be cautioned to make up the shortage. The Dean shall submit the list of students who have been detained for shortage of attendance by the end of the semester to the Registrar (Evaluation) with a copy to the Registrar. It may be noted that mere omission by Dean to inform the student about the shortage of attendance shall not entitle him to appear for examination.

22PGBD4.4	**Temporary Discontinuation of programme:** A student, who wishes to temporarily discontinue the programme and continue subsequently, has to obtain prior permission from the University by applying through the Dean. Such student shall take admission once again to the same semester in the following academic year or later. However, such student shall pay the tuition fee and other fees for the entire academic year; and shall complete the programme as per 22PGBD 10.1.
22PGBD 5.0	**EXAMINATIONS AND EVALUATION**
22PGBD 5.1	1) CIE and SEE constitute the major evaluations prescribed for each course, with only those students maintaining a minimum standard in CIE are permitted to appear in SEE of the course. 2) CIE and SEE to carry 50% weightage each, to enable the course to be evaluated for a total of 100 marks, irrespective of its credits. 3) The evaluation system of the program is comprehensive & continuous during the entire period of Semester, both by internal faculty (who is / are teaching the course) & also by the external examiners (who have requisite expertise in the domain / course area). For a course, the evaluation and grading will be on the following parameters:

A	Continuous Internal Evaluation (CIE)	
A1	Continuous and Comprehensive Evaluation (CCE)	30 % marks
A2	Internal Assessment Tests (IAT)	20 % marks
	Total of CIE (A1+A2)	50 % marks
B	Semester End Examination (SEE)	50 % marks
	Total of CIE and SEE (A + B)	100 % marks

22PGBD 5.2	**Continuous Internal Evaluation:** 1) The CIE will carry a maximum of 50% weightage of total marks of a course. Before the start of the Academic session of each semester, in addition to Internal assessment test, a faculty may choose for his course: a minimum of three and a maximum of four of the following assessment methods with suitable weightage for each. a) Assignments (Individual and/or Group) b) Seminars c) Quizzes d) Group Discussions e) Case studies/Case lets/Case Discussions f) Practical orientation on Design Thinking, Creativity & Innovation g) Participatory & Industry-integrated learning h) Practical activities / problem solving exercises i) Class presentations j) Analysis of Industry/Technical/Business Reports k) Reports on Guest Lectures / Webinars / Industrial Visits l) Industrial / Social / Rural projects/Field work m) Participation in Seminars/ Academic Events/Symposia, etc. n) Any other academic activity suitable for the course 2) The faculty will submit the 'CCE Assessment Plan' to the Dean for approval and notify the same along with the course syllabus before the start of semester. The total marks of the above three or more assessment components shall be scaled down to 30% of total marks of the respective course. 3) To assess the students in a course under IAT component, two tests will be conducted in a semester. Each test will be conducted for 20 marks. The average marks obtained in these two tests will be taken as IAT Marks. If a student fails to attend both the IAT on the scheduled date due to any unavoidable circumstances, and produces documentary evidence, the faculty member, upon approval of the Dean, shall conduct one additional test at the end of the semester covering the syllabus of the test for which he was absent. 4) The CIE marks awarded to students at different stages during the course shall be displayed on the notice board of the concerned School to enable the students to point out any discrepancies. After due corrections, if any, faculty shall upload the CIE marks in the University's ERP system and a hard copy of the same shall be submitted to the Registrar (Evaluation) of the University duly signed by the concerned faculty and the Dean, before the commencement of semester end examinations. 5) The student shall obtain a minimum of 50% of marks allotted for CIE in a given course to be eligible to appear for the SEE in that course. 6) If a student is unable to secure a minimum of 50% in CIE marks in any course, he shall not be eligible to take up SEE/ viva-voce examination in that particular

	course. It shall be the responsibility of Dean to scrutinize the list of candidates and permit only the eligible students to take up SEE. In the event of an ineligible student inadvertently being allowed to appear for the theory/viva voce examination, the result of the concerned student shall be withdrawn forthwith. 7) The list of such students, who have not secured the minimum in CIE marks, shall be sent to the Registrar (Evaluation) along with the submission of CIE marks of the successful students. 8) After the submission of CIE marks to the Registrar (Evaluation) of the University, any request for changes in the marks by the Dean shall be considered by the Registrar (Evaluation) only after due approval of the Vice- Chancellor. 9) The students not obtaining 50% marks in CIE shall re-register for the course during the subsequent semester.
22PGBD 5.3	**Semester End Examination:** 1) The Semester End Examination for all the courses for which students registered during the semester shall be conducted at the end of each semester. 2) Only those students who satisfy the attendance requirement as per 22PGBD 4.1 and CIE requirement as per 22PGBD 5.2 (5) shall be eligible to appear for SEE of that course. However, in those students, whose SEE results were withdrawn as a penalty for indulging in malpractice or who had satisfactory attendance & required minimum CIE marks but could not appear in the SEE for valid reasons, shall be permitted to carry forward the attendance and CIE marks from that semester and write the SEE when ever held for the same course as offered by the concerned School of Studies. Such students shall seek permission from the Dean and register for the SEE in the beginning of the semester and appear for SEE, on the dates notified by the University. Such students shall complete the course as per the sections 22PGBD 6.0 and 7.0 of the concerned Programme Regulations.
22PGBD 5.4	**Viva-Voce Examination:** For a viva-voce examination, there shall be two examiners, one internal and one external. Internal examiner shall be the course teacher/project guide, and external examiner may be a teacher/ professional who have not taught that course during the given semester at the concerned School and also not in full-time employment with the University. The Vice Chancellor, on recommendation of the Board of Studies, shall appoint all appropriate qualified examiners for any examination. In all the cases, the evaluation shall be made jointly and one consolidated marks be awarded. In the event that the external examiner does not turn up for the examination, the Dean on approval of the Vice Chancellor, may appoint a suitable internal faculty to carry out the examination.

22PGBD 5.5	**Project Work:** 1) Students shall undertake project as prescribed in the Scheme of Teaching and Evaluation, individually or in a group not exceeding four students (groups only in case of capstone projects), and the project shall be carried out under the supervision of an allotted faculty. 2) All individuals/ project teams, as the case may be, shall make presentations to Project Committee notified by the Director and submit the progress reports periodically with the approval of project guide. 3) The final project dissertation shall be written adhering to International standards. The dissertation, duly signed by the concerned guide, shall be submitted to the Dean with in the time notified. All students shall appear for the viva-voce examination on the project at the end of the semester. 4) The CIE marks in the case of Project, if applicable, shall be based on the evaluation of the project dissertation as prescribed from time to time in the Scheme of Teaching and Examination.
22PGBD 5.6	**Academic Malpractice:** Academic malpractices shall be seriously viewed and appropriate action taken. In case of malpractice during any of the examinations like assignments, quizzes, tests, and other CIE components, the matter shall be reported to the Dean for further action. In case of malpractice during SEE, the Invigilator shall report the matter to the Chief Superintendent, who in turn refers the matter to the Registrar (Evaluation) for further action.
22PGBD 6.0	**ELIGIBILITY FOR PASSING A COURSE**
22PGBD 6.1	**Award of Grades:** 1) The University adopts absolute grading system wherein the marks are converted to grades, and every semester results will be declared with semester grade point average (SGPA) on successful completion of all courses of that semester. 2) If there is no SEE for a course, then the CIE marks alone will be the basis for the determination of letter grade. **3)** Letter Grade Scheme for MCA

4) The total marks obtained by the student in CIE and SEE of a course is expressed as a percentage to compute the grade points and the letter grade is awarded as indicated in the table below:

Classification			
% Marks scored in a course	Grade Points	Letter Grade	Level
≥ 90	10	O	Outstanding
≥ 85 < 90	9	A+	Excellent
≥ 75 < 85	8	A	Very Good
≥ 65 < 75	7	B	Good
≥ 55 <65	6	C	Above Average
≥ 50 <55	5	P	Average
<50	0	F - RA	Reappear
	0	F - RR	Re-register

Table: Marks (%) and Letter Grade relation

Grading Criteria for Graduate Requirement Courses

% of Marks Scored in a Course	Letter Grade	Level
≥ 90	O	Outstanding
≥ 85 < 90	A+	Excellent
≥ 75 < 85	A	Very Good
≥ 65 < 75	B	Good
≥ 55 <65	C	Above Average
≥ 50 <55	P	Average
<50	D	Unsatisfactory
NA (Not Attended)	F-RR	Re-register

22PGBD 6.2

Other Letter Grades:

The letter grades specified in 22PGBD 6.1 are used as student performance measures in all kinds of assessments.

However, the following letter grades are also awarded under the circumstances defined below (Letter Grade: Grade Point - Circumstances).

1) F-RR: 0 - Not eligible to appear for the SEE of a course due to attendance being less than 75% and / or CIE being below 50%.
   To re-register for the course and appear for the SEE in the subsequent semester when it is being offered by the School of Studies.
   (In case of electives, course change within the group is permitted)
2) AU: 0 - Satisfactory in an Audit course
3) W: No credits – Dropped/ withdrawn (W is not a grade but only a place holder indicating that the course has been dropped/withdrawn and it has to be cleared in subsequent semesters in case it is a core subject).

22PGBD 6.3	**Passing a Course:** For pass in a course, the student shall secure a minimum of 50% of marks prescribed for that course in CIE and 50 % in SEE or viva voce examinations. However, aggregate marks combining both CIE and SEE or viva voce should not be less than 50% under any circumstances. That is, Minimum passing grade in a course (head of passing) is P.
22PGBD 6.4	**Condition for Re-Registering a Course:** 1) Students who do not satisfy the condition of 22UGBD 6.3 shall be deemed to have failed and will be awarded either 'F-RR' or 'F-RA' Grade. 2) Students who were not eligible to take up the Semester End Examination (SEE) of any semester shall be deemed to have failed and will be awarded 'F-RR' Grade and are required to re-register for the course in subsequent odd/even semesters respectively. 3) Students who were eligible to take up Semester End Examination but have not cleared the regular Semester End Examination (SEE) shall be deemed to have failed and will be awarded 'F-RA' Grade and are required only to re-register for the Semester End Examination during the subsequent odd/even semester respectively.
22PGBD 7.0	**PROGRESSION TO HIGHER SEMESTERS**
22PGBD 7.1	1) A theory, stand-alone practical/project or Theory with practical/project shall be treated as a head of passing. 2) The Mandatory Graduate Requirement Non–credit courses (GR) shall not be considered for progression to higher semesters, award of Class, and calculation of SGPA and CGPA. However, competition of these courses is mandatory for award of the Degree. 3) There shall be no restriction for promotion to 2nd semester from 1st semester, if the student has fulfilled the attendance requirement. 4) Third semester onwards, a student is permitted to register for higher semester/level courses, if he obtains a minimum of 50% of the credits till the previous semester as per the Scheme of Teaching and Evaluation, to an extent of 28 credits in total, subjected to the condition under clause 22BSET3.10 (1) (d). 5) Students failing to satisfy the clause (4) above, shall register for the remaining credits subjected to the condition under clause 22BSET 3.10 (1) (d) and earn the required number of credits for progression.

22PGBD 8.0	PASSING STANDARDS AND CLASS DECLARATION
22PGBD 8.1	**Computation of SGPA and CGPA:** 1) Semester Grade Point Average (SGPA) will be awarded at the end of each Semester and Cumulative Grade Point Average (CGPA) will be awarded at the end of the program. However, CGPA is calculated at the end of each semester from the second semester onwards and reflected in the grade certificate for indicating the progress of the student. 2) Each course in a program is associated with number of credits (C). Based on the number of Credits for a course and obtained Grade Point (GP) for that course in a Semester, the GPA is calculated as given below: a) The SGPA is the ratio of sum of the product of the number of credits with the grade points secured by a student in all the courses taken by him and the sum of the number of credits of all the courses undergone by a student, i.e., $SGPA = \sum (C_i \times G_i) / \sum C_i$ Where C_i is the number of credits of the ith course and G_i is the grade point scored by the student in the ith course. b) The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme, i.e., $CGPA = \sum (C_n \times S_n) / \sum C_n$ Where S_n is the SGPA of the nth semester and C_n is the total number of credits in that semester. Finally the SGPA and CGPA shall be rounded off to 2 decimal places.
22PGBD 8.2	**Passing Standards:** 1) A student shall be declared successful or 'passed' in a semester, only when he gets a SGPA of 5.00 earning credits as per the scheme of teaching and evaluation, with grade point of 5 or better in every registered course. 2) A student shall be declared successful or 'passed' in the entire Post Graduate programme, only when he gets a minimum CGPA of 5.00 and has completed all the graduate requirement courses as mandated in the scheme of teaching and evaluation.

22PGBD 8.3	**1) Conversion of Grade and Percentage of Marks:** Conversion formula for the conversion of CGPA into Percentage is: Percentage of marks scored, P = [CGPA earned] x 10 **2) Class Declaration:** After the conversion of final CGPA into Percentage of Marks (PM), a graduating student is declared to have passed in a) First Class with Distinction (FCD): PM ≥ 75% **(In First Attempt)** b) First Class (FC): 60% ≤ PM < 75% c) Second Class (SC): 50% ≤ PM < 60%
22PGBD 8.4	**Grade Cards, Certificates and Transcripts:** 1) **Grade Cards:** At the end of each semester, a Grade Card shall be issued to all the registered students of that semester, indicating the Course code, Title, Number of credits, Letter grade awarded and Credits earned, for all the Courses as specified in the scheme of teaching and evaluation. This may have F -RA or F - RR grades awarded to the student. 2) **Grade Certificate:** On successful completion of all courses/earning credits, specified in a semester, the grade certificate is issued indicating the course details along with SGPA of that semester and also CGPA earned till that semester. 3) **Transcripts:** Transcript is the consolidated statement of the Academic Performance of a student for all the semesters since joining the programme and is given to a student on successful completion of the programme along with the degree certificate. a) For those students who have taken multiple attempts to clear a course, the transcript given on successful completion of the programme will only contain earned pass grade (O to P and AU); the courses cleared subsequently will however be shown in the respective semester with Month and Year in which the student has finally cleared the course. The transcript will show only the overall CGPA based on all the courses taken by the student. Additional courses will be shown separately, indicating the grade earned by the student. Additional copies of the transcript can be obtained if needed, on request submitted along with payment of applicable fee. b) Students who have not yet completed the programme can obtain an interim Transcript at the end of any semester, if needed, on request and upon payment of applicable fee. The interim Transcript includes failed courses, which have not been cleared at the time of issue.

22PGBD 9.0	**ELIGIBILITY FOR THE AWARD OF DEGREE, PRIZES, MEDALS AND RANKS**
22PGBD 9.1	**Minimum Credit Requirement:** 1) A student shall obtain a total of at least 108 credits as specified by the University along with satisfying the passing standards as per 22PGBD 8.2 to be eligible for the award of MCA degree.
22PGBD 9.2	For the award of Prizes and Medals, the conditions stipulated by the Donor/ University may be considered subject to the provisions of the statutes of the University for such awards from time to time.
22PGBD 9.3	For award of ranks in the programme, a minimum of 10 students should have appeared in the final semester examination. The total number of ranks awarded shall be 10% of total number of students appeared in final semester.
22PGBD 9.4	A Studentshall be eligible for a rank at the time of award of the degree, provided the student has passed in all the courses from 1st to 4th semester for MCA in first attempt.
22PGBD 9.5	For award of Rank, the CGPA secured by the student from 1st to final semester shall be considered, provided 22BSET 9.4 is satisfied.
22PGBD 9.6	If two students get the same CGPA, the tie should be resolved by considering the number of times a student has obtained higher SGPA. But, if it is not resolved even at this stage, the number of times a student has obtained higher grades like O, A+, A, B, C & P shall be taken into account in Rank ordering of the students.
22PGBD 10.0	**MAXIMUM DURATION FOR PROGRAMME COMPLETION**
22PGBD 10.1	The student shall complete the MCA programme within a period of four (04) academic years respectively, failing which he has to discontinue the program. The duration is from the date of admission to the program.
22PGBD 11.0	**TRANSFER OF STUDENTS**
22PGBD 11.1	Transfer of students from another University is permitted only at the beginning of odd semesters, subject to availability of seats within the permitted intake and subject to the prior approval of the Vice Chancellor of the University. Such students should have passed in all courses of 1st and 2nd semesters for admission to 3rd semester of MCA.

22PGBD 11.2	The students seeking admission shall have to: 1) Apply for establishment of equivalence with prescribed fees as notified by the University; and 2) Submit No Objection for admission from the migrating University before commencement of semester as notified by the University. 3) The University may prescribe fee for administrative purpose (for updating of the records), which shall be notified from time to time, for transfer.
22PGBD 12.0	**MISCELLANEOUS**
22PGBD 12.1	The academic regulations should be read as a whole for the purpose of any interpretation.
22PGBD 12.2	Wherever the words “he”, “him”, “his” occur in the regulations, they include “she”, “her”, “hers”.
22PGBD 12.3	In case of any doubt or ambiguity in the interpretation of the rules mentioned in the regulations, the decision of the Vice-Chancellor shall be final.
22PGBD 12.4	The University may change or amend the regulations and/ or curriculum at any time, and the changes or amendments made shall be applicable to all the students with effect from the date notified by the University.
22PGBD 12.5	These regulations governing the Degree of Master of Computer Applications (MCA) programme of the University may be modified from time to time with the approval of statutory bodies of the University and shall be binding on all.

REGULATIONS GOVERNING
MASTER OF COMPUTER APPLICATIONS DEGREE PROGRAMME
[MCA]
Based on Choice Based Credit System (CBCS)

DEFINITION OF KEY WORDS:

1. **Academic Year:** Two consecutive semesters (one odd followed by one even) constitute one academic year.
2. **Audit Courses:** Courses, outside the prescribed range of credits required for the degree, the students can register if interested to supplement their knowledge/ skills.
3. **Choice Based Credit System (CBCS):** The CBCS provides choice for students to select from the prescribed set of courses viz. Core courses, Core Elective courses, Advanced Core courses and Elective courses.
4. **Course:** Referred to as 'papers', is a component of a programme, with defined learning objectives, outcomes and number of credits. A course may be designed to comprise lectures/ assignments/ tutorials/ laboratory work/ field work/ outreach activities/ project work/ self-study/ vocational training/ viva/ seminars/ term papers/ presentations/ quiz etc. or a combination of these as defined in the Scheme of Teaching. The course credits vary depending on the required teaching-learning hours to accomplish the learning outcomes, specified in the course syllabus.
5. **Credit:** A unit by which the course work is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one hour of lecture or two hours of tutorial/ practical work/ field work per week.
6. **Credit Based Semester System (CBSS):** Under CBSS, the requirement for awarding a degree or diploma or certificate is prescribed in terms of number of credits to be earned by the students.
7. **Credit Point:** It is the product of grade point and number of credits for a course.
8. **Cumulative Grade Point Average (CGPA):** It is a measure of overall cumulative performance of a student over all semesters. The CGPA is the ratio of total credit points earned by a student in various courses in all semesters and the sum of the total credits of all courses in all the semesters. It is expressed up to two decimal places. However, the CGPA may be calculated from second semester onwards to facilitate students to know their academic progress.
9. **Dean:** Dean of the School of Management of the University.
10. **First Attempt:** If a student has completed all formalities and become eligible to attend examinations and has attended at least one head of passing, such attempt (first sitting) shall be considered as first attempt.

11. **Grade Point:** It is a numerical weightage allotted to each letter grade on a 10-point scale.
12. **Letter Grade:** An index of the performance of students in a said course. Grades are denoted by letters.
13. **Passing Standards:** A student is passing a Course only when getting GP greater than or equal to 05 (P Grade). A student is declared successful at the Semester-end or Programme-end only when getting SGPA or CGPA equal to or greater than 5.00 respectively, with none of the Courses registered in a Semester(s) having either F-RA or F-RR Grade
14. **Programme:** A planned series of events/activities comprising of a combination of courses leading to the award of the degree MCA.
15. **Programme Council:** The committee consisting of the Director of the programme, HOD and the concerned faculty members from each cadre.
16. **Semester:** Each semester will consist of 15 to 18 weeks of academic work equivalent to about 90 teaching days. The odd semester may be scheduled from August to November/ December and even semester from January to April/ May, or as may be declared by the University.
17. **Semester Grade Point Average (SGPA):** It is a measure of academic performance of student in a semester. It is the ratio of total credit points secured by a student in various courses registered in a semester and the total course credits taken during that semester. It shall be expressed up to two decimal places.
18. **SOM:** School of Management of the University
19. **Transcript, Grade Certificate and Grade Card:** Grade card shall be issued to candidates indicating the programme details (Course code, title, number of credits, grade secured and grade points) for all the registered courses after every semester. On successful completion of all courses/earning credits, specified in a semester, the grade certificate is issued indicating the programme details along with SGPA of that semester and CGPA earned till that semester. Transcripts to the successful candidates shall be issued after completion of the programme.
20. **University:** CMR University, Bangalore.

REGULATIONS

22PGBD 1.0	**TITLE AND DURATION OF THE PROGRAMME**
22PGBD 1.1	The Post Graduate Programme covered under these Regulations are: Master of Computer Applications, abbreviated as MCA.
22PGBD 1.2	The MCA programme shall be of two academic years duration and organized in four semesters, with each semester having duration of about 15 to 18 weeks.
22PGBD 1.3	The annual Academic Calendar of events in respect of the Programme of study approved by the Academic Council, shall be notified at least a month before the commencement of each academic year. It is mandatory for students, faculty members and all concerned to strictly adhere to the Academic Calendar for completion of academic activities. Academic Calendar shall be displayed on the homepage of the University website.
22PGBD 2.0	**ELIGIBILITY FOR ADMISSION**
22PGBD 2.1	The rules specified in the following clauses shall be followed, but the orders issued from the Government/the regulatory bodies from time to time shall prevail.
22PGBD 2.2	Admission to First semester MCA shall be open to the applicants who have passed B.C.A/ B.Sc. (Computer Science)/ B.Sc. (IT) / B.E. (CSE)/ B.Tech. (CSE) / B.E. (IT) / B.Tech. (IT) or equivalent Degree. OR Passed any graduation degree (e.g.: B.E. / B.Tech. / B.Sc / B.Com. / B.A./ B. Voc./ etc.,) preferably with Mathematics at 10+2 level or at Graduation level Obtained at least 50% marks (45% marks in case of candidates belonging to reserved category) in the qualifying examination.
22PGBD 2.4	**Lateral Entry Admissions:** Depending upon the academic and physical facilities available in the institutions, the university may admit a certain number of students directly to the second year of the programme, if the student has either 1) Successfully completed the first year of the same programme in another recognized Institution, or 2) Already successfully completed other equivalent programme in a recognized university/ institution and desirous of (and academically capable of) pursuing another degree programme in a related/ allied subject.

22PGBD 3.0	CHOICE BASED CREDIT SYSTEM AND ACADEMIC PROCESS
22PGBD 3.1	**Odd & Even Semesters and Summer Term:** The University follows the Choice Based Credit System and the Semester Scheme. There are two regular semesters and one additional semester in an academic year. The semester that begins in August (August to November/ December) is known as the Odd Semester and the semester that begins in January (January to April/May) is known as the Even Semester. During the summer vacation (May/June to July), the Summer term is conducted to offer courses as per 22PGBD 3.2.
22PGBD 3.2	**Summer Term:** The summer term is additional semester that is conducted during an academic year. However, during a summer term, a limited number of courses maybe offered to enable the students to clear their backlog courses (F-RR) and/or register for additional regular credit courses on audit basis, subject to strict adherence to the following guidelines: 1) The Program Council shall identify the courses to be offered along with the Course Instructor and recommend offering of such summer course (s) to the Dean for consideration. The identified faculty members shall offer the courses only on approval by the Dean. 2) The course is offered in the same manner as a regular semester course without compromising the course requirements in terms of knowledge delivery, course work, assessment and evaluation. The University shall notify the fee payable by the students for the summer semester courses. 3) The duration of the course is six to eight weeks. The registration, examination, assessment and grading etc. are done in the same way as is done for regular semester courses. The total number of contact hours for the courses remains the same as that during the regular semesters, and therefore, the courses are run at an accelerated pace. The Academic Calendar specially made in this connection shall be strictly followed. 4) The dropping of a Summer Course is permitted within 7 days from the first lecture of the course. However, the registration fee paid for the course is not refundable. 5) Time slots will be assigned and notified by the Dean as done for the regular semester courses. 6) A notified summer course can be withdrawn if the number of students registered for the course is less than five. 7) A student can register up to a maximum of 12 credits or 3 courses in any summer semester, depending on his academic standing. 8) Courses offered in a summer semester will be treated as equivalent to a regular semester courses for all accounting purposes.

22PGBD 3.3	**Curriculum:** 1) Every Programme has a prescribed course structure which, in general terms, is known as the Curriculum or the Courses of Study or the Scheme of Teaching and Evaluation. It prescribes all the courses/ laboratory/ other requirements for the degree and sets out the nominal sequence semester wise. It also provides the syllabus and a list of text/ reference books (or other learning material sources) for each course. 2) The University shall not only lay down the syllabus for each course, but also the manner of its implementation, namely, through lectures, tutorials, laboratory sessions, seminars, field work, projects and such other activities. 3) The Courses of Study details are updated every semester and are made available at the School's page of the University website: http://www.cmr.edu.in/. 4) Curriculum may also include SWAYAM or Massive Open Online Courses (MOOCs), offered by premier Institutions worldwide. However, selection of SWAYAM or MOOCs, if any, shall always be within prescribed guidelines of the relevant regulatory bodies.
22PGBD 3.4	**Course Credit Structure:** 1) A certain quantum of academic work, measured in terms of credits, is laid down as the requirement for completion of degree in the different programme and the available specialization areas. A student earns credits by satisfactorily completing courses/ other academic activities every semester. 2) The credits are distributed semester wise, as prescribed in the Scheme of Teaching and Evaluation for each of the programme. The courses generally progress in sequences, building competencies as per the course learning outcomes. The positioning of a course indicates certain academic maturity on the part of the students. 3) Some courses do, in addition, specify passing in other courses, offered earlier in the programmes as prerequisites for the course. 4) Students are required to follow the semester wise schedule of courses specified in Scheme of Teaching and Evaluation; they do, however, have freedom to follow alternative schedules to optimize their academic profile with additional courses, keeping the requirements for each course in mind. For students with backlog courses, such rescheduling may even become necessary. Such departures from suggested schedules need to be done very carefully, and always with advice from the Faculty Adviser.

22PGBD 3.5	**Courses:** There will be following types of courses in a programme, namely: 1) Core Courses (CC): including essential foundation and functional management skill courses, considered to be useful for all management graduates irrespective of their choice of elective group/ specialization. 2) Core Elective (CE): including additional knowledge and skill courses, considered to be useful for developing additional skills/ competencies, irrespective of elective group/ specialization. 3) Advanced Core (AC): including knowledge and skill courses, considered to be useful for developing management skills/ competencies with inter-functional perspectives in management. 4) Elective Courses (EC): including knowledge and skill courses focusing on function/ sector specific management skills/ competencies leading to focused study in an elective group/ specialization area. 5) Project work/ Internship/ Seminars/ Dissertations can also be offered as independent course in the programme subject to allocation of required credit hour allocation to the course. The requirements for Seminar/ Project/Internship/ Dissertation based courses will, be as specified in the course-guidelines/details approved by the Board of the Studies of the School. 6) Graduate Requirement (GR) Courses: These are courses on peripheral subjects in a programme, wherein completion of the course is considered mandatory to qualify for the award of the Degree. 7) Project work, Mini Project work and Internship and Seminar are also considered as courses in the programme. The Courses of the Programme are further classified as follows: **1) Program Core (Credit Courses):** Each academic programme is divided into Program Core or Common core courses which are further divided into mandatory and choice segments, with levels within them. The Program Core courses are broadly categorized into Foundation, Electives and Interdisciplinary. Foundation, Elective and interdisciplinary courses are discipline specific or allied to the program. Foundation courses are mandatory courses that are offered through the period of study of the program. Foundation courses are offered as fundamental, intermediate and advanced courses based on the prerequisite and difficulty level (100 Level / 200 Level / 300 Level etc.) of the course. Elective courses are a basket of courses from which the student gets to choose. Elective courses are either specialization courses or generic courses. Elective courses include mini projects, dissertations, internships and capstone projects. Students

also have the option to choose from a set of interdisciplinary courses which are varied from their discipline and offered by other Schools of Studies of the University.

Mandatory segments are those which lay a firm foundation of the knowledge required to complete a programme in the chosen domain, ending with a multifaceted assignment that serves as a culminating academic and intellectual experience for students, typically during their final year.

Choice segments are those which a student could opt for to specialize further and / or to improve their interdisciplinary skills.

All segments carry credits, and the students are expected to earn the minimum number of credits in their coursework towards program core to earn the degree.

2) **Common Core (Credit Courses):** Common Core Curriculum (CCC) courses are to be pursued by all students of the University regardless of their School of Study. It also encourages students to explore themselves and issues of fundamental importance to society through the Common Core Curriculum (CCC) courses. Students are expected to earn a certain specified number of credits in their coursework towards the Common Core Curriculum (CCC), during their academic programmes. While some courses are in workshop mode, which can be completed over a few days at a stretch, there are other courses which are offered for a specific number of hours per week throughout a semester.

Students take these courses planned for each academic programme, over multiple semesters. Credits range from 1 to 4, which are directly proportional to the number of hours required to complete a course. There are both 'mandatory' and 'choice' courses, with levels within them.

3) **Common Core (Non-credit Courses / Engagement) - Graduate Requirement (GR):** Engagements for this category do not carry any credit(s) but are mandatory for the students to complete them within the duration of the programme, to be considered eligible to graduate (or) earn the degree. These shall be:

a) **Courses** embedded in the academic programme, where the students must ensure that they attend a minimum attendance percentage.

b) **Community Service Program** are activities implemented under the Common Core Curriculum Community Service Program (CCC CSP) in which the students have to complete a minimum number of volunteering hours in a semester by rendering services to the society and submit a Reflection Record (RRD) for every volunteering activity completed. In case of a student not having completed the minimum number of volunteering hours in a semester, the shortage in number of hours is to be completed in the subsequent semester(s). However, the student has to complete the mandated total number of volunteering hours within the duration of the programme and submit a Reflection Record (RRD) for every volunteering activity completed.

c) **Advanced Course:** Courses that involve higher and more complex levels of knowledge and understanding than introductory or foundational learning. It means the student has attained a level of knowledge and understanding of a particular area or topic that goes beyond basic terminology and definitions and is ready to be involved in Analysis, Synthesis and Evaluation of information related to a specific topic or area of learning.

d) **Prerequisite course:** Course or other requirement that a student must have taken prior to enrolling in a specific course. Students might or might not have a choice of prerequisites to complete.

Courses under various categories can be further classified as:

- **100 Level Courses**: These courses offer an introduction to a subject area and are designed for students in the first year of study. These courses have no prerequisites and are generally courses defining basic concepts or presenting the terminology of a discipline
- **200 Level Courses**: These courses are built on previous units and are normally taken in the second year or later; they may also be available to students with advanced prior knowledge. They are Courses of intermediate college-level difficulty; courses with 100-level course(s) as prerequisite(s)
- **300 Level Courses**: These courses are usually taken in third year or later, after 200-level study in the area. They may also be available to students with advanced prior knowledge. They are courses of advanced college-level difficulty offered for students clearly interested in the discipline or in any stream of the discipline
- **400 Level Courses**: These units of study are advanced courses and are normally taken in the third year or later as the final elements of a three year or four year degree or an integrated degree. The level indicates that the student will be demonstrating coherence and breadth or depth of knowledge and skills. The student may need to have completed a prerequisite course to study a 400 level course.

	• **500 Level Courses:** These are foundation level courses for higher education qualifications, usually taken in the first year of the masters or postgraduate degree programmes. These are courses meant for students aspiring to specialise in a discipline and would have prerequisites to study a course at this level, which would have been covered in the core curriculum at the bachelor's degree programme in the same discipline. • **600 Level Courses:** These courses are usually opted for at the second year of the masters or postgraduate degree programmes, which enhance the learning experience of the previous units. The difficulty level is clearly higher and the student is expected to demonstrate a certain level of proficiency and competence in grasping and interpreting the knowledge gained in the discipline at this level. • **700 Level Courses:** The courses prescribed at this level serve as a culminating academic and intellectual experience for students, and are usually taken towards the final semesters of the masters or postgraduate degree programmes where they acquire the skills and knowledge to analyse, evaluate, and solve challenges akin to those faced in real life situations, resulting in achieving mastery in the discipline.
22PGBD 3.6	**Seminars:** Some Programmes may prescribe Seminar as a requirement for the degree. Seminar may be an assessment component or a course itself wherein the student is expected to do an in-depth study in a specialized area under the guidance of a faculty member. This may include surveying published technical literature, understanding different aspects of the problem and arriving at a status report. While doing a seminar, the student is expected to: critically analyze works of various authors/ researchers; learn the investigation methodologies, study concepts, techniques and the results presented in these papers; and submit a seminar report. It is mandatory to give a seminar presentation before a panel constituted for the purpose. Seminars typically carry 1 to 2 credits.
22PGBD 3.7	**Project Work/Dissertation and Summer Internship Program (SIP):** Project work/Dissertation and/or SIP is considered as a special course involving application of knowledge in solving / analyzing /exploring a real-life situation/ difficult problem. A Project/ Dissertation work would be for specified number of credits, as prescribed in the Scheme of Teaching and Evaluation. A Project/Dissertation work may be given in lieu of a discipline specific elective paper. Summer Internship Program, wherever needed, may be introduced as a (or a part of) Project.

22PGBD 3.8	**Audit Courses:** A student desirous of additional exposure to a course, without the rigors of obtaining a good grade, 'audits' a course. The minimum requirement of attendance for an 'Audit Course' is 75%, with any additional requirements as set by the instructor such as submission of assignments and minimum performance in some of the in-semester evaluations. Auditing of courses during regular semesters from 3rd semester onwards is permitted under the following conditions: 1) Students with CGPA> 6.0 will be permitted to 'Audit' a course. A course can be audited provided the course is offered in the semester as a credit course for others, and there is no slot clash. Prior permission of the Instructor is required. 2) Audit courses would be restricted to a maximum of two (2) courses per student in the entire period of the programme. 3) The instructor would award the 'AU' grade, if the attendance is satisfactory and additional requirements, as set out by the instructor, are met. If the attendance and performance is not satisfactory, the instructor will award 'No Grade'. The grade 'AU' does not carry any grade points and therefore does not figure in SGPA/ CGPA calculations. 4) The course successfully completed in Audit mode will be reflected in the Grade Card, Grade Certificate and the Transcript as Audit Course.
22PGBD 3.9	**Registration:** It is mandatory for every student to register for a semester to attend various courses/ earn credits, using the prescribed Course Registration Form (CRF), till he completes his programme. The registration shall be completed on or before the prescribed last date for registration announced in the academic calendar. 1) On joining the Programme, each student is assigned to a Faculty Adviser or an Advisory group. A student shall register for required courses each semester with prior permission of the Faculty Adviser. 2) The student can register for courses he intends to take during a given semester (including courses in summer semester) on the basis of his plan for each Programme, as given in the Scheme of Teaching and Evaluation and as per the advice given by his Faculty Adviser. 3) The Faculty Adviser is expected to discuss with the student his academic performance during the previous semesters and then decide the number and nature of the courses for which the student can register during the semester within the framework of the Regulations.

	4) The Faculty Adviser may advise the student to drop one or more courses/activities based on his academic performance. The Faculty Adviser may even advise a reduced load program over several semesters for students with poor performance at the end of the first semester/year. 5) Students are not permitted to reregister for course/(s), which they have already passed. 6) The registration is deemed to be complete only on approval by the Dean. 7) Without registration, any academic activity (course/seminar etc.) undergone by a student will not be counted towards the requirements of his degree. 8) Students having outstanding dues to the University or a hostel shall not be permitted to register.
22PGBD 3.10	1) **Procedure for Registration:** The procedure involves the following steps: a) A student is required to register for all the courses listed in the curriculum for the first semester. b) The students shall decide on the courses to be registered during the ensuing semester immediately after their SEE examinations as per the advise of their Faculty Advisor. c) They shall submit a print out of the completed CRF, duly attested by the faculty advisor to the Dean through the department office within the date notified by the University for registration. d) Every student from II semester onwards is required to register for a minimum of 20 credits and a maximum of 28 credits. 2) **Registration for second and subsequent semesters:** a) From second semester onwards, registration is dependent on the academic standing of the student. A student with a low academic standing registers for the academic load specified by the Faculty Adviser. In addition he may add one more course (3-5 credits) towards additional learning or to clear backlog courses, without this being considered an overload. b) Students with average academic standing are advised not to attempt full load. Faculty Advisers after careful scrutiny will advise academic loads depending on previous performance. **3) Late Registration:** Registration beyond the last date may be permitted only in special cases till the date specified in the Academic Calendar, on payment of a late registration fee.

22PGBD 3.11	**Registration for Graduate Requirement (GR) Courses:** Graduate Requirement (GR) courses which are mandatory Non-credit courses are treated as complete or incomplete subject to the fulfillment of the minimum requirements of these courses and a minimum of 75% attendance. The award of degree is subject to successful completion of these courses. Formal registration for these courses shall be done along with other courses, at the beginning of the semesters. Not satisfying the minimum requirements of the course will result in a F-RR grade and the student has to re- register for the course when offered next. This requirement must be completed before the end of the Programme.
22PGBD 3.12	**Registration for Summer Semester Courses:** Students are permitted to register for courses during summer semester under the regulation specified by 22PGBD 3.2, on payment of prescribed registration and course fees.
22PGBD 3.13	**Course Adjustment/Dropping of Courses:** 1) The Academic Calendar sets a date, normally two weeks after the commencement of the semester, for Course Adjustment. On or before this date, a student is permitted to make adjustments in his academic load by addition or deletion of one or more courses, projects etc., provided that the total credits do not exceed 28 or fall below 20, by such adjustments, Course adjustment has to be done in consultation with the Faculty Adviser. When the need for course adjustment through addition, substitution or dropping of course/s arises, the student without any backlog should do online course adjustment and students with backlog course/s should do it manually by filling a Course Adjustment Form (CAF). CAF has to be signed by both the student and the Faculty Adviser and the same is to be submitted to the Dean. 2) If in the second or any of the subsequent semesters, a student finds his academic load too heavy, he may drop one or two courses out of the registered ones on advice from the Faculty Adviser, provided the minimum credit requirements is fulfilled. The last date for doing this is within 10 days after the end of the first test, or as specified in the Academic Calendar. 3) Course/s dropped by a student may be taken during a subsequent semester including the summer semester, if offered. The minimum number of students to be registered for an Elective to be offered shall be not less than ten, or as decided by the University.

22PGBD 3.14	**Course substitution:** In case a student obtains E grades or drops courses due to a valid reason or fails in a course, he may like to substitute courses in order to complete the course requirements within the stipulated duration. Following are the guidelines for course substitution: 1) Course substitution is not permitted for Core Courses. The student has to reregister for the same courses and complete them. 2) An elective course may be substituted by another elective course from the same group.
22PGBD 3.15	**Dropping of a Semester:** 1) A student may opt or be advised to drop an entire semester, with prior approval of Programme Council due to the following reasons: a) A student may seek a semester drop, due to severe personal health problem, unavoidable family commitments or other valid reasons beyond his control, on advice from the Faculty Adviser, prior to the commencement of the semester itself. b) During a registered semester, if a student finds that he is unable to cope up with the studies and/or does not have sufficient exposure to most of the courses registered in that semester due to severe health problem or some other valid reasons beyond his control, he can opt to drop the entire semester, on advice from the Faculty Adviser. 2) In all cases of severe health problems, medical certificate issued by a University recognized Medical Practitioner is essential. In all other cases, requests for dropping the semester should be accompanied by supporting documents as required. 3) Such break from studies is normally not permitted for a continuous period in excess of one year. 4) Not registering for any semester before the last date for registration without prior approval of the Dean will result in automatic dropping of semester leading to temporary discontinuation of the programme. 5) The credits of the dropped semester shall be earned subsequently by registering to the courses specified in the Scheme of Teaching and Evaluation or equivalent courses when offered next.
22PGBD 3.16	**1) Faculty Adviser:** On joining the University, a student or a group of students' is/are assigned to a Faculty Adviser from the concerned programme. Students are advised to consult the Faculty Adviser on any matter relating to their academic performance and the courses they may take in various semesters/ summer semesters. Faculty Adviser guides the students to complete their courses of study for the required degree in a smooth and satisfactory manner.

	2) Role of the Faculty Adviser: The Faculty Adviser guides the students to complete their courses of study for the required degree in a smooth and satisfactory manner. For effective utilization of the opportunities for additional academic accomplishments, planning of the individual's academic progress needs careful consideration, and constant consultation with the Faculty Advisers is imperative. Thus, the role of the Faculty Adviser is of immense importance. The Faculty Adviser is the person whom the parents/ guardians should contact for performance related issues of their ward. The Faculty Advisor shall a) Guide the students about the rules and regulations governing the courses of study for a particular degree. b) Advise the students for registering courses as per prescribed curriculum or otherwise but within the scope of the rules and regulations prescribed by the University from time to time. For this purpose the Faculty Adviser has to discuss with the student his academic performance during the previous semester and then decide the number and nature of the courses for which he can register during the semester. c) Approve the CRF by attesting same, before the prescribed last date. d) Advice students to overload/ drop one or more courses/ activities based on his academic performance. e) At the end of the first semester/ year, may even advise a reduced load programme for a poorly performing student. This reduced load programme may spread over several semesters subject to minimum load for the semester and completion of the degree programme within the prescribed maximum period by registering in summer terms. Such reduced load programme is to be prepared by the Faculty Adviser in consultation with the Student and his parent and the Faculty Adviser has to recommend the same through the Programme Council to the Dean for consideration and approval before the commencement of the semester. f) Pay special attention to weak students and carefully monitor performance of students recommended for slow track option. g) Advice students for Course Adjustment/ Dropping of courses during the Semester within the stipulated time frame given in the Academic calendar. h) Advice students seeking semester drop either during the ongoing semester or before the commencement of the semester. Ensure strict compliance of rules and regulations laid down for this purpose. Recommend the cases to the Dean for consideration.

	i) Make revised plan of study for weak/bright students based on their semester wise performance. j) Suggest modalities for course/credit requirements for the students recommended for exchange programme. k) Provide guidance and liaison with the parents for their improved performance. l) Ensure that students are not permitted to re-register for courses, which they have already passed. m) Inform students that any academic activity (course/ Laboratory/ seminar/ project/ noncredit requirement etc.) undergone without proper registration will not be counted towards the requirements of his degree. n) Strictly warn students that if he fails to register during any semester without prior approval, his studentship is liable to be cancelled. o) Keep the students updated about the Academic Administration of CBCS system at the University.
22PGBD 4.0	**ATTENDANCE REQUIREMENT**
22PGBD 4.1	Attendance in the class is compulsory and is monitored. The University expects 100% attendance. Each Course is considered as a unit for attendance requirement and, 1) The minimum number of lectures, tutorials, seminars and practicals which a student shall be required to attend for eligibility to appear at the SEE shall not be less than 75% of the total number of lectures, tutorials, seminars, practicals, and any other prescribed requirements. 2) If a student obtains less than 75% attendance in any one or more of the courses, he shall not be permitted to appear for the SEE of those courses and he shall re-register for them in subsequent academic semester/s when offered and obtain passing grades, subject to 22PGBD 4.1 (1).
22PGBD 4.2	The basis for the calculation of attendance shall be the period prescribed by the University in its Academic Calendar of events. For the first semester students, the same is reckoned from the date of admission to the programme as per allotment from University.
22PGBD 4.3	The Dean shall inform the students about their attendance position periodically so that the students shall be cautioned to make up the shortage. The Dean shall submit the list of students who have been detained for shortage of attendance by the end of the semester to the Registrar (Evaluation) with a copy to the Registrar. It may be noted that mere omission by Dean to inform the student about the shortage of attendance shall not entitle him to appear for examination.

22PGBD4.4	**Temporary Discontinuation of programme:** A student, who wishes to temporarily discontinue the programme and continue subsequently, has to obtain prior permission from the University by applying through the Dean. Such student shall take admission once again to the same semester in the following academic year or later. However, such student shall pay the tuition fee and other fees for the entire academic year; and shall complete the programme as per 22PGBD 10.1.
22PGBD 5.0	**EXAMINATIONS AND EVALUATION**
22PGBD 5.1	1) CIE and SEE constitute the major evaluations prescribed for each course, with only those students maintaining a minimum standard in CIE are permitted to appear in SEE of the course. 2) CIE and SEE to carry 50% weightage each, to enable the course to be evaluated for a total of 100 marks, irrespective of its credits. 3) The evaluation system of the program is comprehensive & continuous during the entire period of Semester, both by internal faculty (who is / are teaching the course) & also by the external examiners (who have requisite expertise in the domain / course area). For a course, the evaluation and grading will be on the following parameters:

A	Continuous Internal Evaluation (CIE)	
A1	Continuous and Comprehensive Evaluation (CCE)	30 % marks
A2	Internal Assessment Tests (IAT)	20 % marks
	Total of CIE (A1+A2)	50 % marks
B	Semester End Examination (SEE)	50 % marks
	Total of CIE and SEE (A + B)	100 % marks

22PGBD 5.2	**Continuous Internal Evaluation:** 1) The CIE will carry a maximum of 50% weightage of total marks of a course. Before the start of the Academic session of each semester, in addition to Internal assessment test, a faculty may choose for his course: a minimum of three and a maximum of four of the following assessment methods with suitable weightage for each. a) Assignments (Individual and/or Group) b) Seminars c) Quizzes d) Group Discussions e) Case studies/Case lets/Case Discussions f) Practical orientation on Design Thinking, Creativity & Innovation g) Participatory & Industry-integrated learning h) Practical activities / problem solving exercises i) Class presentations j) Analysis of Industry/Technical/Business Reports k) Reports on Guest Lectures / Webinars / Industrial Visits l) Industrial / Social / Rural projects/Field work m) Participation in Seminars/ Academic Events/Symposia, etc. n) Any other academic activity suitable for the course 2) The faculty will submit the 'CCE Assessment Plan' to the Dean for approval and notify the same along with the course syllabus before the start of semester. The total marks of the above three or more assessment components shall be scaled down to 30% of total marks of the respective course. 3) To assess the students in a course under IAT component, two tests will be conducted in a semester. Each test will be conducted for 20 marks. The average marks obtained in these two tests will be taken as IAT Marks. If a student fails to attend both the IAT on the scheduled date due to any unavoidable circumstances, and produces documentary evidence, the faculty member, upon approval of the Dean, shall conduct one additional test at the end of the semester covering the syllabus of the test for which he was absent. 4) The CIE marks awarded to students at different stages during the course shall be displayed on the notice board of the concerned School to enable the students to point out any discrepancies. After due corrections, if any, faculty shall upload the CIE marks in the University's ERP system and a hard copy of the same shall be submitted to the Registrar (Evaluation) of the University duly signed by the concerned faculty and the Dean, before the commencement of semester end examinations. 5) The student shall obtain a minimum of 50% of marks allotted for CIE in a given course to be eligible to appear for the SEE in that course. 6) If a student is unable to secure a minimum of 50% in CIE marks in any course, he shall not be eligible to take up SEE/ viva-voce examination in that particular

	course. It shall be the responsibility of Dean to scrutinize the list of candidates and permit only the eligible students to take up SEE. In the event of an ineligible student inadvertently being allowed to appear for the theory/viva voce examination, the result of the concerned student shall be withdrawn forthwith. 7) The list of such students, who have not secured the minimum in CIE marks, shall be sent to the Registrar (Evaluation) along with the submission of CIE marks of the successful students. 8) After the submission of CIE marks to the Registrar (Evaluation) of the University, any request for changes in the marks by the Dean shall be considered by the Registrar (Evaluation) only after due approval of the Vice- Chancellor. 9) The students not obtaining 50% marks in CIE shall re-register for the course during the subsequent semester.
22PGBD 5.3	**Semester End Examination:** 1) The Semester End Examination for all the courses for which students registered during the semester shall be conducted at the end of each semester. 2) Only those students who satisfy the attendance requirement as per 22PGBD 4.1 and CIE requirement as per 22PGBD 5.2 (5) shall be eligible to appear for SEE of that course. However, in those students, whose SEE results were withdrawn as a penalty for indulging in malpractice or who had satisfactory attendance & required minimum CIE marks but could not appear in the SEE for valid reasons, shall be permitted to carry forward the attendance and CIE marks from that semester and write the SEE when ever held for the same course as offered by the concerned School of Studies. Such students shall seek permission from the Dean and register for the SEE in the beginning of the semester and appear for SEE, on the dates notified by the University. Such students shall complete the course as per the sections 22PGBD 6.0 and 7.0 of the concerned Programme Regulations.
22PGBD 5.4	**Viva-Voce Examination:** For a viva-voce examination, there shall be two examiners, one internal and one external. Internal examiner shall be the course teacher/project guide, and external examiner may be a teacher/ professional who have not taught that course during the given semester at the concerned School and also not in full-time employment with the University. The Vice Chancellor, on recommendation of the Board of Studies, shall appoint all appropriate qualified examiners for any examination. In all the cases, the evaluation shall be made jointly and one consolidated marks be awarded. In the event that the external examiner does not turn up for the examination, the Dean on approval of the Vice Chancellor, may appoint a suitable internal faculty to carry out the examination.

22PGBD 5.5	**Project Work:** 1) Students shall undertake project as prescribed in the Scheme of Teaching and Evaluation, individually or in a group not exceeding four students (groups only in case of capstone projects), and the project shall be carried out under the supervision of an allotted faculty. 2) All individuals/ project teams, as the case may be, shall make presentations to Project Committee notified by the Director and submit the progress reports periodically with the approval of project guide. 3) The final project dissertation shall be written adhering to International standards. The dissertation, duly signed by the concerned guide, shall be submitted to the Dean with in the time notified. All students shall appear for the viva-voce examination on the project at the end of the semester. 4) The CIE marks in the case of Project, if applicable, shall be based on the evaluation of the project dissertation as prescribed from time to time in the Scheme of Teaching and Examination.
22PGBD 5.6	**Academic Malpractice:** Academic malpractices shall be seriously viewed and appropriate action taken. In case of malpractice during any of the examinations like assignments, quizzes, tests, and other CIE components, the matter shall be reported to the Dean for further action. In case of malpractice during SEE, the Invigilator shall report the matter to the Chief Superintendent, who in turn refers the matter to the Registrar (Evaluation) for further action.
22PGBD 6.0	**ELIGIBILITY FOR PASSING A COURSE**
22PGBD 6.1	**Award of Grades:** 1) The University adopts absolute grading system wherein the marks are converted to grades, and every semester results will be declared with semester grade point average (SGPA) on successful completion of all courses of that semester. 2) If there is no SEE for a course, then the CIE marks alone will be the basis for the determination of letter grade. **3)** Letter Grade Scheme for MCA

4) The total marks obtained by the student in CIE and SEE of a course is expressed as a percentage to compute the grade points and the letter grade is awarded as indicated in the table below:

Classification			
% Marks scored in a course	Grade Points	Letter Grade	Level
≥ 90	10	O	Outstanding
≥ 85 < 90	9	A+	Excellent
≥ 75 < 85	8	A	Very Good
≥ 65 < 75	7	B	Good
≥ 55 <65	6	C	Above Average
≥ 50 <55	5	P	Average
<50	0	F - RA	Reappear
	0	F - RR	Re-register

22PGBD 6.2

Other Letter Grades:

The letter grades specified in 22PGBD 6.1 are used as student performance measures in all kinds of assessments.

However, the following letter grades are also awarded under the circumstances defined below (Letter Grade: Grade Point - Circumstances).

1) F-RR: 0 - Not eligible to appear for the SEE of a course due to attendance being less than 75% and / or CIE being below 50%.
   To re-register for the course and appear for the SEE in the subsequent semester when it is being offered by the School of Studies.
   (In case of electives, course change within the group is permitted)
2) AU: 0 - Satisfactory in an Audit course
3) W: No credits – Dropped/ withdrawn (W is not a grade but only a place holder indicating that the course has been dropped/withdrawn and it has to be cleared in subsequent semesters in case it is a core subject).

22PGBD 6.3	**Passing a Course:** For pass in a course, the student shall secure a minimum of 50% of marks prescribed for that course in CIE and 50 % in SEE or viva voce examinations. However, aggregate marks combining both CIE and SEE or viva voce should not be less than 50% under any circumstances. That is, Minimum passing grade in a course (head of passing) is P.
22PGBD 6.4	**Condition for Re-Registering a Course:** 1) Students who do not satisfy the condition of 22UGBD 6.3 shall be deemed to have failed and will be awarded either 'F-RR' or 'F-RA' Grade. 2) Students who were not eligible to take up the Semester End Examination (SEE) of any semester shall be deemed to have failed and will be awarded 'F-RR' Grade and are required to re-register for the course in subsequent odd/even semesters respectively. 3) Students who were eligible to take up Semester End Examination but have not cleared the regular Semester End Examination (SEE) shall be deemed to have failed and will be awarded 'F-RA' Grade and are required only to re-register for the Semester End Examination during the subsequent odd/even semester respectively.
22PGBD 7.0	**PROGRESSION TO HIGHER SEMESTERS**
22PGBD 7.1	1) A theory, stand-alone practical/project or Theory with practical/project shall be treated as a head of passing. 2) The Mandatory Graduate Requirement Non–credit courses (GR) shall not be considered for progression to higher semesters, award of Class, and calculation of SGPA and CGPA. However, competition of these courses is mandatory for award of the Degree. 3) There shall be no restriction for promotion to 2nd semester from 1st semester, if the student has fulfilled the attendance requirement. 4) Third semester onwards, a student is permitted to register for higher semester/level courses, if he obtains a minimum of 50% of the credits till the previous semester as per the Scheme of Teaching and Evaluation, to an extent of 28 credits in total, subjected to the condition under clause 22BSET3.10 (1) (d). 5) Students failing to satisfy the clause (4) above, shall register for the remaining credits subjected to the condition under clause 22BSET 3.10 (1) (d) and earn the required number of credits for progression.

22PGBD 8.0	PASSING STANDARDS AND CLASS DECLARATION
22PGBD 8.1	**Computation of SGPA and CGPA:** 1) Semester Grade Point Average (SGPA) will be awarded at the end of each Semester and Cumulative Grade Point Average (CGPA) will be awarded at the end of the program. However, CGPA is calculated at the end of each semester from the second semester onwards and reflected in the grade certificate for indicating the progress of the student. 2) Each course in a program is associated with number of credits (C). Based on the number of Credits for a course and obtained Grade Point (GP) for that course in a Semester, the GPA is calculated as given below: a) The SGPA is the ratio of sum of the product of the number of credits with the grade points secured by a student in all the courses taken by him and the sum of the number of credits of all the courses undergone by a student, i.e., $SGPA = \sum (C_i \times G_i) / \sum C_i$ Where C_i is the number of credits of the ith course and G_i is the grade point scored by the student in the ith course. b) The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme, i.e., $CGPA = \sum (C_n \times S_n) / \sum C_n$ Where S_n is the SGPA of the nth semester and C_n is the total number of credits in that semester. Finally the SGPA and CGPA shall be rounded off to 2 decimal places.
22PGBD 8.2	**Passing Standards:** 1) A student shall be declared successful or 'passed' in a semester, only when he gets a SGPA of 5.00 earning credits as per the scheme of teaching and evaluation, with grade point of 5 or better in every registered course. 2) A student shall be declared successful or 'passed' in the entire Post Graduate programme, only when he gets a minimum CGPA of 5.00 and has completed all the graduate requirement courses as mandated in the scheme of teaching and evaluation.

22PGBD 8.3	**1) Conversion of Grade and Percentage of Marks:** Conversion formula for the conversion of CGPA into Percentage is: Percentage of marks scored, P = [CGPA earned] x 10 **2) Class Declaration:** After the conversion of final CGPA into Percentage of Marks (PM), a graduating student is declared to have passed in a) First Class with Distinction (FCD): PM ≥ 75% **(In First Attempt)** b) First Class (FC): 60% ≤ PM < 75% c) Second Class (SC): 50% ≤ PM < 60%
22PGBD 8.4	**Grade Cards, Certificates and Transcripts:** 1) **Grade Cards:** At the end of each semester, a Grade Card shall be issued to all the registered students of that semester, indicating the Course code, Title, Number of credits, Letter grade awarded and Credits earned, for all the Courses as specified in the scheme of teaching and evaluation. This may have F -RA or F - RR grades awarded to the student. 2) **Grade Certificate:** On successful completion of all courses/earning credits, specified in a semester, the grade certificate is issued indicating the course details along with SGPA of that semester and also CGPA earned till that semester. 3) **Transcripts:** Transcript is the consolidated statement of the Academic Performance of a student for all the semesters since joining the programme and is given to a student on successful completion of the programme along with the degree certificate. a) For those students who have taken multiple attempts to clear a course, the transcript given on successful completion of the programme will only contain earned pass grade (O to P and AU); the courses cleared subsequently will however be shown in the respective semester with Month and Year in which the student has finally cleared the course. The transcript will show only the overall CGPA based on all the courses taken by the student. Additional courses will be shown separately, indicating the grade earned by the student. Additional copies of the transcript can be obtained if needed, on request submitted along with payment of applicable fee. b) Students who have not yet completed the programme can obtain an interim Transcript at the end of any semester, if needed, on request and upon payment of applicable fee. The interim Transcript includes failed courses, which have not been cleared at the time of issue.

22PGBD 9.0	**ELIGIBILITY FOR THE AWARD OF DEGREE, PRIZES, MEDALS AND RANKS**
22PGBD 9.1	**Minimum Credit Requirement:** 1) A student shall obtain a total of at least 108 credits as specified by the University along with satisfying the passing standards as per 22PGBD 8.2 to be eligible for the award of MCA degree.
22PGBD 9.2	For the award of Prizes and Medals, the conditions stipulated by the Donor/ University may be considered subject to the provisions of the statutes of the University for such awards from time to time.
22PGBD 9.3	For award of ranks in the programme, a minimum of 10 students should have appeared in the final semester examination. The total number of ranks awarded shall be 10% of total number of students appeared in final semester.
22PGBD 9.4	A Studentshall be eligible for a rank at the time of award of the degree, provided the student has passed in all the courses from 1st to 4th semester for MCA in first attempt.
22PGBD 9.5	For award of Rank, the CGPA secured by the student from 1st to final semester shall be considered, provided 22BSET 9.4 is satisfied.
22PGBD 9.6	If two students get the same CGPA, the tie should be resolved by considering the number of times a student has obtained higher SGPA. But, if it is not resolved even at this stage, the number of times a student has obtained higher grades like O, A+, A, B, C & P shall be taken into account in Rank ordering of the students.
22PGBD 10.0	**MAXIMUM DURATION FOR PROGRAMME COMPLETION**
22PGBD 10.1	The student shall complete the MCA programme within a period of four (04) academic years respectively, failing which he has to discontinue the program. The duration is from the date of admission to the program.
22PGBD 11.0	**TRANSFER OF STUDENTS**
22PGBD 11.1	Transfer of students from another University is permitted only at the beginning of odd semesters, subject to availability of seats within the permitted intake and subject to the prior approval of the Vice Chancellor of the University. Such students should have passed in all courses of 1st and 2nd semesters for admission to 3rd semester of MCA.

22PGBD 11.2	The students seeking admission shall have to: 1) Apply for establishment of equivalence with prescribed fees as notified by the University; and 2) Submit No Objection for admission from the migrating University before commencement of semester as notified by the University. 3) The University may prescribe fee for administrative purpose (for updating of the records), which shall be notified from time to time, for transfer.
22PGBD 12.0	**MISCELLANEOUS**
22PGBD 12.1	The academic regulations should be read as a whole for the purpose of any interpretation.
22PGBD 12.2	Wherever the words “he”, “him”, “his” occur in the regulations, they include “she”, “her”, “hers”.
22PGBD 12.3	In case of any doubt or ambiguity in the interpretation of the rules mentioned in the regulations, the decision of the Vice-Chancellor shall be final.
22PGBD 12.4	The University may change or amend the regulations and/ or curriculum at any time, and the changes or amendments made shall be applicable to all the students with effect from the date notified by the University.
22PGBD 12.5	These regulations governing the Degree of Master of Computer Applications (MCA) programme of the University may be modified from time to time with the approval of statutory bodies of the University and shall be binding on all.

Recruitment Policy

1.0 OBJECTIVE:

This policy aims to:

- Provide a framework for the delivery of flexible recruitment and selection activity, which ensures the best candidates are secured with CMR University.
- Outline the Institution's principles regarding recruitment and selection of individuals for employment with CMR University.
- Provide appropriately qualified staff to meet the long-term needs of the CMR University.
- Enable CMR University to run with the optimal number of well-qualified staff and be consistent and meet the standard of Education.

2.0 INTRODUCTION:

- Effective recruitment and selection are the foundation for an efficiently working Institution. All recruitment and selection decisions are to be based on an assessment of a candidate's ability to perform his/her workplace responsibilities and the ability to develop during his/her employment with CMRU.
- It is CMR University policy to deal with all applicants with courtesy, respect and sensitivity.
- The HR Department owns the recruitment and hiring process. To ensure that this critical function is delivered in an efficient and cost-effective manner, HR will:
    - Lay down procedures and appropriate selection processes in consultation with Higher Authorities: and Reporting Authorities with personal interviews;
    - establish cost - effective arrangements with approved recruitment suppliers; and
    - help determine the best fitment towards making offers to selected candidates.

3.0 Policy Covers:

- Recruitment need and hiring initiation
- Selection Process
- Sourcing & Screening
- Offer Fitment
- Selection Committee and Process

4.0 EQUAL OPPORTUNITIES IN RECRUITMENT AND SELECTION:

- The recruitment process will aim to select the most suitable person for the job based on candidates' relevant work experience and qualifications.
- CMR University will not discriminate against any candidate based on his/her age, sex, color, creed, and race, place of origin, caste or religion.

5.0 STAFFING PLAN:

- All hiring will be driven only through a yearly Staffing Plan. Hiring can be initiated and performed for only those vacancies that are identified in the approved Staffing Plan. The Staffing Plan is to contain the approved number of vacancies to be fulfilled.
- The Staffing Plan will be created by HR as part of the yearly Manpower Planning exercise conducted with an objective of creating the organizational capacity to meet the revenue and cost goals set out in the Yearly Budget.
- The Staffing Plan may get amended from time to time based on the business circumstances. HR will be responsible for maintaining the latest approved Staffing Plan and making it available to the Recruitment Teams.
- Any hiring request outside the Staffing Plan will be treated as an exception and will require Higher Authorities approval and submit the approved form to the HR.

6.0 SELECTION CRITERIA:

- Only those elements that are important to the job are to be established as criteria for selection. These may include educational and professional qualifications, previous relevant work experience and soft/behavioral skills relevant to a vacancy.
- For Non-teaching candidate (on case basis) formal academic or professional qualification requirements may be waived for candidates who can demonstrate their suitability for the job by other means, including previous experience and a willingness to undergo further training (for Non-Teaching).
- The selection criteria for every vacancy are to be defined and made available to the HR Recruitment team in the form of a Job Description.

7.0 SELECTION PROCESS:

- The selection process may consist of different level of committee members (Panelists), depending on the School / Subject.
- The necessity of a demo/written test will be decided jointly by the Deans/Directors and Registrar taking into an account the function, seniority and the nature of the position being fulfilled.
- Before attempting to source candidates from outside CMR University, the HR Recruitment team is required to ensure that no suitable, free resource is available within CMR University to fulfill the position.
- In case a suitable resource is available internally, HR will make every effort to fulfill the position with the identified internal candidate.
- All positions above would require a personal interview with Vice Chancellor and Registrar and final approval from Chancellor.

8.0 FULFILLING VACANCIES THROUGH INTERNAL APPLICANTS / INTERNAL JOB POSTING (IJP):

- CMR University allows for its employees to apply for available vacancies within CMR University based on their interest and suitability for the available vacancy. Towards this end, the CMR University and HR team will publish the list of available vacancies through appropriate means of communication on a case-by-case basis, as deemed appropriate.
- For any such vacancy fulfillment through internal employees, the concerned employee needs to qualify as per the defined Job Description and secure his/her Reporting Authorities approval at the time of applying.
- This is applicable only to employees who are confirmed employment with CMR University.
- The decision of the Hiring Manager and HR towards the selection of any such employee will be compulsory.
- Employees are allowed to apply for change of department, or other positions if their Candidature is suitable for the available position.
- In case an employee is selected for a position at a grade higher than his/her existing grade, any necessary compensation revision will be considered and offered only during the next salary appraisal as per the performance appraisal cycle.

9.0 CAMPUS HIRING/WALK-INS:

- The HR team will hire students from CMR University, with approval of the concerned authorities.
- Campus hiring can be done only for entry-level positions. An exception to this rule can be made for candidates with prior relevant work experience and with assessed suitability and capability at higher levels.

10.0 EMPLOYEE REFERRAL PROGRAM:

- In order to increase the scope of the talent selection pool, CMR University encourages its Employees to refer candidates for all open advertised vacancies in the organization.

11.0 SOURCING FROM RECRUITMENT VENDORS:

- The HR recruitment team can approach approved recruitment vendors for fulfilling vacancies if sufficient number of suitable candidates are not available through other means of sourcing.
- The budget for engaging recruitment vendors will be drawn up by the HR team based on the Staffing Plan. Once approved by the Higher Authorities, HR will own the budget and all expenses towards recruitment vendors will be governed by this budget.
- Recruitment vendors cannot be engaged if the adequate budget is not available with the HR team for the hiring.
- HR will need to work with Finance towards ensuring that the expenses are booked in the Financial System.

- Any exception to the above will require the approval of the Higher Authorities on a case-by-case basis.

12.0 HIRING FROM CLIENTS AND SUPPLIERS:

- CMR University does not encourage hiring of existing employees from its clients and suppliers with whom it has any existing contractual agreement in order to restrict hiring of each other's employees.
- In order to ensure that CMR University does not inadvertently hire existing employees from its clients or suppliers from whom it should not, HR will maintain a database of all clients and suppliers from whom no hiring should be conducted.
- All Production and Support Services Functions are required to communicate the list of such clients and suppliers to HR.
- Any exception to the above will require approval from the Higher Authorities to that effect.
- In case no contractual agreement is present with a client/supplier, HR will seek clearance from the Higher Authorities based on the sensitivity of a case under consideration.

13.0 REHIRING FORMER EMPLOYEES:

- CMR University allows for re-hiring of its former employees as long as they had separated from CMR University in good standing and are found suitable for an open vacancy.
- There needs to be a six months gap between separation of an employee from CMR University and his/her re-employment.
- Any exception to the above rule will require approval from the Higher Authorities.
- All such candidates need to go through the standard hiring process applied to any other candidate.
- If a former employee is to be rehired within six months of separating from CMR University he/she can be hired only at the same salary level as was applicable to him/her at the time of separation or as his/her former employment unless the salary band has undergone a change since the time of the former employee's separation. In such a case, the current salary band will be used for making the salary offer.
- An exception to the above fitment rule is possible only in cases in which a former employee acquires a significantly new and higher set of skills or experiences relevant to the position applied for that differentiate him/her from his/her former CMR University peers.
- Such exceptions need the explicit approval of the Higher Authorities based on a Recommendation by the HR through a Justification Document.
- Rehiring of former employees at any level requires the approval of Higher Authorities.

14.0 HIRING WITHIN FAMILY RELATIONSHIPS AND RELATIVES:

- In order to avoid potential situations of 'conflict of interest', a CMR University employee and his/her 'close relation' may not be in roles of reporting, performance appraisal or feedback. This applies to spousal, domestic partner, and other close relatives including parents, children, brothers, sisters, in-laws, aunts, uncles, cousins.
- However, in case of such a situation arising, the case will be referred to HR and with approval of higher authorities, may result in a change of assignment or role of the candidate as deemed appropriate.

15.0 HIRING CONTRACTORS:

- The Intuition will maintain a list of approved/authorized vendors from whom CMR University can hire employees on contract. These contractors would not be the rolls of CMR University and all terms of the contract will be binding upon CMR University and the vendor.

16.0 ENGAGING FORMER EMPLOYEES AS CONTRACTORS (RETAINERS):

- A former CMR University employee may be employed as a Contractor provided he/she had separated from CMR University in good standing.
- There needs to be a six months gap between separation of an employee from CMR University and His / her re-employment as a contractor. Any exception to the above rule will require an approval from the Higher Authorities and a Justification Document.
- However, any such former employee will have to be taken at the same or lower grade and salary level as he/she was at the time of separation from CMR University.
- All such contract employees/retainers will need to sign a Non-Disclosure Agreement with CMR University and execute a mutually agreed contract agreement with CMR University for the period of engagement.

17.0 OFFER FITMENT:

- Offer can be made only after satisfactory completion of reference check, wherever applicable.
- All salary offers will need to confirm to the prescribed salary band applicable to the grade level of the vacancy.
- In case the Salary is beyond the salary band, the HR needs to take approval from the Higher Authorities.
- Purchase of notice period is allowed for on a case-by-case basis only through approval by the Higher Authorities based on the recommendation. The quantum of purchase will be decided by the Higher Authorities.
- All payments towards notice period purchase will be made to a selected candidate only upon their joining CMR University and will be disbursed along with the first salary payout.
- All notice period purchase payments are subject to TDS, which will need to be borne by

the employee.

- Salary details, as per the offer letter, of all new joiners will need to be informed by HR operation team to payroll department to compute their salary.

18.0 REFERENCE AND BACKGROUND VERIFICATION

- All offers made to selected candidates must indicate that employment is subject to the satisfactory completion of reference verification.
- All offers made to selected candidates must indicate that employment is subject to the satisfactory completion of background and reference verification
- An employee's employment with CMR University can be terminated with immediate effect if it is found at any point in time that an employee has willfully misinformed CMR University about his/her qualifications or past work experience.

<u>Design Thinking Day</u>

Flagship Event of Department of Common Core Curriculum - 17 March 2023

A platform for students to come together, collaborate and create sustainable solutions to human centric real-world problems that they deeply care about and celebrate the spirit of innovation.

Design Thinking Lab

This space has been designed to challenge students to collaborate, create, learn through hands-on, project based learning and personalized experimentation. This space will enable students to shift from being passive consumers of information and products to active creators and innovators; and eventually help in achieving the learning outcomes of the design thinking programme.

To begin with, this space will provide access to equipment and training for fabrication skills including molding and casting, sensor fabrication, microcontroller programming, and 3D printing; support coursework, cross-disciplinary research and personal projects for all CMRU students, regardless of discipline.

CMRU Innovation Award

This is a first of its kind award in CMRU, initiated by the DCCC. The constitution of the Innovation Award was a significant part of the Design Thinking Day 'Cause 2023'. The award is a humble way to recognise, appreciate and celebrate the successes of individuals and groups who have made significant contributions in their respective fields and been instrumental in transforming lives. The award also aims to provide a source of inspiration for our students who aspire to become future innovators. Mr. Ratul Narain is the first recipient of this prestigious award. Founder of Bempu Health Pvt, Mr. Ratul Narain's exceptional and innovative work in the field of Health Tech has resulted in saving the lives of thousands of newborn babies across the world.

CMR University's Global Immersion Program: Nurturing global citizens through transformative cross-cultural experiences.

Divya Singh's participation in the Global Immersion Programme and visit to Seocho Youth Center marked the maiden marvel for CMR University's Global Volunteering Programme. A student of School of Social Sciences and Humanities at CMRU, Divya paved the way for countless others to follow suit and become confident, culturally aware, and globally-connected individuals.

At the heart of this innovative educational undertaking lies the vision of Dr. Babu Devasenapati S, Director of OSA, Partnerships & Global Immersion. Through the Global Immersion Programme, the students get to be exposed to a melting pot of traditions, beliefs, and values, challenging their preconceived notions and nurturing a profound appreciation for diversity. This in turn enables them to broaden their perspective and enrich their personal growth while fortifying their academic and professional pursuits.
